

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTY-SECOND DAY, THURSDAY, MAY 2, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

Blessed is the one that walks not in the counsel of the ungodly, nor stands in the way of sinners, nor sits in the seat of the scornful. But his delight is in the law of the Lord; and in his law does he meditate day and night. (Psalm 1:1, 2)

Write Your law upon our open hearts, O God, and Your words upon our minds, as we lift our souls to You. We believe in You, O Loving God, and we pray that Your Spirit may so dwell in us that Your peace and Your power may be ours this day. Guide us in the decisions we make, give us support in our efforts to be true to You, and grant us courage to do what we firmly believe to be right. Just as we are now, strong and free, to be the best that we can be for truth and righteousness and You, Lord of our lives, we come and pray in a special way on this National Day of Prayer with its theme of "Love One Another."

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Isaac Patterson and Ean Wilson.

The Journal of the sixty-first day was approved as printed by the following vote:

Representative Evans offered **House Amendment No. 2**.

House Amendment No. 2

AMEND Senate Committee Substitute for Senate Bill No. 83, Page 5, Section 452.377, Line 127, by inserting after all of said section and line the following:

"528.700. 1. The provisions of sections 528.700 to 528.750 shall be known and may be cited as the "Save the Family Farm Act".

2. For purposes of sections 528.700 to 528.750, the following terms and phrases shall mean:

(1) "Ascendant", an individual who precedes another individual in lineage, in the direct line of ascent from the other individual;

(2) "Collateral", an individual who is related to another individual under the law of intestate succession of this state but who is not the other individual's ascendant or descendant;

(3) "Descendant", an individual who follows another individual in lineage, in the direct line of descent from the other individual;

(4) "Determination of value", a court order determining the fair market value of heirs' property under section 528.720 or 528.740 or adopting the valuation of the property agreed to by all cotenants;

(5) "Heirs' property", real property held in tenancy in common that satisfies all of the following requirements as of the filing of a partition action:

(a) There is no agreement in a record binding all the cotenants that governs the partition of the property;

(b) One or more of the cotenants acquired title from a relative, whether living or deceased; and

(c) Any of the following applies:

a. Twenty percent or more of the interests are held by cotenants who are relatives;

b. Twenty percent or more of the interests are held by an individual who acquired title from a relative, whether living or deceased; or

c. Twenty percent or more of the cotenants are relatives;

(6) "Partition by sale", a court-ordered sale of the entire heirs' property, whether by auction, sealed bids, or open-market sale conducted under section 528.740;

(7) "Partition in kind", the division of heirs' property into physically distinct and separately titled parcels;

(8) "Record", information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form;

(9) "Relative", an ascendant, descendant, or collateral or an individual otherwise related to another individual by blood, marriage, adoption, or law of this state other than the provisions of sections 528.700 to 528.750.

528.705. 1. Sections 528.700 to 528.750 shall apply to partition actions filed on or after August 28, 2019.

2. In an action to partition real property under this chapter, the court shall determine whether the property is heirs' property. If the court determines that the property is heirs' property, the property shall be partitioned under sections 528.700 to 528.750 unless all of the cotenants otherwise agree in a record.

3. Sections 528.700 to 528.750 shall supplement sections 528.010 to 528.640 and Missouri supreme court rule 96.

528.710. 1. Sections 528.700 to 528.750 shall not limit or affect the method by which service of a complaint in a partition action may be made.

2. If the plaintiff in a partition action seeks an order of notice by publication and the court determines that the property may be heirs' property, the plaintiff, no later than ten days after the court's determination, shall post and maintain, while the action is pending, a conspicuous sign on the property that is the subject of the action. The sign shall state that the action has commenced and identify the name and address of the court and the common designation by which the property is known. The court may require the plaintiff to publish on the sign the name of the plaintiff and the known defendants.

528.715. If the court appoints commissioners under supreme court rule 96, each commissioner, in addition to the requirements and disqualifications applicable to commissioners in supreme court rule 96, shall be disinterested and impartial and not a party to or a participant in the action.

528.720. 1. Except as otherwise provided in subsections 2 and 3 of this section, if the court determines that the property that is the subject of a partition action is heirs' property, the court shall determine the fair market value of the property by ordering a certified appraisal under subsection 4 of this section.

2. If all cotenants have agreed to the value of the property or to another method of valuation, the court shall adopt that value or the value produced by the agreed method of valuation.

3. If the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court, after an evidentiary hearing, shall determine the fair market value of the property and send notice to the parties of the value.

4. If the court orders a certified appraisal, the court shall appoint a disinterested real estate appraiser licensed in this state to determine the fair market value of the property assuming sole ownership of the fee simple estate. On completion of the appraisal, the appraiser shall file a sworn or verified appraisal with the court.

