17 the confidentiality of the home address and vehicle records on
18 such a person and his or her immediate family as required by this
19 section. This section shall not prohibit the department from
20 releasing information on a motor registration list pursuant to
21 section 32.055 or from releasing information on any officer who
22 holds a class A, B or C commercial driver's license pursuant to
23 the Motor Carrier Safety Improvement Act of 1999, as amended, 49

1 where required are verifiable by computer, the department of
2 revenue shall design and implement a motor vehicle license

4 internet website connection. ~~【The online license renewal system~~
5 ~~shall be available no later than January 1, 2002.】~~ The department
6 of revenue shall also design and implement an online system
7 allowing the filing and payment of Missouri state taxes through
8 the department's internet website connection. The online tax
9 filing and payment system shall be available for the payment of
10 Missouri state taxes for tax years beginning on or after January
11 1, 2002.

12 2. The department of revenue is hereby authorized to design
13 and implement a remote driver's license renewal system which may
14 be used through the department's internet website connection or
15 through self-service terminals available at one or more locations
16 within the state. Any remote driver's license renewal system

22 and any regulations related thereto.

23 3. Notwithstanding any provision of law to the contrary,
24 applicants who have applied in person and received a driver's or
25 nondriver's license in accordance with chapter 302 may apply for
26 no more than one consecutive three-year or six-year license
27 renewal remotely in accordance with this section. Remote

1 application for renewal shall be made within six months before or
2 after the expiration date of the license in accordance with
3 section 302.173. Applicants for remote driver's license renewal
4 in accordance with this section shall not be required to complete
5 the vision test established under section 302.175, and shall not
6 be required to take the highway sign recognition test required
7 under section 302.173, unless the department has technology that
8 may be used remotely for either or both purposes.

9 32.450. 1. Notwithstanding any biometric data restrictions
10 contained in section 302.170, the department of revenue is hereby
11 authorized to design and implement a secure digital driver's
12 license program that allows applicants applying for a driver's

14 driver's license in addition to the physical card-based driver's
15 license.

16 2. (1) A digital driver's license issued under this
17 section shall be acceptable for all purposes for which a license,
18 as defined in section 302.010, is used.

19 (2) The department may contract with one or more entities
20 to develop the secure digital driver's license system. The
21 department or entity may develop a mobile software application
22 capable of being utilized through a person's electronic device to
23 access an electronic image of the person's secure digital
24 driver's license.

25 (3) The department shall suspend, disable, or terminate a
26 person's participation in the secure digital driver's license
27 program if:

1 (a) The person's driving privilege is suspended, revoked,
2 denied, withdrawn, or cancelled as provided in chapter 302; or

3 (b) The person reports that the person's electronic device
4 has been lost, stolen, or compromised.

5 3. The department of revenue may promulgate rules necessary
6 to implement the provisions of this section. Any rule or portion
7 of a rule, as that term is defined in section 536.010, that is
8 created under the authority delegated in this section shall
9 become effective only if it complies with and is subject to all
10 of the provisions of chapter 536 and, if applicable, section
11 536.028. This section and chapter 536 are nonseverable, and if
12 any of the powers vested with the general assembly pursuant to
13 chapter 536 to review, to delay the effective date, or to
14 disapprove and annul a rule are subsequently held
15 unconstitutional, then the grant of rulemaking authority and any
16 rule proposed or adopted after August 28, 2020, shall be invalid
17 and void.

18 68.075. 1. This section shall be known and may be cited as
19 the "Advanced Industrial Manufacturing Zones Act".

20 2. As used in this section, the following terms shall mean:

21 (1) "AIM zone", an area identified through a resolution
22 passed by the port authority board of commissioners appointed
23 under section 68.045 that is being developed or redeveloped for
24 any purpose so long as any infrastructure and building built or
25 improved is in the development area. The port authority board of
26 commissioners shall file an annual report indicating the
27 established AIM zones with the department of revenue;

1 (2) "County average wage", the average wage in each county
2 as determined by the Missouri department of economic development
3 for the most recently completed full calendar year. However, if
4 the computed county average wage is above the statewide average
5 wage, the statewide average wage shall be deemed the county
6 average wage for such county for the purpose of determining
7 eligibility;

8 (3) "New job", the number of full-time employees located at
9 the project facility that exceeds the project facility base
10 employment less any decrease in the number of full-time employees
11 at related facilities below the related facility base employment.
12 No job that was created prior to the date of the notice of intent
13 shall be deemed a new job. An employee that spends less than
14 fifty percent of the employee's work time at the facility is
15 still considered to be located at a facility if the employee
16 receives his or her directions and control from that facility, is
17 on the facility's payroll, one hundred percent of the employee's
18 income from such employment is Missouri income, and the employee
19 is paid at or above the county average wage;

20 (4) "Related facility", a facility operated by a company or
21 a related company prior to the establishment of the AIM zone in
22 question located within any port district, as defined under
23 section 68.015, which is directly related to the operations of
24 the facility within the new AIM zone.

