

HB 83 -- SHORT-TERM MAJOR MEDICAL POLICIES

SPONSOR: Hill

This bill exempts short-term major medical policies from several health insurance mandates in Chapter 376, RSMo, and allows such policies to have a term of less than one year. Currently, the term limit is up to six months duration.

The bill requires the fact page of all short-term major medical policies to include a disclosure stating, "This policy may not cover preexisting conditions, including conditions you may currently have and are unaware of but are not diagnosed until the policy's term. This policy may not cover certain essential health benefits, including prescription drugs, preventative care, and emergency services. Before you realize benefits under this policy, you may be responsible for a deductible and/or coinsurance. Be sure to discuss these items with your insurance broker before purchasing a short-term medical policy."

This bill is the same as 1685 (2017).
