

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

FIFTY-FOURTH DAY, WEDNESDAY, APRIL 17, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

They that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not weary; and they shall walk and not faint. (Isaiah 40:31)

We come to You with an honest and humble heart, blessed God; You will surely listen to us this morning. Encourage us to draw close to You with our needs, with our limitations, and with our appeals for wisdom and insight. Make us able to understand the depth of the truth, and may we have determination to dedicate ourselves to it always.

May the love of truth secure ineffable peace for us and our citizens. We do not seek the honor and love of praise, the desire and hope of gain, nor the false and fake happiness but only the stability and the betterment of this state. May Your plans and purposes be uppermost in all our deliberations and thoughts under this dome forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Charlie Smith.

The Journal of the fifty-third day was approved as printed by the following vote:

A surcharge of [~~one dollar~~] **three dollars** shall be assessed as costs in each court proceeding filed in any court in the state in all criminal cases including violations of any county ordinance or any violation of a criminal or traffic law of the state, including an infraction; except that no such surcharge shall be collected in any proceeding in any court when the proceeding or the defendant has been dismissed by the court or when costs are to be paid by the state, county or municipality.

2. One-half of all moneys collected under the provisions of subsection 1 of this section shall be payable to the state of Missouri and remitted to the director of revenue who shall deposit the amount collected pursuant to this section to the credit of the "Missouri Office of Prosecution Services Fund" which is hereby created in the state treasury. The moneys credited to the Missouri office of prosecution services fund from each county shall be used only for the purposes set forth in sections 56.750, 56.755, and 56.760. The state treasurer shall be the custodian of the fund, and shall make disbursements, as allowed by lawful appropriations. All earnings resulting from the investment of money in the fund shall be credited to the Missouri office of prosecution services fund. The Missouri office of prosecution services may collect a registration fee to pay for expenses included in sponsoring training conferences. The revenues and expenditures of the Missouri office of prosecution services shall be subject to an annual audit to be performed by the Missouri state auditor. The Missouri office of prosecution services shall also be subject to any other audit authorized and directed by the state auditor.

3. One-half of all moneys collected under the provisions of subsection 1 of this section shall be payable to the county treasurer of each county from which such funds were generated. The county treasurer shall deposit all of such funds into the county treasury in a separate fund to be used solely for the purpose of additional training for circuit and prosecuting attorneys and their staffs. If the funds collected and deposited by the county are not totally expended annually for the purposes set forth in this subsection, then the unexpended moneys shall remain in said fund and the balance shall be kept in said fund to accumulate from year to year, or at the request of the circuit or prosecuting attorney, with the approval of the county commission or the appropriate governing body of the county or the City of St. Louis, and may be used to pay for expert witness fees, travel expenses incurred by victim/witnesses in case preparation and trial, for expenses incurred for changes of venue, for expenses incurred for special prosecutors, and for other lawful expenses incurred by the circuit or prosecuting attorney in operation of that office.

4. There is hereby established in the state treasury the "Missouri Office of Prosecution Services Revolving Fund". Any moneys received by or on behalf of the Missouri office of prosecution services from registration fees, federal and state grants or any other source established in section 56.760 in connection with the purposes set forth in sections 56.750, 56.755, and 56.760 shall be deposited into the fund.

5. The moneys in the Missouri office of prosecution services revolving fund shall be kept separate and apart from all other moneys in the state treasury. The state treasurer shall administer the fund and shall disburse moneys from the fund to the Missouri office of prosecution services pursuant to appropriations for the purposes set forth in sections 56.750, 56.755 and 56.760.