5. If an appraisal is conducted under subsection 4 of this section, no later than ten days after the appraisal is filed, the court shall send notice to each party with a known address, stating:

- (1) The appraised fair market value of the property;
- (2) That the appraisal is available at the clerk's office; and
- (3) That a party may file with the court an objection to the appraisal no later than thirty days after the notice is sent stating the grounds for the objection.

6. If an appraisal is filed with the court under subsection 4 of this section, the court shall conduct a hearing to determine the fair market value of the property no sooner than thirty days after a copy of the notice of the appraisal is sent to each party under subsection 5 of this section regardless of whether an objection to the appraisal is filed under subdivision (3) of subsection 5 of this section. In addition to the court-ordered appraisal, the court may consider any other evidence of value offered by a party.

7. After a hearing under subsection 6 of this section but before considering the merits of the partition action, the court shall determine the fair market value of the property and send notice to the parties of the value.

528.725. 1. If any cotenant has requested partition by sale after the determination of value under section 528.720, the court shall send notice to the parties that any cotenant, except a cotenant that requested partition by sale, may buy all the interests of the cotenants that requested partition by sale.

2. No later than forty-five days after the notice is sent under subsection 1 of this section, any cotenant, except a cotenant that requested partition by sale, may give notice to the court that it elects to buy all the interests of the cotenants that requested partition by sale.

3. The purchase price for each of the interests of a cotenant that requested partition by sale is the value of the entire parcel determined under section 528.720 multiplied by the cotenant's fractional ownership of the entire parcel.

4. After expiration of the period in subsection 2 of this section, the following rules shall apply:

(1) If only one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall notify all the parties of that fact;

(2) If more than one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall allocate the right to buy those interests among the electing cotenants based on each electing cotenant's existing fractional ownership of the entire parcel divided by the total existing fractional ownership of all cotenants electing to buy and send notice to all the parties of that fact and of the price to be paid by each electing cotenant;

(3) If no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall send notice to all the parties of that fact and resolve the partition action under subsection 1 or 2 of section 528.730.

5. If the court sends notice to the parties under subdivision (1) or (2) of subsection 4 of this section, the court shall set a date, no sooner than sixty days after the date the notice was sent, by which electing cotenants shall pay their apportioned price into the court. After this date, the following rules shall apply:

(1) If all electing cotenants timely pay their apportioned price into court, the court shall issue an order reallocating all the interests of the cotenants and disburse the amounts held by the court to the persons entitled to them;

(2) If no electing cotenant timely pays its apportioned price, the court shall resolve the partition action under subsection 1 or 2 of section 528.730 as if the interests of the cotenants that requested partition by sale were not purchased; or

(3) If one or more but not all of the electing cotenants fail to pay their apportioned price on time, the court, on motion, shall give notice to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest.

6. No later than twenty days after the court gives notice under subdivision (3) of subsection 5 of this section, any cotenant that paid may elect to purchase all of the remaining interest by paying the entire price into the court. After the twenty-day period, the following rules shall apply:

(1) If only one cotenant pays the entire price for the remaining interest, the court shall issue an order reallocating the remaining interest to that cotenant. The court shall promptly issue an order reallocating the interests of all of the cotenants and disburse the amounts held by the court to the persons entitled to such amounts;

(2) If no cotenant pays the entire price for the remaining interest, the court shall resolve the partition action under subsection 1 or 2 of section 528.730 as if the interests of the cotenants that requested partition by sale were not purchased; or

(3) If more than one cotenant pays the entire price for the remaining interest, the court shall reapportion the remaining interest among those paying cotenants based on each paying cotenant's original fractional ownership of the entire parcel divided by the total original fractional ownership of all cotenants that paid the entire price for the remaining interest. The court shall promptly issue an order reallocating all of the cotenants' interests, disburse the amounts held by the court to the persons entitled to such amounts, and promptly refund any excess payment held by the court.

7. No later than forty-five days after the court sends notice to the parties under subsection 1 of this section, any cotenant entitled to buy an interest under this section may request the court to authorize the sale as part of the pending action of the interests of cotenants named as defendants and served with the complaint but that did not appear in the action.

8. If the court receives a timely request under subsection 7 of this section, the court, after hearing, may deny the request or authorize the requested additional sale on such terms as the court determines are fair and reasonable, subject to the following limitations:

(1) A sale authorized under this subsection may occur only after the purchase prices for all interests subject to sale under subsections 1 to 6 of this section have been paid into court and those interests have been reallocated among the cotenants as provided in subsections 1 to 6 of this section; and

(2) The purchase price for the interest of a nonappearing cotenant is based on the court's determination of value under section 528.720.

528.730. 1. If all the interests of all cotenants that requested partition by sale are not purchased by other cotenants under section 528.725, or, if after conclusion of the buyout under section 528.725, a cotenant that has requested partition in kind remains, the court shall order partition in kind unless the court, after consideration of the factors listed in section 528.735, finds that partition in kind will result in great prejudice to the cotenants as a group. In considering whether to order partition in kind, the court shall approve a request by two or more parties to have their individual interests aggregated.