25 3. Any port authority located in this state may establish
26 an AIM zone. Such zone may only include the area within the port
27 authority's jurisdiction, ownership, or control, and may include

1 any such area. The port authority shall determine the boundaries
2 for each AIM zone, and more than one AIM zone may exist within
3 the port authority's jurisdiction or under the port authority's
4 ownership or control, and may be expanded or contracted by
5 resolution of the port authority board of commissioners.

6 4. Fifty percent of the state tax withholdings imposed by
7 sections 143.191 to 143.265 on new jobs within such zone after
8 development or redevelopment has commenced shall not be remitted
9 to the general revenue fund of the state of Missouri. Such
10 moneys shall be deposited into the port authority AIM zone fund
11 established under subsection 5 of this section for the purpose of
12 continuing to expand, develop, and redevelop AIM zones identified
13 by the port authority board of commissioners and may be used for
14 managerial, engineering, legal, research, promotion, planning,
15 satisfaction of bonds issued under section 68.040, and any other
16 expenses.

17 5. There is hereby created in the state treasury the "Port
18 Authority AIM Zone Fund", which shall consist of money collected
19 under this section. The state treasurer shall be custodian of
20 the fund and shall approve disbursements from the fund in
21 accordance with sections 30.170 and 30.180 to the port
22 authorities from which the funds were collected, less the
23 pro-rata portion appropriated by the general assembly to be used
24 solely for the administration of this section which shall not
25 exceed ten percent of the total amount collected within the zones
26 of a port authority. Notwithstanding the provisions of section
27 33.080 to the contrary, any moneys remaining in the fund at the

1 end of the biennium shall not revert to the credit of the general
2 revenue fund. The state treasurer shall invest moneys in the
3 fund in the same manner as other funds are invested. Any
4 interest and moneys earned on such investments shall be credited
5 to the fund.

6 6. The port authority shall approve any projects that begin
7 construction and disperse any money collected under this section.
8 The port authority shall submit an annual budget for the funds to
9 the department of economic development explaining how and when
10 such money will be spent.

11 7. The provision of section 23.253 notwithstanding, no AIM
12 zone may be established after August 28, ~~2023~~ 2030. Any AIM
13 zone created prior to that date shall continue to exist and be
14 coterminous with the retirement of all debts incurred under
15 subsection 4 of this section. No debts may be incurred or
16 reauthorized using AIM zone revenue after August 28, ~~2023~~ 2030.

17 136.055. 1. Any person who is selected or appointed by the
18 state director of revenue as provided in subsection 2 of this
19 section to act as an agent of the department of revenue, whose
20 duties shall be the processing of motor vehicle title and
21 registration transactions and the collection of sales and use
22 taxes when required under sections 144.070 and 144.440, and who
23 receives no salary from the department of revenue, shall be
24 authorized to collect from the party requiring such services
25 additional fees as compensation in full and for all services
26 rendered on the following basis:

27 (1) For each motor vehicle or trailer registration issued,

1 renewed or transferred, six dollars and twelve dollars for those
2 licenses sold or biennially renewed pursuant to section 301.147;

3 (2) For each application or transfer of title, six dollars;

4 (3) For each instruction permit, nondriver license,
5 chauffeur's, operator's or driver's license issued for a period
6 of three years or less, six dollars and twelve dollars for
7 licenses or instruction permits issued or renewed for a period
8 exceeding three years;

9 (4) For each notice of lien processed, six dollars;

10 (5) Notary fee or electronic transmission per processing,
11 two dollars.

12 2. (1) The director of revenue shall award fee office
13 contracts under this section through a competitive bidding
14 process. The competitive bidding process shall give priority to
15 organizations and entities that are ~~[exempt from taxation under~~
16 ~~Section 501(c)(3), 501(c)(6), or 501(c)(4), except those civic~~
17 ~~organizations that would be considered action organizations under~~
18 ~~26 C.F.R. Section 1.501(c)(3)-1(c)(3), of the Internal Revenue~~
19 ~~Code of 1986, as amended]~~ Missouri not-for-profit corporations,
20 with special consideration given to those organizations and
21 entities that reinvest a minimum of seventy-five percent of the
22 net proceeds to charitable organizations in Missouri, and
23 political subdivisions, including but not limited to,
24 municipalities, counties, and fire protection districts. The
25 director of the department of revenue ~~[may]~~ shall promulgate
26 rules and regulations necessary to carry out the provisions of
27 this subsection. Any rule or portion of a rule, as that term is

1 defined in section 536.010, that is created under the authority
2 delegated in this subsection shall become effective only if it
3 complies with and is subject to all of the provisions of chapter
4 536 and, if applicable, section 536.028. This section and
5 chapter 536 are nonseverable and if any of the powers vested with
6 the general assembly pursuant to chapter 536 to review, to delay
7 the effective date, or to disapprove and annul a rule are
8 subsequently held unconstitutional, then the grant of rulemaking
9 authority and any rule proposed or adopted after August 28, 2009,
10 shall be invalid and void.

