## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the Secretary of State** assume the proposal will have no fiscal impact on their organization.

Officials from the **Platte County Board of Elections, Jackson County Election Board, and St. Louis Board of Elections** each assume the proposal will have no fiscal impact on their organization.

**Oversight** notes that the proposal would only affect counties holding an uncontested Committeewoman/man election where there is no filing fee. Oversight is unable to determine how many instances in which this type of election would be held and estimates minimal fiscal impact to local election authorities. Therefore, Oversight will reflect a zero fiscal impact.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other local election authorities were requested to respond to this proposed legislation but did not. For a general listing of political subdivisions included in our database, please refer to [www.legislativeoversight.mo.gov](http://www.legislativeoversight.mo.gov).

### FISCAL IMPACT - Small Business

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
