

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-SECOND DAY, WEDNESDAY, MARCH 27, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Let Your work appear unto Your servants and Your glory unto their children. (Psalm 90:16)

Eternal God, who has been our dwelling place in all generations, our fathers and mothers prayed, and trusting in You were sustained all their lives. Give to us the realization, as we pray, that You are with us and so empower us that we may be upheld all our days.

Strengthen us to resist temptations, deliver us from constant bad moods, help us to assist others – to feed the hungry, to clothe the naked, to set free the captive, to give liberty to those who are oppressed, and to promote peace in our state, justice among all, and good will in all hearts.

So may Missouri be blessed and become a blessing to all residing here.

And the House says, “Amen.”

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Dawson Fennewald, Reagan O'Farrell, Ayren Rapp, Blake Hallsten, and Cora Hallsten.

The Journal of the forty-first day was approved as printed by the following vote:

AMEND House Committee Substitute for House Bill Nos. 26 & 922, Page 22, Section 115.770, Line 14, by inserting after all of said line the following:

"115.1000. 1. (1) Notwithstanding any other provision of law, an election authority with more than three hundred fifty thousand residents shall make available for all statewide elections, elections for the general assembly, or local elections at least one voting machine per polling location for use by blind or visually impaired persons.

(2) Notwithstanding any other provision of law, an election authority with fewer than three hundred fifty thousand residents shall make available for all statewide elections, elections for the general assembly, or local elections at least one voting machine for use by blind or visually impaired persons.

(3) For purposes of this section, each election authority shall be presumed to possess an accessible voting machine for purposes of compliance with the Help America Vote Act, and such machine shall be made available at state and local elections in the same manner as for federal elections.

2. Any additional election costs for the maintenance and use of such machines during statewide and general assembly elections shall be paid by the state and subject to appropriation.

House Amendment No. 3

AMEND House Committee Substitute for House Bill Nos. 26 & 922, Page 14, Section 115.287, Line 44, by inserting after all of said section and line the following:

"115.306. 1. No person shall qualify as a candidate for elective public office in the state of Missouri who has been found guilty of or pled guilty to a felony or misdemeanor under the federal laws of the United States of America or to a felony under the laws of this state or an offense committed in another state that would be considered a felony in this state.

2. (1) Any person who files as a candidate for election to a public office shall be disqualified from participation in the election for which the candidate has filed if such person is delinquent in the payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state.

(2) Each potential candidate for election to a public office shall file an affidavit with the department of revenue and include a copy of the affidavit with the declaration of candidacy required under section 115.349. Such affidavit shall be in substantially the following form:

I hereby declare under penalties of perjury that I am not currently aware of any delinquency in the filing or payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or that I am a past or present corporate officer of any fee office that owes any taxes to the state, other than those taxes which may be in dispute. I declare under penalties of perjury that I am not aware of any information that would prohibit me from fulfilling any bonding requirements for the office for which I am filing.

..... Candidate's Signature

..... Printed Name of Candidate

(3) Upon receipt of a complaint alleging a delinquency of the candidate in the filing or payment of any state income taxes, personal property taxes, municipal taxes, real property taxes on the place of residence, as stated on the declaration of candidacy, or if the person is a past or present corporate officer of any fee office that owes any taxes to the state, the department of revenue shall investigate such potential candidate to verify the claim contained in the complaint. If the department of revenue finds a positive affirmation to be false, the department shall contact the secretary of state, or the election official who accepted such candidate's declaration of candidacy, and the potential candidate. The department shall notify the candidate of the outstanding tax owed and give the candidate thirty days to remit any such outstanding taxes owed which are not the subject of dispute between the department and the candidate. If the candidate fails to remit such amounts in full within thirty days, the candidate shall be disqualified from participating in the current election and barred from refileing for an entire election cycle even if the individual pays all of the outstanding taxes that were the subject of the complaint.

3. In addition to the requirements of subsections 1 and 2 of this section, for a candidate to be eligible to participate in a primary election, the requisite election authority for any local, state, or federal office, including the office of President of the United States, shall require proof that a candidate is not delinquent in the payment of taxes as follows:

(a) Any candidate for federal office, including the office of President of the United States, shall be required to provide proof of payment of federal taxes for a period of two years prior to the primary election for such office; and

(b) Any candidate for state or local office shall be required to provide proof of payment of state income taxes for a period of two years prior to the primary election for such office.