11 (2) Rules promulgated pursuant to subdivision (1) of this
12 subsection for evaluating bids shall include a preference for
13 persons and entities that are based in a location near the fee
14 office location. If the department utilizes any scoring
15 mechanism for evaluating bids pursuant to this section, such
16 scoring mechanism shall ensure that:

17 (a) A person or entity based no more than thirty-five miles
18 from the fee office location shall be awarded a bonus of fifteen
19 percent of the total available points;

20 (b) A person or entity based more than thirty-five miles
21 but no more than sixty miles from the fee office location shall
22 be awarded a bonus of ten percent of the total available points;

23 (c) A person or entity that is a resident of this state
24 shall be awarded a bonus of ten percent of the total available
25 points. For the purposes of this paragraph, "resident" shall
26 have the same meaning as defined pursuant to section 143.101. In
27 the case of for-profit corporations, each person with an

1 ownership interest in such organization with the right to manage
2 the company or direct its operations either solely or as part of
3 a larger group shall be a resident of this state; and

4 (d) A person or entity based more than sixty miles but no
5 more than seventy-five miles from the fee office location shall
6 be awarded a bonus of seven percent of the total available
7 points.

8 (3) No fee office contract shall be awarded to any person
9 or entity that is not in compliance with the rules promulgated
10 pursuant to this subsection.

11 (4) The department of revenue shall not consider for a
12 contract award any entity that has not been registered with the
13 office of the secretary of state for at least one year.

14 3. All fees collected by a tax-exempt organization may be
15 retained and used by the organization.

16 4. All fees charged shall not exceed those in this section.
17 The fees imposed by this section shall be collected by all
18 permanent offices and all full-time or temporary offices
19 maintained by the department of revenue.

20 5. Any person acting as agent of the department of revenue
21 for the sale and issuance of registrations, licenses, and other
22 documents related to motor vehicles shall have an insurable
23 interest in all license plates, licenses, tabs, forms and other
24 documents held on behalf of the department.

25 6. The fees authorized by this section shall not be
26 collected by motor vehicle dealers acting as agents of the
27 department of revenue under section 32.095 or those motor vehicle

1 dealers authorized to collect and remit sales tax under
2 subsection 10 of section 144.070.

3 7. Notwithstanding any other provision of law to the
4 contrary, the state auditor may audit all records maintained and
5 established by the fee office in the same manner as the auditor
6 may audit any agency of the state, and the department shall
7 ensure that this audit requirement is a necessary condition for
8 the award of all fee office contracts. No confidential records
9 shall be divulged in such a way to reveal personally identifiable
10 information.

11 137.115. 1. All other laws to the contrary
12 notwithstanding, the assessor or the assessor's deputies in all
13 counties of this state including the City of St. Louis shall
14 annually make a list of all real and tangible personal property
15 taxable in the assessor's city, county, town or district. Except
16 as otherwise provided in subsection 3 of this section and section
17 137.078, the assessor shall annually assess all personal property
18 at thirty-three and one-third percent of its true value in money
19 as of January first of each calendar year. The assessor shall
20 annually assess all real property, including any new construction
21 and improvements to real property, and possessory interests in
22 real property at the percent of its true value in money set in
23 subsection 5 of this section. The true value in money of any
24 possessory interest in real property in subclass (3), where such
25 real property is on or lies within the ultimate airport boundary
26 as shown by a federal airport layout plan, as defined by 14 CFR
27 151.5, of a commercial airport having a FAR Part 139

