

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-THIRD DAY, TUESDAY, APRIL 16, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

God is love; and he that dwells in love dwells in God, and God in him. (1 John 4:16)

Not unto us, O Lord, but to You give glory for Your mercy. Come to us, that we may bless Your name and fulfill Your law. Strengthen us to do Your will. This day may we put some touches of sunlight into the lives of others. Guide us in the way of right living.

May we not live by bread alone but by the inspiration of the noble pursuits of life. We thank You for our privileges; may we use them for the honor and glory of Your name and for the good of our fellow brothers and sisters. Refresh us, ennoble us, and purify us, that we may measure up to the highest ideals of humanity.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Taylor Lim.

The Journal of the fifty-second day was approved as printed by the following vote:

"217.690. 1. All releases or paroles shall issue upon order of the board, duly adopted.

2. Before ordering the parole of any offender, the board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the board. The board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for each of the consecutive sentences, except:

(1) The minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence; **and**

(2) Notwithstanding any other provision of law and at the discretion of the board, the minimum terms for parole eligibility of consecutive sentences may be calculated as the minimum terms for parole eligibility of concurrent sentences. Before making a calculation under this subdivision, either upon its own motion or upon petition by the offender, the board shall conduct a hearing, give notice of such hearing to the prosecutor or circuit attorney that had jurisdiction of the offender's crimes, and determine whether the sum of the minimum terms is an unreasonably excessive total term. The board shall consider the crime or crimes of the offender, the sentences received by other offenders similarly situated, the offender's institutional record, any rehabilitation efforts by the offender, and whether the offender would successfully reintegrate into his or her community.

6. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

7. A victim who has requested an opportunity to be heard shall receive notice that the board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

8. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a board member at the board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

9. The board shall notify any person of the results of a parole eligibility hearing if the person indicates to the board a desire to be notified.

10. The board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

11. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. Board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

12. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

13. Beginning January 1, 2001, the board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

14. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

217.698. Notwithstanding any other provision of law, any person convicted of a crime that was committed prior to such person attaining the age of twenty-one and sentenced on or after January 1, 1976, shall be eligible for parole after:

- (1) Serving one-third of his or her sentence that is calculated to be thirty years or less; or**

"208.930. 1. As used in this section, the term "department" shall mean the department of health and senior services.

2. Subject to appropriations, the department may provide financial assistance for consumer-directed personal care assistance services through eligible vendors, as provided in sections 208.900 through 208.927, to each person who was participating as a non-MO HealthNet eligible client pursuant to sections 178.661 through 178.673 on June 30, 2005, and who:

- (1) Makes application to the department;
- (2) Demonstrates financial need and eligibility under subsection 3 of this section;
- (3) Meets all the criteria set forth in sections 208.900 through 208.927, except for subdivision (5) of subsection 1 of section 208.903;
- (4) Has been found by the department of social services not to be eligible to participate under guidelines established by the MO HealthNet plan; and
- (5) Does not have access to affordable employer-sponsored health care insurance or other affordable health care coverage for personal care assistance services as defined in section 208.900. For purposes of this section, "access to affordable employer-sponsored health care insurance or other affordable health care coverage" refers to health insurance requiring a monthly premium less than or equal to one hundred thirty-three percent of the monthly average premium required in the state's current Missouri consolidated health care plan.

Payments made by the department under the provisions of this section shall be made only after all other available sources of payment have been exhausted.

3. (1) In order to be eligible for financial assistance for consumer-directed personal care assistance services under this section, a person shall demonstrate financial need, which shall be based on the adjusted gross income and the assets of the person seeking financial assistance and such person's spouse.

(2) In order to demonstrate financial need, a person seeking financial assistance under this section and such person's spouse must have an adjusted gross income, less disability-related medical expenses, as approved by the department, that is equal to or less than three hundred percent of the federal poverty level. The adjusted gross income shall be based on the most recent income tax return.

(3) No person seeking financial assistance for personal care services under this section and such person's spouse shall have assets **less than twenty thousand dollars or** in excess of two hundred [fifty] thousand dollars.

4. The department shall require applicants and the applicant's spouse, and consumers and the consumer's spouse, to provide documentation for income, assets, and disability-related medical expenses for the purpose of determining financial need and eligibility for the program. In addition to the most recent income tax return, such documentation may include, but shall not be limited to:

- (1) Current wage stubs for the applicant or consumer and the applicant's or consumer's spouse;
- (2) A current W-2 form for the applicant or consumer and the applicant's or consumer's spouse;
- (3) Statements from the applicant's or consumer's and the applicant's or consumer's spouse's employers;
- (4) Wage matches with the division of employment security;
- (5) Bank statements; and
- (6) Evidence of disability-related medical expenses and proof of payment.

