Offered By

1 AMEND Senate Bill No. 20, Page 1, Section A, Line 2, by inserting after said section and line the  
2 following:

3  
4 "217.182. The director shall annually notify each prosecuting and circuit attorney in the  
5 state of an estimate of the average cost per day to incarcerate an offender. Such estimate shall also  
6 be posted on the official department website.

7 217.690. 1. All releases or paroles shall issue upon order of the board, duly adopted.

8 2. Before ordering the parole of any offender, the board shall conduct a validated risk and  
9 needs assessment and evaluate the case under the rules governing parole that are promulgated by the  
10 board. The board shall then have the offender appear before a hearing panel and shall conduct a  
11 personal interview with him, unless waived by the offender[;] or if the guidelines indicate the  
12 offender may be paroled without need for an interview. The guidelines and rules shall not allow for  
13 the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by  
14 means of a videoconference at the discretion of the board. A parole may be ordered for the best  
15 interest of society when there is a reasonable probability, based on the risk assessment and indicators  
16 of release readiness, that the person can be supervised under parole supervision and successfully  
17 reintegrated into the community, not as an award of clemency; it shall not be considered a reduction  
18 of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the  
19 department but shall be subject to the orders of the board.

20 3. The division of probation and parole has discretionary authority to require the payment of  
21 a fee, not to exceed sixty dollars per month, from every offender placed under division supervision  
22 on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for  
23 willful nonpayment of fees, and to contract with a private entity for fee collections services. All  
24 fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected  
25 may be used to pay the costs of contracted collections services. The fees collected may otherwise  
26 be used to provide community corrections and intervention services for offenders. Such services  
27 include substance abuse assessment and treatment, mental health assessment and treatment,  
28 electronic monitoring services, residential facilities services, employment placement services, and  
29 other offender community corrections or intervention services designated by the division of  
30 probation and parole to assist offenders to successfully complete probation, parole, or conditional  
31 release. The board shall adopt rules not inconsistent with law, in accordance with section 217.040,  
32 with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using  
33 fees.

34 4. The board shall adopt rules not inconsistent with law, in accordance with section 217.040,  
35 with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to  
36 be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1 conditions of such parole.

2 5. When considering parole for an offender with consecutive sentences, the minimum term  
3 for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for  
4 each of the consecutive sentences, except the minimum term for parole eligibility shall not exceed  
5 the minimum term for parole eligibility for an ordinary life sentence.

6 6. Any offender under a sentence for first degree murder who has been denied release on  
7 parole after a parole hearing shall not be eligible for another parole hearing until at least three years  
8 from the month of the parole denial; however, this subsection shall not prevent a release pursuant to  
9 subsection 4 of section 558.011.

10 7. A victim who has requested an opportunity to be heard shall receive notice that the board  
11 is conducting an assessment of the offender's risk and readiness for release and that the victim's  
12 input will be particularly helpful when it pertains to safety concerns and specific protective  
13 measures that may be beneficial to the victim should the offender be granted release.

14 8. Parole hearings shall, at a minimum, contain the following procedures:

15 (1) The victim or person representing the victim who attends a hearing may be accompanied  
16 by one other person;

17 (2) The victim or person representing the victim who attends a hearing shall have the option  
18 of giving testimony in the presence of the inmate or to the hearing panel without the inmate being  
19 present;

20 (3) The victim or person representing the victim may call or write the parole board rather  
21 than attend the hearing;

22 (4) The victim or person representing the victim may have a personal meeting with a board  
23 member at the board's central office;

24 (5) The judge, prosecuting attorney or circuit attorney and a representative of the local law  
25 enforcement agency investigating the crime shall be allowed to attend the hearing or provide  
26 information to the hearing panel in regard to the parole consideration; ~~and~~

27 (6) The board shall evaluate information listed in the juvenile sex offender registry pursuant  
28 to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it  
29 impacts the safety of the community; and

30 (7) The board estimating the expected cost to the state of the offender serving the remainder  
31 of his or her sentence.

32 9. The board shall notify any person of the results of a parole eligibility hearing if the person  
33 indicates to the board a desire to be notified.

34 10. The board may, at its discretion, require any offender seeking parole to meet certain  
35 conditions during the term of that parole so long as said conditions are not illegal or impossible for  
36 the offender to perform. These conditions may include an amount of restitution to the state for the  
37 cost of that offender's incarceration.

38 11. Special parole conditions shall be responsive to the assessed risk and needs of the  
39 offender or the need for extraordinary supervision, such as electronic monitoring. The board shall  
40 adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon  
41 release, and to require the modification and reduction of conditions based on the person's continuing  
42 stability in the community. Board rules shall permit parole conditions to be modified by parole  
43 officers with review and approval by supervisors.

44 12. Nothing contained in this section shall be construed to require the release of an offender  
45 on parole nor to reduce the sentence of an offender heretofore committed.

46 13. Beginning January 1, 2001, the board shall not order a parole unless the offender has  
47 obtained a high school diploma or its equivalent, or unless the board is satisfied that the offender,  
48 while committed to the custody of the department, has made an honest good-faith effort to obtain a  
49 high school diploma or its equivalent; provided that the director may waive this requirement by

1 certifying in writing to the board that the offender has actively participated in mandatory education  
2 programs or is academically unable to obtain a high school diploma or its equivalent.

3 14. Any rule or portion of a rule, as that term is defined in section 536.010, that is created  
4 under the authority delegated in this section shall become effective only if it complies with and is  
5 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and  
6 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to  
7 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently  
8 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after  
9 August 28, 2005, shall be invalid and void.

10 217.692. 1. Notwithstanding any other provision of law to the contrary, any offender  
11 incarcerated in a correctional institution serving any sentence of life with no parole for fifty years or  
12 life without parole, whose plea of guilt was entered or whose trial commenced prior to December

20 physical or sexual domestic violence of the offender, including but not limited to witness statements,  
21 hospital records, social services records, and law enforcement records;

22

27 prison record of any offender described in subsection 1 of this section. At the end of the board's  
28 review, the board shall provide the offender with a copy of a statement of reasons for its parole  
29 decision.

30 3. Any offender released under the provisions of this section shall be under the supervision  
31 of the parole board for an amount of time to be determined by the board.

33 its parole decision:

49 sentence.

1           5. Nothing in this section shall limit the review of any offender's case who is eligible for  
2 parole prior to fifteen years, nor shall it limit in any way the parole board's power to grant parole  
3 prior to fifteen years.

4           6. Nothing in this section shall limit the review of any offender's case who has applied for  
5 executive clemency, nor shall it limit in any way the governor's power to grant clemency.

6           7. It shall be the responsibility of the offender to petition the board for a hearing under this  
7 section.

8           8. A person commits the crime of perjury if he or she, with the purpose to deceive,  
9 knowingly makes a false witness statement to the board. Perjury under this section shall be a class
