Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 115.175, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 115.175 and 115.975, to read as follows:

115.175. Any person who knowingly or willfully gives any false information for the purpose of establishing his eligibility to register to vote or who conspires with another person for the purpose of encouraging his false registration or illegal vote, or who pays or offers to pay, accepts or offers to accept payment for registering to vote or for voting, or who otherwise willfully and fraudulently furnishes false information to a registration official for the purpose of causing a false or fictitious registration, or who registers to vote with the intention of voting more than once in the same election shall be guilty of a class one election offense. **Errors in the statewide voter registration system shall not amount to a class one election offense unless the individual knowingly or willfully provided false information that led to the error.**

21 to achieving automatic voter registration.
