

HB 451 -- VEHICLE INSPECTION FEES

SPONSOR: Eggleston

This bill repeals the inspection requirement for non-commercial motor vehicles which is currently required in order to renew a motor vehicle license. The air quality and emission inspection requirements for St. Louis and some specified areas which are mandated by federal law are not modified. Inspection stations may still perform school bus safety inspections, and odometer reading inspections and services for transferring vehicle ownership.

Currently, an untitled, homemade trailer that is 16 feet or more in length must have a certificate of inspection. This bill requires all homemade trailers to have a certificate of inspection and increases the inspection fee from \$10 to \$25. The State Highway Patrol or other authorized law enforcement agency shall issue the vehicle examination certificate. The Superintendent of the State Highway Patrol shall provide law enforcement agencies performing the inspections with the needed forms.

This bill has an effective date of January 1, 2020.

This bill is similar to HCS HB 1444 (2018).