2. If the court does not order partition in kind under subsection 1 of this section, the court shall order partition by sale under section 528.740 or, if no cotenant requested partition by sale, the court shall dismiss the action.

3. If the court orders partition in kind under subsection 1 of this section, the court may require that one or more cotenants pay one or more other cotenants amounts so that the payments, taken together with the value of the in-kind distributions to the cotenants, will make the partition in kind just and proportionate in value to the fractional interests held.

4. If the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out under section 528.725, a part of the property representing the combined interests of these cotenants as determined by the court, and that part of the property shall remain undivided.

528.735. 1. In determining, under subsection 1 of section 528.730, whether partition in kind would result in great prejudice to the cotenants as a group, the court shall consider the following:

(1) Whether the heirs' property practicably can be divided among the cotenants;

(2) Whether partition in kind would apportion the property in such a way that the aggregate fair market value of the parcels resulting from the division would be materially less than the value of the property if it were sold as a whole, taking into account the condition under which a court-ordered sale likely would occur;

(3) Evidence of the collective duration of ownership or possession of the property by a cotenant and one or more predecessors in title or predecessors in possession to the cotenant who are or were relatives of the cotenant or each other;

(4) A cotenant's sentimental attachment to the property, including any attachment arising because the property has ancestral or other unique or special value to the cotenant;

(5) The lawful use being made of the property by a cotenant and the degree to which the cotenant would be harmed if the cotenant could not continue the same use of the property;

(6) The degree to which the cotenants have contributed their pro rata share of the property taxes, insurance, and other expenses associated with maintaining ownership of the property or have contributed to the physical improvement, maintenance, or upkeep of the property; and

(7) Any other relevant factor.

2. The court shall not consider any one factor in subsection 1 of this section to be dispositive without weighing the totality of all relevant factors and circumstances.

528.740. 1. If the court orders a sale of heirs' property, the sale shall be an open-market sale unless the court finds that a sale by sealed bids or an auction would be more economically advantageous and in the best interest of the cotenants as a group.

2. If the court orders an open-market sale and the parties, no later than ten days after the entry of the order, agree on a real estate broker licensed in this state to offer the property for sale, the court shall appoint the broker and establish a reasonable commission. If the parties do not agree on a broker, the court shall appoint a disinterested real estate broker licensed in this state to offer the property for sale and shall establish a reasonable commission. The broker shall offer the property for sale in a commercially reasonable manner at a price no lower than the determination of value and on the terms and conditions established by the court. If the court finds that an auction company is more advantageous to the cotenants as a group, it has the discretion to appoint an auction company to conduct the sale required under this subsection.

House Amendment No. 1
to
House Amendment No. 2

AMEND House Amendment No. 2 to Senate Committee Substitute for Senate Bill No. 83, Page 1, Line 4, by inserting before the number "528.700." the following:

"452.402. 1. The court may grant reasonable visitation rights to the grandparents of the child and issue any necessary orders to enforce the decree. The court may grant grandparent visitation when:

(1) The parents of the child have filed for a dissolution of their marriage. A grandparent shall have the right to intervene in any dissolution action solely on the issue of visitation rights. Grandparents shall also have the right to file a motion to modify the original decree of dissolution to seek visitation rights when visitation has been denied to them; or

(2) One parent of the child is deceased and the surviving parent denies reasonable visitation to a parent of the deceased parent of the child; or

(3) The child has resided in the grandparent's home for at least six months within the twenty-four month period immediately preceding the filing of the petition; ~~and~~ or

(4) A grandparent is unreasonably denied visitation with the child for a period exceeding ~~ninety~~ thirty days. However, if the natural parents are legally married to each other and are living together with the child, a grandparent may not file for visitation pursuant to this subdivision.

2. The court shall determine if the visitation by the grandparent would be in the child's best interest or if it would endanger the child's physical health or impair the child's emotional development. Visitation may only be ordered when the court finds such visitation to be in the best interests of the child. However, when the parents of the child are legally married to each other and are living together with the child, it shall be a rebuttable presumption that such parents know what is in the best interest of the child. The court may order reasonable conditions or restrictions on grandparent visitation.

3. If the court finds it to be in the best interests of the child, the court may appoint a guardian ad litem for the child. The guardian ad litem shall be an attorney licensed to practice law in Missouri. The guardian ad litem may, for the purpose of determining the question of grandparent visitation rights, participate in the proceedings as if such guardian ad litem were a party. The court shall enter judgment allowing a reasonable fee to the guardian ad litem.

4. A home study, as described by section 452.390, may be ordered by the court to assist in determining the best interests of the child.

5. The court may, in its discretion, consult with the child regarding the child's wishes in determining the best interest of the child.

6. The right of a grandparent to maintain visitation rights pursuant to this section may terminate upon the adoption of the child.

7. The court may award reasonable attorneys fees and expenses to the prevailing party."; and