1 certification and owned by a political subdivision, shall be the
2 otherwise applicable true value in money of any such possessory
3 interest in real property, less the total dollar amount of costs
4 paid by a party, other than the political subdivision, towards
5 any new construction or improvements on such real property
6 completed after January 1, 2008, and which are included in the
7 above-mentioned possessory interest, regardless of the year in
8 which such costs were incurred or whether such costs were
9 considered in any prior year. The assessor shall annually assess
10 all real property in the following manner: new assessed values
11 shall be determined as of January first of each odd-numbered year
12 and shall be entered in the assessor's books; those same assessed
13 values shall apply in the following even-numbered year, except
14 for new construction and property improvements which shall be
15 valued as though they had been completed as of January first of
16 the preceding odd-numbered year. The assessor may call at the
17 office, place of doing business, or residence of each person
18 required by this chapter to list property, and require the person
19 to make a correct statement of all taxable tangible personal
20 property owned by the person or under his or her care, charge or
21 management, taxable in the county. On or before January first of
22 each even-numbered year, the assessor shall prepare and submit a
23 two-year assessment maintenance plan to the county governing body
24 and the state tax commission for their respective approval or
25 modification. The county governing body shall approve and
26 forward such plan or its alternative to the plan to the state tax
27 commission by February first. If the county governing body fails

1 to forward the plan or its alternative to the plan to the state
2 tax commission by February first, the assessor's plan shall be
3 considered approved by the county governing body. If the state
4 tax commission fails to approve a plan and if the state tax
5 commission and the assessor and the governing body of the county
6 involved are unable to resolve the differences, in order to
7 receive state cost-share funds outlined in section 137.750, the
8 county or the assessor shall petition the administrative hearing
9 commission, by May first, to decide all matters in dispute
10 regarding the assessment maintenance plan. Upon agreement of the
11 parties, the matter may be stayed while the parties proceed with
12 mediation or arbitration upon terms agreed to by the parties.
13 The final decision of the administrative hearing commission shall
14 be subject to judicial review in the circuit court of the county
15 involved. In the event a valuation of subclass (1) real property
16 within any county with a charter form of government, or within a
17 city not within a county, is made by a computer, computer-
18 assisted method or a computer program, the burden of proof,
19 supported by clear, convincing and cogent evidence to sustain
20 such valuation, shall be on the assessor at any hearing or
21 appeal. In any such county, unless the assessor proves
22 otherwise, there shall be a presumption that the assessment was
23 made by a computer, computer-assisted method or a computer
24 program. Such evidence shall include, but shall not be limited
25 to, the following:

26 (1) The findings of the assessor based on an appraisal of
27 the property by generally accepted appraisal techniques; and

1 (2) The purchase prices from sales of at least three
2 comparable properties and the address or location thereof. As
3 used in this subdivision, the word "comparable" means that:

4 (a) Such sale was closed at a date relevant to the property
5 valuation; and

6 (b) Such properties are not more than one mile from the
7 site of the disputed property, except where no similar properties
8 exist within one mile of the disputed property, the nearest
9 comparable property shall be used. Such property shall be within
10 five hundred square feet in size of the disputed property, and
11 resemble the disputed property in age, floor plan, number of
12 rooms, and other relevant characteristics.

13 2. Assessors in each county of this state and the City of
14 St. Louis may send personal property assessment forms through the
15 mail.

16 3. The following items of personal property shall each
17 constitute separate subclasses of tangible personal property and
18 shall be assessed and valued for the purposes of taxation at the
19 following percentages of their true value in money:

20 (1) Grain and other agricultural crops in an unmanufactured
21 condition, one-half of one percent;

22 (2) Livestock, twelve percent;

23 (3) Farm machinery, twelve percent;

24 (4) Motor vehicles which are eligible for registration as
25 and are registered as historic motor vehicles ~~[pursuant to]~~ under
26 section 301.131 and aircraft which are at least twenty-five years
27 old and which are used solely for noncommercial purposes and are

1 operated less than [~~fifty~~] two hundred hours per year or aircraft
2 that are home built from a kit, five percent;

3 (5) Poultry, twelve percent; and

4 (6) Tools and equipment used for pollution control and
5 tools and equipment used in retooling for the purpose of
6 introducing new product lines or used for making improvements to
7 existing products by any company which is located in a state
8 enterprise zone and which is identified by any standard
9 industrial classification number cited in subdivision (5) of
10 section 135.200, twenty-five percent.

11 4. The person listing the property shall enter a true and
12 correct statement of the property, in a printed blank prepared
13 for that purpose. The statement, after being filled out, shall
14 be signed and either affirmed or sworn to as provided in section
15 137.155. The list shall then be delivered to the assessor.

16 5. (1) All subclasses of real property, as such subclasses
17 are established in Section 4(b) of Article X of the Missouri
18 Constitution and defined in section 137.016, shall be assessed at
19 the following percentages of true value:

20 (a) For real property in subclass (1), nineteen percent;

21 (b) For real property in subclass (2), twelve percent; and

22 (c) For real property in subclass (3), thirty-two percent.

23 (2) A taxpayer may apply to the county assessor, or, if not
24 located within a county, then the assessor of such city, for the
25 reclassification of such taxpayer's real property if the use or
26 purpose of such real property is changed after such property is
27 assessed under the provisions of this chapter. If the assessor

1 determines that such property shall be reclassified, he or she
2 shall determine the assessment under this subsection based on the
3 percentage of the tax year that such property was classified in
4 each subclassification.

