

# JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

THIRTY-SEVENTH DAY, WEDNESDAY, MARCH 13, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Representative Steve Butz.

Almighty God,

We, Your sons and daughters, stand before You today seeking Your guidance and wisdom.

Please give to us a strong faith, a certain hope and sincere love as we attempt to serve each other and our fellow citizens of our state.

In this Lenten season we are reminded of our own failures, shortcomings and sins, so we ask that You give us the ability to look at ourselves and admit we need Your forgiveness, grace and mercy. May we also grant that same forgiveness, grace and mercy to our fellow brothers and sisters.

Lord, this morning I am sure there are some here who are sick and hurting: we pray for their healing. I am sure there are some here who have great sorrow back home: we pray for their consolation. There are those among us who have much joy in their hearts this morning: we share in that joy.

Help us love and serve each other as we begin our deliberations this morning.

Let the members of this House say, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Emily Bounds, Kaitlyn Bounds, and Jaxon Wilson.

The Journal of the thirty-sixth day was approved as printed by the following vote:

The court may order that all or part of a mobile video recording or the information contained in an investigative report be released to the person bringing the action.

(2) In making the determination as to whether information contained in an investigative report shall be disclosed, the court shall consider whether the benefit to the person bringing the action or to the public outweighs any harm to the public, to the law enforcement agency or any of its officers, or to any person identified in the investigative report in regard to the need for law enforcement agencies to effectively investigate and prosecute criminal activity.

(3) In making the determination as to whether a mobile video recording shall be disclosed, the court shall consider:

(a) Whether the benefit to the person bringing the action or the benefit to the public outweighs any harm to the public, to the law enforcement agency or any of its officers, or to any person identified in the mobile video recording in regard and with respect to the need for law enforcement agencies to effectively investigate and prosecute criminal activity;

- (6) The court may find that the party seeking disclosure of the mobile video recording or the investigative report shall bear the reasonable and necessary costs and attorneys' fees of both parties, unless the court finds that the decision of the law enforcement agency not to open the mobile video recording or investigative report was substantially unjustified under all relevant circumstances, and in that event, the court may assess such reasonable and necessary costs and attorneys' fees to the law enforcement agency.
6. Any person may apply pursuant to this subsection to the circuit court having jurisdiction for an order requiring a law enforcement agency to open incident reports and arrest reports being unlawfully closed pursuant to this section. If the court finds by a preponderance of the evidence that the law enforcement officer or agency has knowingly violated this section, the officer or agency shall be subject to a civil penalty in an amount up to one thousand dollars. If the court finds that there is a knowing violation of this section, the court may order payment by such officer or agency of all costs and attorneys' fees, as provided by section 610.027. 7. The victim of an offense as provided in chapter 566 may request that his or her identity be kept confidential until a charge relating to such incident is filed.
8. Any person who requests and receives a mobile video recording that was recorded in a nonpublic location under and pursuant to this section is prohibited from displaying or disclosing the mobile video recording, including any description or account of any or all of the mobile video recording, without first providing direct third-party notice to each person not affiliated with a law enforcement agency or each non-law enforcement agency individual whose image or sound is contained in the recording, and affording, upon receiving such notice, each person appearing and whose image or sound is contained in the mobile video recording no less than ten days to file and serve an action seeking an order from a court of competent jurisdiction to enjoin all or some of the intended display, disclosure, description, or account of the recording. No person shall be appointed to an elected public office in the state of Missouri who is delinquent in the payment of state income tax, personal property tax, or real property tax on the person's place of residence. A candidate for such appointed public office shall provide the appointing authority thereof with a signed and notarized affidavit stating that all state income taxes and property taxes, both personal property and real property, have been paid or the fact that no taxes were owed for the two fiscal years immediately prior to the filing deadline for the requisite elective public office.**

115.306. 1. No person shall qualify as a candidate for elective public office in the state of Missouri who has been found guilty of or pled guilty to a felony or misdemeanor under the federal laws of the United States of America or to a felony under the laws of this state or an offense committed in another state that would be considered a felony in this state.

2. (1) Any person who files as a candidate for election to a public office shall be disqualified from participation in the election for which the candidate has filed if such person is delinquent in the payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state.

(2) Each potential candidate for election to a public office shall file an affidavit with the department of revenue and include a copy of the affidavit with the declaration of candidacy required under section 115.349. Such affidavit shall be in substantially the following form:

If the department of revenue finds a positive affirmation to be false, the department shall contact the secretary of state, or the election official who accepted such candidate's declaration of candidacy, and the potential candidate. The department shall notify the candidate of the outstanding tax owed and give the candidate thirty days to remit any such outstanding taxes owed which are not the subject of dispute between the department and the candidate. If the candidate fails to remit such amounts in full within thirty days, the candidate shall be disqualified from participating in the current election and barred from refiling for an entire election cycle even if the individual pays all of the outstanding taxes that were the subject of the complaint.