6. Any unexpended balances remaining in the Missouri office of prosecution services fund and the Missouri office of prosecution services revolving fund at each biennium shall be exempt from the provisions of section 33.080 relating to the transfer of unexpended balances to general revenue."; and

Further amend said bill, Page 8, Section 543.270, Line 10, by inserting after said section and line the following:

"557.014. 1. As used in this section, the following terms shall mean:

- (2) "Accused", an individual accused of a criminal offense but not yet charged with a criminal offense;**
- (3) "Defendant", any person charged with a criminal offense;**
- (4) "Deferred prosecution", the suspension of a criminal case for a specified period upon the request of both the prosecuting attorney and the accused or the defendant;**
- (5) "Diversionary screening", the discretionary power of the prosecuting attorney to suspend all formal prosecutorial proceedings against a person who has become involved in the criminal justice system as an accused or defendant;**
- (6) "Prosecuting attorney", includes the prosecuting attorney or circuit attorney for each county of the state and the city of St. Louis;**
- (7) "Prosecution diversion", the imposition of conditions of behavior and conduct by the prosecuting attorney upon an accused or defendant for a specified period of time as an alternative to proceeding to adjudication on a complaint, information, or indictment.**

2. Each prosecuting attorney in the state of Missouri shall have the authority to, upon agreement with an accused or a defendant, divert a criminal case to a prosecution diversion program for a period of six months to two years, thus allowing for any statute of limitations to be tolled for that time alone. The period of diversion may be extended by the prosecuting attorney as a disciplinary measure or to allow sufficient time for completion of any portion of the prosecution diversion including restitution; provided, however, that no extension of such diversion shall be for a period of more than two years.

3. The prosecuting attorney may divert cases, under this program, out of the criminal justice system where the prosecuting attorney determines that the advantages of utilizing prosecution diversion outweigh the advantages of immediate court activity.

4. Prior to or upon the issuance of an accusatory instrument, with consent of the accused or defendant, other than for an offense enumerated in this section, the prosecuting attorney may forego continued prosecution upon the parties' agreement to a prosecution diversion plan. The prosecution diversion plan shall be for a specified period and be in writing. The prosecuting attorney has the sole authority to develop diversionary program requirements, but minimum requirements are as follows:

(1) The alleged offense is nonviolent, nonsexual, and does not involve a child victim or possession of an unlawful weapon;

(2) The accused or defendant shall submit to all program requirements;

(3) Any newly discovered criminal behavior while in a prosecution diversion program will immediately forfeit his or her right to continued participation in such program at the sole discretion of the prosecuting attorney;

(4) The alleged offense does not also constitute a violation of a current condition of probation or parole;

(5) The alleged offense is not a traffic offense in which the accused or defendant was a holder of a commercial driver's license or was operating a commercial motor vehicle at the time of the offense; and

(6) Any other criteria established by the prosecuting attorney.

5. During any period of prosecution diversion, the prosecuting attorney may impose conditions upon the behavior and conduct of the accused or defendant that assures the safety and well-being of the community as well as that of the accused or defendant. The conditions imposed by the prosecuting attorney shall include, but are not limited to, requiring the accused or defendant to remain free of any criminal behavior during the entire period of prosecution diversion.

6. The responsibility and authority to screen or divert specific cases, or to refuse to screen or divert specific cases, shall rest within the sole judgment and discretion of the prosecuting attorney as part of his or her official duties as prosecuting attorney. The decision of the prosecuting attorney regarding diversion shall not be subject to appeal nor be raised as a defense in any prosecution of a criminal case involving the accused or defendant.

7. Any person participating in the program:

(1) Shall have the right to insist on criminal prosecution for the offense for which he or she is accused at any time; and

(2) May have counsel of the person's choosing present during all phases of the prosecution diversion proceedings, but counsel is not required and no right to appointment of counsel is hereby created.

8. In conducting the program, the prosecuting attorney may require at any point the reinitiation of criminal proceedings if, in his or her judgment, such is warranted.

9. Any county, city, person, organization, or agency, or employee or agent thereof, involved with the supervision of activities, programs, or community service that are a part of a prosecution diversion program shall be immune from any suit by the person performing the work under the deferred prosecution agreement, or any person deriving a cause of action from such person, except for an intentional tort or gross negligence. Persons performing work or community service under a deferred prosecution agreement as described shall not be deemed to be engaged in employment within the meaning of the provisions of chapter 288. A person performing work or community service under a deferred prosecution agreement shall not be deemed an employee within the meaning of the provisions of chapter 287.

