

HCS HB 656 -- BALLOT REGULATIONS (Carpenter)

COMMITTEE OF ORIGIN: Standing Committee on Elections and Elected Officials

This bill repeals an existing law preventing a voter from allowing his or her ballot to be seen by another individual with the intent of showing how he or she voted. It also creates a class one election offense for coercing or forcing a voter to vote in a certain manner and to take a ballot picture in order to verify their vote.

This bill is similar to HB 1920 (2018).