5 6. Manufactured homes, as defined in section 700.010, which
6 are actually used as dwelling units shall be assessed at the same
7 percentage of true value as residential real property for the
8 purpose of taxation. The percentage of assessment of true value
9 for such manufactured homes shall be the same as for residential
10 real property. If the county collector cannot identify or find
11 the manufactured home when attempting to attach the manufactured
12 home for payment of taxes owed by the manufactured home owner,
13 the county collector may request the county commission to have
14 the manufactured home removed from the tax books, and such
15 request shall be granted within thirty days after the request is
16 made; however, the removal from the tax books does not remove the

18 found. For purposes of this section, a manufactured home located
19 in a manufactured home rental park, rental community or on real
20 estate not owned by the manufactured home owner shall be
21 considered personal property. For purposes of this section, a

13 law enforcement agency, judge, prosecuting attorney, or officer
14 of the court, or with another state for the limited purposes set
15 out in section 302.600 or for conducting driver history checks in
16 compliance with the Motor Carrier Safety Improvement Act, 49

3 or her claim, the plaintiff shall be entitled to recover
4 reasonable attorney fees from the defendants.

5 10. The department of revenue may promulgate rules
6 necessary to implement the provisions of this section. Any rule
7 or portion of a rule, as that term is defined in section 536.010,
8 that is created under the authority delegated in this section
9 shall become effective only if it complies with and is subject to
10 all of the provisions of chapter 536 and, if applicable, section
11 536.028. This section and chapter 536 are nonseverable and if
12 any of the powers vested with the general assembly pursuant to
13 chapter 536 to review, to delay the effective date, or to
14 disapprove and annul a rule are subsequently held
15 unconstitutional, then the grant of rulemaking authority and any
16 rule proposed or adopted after August 28, 2017, shall be invalid
17 and void.

18 11. Biometric data, digital images, source documents, and
19 licensee signatures, or any copies of the same, required to be
20 collected or retained to comply with the requirements of the
21 federal REAL ID Act of 2005 shall be digitally retained for no
22 longer than the minimum duration required to maintain compliance,
23 and immediately thereafter shall be securely destroyed so as to
24 make them irretrievable.

25 12. No agency, department, or official of this state or of
26 any political subdivision thereof shall use, collect, obtain,
27 share, or retain radio frequency identification data from a REAL

1 ID compliant driver's license or identification card issued by a
2 state, nor use the same to uniquely identify any individual.

3 13. Notwithstanding any provision of law to the contrary,
4 the department of revenue shall not amend procedures for applying
5 for a driver's license or identification card, nor promulgate any
6 rule or regulation, for purposes of complying with modifications
7 made to the federal REAL ID Act of 2005 after August 28, 2017,
8 imposing additional requirements on applications, document
9 retention, or issuance of compliant licenses or cards, including
10 any rules or regulations promulgated under the authority granted
11 under the federal REAL ID Act of 2005, as amended, or any
12 requirements adopted by the American Association of Motor Vehicle
13 Administrators for furtherance thereof.

14 14. If the federal REAL ID Act of 2005 is modified or
15 repealed such that driver's licenses and identification cards
16 issued by this state that are not compliant with the federal REAL
17 ID Act of 2005 are once again sufficient for federal
18 identification purposes, the department shall not issue a
19 driver's license or identification card that complies with the
20 federal REAL ID Act of 2005 and shall securely destroy, within
21 thirty days, any source documents retained by the department for
22 the purpose of compliance with such Act.

20 established in section 209.015. Moneys in the blindness

23 an applicant does not meet the requirements of subsection 8 of
24 this section and does not have the required documents to prove
25 Missouri residency, United States naturalization, or lawful
26 immigration status, the department may issue a one-year driver's
27 license renewal. This one-time renewal shall only be issued to

2 driver's license, noncommercial instruction permit, or
3 nondriver's license for a period of fifteen years or more and who
4 does not have the required documents to prove Missouri residency,

16 (2) The parent or legal guardian of an individual if the
17 individual is an unemancipated minor;

18 (3) The legal guardian of the individual if the individual
19 is legally incapacitated;

20 (4) Any person who has power of attorney from the
21 individual;

22 (5) Any person who submits a notarized release from the
23 individual that is dated no more than ninety days before the
24 request is made;

25 (6) Any person claiming loss or injury in a motor vehicle
26 accident in which the individual is involved;

27 (7) The office of the state auditor, for the purpose of

1 conducting any audit authorized by law.