10. Any person supervising an accused or a defendant under the program shall report to the prosecuting attorney any violation of the terms of the prosecution diversion program.

11. After completion of the program and any conditions imposed upon the accused or defendant, to the satisfaction of the prosecuting attorney, the individual shall be entitled to a dismissal or alternative disposition of charges against him or her. Such disposition may, in the discretion of the prosecuting attorney, be without prejudice to the state of Missouri for the reinstatement of criminal proceedings, within the statute of limitations, upon any subsequent criminal activity on the part of the accused. Any other provision of law notwithstanding, such individual shall be required to pay any associated costs prior to dismissal of pending charges."; and

Further amend said bill, Page 13, Section 577.010, Line 90, by inserting after said section and line the following:

3. Other provisions of the law to the contrary notwithstanding, any offender who has been found guilty of a dangerous felony as defined in section 556.061 and is committed to the department of corrections shall be required

to serve a minimum prison term of eighty-five percent of the sentence imposed by the court or until the offender attains seventy years of age, and has served at least forty percent of the sentence imposed, whichever occurs first.

4. For the purpose of determining the minimum prison term to be served, the following calculations shall apply:

(1) A sentence of life shall be calculated to be thirty years;

(2) Any sentence either alone or in the aggregate with other consecutive sentences for offenses committed at or near the same time which is over seventy-five years shall be calculated to be seventy-five years.

5. For purposes of this section, the term "minimum prison term" shall mean time required to be served by the offender before he or she is eligible for parole, conditional release or other early release by the department of corrections.

6. The provisions of subsections 2 to 5 of this section shall also apply to any offense which a person pled guilty to, or was convicted of, on or before August 28, 2019.

All members of the sentencing commission appointed prior to August 28, 1994, shall continue to serve on the sentencing advisory commission at the pleasure of the governor.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar offenses and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, if sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation based on sentence. It shall compile statistics, examine cases, draw conclusions, and perform other duties relevant to the research and investigation of disparities in death penalty sentencing among economic and social classes.

(3) The commission shall study alternative sentences, prison work programs, work release, home-based incarceration, probation and parole options, and any other programs and report the feasibility of these options in Missouri.

(4) The governor shall select a chairperson who shall call meetings of the commission as required or permitted pursuant to the purpose of the sentencing commission.

~~[10-]~~ **11.** Pursuant to subdivision (1) of subsection ~~[8]~~ **9** of this section, the court may order the assessment and payment of a designated amount of restitution to a county law enforcement restitution fund established by the county commission pursuant to section 50.565. Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

~~[11-]~~ 12. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a person to make payment.

~~[12-]~~ 13. A person who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the person either willfully refused to make the payment or that the person willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

~~[13-]~~ 14. Nothing in this section shall be construed to allow the sentencing advisory commission to issue recommended sentences in specific cases pending in the courts of this state."; and

MESSAGES FROM THE GOVERNOR

April 17, 2019

TO THE CHIEF CLERK OF THE HOUSE OF REPRESENTATIVES
100th GENERAL ASSEMBLY
FIRST REGULAR SESSION
STATE OF MISSOURI

Herewith I return to you **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 14** entitled:

AN ACT

To appropriate money for supplemental purposes for the expenses, grants, and distributions of the several departments and offices of state government and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the fiscal period ending June 30, 2019.

On April 17, 2019, I approved **Conference Committee Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 14**.

Respectfully Submitted,

/s/ Michael L. Parson
Governor

Having been returned from the Governor with his approval, **CCS SCS HCS HB 14** was delivered to the Secretary of State by the Chief Clerk of the House.

The following proclamation was received from His Excellency, Governor Michael L. Parson.

PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Michael L. Parson, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the One Hundredth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that through the third quarter of fiscal year 2019, the rate of expenditure for each of the appropriation lines in the fiscal year 2019 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2019 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 17th day of April 2019.

/s/ Michael L. Parson
Governor
