5 met either of the requirements provided under subparagraph a. of this paragraph during the twelve-  
6 month period ending on the last day of the preceding calendar quarter. If the vendor met either of  
7 such requirements for any such twelve-month period, such vendor shall collect and remit the tax as  
8 provided under section 144.635 for a period of no less than twelve months, beginning no more than  
9 three months following the close of the preceding calendar quarter, and shall continue to collect and  
10 remit the tax for as long as the vendor is engaged in business activities in this state, as provided  
11 under this paragraph, or otherwise maintains a substantial nexus with this state;

12           (3) "Maintains a place of business in this state" includes maintaining, occupying, or using,

34           (8) "Sales price", the consideration including the charges for services, except charges

39 sold, the cost of materials used, labor or service cost, losses or any other expenses whatsoever,  
40 except that cash discounts allowed and taken on sales shall not be included and "sales price" shall  
41 not include the amount charged for property returned by customers upon rescission of the contract  
42 of sales when the entire amount charged therefor is refunded either in cash or credit or the amount  
43 charged for labor or services rendered in installing or applying the property sold, the use, storage, or  
44 consumption of which is taxable pursuant to sections 144.600 to 144.745. The sales price shall not  
45 include usual and customary delivery charges that are separately stated. In determining the amount

13 property in this state for subsequent use outside the state, or the sale of the property in the regular  
14 course of business;

15 (14) "Vendor", every person engaged in making sales of tangible personal property by mail  
16 order, by advertising, by agent or peddling tangible personal property, soliciting or taking orders for  
17 sales of tangible personal property, for storage, use, or consumption in this state, all salesmen,  
18 solicitors, hawkers, representatives, consignees, peddlers or canvassers, as agents of the dealers,  
19 distributors, consignors, supervisors, principals or employers under whom they operate or from  
20 whom they obtain the tangible personal property sold by them, and every person who maintains a  
21 place of business in this state, maintains a stock of goods in this state, or engages in business  
22 activities within this state, and every person who engages in this state in the business of acting as a  
23 selling agent for persons not otherwise vendors as defined in this subdivision. Irrespective of  
24 whether they are making sales on their own behalf or on behalf of the dealers, distributors,  
25 consignors, supervisors, principals or employers, they must be regarded as vendors and the dealers,  
26 distributors, consignors, supervisors, principals, or employers must be regarded as vendors for the  
27 purposes of sections 144.600 to 144.745.

28 144.637. 1. The director of revenue shall provide and maintain a database that describes  
29 boundary changes for all taxing jurisdictions and the effective dates of such changes for the use of  
30 vendors collecting the tax imposed under sections 144.600 to 144.745.

31 2. For the identification of counties and cities, codes corresponding to the rates shall be  
32 provided according to Federal Information Processing Standards (FIPS) as developed by the  
33 National Institute of Standards and Technology. For the identification of all other jurisdictions,  
34 codes corresponding to the rates shall be in a format determined by the director.

35 3. The director shall provide and maintain a database that assigns each five- and nine-digit  
36 zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the  
37 zip code area shall apply if the area includes more than one tax rate in any level of taxing  
38 jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a vendor is  
39 unable to determine the nine-digit zip code designation applicable to a purchase after exercising due  
40 diligence to determine the designation, the vendor may apply the rate for the five-digit zip code  
41 area. For purposes of this section, there shall be a rebuttable presumption that a vendor has  
42 exercised due diligence if the vendor has attempted to determine the nine-digit zip code designation  
43 by utilizing software approved by the director that makes this designation from the street address  
44 and the five-digit zip code applicable to a purchase.

45 4. The director may provide address-based boundary database records for assigning taxing  
46 jurisdictions and associated rates in addition to the requirements of subsection 3 of this section. The  
47 database records shall be in the same approved format as the database records required under  
48 subsection 3 of this section and shall meet the requirements developed under the federal Mobile  
49 Telecommunications Sourcing Act, 4 U.S.C. Section 119(a). If the director develops address-based

1 assignment database records, vendors shall be required to use such database records. A vendor shall  
 2 use such database records in place of the five- and nine-digit zip code database records provided for  
 3 in subsection 3 of this section. If a vendor is unable to determine the applicable rate and jurisdiction  
 4 using an address-based database record after exercising due diligence, the vendor may apply the  
 5 nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not  
 6 available for a street address or if a vendor is unable to determine the nine-digit zip code designation  
 7 applicable to a purchase after exercising due diligence to determine the designation, the vendor may  
 8 apply the rate for the five-digit zip code area. For the purposes of this section, there shall be a  
 9 rebuttable presumption that a vendor has exercised due diligence if the vendor has attempted to  
 10 determine the tax rate and jurisdiction by utilizing software approved by the director and makes the  
 11 assignment from the address and zip code information applicable to the purchase. If the director has  
 12 met the requirements of subsection 3 of this section, the director may also elect to certify address-  
 13 based databases provided by third parties for assigning tax rates and jurisdictions. The databases  
 14 shall be in the same approved format as the database records under this section and shall meet the  
 15 requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C.  
 16 Section 119(a). If the director certifies an address-based database provided by a third party, a  
 17 vendor may use such database in place of the database provided for in this subsection.

18 5. The electronic databases provided for in subsections 1 to 4 of this section shall be in  
 19 downloadable format as determined by the director. The databases may be directly provided by the  
 20 director or provided by a third party as designated by the director. The databases shall be provided  
 21 at no cost to the user of the database. The provisions of subsections 3 and 4 of this section shall not  
 22 apply if the purchased product is received by the purchaser at the business location of the vendor.

23 6. No vendor shall be liable for reliance upon erroneous data provided by the director on tax  
 24 rates, boundaries, or taxing jurisdiction assignments.

25 144.757. 1. Any county or municipality, except municipalities within a county having a  
 26 charter form of government with a population in excess of nine hundred thousand, may, by a  
 27 majority vote of its governing body, impose a local use tax if a local sales tax is imposed as defined  
 28 in section 32.085 at a rate equal to the rate of the local sales tax in effect in such county or  
 29 municipality; provided, however, that no ordinance or order enacted pursuant to sections 144.757 to  
 30 144.761 shall be effective unless the governing body of the county or municipality submits to the  
 31 voters thereof at a municipal, county or state general, primary or special election a proposal to  
 32 authorize the governing body of the county or municipality to impose a local use tax pursuant to  
 33 sections 144.757 to 144.761. Municipalities within a county having a charter form of government  
 34 with a population in excess of nine hundred thousand may, upon voter approval received pursuant to  
 35 paragraph (b) of subdivision (2) of subsection 2 of this section, impose a local use tax at the same  
 36 rate as the local municipal sales tax with the revenues from all such municipal use taxes to be  
 37 distributed pursuant to subsection 4 of section 94.890. The municipality shall within thirty days of  
 38 the approval of the use tax imposed pursuant to paragraph (b) of subdivision (2) of subsection 2 of

 40 distribution of all municipal use taxes.