2 5. The director may adopt any rules and regulations
3 necessary to carry out the provisions of subdivisions (1) through
4 (3) of subsection 3 of this section. Any rule or portion of a
5 rule, as that term is defined in section 536.010, that is created
6 under the authority delegated in this section shall become
7 effective only if it complies with and is subject to all of the
8 provisions of chapter 536 and, if applicable, section 536.028.
9 This section and chapter 536 are nonseverable and if any of the
10 powers vested with the general assembly pursuant to chapter 536
11 to review, to delay the effective date or to disapprove and annul
12 a rule are subsequently held unconstitutional, then the grant of
13 rulemaking authority and any rule proposed or adopted after
14 August 28, 2000, shall be invalid and void.

15 6. Any person or agency who knowingly discloses information
16 received from insurance companies pursuant to this section for
17 any purpose, or to a person, other than those authorized in this
18 section is guilty of a class A misdemeanor. No insurer shall be
19 liable to any person for performing its duties pursuant to this
20 section unless and to the extent the insurer commits a willful
21 and wanton act of omission.

22 7. The department of revenue shall notify the department of
23 commerce and insurance of any insurer who violates any provisions
24 of this section. The department of commerce and insurance may,
25 against any insurer who knowingly fails to comply with this
26 section, assess an administrative penalty up to five hundred
27 dollars per day of noncompliance. The department of commerce and

1 insurance may excuse the administrative penalty if an assessed
2 insurer provides acceptable proof that such insurer's
3 noncompliance was inadvertent, accidental or the result of
4 excusable neglect. The penalty provisions of this section shall
5 become effective six months after the rule issued pursuant to
6 subsections 3 and 5 of this section is published in the code of
7 state regulations.

8 8. To verify that financial responsibility is being
9 maintained, the director shall notify the owner or operator of
10 the need to provide, within fifteen days, proof of the existence
11 of the required financial responsibility. The request shall
12 require the owner or the operator to state whether or not the
13 motor vehicle was insured on the verification date stated in the
14 director's request. The request may include but not be limited
15 to a statement of the names and addresses of insurers, policy
16 numbers and expiration date of insurance coverage. Failure to
17 provide such information shall result in the suspension of the
18 registration of the owner's motor vehicle, and where applicable,
19 the owner's or the operator's driving privilege, for failing to
20 meet such requirements, as is provided in this chapter.

21 304.170. 1. No vehicle operated upon the highways of this
22 state shall have a width, including load, in excess of one
23 hundred two inches, except clearance lights, rearview mirrors or
24 other accessories required by federal, state or city law or
25 regulation. Provided however, a recreational vehicle as defined
26 in section 700.010 may exceed the foregoing width limits if the
27 appurtenances on such recreational vehicle extend no further than

1 the rearview mirrors. Such mirrors may only extend the distance
2 necessary to provide the required field of view before the
3 appurtenances were attached.

4 2. No vehicle operated upon the interstate highway system
5 or upon any route designated by the state highways and
6 transportation commission shall have a height, including load, in
7 excess of fourteen feet. On all other highways, no vehicle shall
8 have a height, including load, in excess of thirteen and one-half
9 feet, except that any vehicle or combination of vehicles
10 transporting automobiles or other motor vehicles may have a
11 height, including load, of not more than fourteen feet.

12 3. No single motor vehicle operated upon the highways of
13 this state shall have a length, including load, in excess of
14 forty-five feet, except as otherwise provided in this section.

15 4. No bus, recreational motor vehicle or trackless trolley
16 coach operated upon the highways of this state shall have a
17 length in excess of forty-five feet, except that such vehicles
18 may exceed the forty-five feet length when such excess length is
19 caused by the projection of a front safety bumper or a rear
20 safety bumper or both. Such safety bumper shall not cause the
21 length of the bus or recreational motor vehicle to exceed the
22 forty-five feet length limit by more than one foot in the front
23 and one foot in the rear. Notwithstanding any provision of this
24 section to the contrary, an articulated bus, comprised of two or
25 more sections connected by a flexible joint or other mechanism,
26 may be up to sixty feet in length, not including safety bumpers
27 which may extend one foot in front and one foot in the rear, and

1 not including bicycle storage racks which may extend over the
2 safety bumper by up to five feet when in the down position
3 transporting a bicycle. The term "safety bumper" means any
4 device which may be fitted on an existing bumper or which
5 replaces the bumper and is so constructed, treated, or
6 manufactured that it absorbs energy upon impact.