"37.1094. 1. Each municipality shall provide electronically transmitted information to the office of administration, in a format the office requires, for inclusion in the Missouri municipal government expenditure database regarding each of the municipality's expenditures biannually. Information regarding the first half of the calendar year shall be submitted before July thirty-first of such year. Information regarding the second half of the calendar year shall be submitted before January thirtieth of the year immediately following such year. No submission shall be required for any expenditures incurred before January 1, 2022. The office of administration shall provide each municipality with a template in the format described in section 37.1092 for the purpose of uploading the data. The office of administration shall have the authority to grant the municipality access for the purpose of uploading the data.

2. Any municipality that fails to timely submit the required expenditure information to the office of administration shall be subject to a fine of one hundred dollars per day.

3. The office of administration shall report any violation of this section to the department of revenue. Upon notification from the office of administration that a municipality failed to timely submit expenditure information as required under this section, the department of revenue shall notify the municipality, by certified mail, that the expenditure information has not been received. Such notice shall clearly state:

(1) The name of the municipality;

(2) That the municipality shall be subject to a fine of one hundred dollars per day if the municipality does not submit the expenditure information to the office of administration before the thirtieth day following the postmarked date stamped on the certified mail envelope;

(3) That the fine will be enforced and collected as provided under subsection 4 or 5 of section 37.1094; and

(4) That the fine will begin accruing on the thirtieth day following the postmarked date stamped on the certified mail envelope and will continue to accrue until the office of administration receives the information.

In the event the expenditure information is received within thirty days of the postmarked date of the notice, no fine shall accrue or be imposed. The office of administration shall report receipt of the expenditure information to the department of revenue within ten business days. Failure of the municipality to submit the required expenditure information within thirty days of the postmarked date of the notice shall cause the fine to be collected as provided under subsection 4 or 5 of this section.

4. If a municipality collects a sales and use tax, the department of revenue may collect the fine authorized under the provisions of subsection 2 of this section by offsetting any sales or use tax distributions owed to the municipality. The fine shall not exceed ten percent of the total annual sales and use taxes collected by the municipality in the preceding calendar year. The director of revenue shall retain two percent for the cost of such collection. The remaining revenues collected from such violations shall be distributed annually to the schools of the county in the same manner that proceeds for all penalties, forfeitures, and fines collected for any breach of the penal laws of the state are distributed.

5. If a municipality does not collect a sales and use tax, the department of revenue shall send a copy of the letter of notification of noncompliance to the county that has taxing authority for the municipality. The county may collect the fine authorized under the provisions of subsection 2 of this section by withholding taxes collected on behalf of the municipality. The fine shall not exceed ten percent of the total taxes collected by the county on behalf of the municipality in the preceding calendar year. The county may retain two percent of the withheld taxes. The remaining revenues collected from such violations shall be distributed annually to the schools of the county in the same manner that proceeds for all penalties, forfeitures, and fines collected for any breach of the penal laws of the state are distributed.

Further amend said bill, Page 3, Section 37.1098, Line 9, by inserting after all of said line the following:

"139.250. 1. If any collector or collector-treasurer fails to make payment of the amount due from him or her on settlement, or in the time and manner prescribed by law, he or she and his or her sureties shall be liable to pay, as a penalty, ten percent a month on the amount wrongfully withheld, to be computed from the time the amount ought to have been paid until actual payment. This section shall apply to all revenue collections made by him or her, whether for state, county, city, town, district or school taxes, general or special, except that this section shall not apply to any collections related to taxes paid under protest or as part of a disputed assessment **or to any collections related to the fine authorized under section 37.1094.**

2. In case of refusal, notice may be served upon the collector or collector-treasurer in default and his or her sureties, informing them that a motion will be made to the circuit court of the county for a judgment against the collector and his or her sureties, for all sums of money due from him or her to the state or county, as the case may be, at time of making the motion, together with the penalty aforesaid.

3. The circuit courts of this state may hear and determine all such motions and proceedings.

4. The judgments rendered by the court under the provisions of this section shall have the same force and effect and be enforced in the same manner that other judgments in the circuit courts of this state are enforced.