**3. In addition to the requirements of subsections 1 and 2 of this section, the election authority of any city, town, village, or township shall require proof that a candidate for elective public office within the city, town, village, or township is not delinquent in the payment of state income tax, personal property tax, or real property tax on the candidate's place of residence. *House Amendment No. 1*

AMEND House Bill No. 278, Page 1, Section A, Line 2, by inserting after said section and line the following:

"288.100. 1. (1) The division shall maintain a separate account for each employer which is paying contributions, and shall credit each employer's account with all contributions which each employer has paid. A separate account shall be maintained for each employer making payments in lieu of contributions to which shall be credited all such payments made. The account shall also show payments due as provided in section 288.090. The division may close and cancel such separate account after a period of four consecutive calendar years during which such employer has had no employment in this state subject to contributions. Nothing in this law shall be construed to grant any employer or individuals in the employer's service prior claims or rights to the amounts paid by the employer into the fund either on the employer's own behalf or on behalf of such individuals. Except as provided in subdivision (4) of this subsection, regular benefits and that portion of extended benefits not reimbursed by the federal government paid to an eligible individual shall be charged against the accounts of the individual's base period employers who are paying contributions subject to the provisions of subdivision (4) of subsection 3 of section 288.090. With respect to initial claims filed after December 31, 1984, for benefits paid to an individual based on wages paid by one or more employers in the base period of the claim, the amount chargeable to each employer shall be obtained by multiplying the benefits paid by a ratio obtained by dividing the base period wages from such employer by the total wages appearing in the base period. Except as provided in this subdivision, the maximum amount of extended benefits paid to an individual and charged against the account of any employer shall not exceed one-half of the product obtained by multiplying the benefits paid by a ratio obtained by dividing the base period wages from such employer by the total wages appearing in the base period. The provisions of this subdivision notwithstanding, with respect to weeks of unemployment beginning after December 31, 1978, the maximum amount of extended benefits paid to an individual and charged against the account of an employer which is an employer ~~[pursuant to]~~ **under** subdivision (3) of subsection 1 of section 288.032 and which is paying contributions ~~[pursuant to]~~ **under** subsections 1 and 2 of section 288.090 shall not exceed the calculated entitlement for the extended benefit claim based upon the wages appearing within the base period of the extended benefit claim.

(2) Beginning as of June 30, 1951, and as of June thirtieth of each year thereafter, any unassigned surplus in the unemployment compensation fund which is five hundred thousand dollars or more in excess of five-tenths of one percent of the total taxable wages paid by all employers for the preceding calendar year as shown on the division's records on such June thirtieth shall be credited on a pro rata basis to all employer accounts having a credit balance in the same ratio that the balance in each such account bears to the total of the credit balances subject to use for rate calculation purposes for the following year in all such accounts on the same date. As used in this subdivision, the term "unassigned surplus" means the amount by which the total cash balance in the unemployment compensation fund exceeds a sum equal to the total of all employer credit account balances. The amount thus prorated to each separate employer's account shall for tax rating purposes be considered the same as contributions paid by the employer and credited to the employer's account for the period preceding the calculation date except that no such amount can be credited against any contributions due or that may thereafter become due from such employer.

(3) At the conclusion of each calendar quarter the division shall, within thirty days, notify each employer by mail of the benefits paid to each claimant by week as determined by the division which have been charged to such employer's account subsequent to the last notice.

(4) (a) No benefits based on wages paid for services performed prior to the date of any act for which a claimant is disqualified ~~[pursuant to]~~ **under** section 288.050 shall be chargeable to any employer directly involved in such disqualifying act.

(b) In the event the deputy has in due course determined ~~[pursuant to]~~ **under** paragraph (a) of subdivision (1) of subsection 1 of section 288.050 that a claimant quit his or her work with an employer for the purpose of accepting a more remunerative job with another employer which the claimant did accept and earn some wages therein, no benefits based on wages paid prior to the date of the quit shall be chargeable to the employer the claimant quit.

(c) In the event the deputy has in due course determined ~~[pursuant to]~~ **under** paragraph (b) of subdivision (1) of subsection 1 of section 288.050 that a claimant quit temporary work in employment with an employer to return to the claimant's regular employer, then, only for the purpose of charging base period employers, all of the wages paid by the employer who furnished the temporary employment shall be combined with the wages actually paid by the regular employer as if all such wages had been actually paid by the regular employer. Further, charges for benefits based on wages paid for part-time work shall be removed from the account of the employer furnishing such part-time work if that employer continued to employ the individual claiming such benefits on a regular recurring basis each week of the claimant's claim to at least the same extent that the employer had previously employed the claimant and so informs the division within thirty days from the date of notice of benefit charges.

(d) No charge shall be made against an employer's account in respect to benefits paid an individual if the gross amount of wages paid by such employer to such individual is four hundred dollars or less during the individual's base period on which the individual's benefit payments are based. Further, no charge shall be made against any employer's account in respect to benefits paid any individual unless such individual was in employment with respect to such employer longer than a probationary period of ~~[twenty-eight]~~ **ninety** days, if such probationary period of employment has been reported to the division as required by regulation.

(e) In the event the deputy has in due course determined ~~[pursuant to]~~ **under** paragraph (c) of subdivision (1) of subsection 1 of section 288.050 that a claimant is not disqualified, no benefits based on wages paid for work prior to the date of the quit shall be chargeable to the employer the claimant quit.

(f) In the event the deputy has in due course determined under paragraph (e) of subdivision (1) of subsection 1 of section 288.050 that a claimant is not disqualified, no benefits based on wages paid for work prior to the date of the quit shall be chargeable to the employer the claimant quit.

(g) Nothing in paragraph (b), (c), (d), (e), or (f) of this subdivision shall in any way affect the benefit amount, duration of benefits or the wage credits of the claimant.

2. The division may prescribe regulations for the establishment, maintenance, and dissolution of joint accounts by two or more employers, and shall, in accordance with such regulations and upon application by two or more employers to establish such an account, or to merge their several individual accounts in a joint account, maintain such joint account as if it constituted a single employer's account.

3. The division may by regulation provide for the compilation and publication of such data as may be necessary to show the amounts of benefits not charged to any individual employer's account classified by reason no such charge was made and to show the types and amounts of transactions affecting the unemployment compensation fund."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Andrews, **HB 278, as amended**, was ordered perfected and printed.