5. A personal care assistance services plan shall be developed by the department pursuant to section 208.906 for each person who is determined to be eligible and in financial need under the provisions of this section. The plan developed by the department shall include the maximum amount of financial assistance allowed by the department, subject to appropriation, for such services.

6. Each consumer who participates in the program is responsible for a monthly premium equal to the average premium required for the Missouri consolidated health care plan; provided that the total premium described in this section shall not exceed five percent of the consumer's and the consumer's spouse's adjusted gross income for the year involved.

7. (1) Nonpayment of the premium required in subsection 6 shall result in the denial or termination of assistance, unless the person demonstrates good cause for such nonpayment.

(2) No person denied services for nonpayment of a premium shall receive services unless such person shows good cause for nonpayment and makes payments for past-due premiums as well as current premiums.

(3) Any person who is denied services for nonpayment of a premium and who does not make any payments for past-due premiums for sixty consecutive days shall have their enrollment in the program terminated.

(4) No person whose enrollment in the program is terminated for nonpayment of a premium when such nonpayment exceeds sixty consecutive days shall be reenrolled unless such person pays any past-due premiums as well as current premiums prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument.

8. (1) Consumers determined eligible for personal care assistance services under the provisions of this section shall be reevaluated annually to verify their continued eligibility and financial need. The amount of financial assistance for consumer-directed personal care assistance services received by the consumer shall be adjusted or eliminated based on the outcome of the reevaluation. Any adjustments made shall be recorded in the consumer's personal care assistance services plan.

(2) In performing the annual reevaluation of financial need, the department shall annually send a reverification eligibility form letter to the consumer requiring the consumer to respond within ten days of receiving the letter and to provide income and disability-related medical expense verification documentation. If the department does not receive the consumer's response and documentation within the ten-day period, the department shall send a letter notifying the consumer that he or she has ten days to file an appeal or the case will be closed.

(3) The department shall require the consumer and the consumer's spouse to provide documentation for income and disability-related medical expense verification for purposes of the eligibility review. Such documentation may include but shall not be limited to the documentation listed in subsection 4 of this section.

9. (1) Applicants for personal care assistance services and consumers receiving such services pursuant to this section are entitled to a hearing with the department of social services if eligibility for personal care assistance services is denied, if the type or amount of services is set at a level less than the consumer believes is necessary, if disputes arise after preparation of the personal care assistance plan concerning the provision of such services, or if services are discontinued as provided in section 208.924. Services provided under the provisions of this section shall continue during the appeal process.

(2) A request for such hearing shall be made to the department of social services in writing in the form prescribed by the department of social services within ninety days after the mailing or delivery of the written decision of the department of health and senior services. The procedures for such requests and for the hearings shall be as set forth in section 208.080.

10. Unless otherwise provided in this section, all other provisions of sections 208.900 through 208.927 shall apply to individuals who are eligible for financial assistance for personal care assistance services under this section.

11. The department may promulgate rules and regulations, including emergency rules, to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. Any provisions of the existing rules regarding the personal care assistance program promulgated by the department of elementary and secondary education in title 5, code of state regulations, division 90, chapter 7, which are inconsistent with the provisions of this section are void and of no force and effect.

12. The provisions of this section shall expire on June 30, ~~2019~~ 2025."; and

- 4. (1) In a court of competent jurisdiction, the director of revenue may commence suit to enjoin any paid tax return preparer from further engaging in any conduct described in subdivision (2) of this subsection, or from further action as a paid tax return preparer.**

 - (j) Guaranteed the payment of any income tax refund or the allowance of any income tax credit; or
 - (k) Engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the laws of this state.
- (3) (a) If the court finds that a paid tax return preparer has continually or repeatedly engaged in any conduct described in subdivision (2) of this subsection and that an injunction prohibiting the conduct would not be sufficient to prevent the paid tax return preparer's interference with the proper administration of the laws of this state, the court may enjoin the paid tax return preparer from acting as a paid tax return preparer in Missouri.
- (b) Being enjoined from preparing tax returns or claims for refund for the United States or any other state in the five years preceding the petition for an injunction under this section shall establish a prima facie case for an injunction to be issued under this section. For purposes of this paragraph, the term "state" shall mean a state of the United States, the District of Columbia, Puerto Rico, United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States."; and
