

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FORTY-SEVENTH DAY, THURSDAY, APRIL 4, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Enter into His gates with thanksgiving and into His courts with praise: be thankful unto Him and bless His name. For the Lord is good; His mercy is everlasting; and His truth endures to all generations. (Psalm 100:4 - 5)

Gracious God, out of the depths of our needs, out of the depths of our hopes, out of the depths of our failures we say: O give thanks unto the Lord, for He is good and His mercy endures forever. Favored as we are by the constancy of Divine care, impress us that these members deserve Your mercy, especially those who do their best to conform to Your laws.

May our conduct in this historic chamber this day proceed from right convictions and from belief in the truth. To us who do what we should; God will not deny His grace. Bring our minds humbly to the thought that You are above all and over all so that our vision and duty may be inspired and remembered.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the forty-sixth day was approved as printed by the following vote:

MISSOURI HOUSE OF REPRESENTATIVES **100TH GENERAL ASSEMBLY**

IN THE MATTER OF REPRESENTATIVE ROCKY MILLER **HOUSE ETHICS COMPLAINT NO. 19-002**

REPORT OF THE COMMITTEE ON ETHICS

WHEREON, the Committee on Ethics, of the Missouri House of Representatives, 100th General Assembly, pursuant to Rule 5 of House Committee Substitute for House Resolution 137, reports as follows:

1. On September 20, 2018, a Missouri House of Representatives staff employee (Complainant) contacted the House Division of Administration to file a complaint of sexual harassment. Specifically, the employee alleged that Representative Rocky Miller (Respondent) created a false rumor that the employee was having an affair with a

second representative. Pursuant to the House policy prohibiting sexual harassment, the House engaged outside counsel to investigate the complaint.

2. Complainant, Respondent, and several witnesses were interviewed as part of the investigation. Outside counsel submitted a report to the House on October 4, 2018, with the following findings:

- a. There was sufficient evidence to substantiate that Respondent created a false rumor about Complainant and a second representative;
- b. There was no evidence of a romantic or sexual relationship between Complainant and the second representative;
- c. The credibility of the Complainant and other witnesses was generally credible, while the credibility of the Respondent was questionable; and
- d. The allegation that Complainant was subjected to a hostile work environment because a rumor about Complainant was created does not rise to the level which would be considered "severe or pervasive" under the law, which is required for sexual harassment under the Missouri Human Rights Act and Title VII of the Civil Rights Act of 1964, but may implicate a violation of House Policy Section B-5.

3. The Committee on Ethics, as it was composed in 2018, met twice in November 2018 to discuss this matter.

4. At the request of the Committee, Respondent attended additional sexual harassment training, and wrote a personal letter of apology to Complainant which was received by Complainant on November 13, 2018.

5. On January 22, 2019, the Committee received a report from a third representative indicating that Respondent may have again implied there was a romantic relationship between the Complainant and the second representative in January 2019 after Respondent had received additional sexual harassment training and after Respondent had written a personal letter of apology to Complainant.

6. In February 2019, the Committee held four hearings to further discuss the complaint, the prior proceedings from 2018, the follow-up investigation in 2019, and hear personal testimony from the Complainant and Respondent.

7. The Committee finds that on January 8, 2019, an interaction between the third representative and the Respondent, as outlined in paragraph 5, did occur, and the rumor of a romantic relationship between the Complainant and the second representative was brought up by the third representative. Due to a lack of witnesses and evidence, the Committee cannot conclude with certainty what was discussed and in what context.

8. The Committee accepts the findings that Respondent created a rumor that Complainant and the second representative were having an affair, and that the rumor was false. The Committee finds, based upon the evidence received by the Committee, that:

- a. Respondent's actions constitute conduct unbecoming of a state legislator that is entrusted with authority over the legislative process;
- b. Respondent's conduct may have compromised the ability of the House to provide a respectful, professional work environment; and
- c. The false rumor was personally hurtful and professionally damaging to both Complainant and the second representative.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint, including hearing the statements to the committee from Complainant and Respondent, concludes that no further action is warranted at this time other than the issuance of this report.

This report was adopted by the Committee by a vote of 10 to 0:
