2 Section A, Line 2, by inserting after all of said section and line the following:  
3

4 "67.641. 1. The general assembly may annually appropriate up to three million dollars from the state  
5 general revenue fund to each convention and sports complex fund created pursuant to section 67.639,  
6 provided that for an existing sports facility located in a first class county with a charter form of government  
7 which contains part of a city having a population of three hundred fifty thousand inhabitants or more or any  
8 city with a population greater than three hundred fifty thousand, located in more than one county, such county  
9 or city has entered into a contract or lease with a professional sports team affiliated with or franchised by the  
10 National Football League, the National Basketball Association, the National Hockey League, or the  
11 American League or the National League of Major League Baseball. No moneys shall be transferred  
12 pursuant to this section to the benefit of a sports complex for a county in any year unless each professional  
13 sports team which leases playing facilities within the county continue to lease the same playing facilities  
14 which were leased on August 28, 1989. Each convention and sports complex fund shall be administered by  
15 the county or city and used to carry out the provisions of sections 67.638 to 67.645.

16 2. Each city or county which has a convention and sports complex fund established pursuant to the  
17 laws of this state which administers a convention and sports complex fund, prior to receipt of any  
18 appropriations pursuant to this section shall enact or promulgate ordinances, or rules and regulations which  
19 provide, pursuant to the terms and provisions of section 70.859, for the purchase of goods and services and  
20 for construction of capital improvements for the sports complex. In no event shall more than three million  
21 dollars be transferred from the state to any one such convention and sports complex fund in any fiscal year  
22 pursuant to this section, and in no event shall any moneys be transferred from the state to any convention and  
23 sports complex fund for the planning, development, construction, maintenance or operation of any facility  
24 after June 30, 1999. Only one such transfer of state funds shall be made to any convention and sports  
25 complex fund after June 30, 1997, provided that any convention and sports complex fund which was  
26 appropriated state moneys prior to July 1, 1997, for the construction, maintenance or operation of a facility  
27 shall continue to receive state moneys, subject to appropriation.

28 3. This section shall not become effective unless and until the applicable county or the applicable  
29 city which has created a convention and sports complex fund has commenced paying into the convention and  
30 sports complex fund amounts at a rate sufficient for the county or city to contribute the sum of three million  
31 dollars per calendar year, except that this section shall become effective with respect to any first class county  
32 not having a charter form of government on August 28, 1989, and with respect to any charter city located in a  
33 first class county not having a charter form of government at the time at which such county or city has  
34 commenced paying any moneys into its convention and sports complex fund. The appropriations made  
35 pursuant to subsection 1 of this section to any convention and sports complex fund shall not exceed the  
36 amounts contributed by the county or city to the fund. The county or city's proportional amount specified in  
37 this section may come from any source. Once the county or city has commenced paying such appropriate  
38 proportional amounts into its convention and sports complex fund, the county or city shall so notify the state  
39 treasurer and the director of revenue and, thereafter, subject to annual appropriation, transfers shall  
40 commence and continue each month pursuant to this section until such monthly transfers are made for [thirty]

forty years. Moneys appropriated from general revenue shall not be expended until such first class charter county or a city located in such first class charter county has paid three million dollars into its fund, or until such first class county not having a charter form of government or until such charter city within a first class county not having a charter form of government has commenced payment of moneys into its fund.

99.585. 1. The state of Missouri, acting through the department of economic development and the office of administration, or any other public body may, upon such terms and with reasonable consideration as it may determine, expend funds for the purpose of aiding and cooperating in the planning, undertaking, or carrying out of a land clearance project or projects within the area in which the public body is authorized to act to develop, construct, reconstruct, rehabilitate, repair, or improve any tourism infrastructure facilities existing as of August 28, 2019, and for which application is made and approved by the department of economic development no later than August 28, 2020. Any annual expenditure by a public body for such land clearance projects related to tourism infrastructure facilities shall be limited to a portion of tax revenues derived directly or indirectly from any such land clearance project or projects supported by such annual expenditure within such designated land clearance project area or areas, as stated in an agreement entered into between the authority and the public body under subdivision (10) of section 99.580; provided, however, that:

(1) The term of state appropriations under any such agreement shall not exceed twenty years;

(2) The annual amount of the state appropriation authorized under this section shall not exceed two million five hundred thousand dollars per year for any fiscal year ending on or before June 30, 2031, and four million five hundred thousand dollars per year for any fiscal year thereafter. No such appropriation shall be made prior to July 1, 2021;

(3) Any such land clearance project shall be determined to produce a positive net fiscal impact for the state over the term of such agreement, with such public or private assurances as the director of the department of economic development may reasonably require; and

(4) The director of the department of economic development shall make an annual written report on behalf of the department to the governor and the general assembly within ninety days of the end of each fiscal year detailing whether such land clearance project produced a positive net fiscal impact for the state in the prior fiscal year and projecting the overall net fiscal impact to the state over the term of such agreement.

2. As used in this section, "tourism infrastructure facilities" means structures, fixtures, systems, and facilities of multipurpose sports and entertainment venues with seating capacity less than twenty-five thousand, including associated parking facilities, owned by any public body and which the authority determines are a contributing factor in the attraction of sports, recreational, entertainment, or meeting activities, either professional or amateur, commercial or private. Such structures, fixtures, systems, and facilities may include, but are not limited to, foundations, roofs, interior and exterior walls or windows, floors, steps, stairs, concourses, hallways, restrooms, event or meeting spaces or other hospitality-related areas, concession or food preparation areas, and services systems such as mechanical, gas utility, electrical, lighting, communication, sound, sanitary, HVAC, elevator, escalator, plumbing, sprinkler, cabling and wiring, life-safety security cameras, access deterrents, public safety improvements, or other building systems."; and