7 5. No combination of truck-tractor and semitrailer or
8 truck-tractor equipped with dromedary and semitrailer operated
9 upon the highways of this state shall have a length, including
10 load, in excess of sixty feet; except that in order to comply
11 with the provisions of P.L. 97-424 codified in Title 23 of the
12 United States Code, 23 U.S.C. Section 101, et al., as amended, no
13 combination of truck-tractor and semitrailer or truck-tractor
14 equipped with dromedary and semitrailer operated upon the
15 interstate highway system of this state shall have an overall
16 length, including load, in excess of the length of the
17 truck-tractor plus the semitrailer or truck-tractor equipped with
18 dromedary and semitrailer. The length of such semitrailer shall
19 not exceed fifty-three feet.

20 6. In order to comply with the provisions of P.L. 97-424
21 codified in Title 23 of the United States Code, 23 U.S.C. Section
22 101, et al., as amended, no combination of truck-tractor,
23 semitrailer and trailer operated upon the interstate highway
24 system of this state shall have an overall length, including
25 load, in excess of the length of the truck-tractor plus the
26 semitrailer and trailer, neither of which semitrailer or trailer
27 shall exceed twenty-eight feet in length, except that any

1 existing semitrailer or trailer up to twenty-eight and one-half
2 feet in length actually and lawfully operated on December 1,
3 1982, within a sixty-five foot overall length limit in any state,
4 may continue to be operated upon the interstate highways of this
5 state. On those primary highways not designated by the state
6 highways and transportation commission as provided in subsection
7 11 of this section, no combination of truck-tractor, semitrailer
8 and trailer shall have an overall length, including load, in
9 excess of sixty-five feet; provided, however, the commission may
10 designate additional routes for such sixty-five foot
11 combinations.

12 7. (1) Automobile transporters, boat transporters,
13 truck-trailer boat transporter combinations, and stinger-steered
14 combination boat transporters having a length not in excess of
15 seventy-five feet may be operated on the interstate highways of
16 this state and such other highways as may be designated by the
17 commission for the operation of such vehicles plus a distance not
18 to exceed ten miles from such interstate or designated highway.
19 All length provisions regarding automobile or boat transporters,
20 truck-trailer boat transporter combinations and stinger-steered
21 combination boat transporters shall include a semitrailer length
22 not to exceed fifty-three feet and are exclusive of front and
23 rear overhang, which shall be no greater than a three-foot front
24 overhang and no greater than a four-foot rear overhang.

25 (2) Stinger-steered combination automobile transporters
26 having a length not in excess of eighty feet may be operated on
27 the interstate highways of this state and such other highways as

1 may be designated by the commission for the operation of such
2 vehicles plus a distance not to exceed ten miles from such
3 interstate or designated highway. All length provisions
4 regarding stinger-steered automobile combination transporters are
5 exclusive of front and rear overhang, which shall be no greater
6 than a four-foot front overhang and no greater than a six-foot
7 rear overhang.

8 (3) Automobile transporters may transport cargo or general
9 freight on a backhaul, as long as in compliance with weight
10 limitations for a truck-tractor and semitrailer combination as
11 outlined in section 304.180.

12 8. Driveaway saddlemount combinations having a length not
13 in excess of ninety-seven feet may be operated on the interstate
14 highways of this state and such other highways as may be
15 designated by the commission for the operation of such vehicles
16 plus a distance not to exceed ten miles from such interstate or
17 designated highway. Saddlemount combinations must comply with
18 the safety requirements of Section 393.71 of Title 49 of the Code
19 of Federal Regulations and may contain no more than three
20 saddlemounted vehicles and one fullmount.

21 9. No truck-tractor semitrailer-semitrailer combination
22 vehicles operated upon the interstate and designated primary
23 highway system of this state shall have a semitrailer length in
24 excess of twenty-eight feet or twenty-eight and one-half feet if
25 the semitrailer was in actual and lawful operation in any state
26 on December 1, 1982, operating in a truck-tractor
27 semitrailer-semitrailer combination. The B-train assembly is

1 excluded from the measurement of semitrailer length when used
2 between the first and second semitrailer of a truck-tractor
3 semitrailer-semitrailer combination, except that when there is no
4 semitrailer mounted to the B-train assembly, it shall be included
5 in the length measurement of the semitrailer.

6 10. No towaway trailer transporter combination vehicles
7 operated upon the interstate and designated primary highway
8 system of this state shall have an overall length of more than
9 eighty-two feet.

10 11. The commission is authorized to designate routes on the
11 state highway system other than the interstate system over which
12 those combinations of vehicles of the lengths specified in
13 subsections 5, 6, 7, 8, 9, and 10 of this section may be
14 operated. Combinations of vehicles operated under the provisions
15 of subsections 5, 6, 7, 8, 9, and 10 of this section may be
16 operated at a distance not to exceed ten miles from the
17 interstate system and such routes as designated under the
18 provisions of this subsection.

19 12. Except as provided in subsections 5, 6, 7, 8, 9, 10,
20 and 11 of this section, no other combination of vehicles operated
21 upon the primary or interstate highways of this state plus a
22 distance of ten miles from a primary or interstate highway shall
23 have an overall length, unladen or with load, in excess of
24 sixty-five feet or in excess of fifty-five feet on any other
25 highway.

26 13. (1) Except as hereinafter provided, these restrictions
27 shall not apply to:

1 (a) Agricultural implements operating occasionally on the
2 highways for short distances including tractor parades for
3 fund-raising activities or special events, provided the tractors
4 are driven by licensed drivers during daylight hours only and
5 with the approval of the superintendent of the Missouri state
6 highway patrol; ~~[or to]~~

7 (b) Self-propelled hay-hauling equipment or to implements
8 of husbandry, or to the movement of farm products as defined in
9 section 400.9-102 or to vehicles temporarily transporting
10 agricultural implements or implements of husbandry or road-making
11 machinery, or road materials or towing for repair purposes
12 vehicles that have become disabled upon the highways; ~~[or to]~~

13 (c) Vehicles towing trailers specifically designed to carry
14 harvested cotton, either as a single trailer or in tandem, with a
15 total length, including the trailer or trailers, of not more than
16 ninety-three feet; such vehicles shall only be used to haul
17 harvested cotton, except when hauling hay within the state to
18 areas affected by drought as determined by the National Drought
19 Mitigation Center; or

20 (d) Implement dealers delivering or moving farm machinery
21 for repairs on any state highway other than the interstate
22 system.

23 (2) Implements of husbandry and vehicles transporting such
24 machinery or equipment and the movement of farm products as
25 defined in section 400.9-102 may be operated occasionally for
26 short distances on state highways when operated between the hours
27 of sunrise and sunset by a driver licensed as an operator or

1 chauffeur.

2 (3) Notwithstanding any other provision of law to the
3 contrary, agricultural machinery and implements may be operated
4 on state highways between the hours of sunset and sunrise for
5 agricultural purposes provided such vehicles are equipped with
6 lighting meeting the requirements of section 307.115.

7 14. As used in this chapter the term "implements of
8 husbandry" means all self-propelled machinery operated at speeds
9 of less than thirty miles per hour, specifically designed for, or
10 especially adapted to be capable of, incidental over-the-road and
11 primary offroad usage and used exclusively for the application of
12 commercial plant food materials or agricultural chemicals, and
13 not specifically designed or intended for transportation of such
14 chemicals and materials.

15 15. Sludge disposal units may be operated on all state
16 highways other than the interstate system. Such units shall not
17 exceed one hundred thirty-eight inches in width and may be
18 equipped with over-width tires. Such units shall observe all
19 axle weight limits. The commission shall issue special permits
20 for the movement of such disposal units and may by such permits
21 restrict the movements to specified routes, days and hours.

22 304.172. The provisions of sections 304.170 to 304.240
23 relating to height, width, ~~[weight,]~~ and length ~~[and load]~~
24 restrictions for motor vehicles shall not apply to any motor
25 vehicle and its attached apparatus which is designed for use and
26 used by a fire department, fire protection district or volunteer
27 fire protection association or when being operated by a fire

1 apparatus manufacturer or sales organization for the purpose of
2 sale, demonstration, exhibit, or delivery to a fire department,
3 fire protection district or volunteer fire protection
4 association.

5 304.180. 1. No vehicle or combination of vehicles shall be
6 moved or operated on any highway in this state having a greater
7 weight than twenty thousand pounds on one axle, no combination of
8 vehicles operated by transporters of general freight over regular
9 routes as defined in section 390.020 shall be moved or operated
10 on any highway of this state having a greater weight than the
11 vehicle manufacturer's rating on a steering axle with the maximum
12 weight not to exceed twelve thousand pounds on a steering axle,
13 and no vehicle shall be moved or operated on any state highway of
14 this state having a greater weight than thirty-four thousand
15 pounds on any tandem axle; the term "tandem axle" shall mean a
16 group of two or more axles, arranged one behind another, the
17 distance between the extremes of which is more than forty inches
18 and not more than ninety-six inches apart.

19 2. An "axle load" is defined as the total load transmitted
20 to the road by all wheels whose centers are included between two
21 parallel transverse vertical planes forty inches apart, extending
22 across the full width of the vehicle.

23 3. Subject to the limit upon the weight imposed upon a
24 highway of this state through any one axle or on any tandem axle,
25 the total gross weight with load imposed by any group of two or
26 more consecutive axles of any vehicle or combination of vehicles
27 shall not exceed the maximum load in pounds as set forth in the

1 following table:

2

3 Distance in feet between the extremes of any group of two or more
4 consecutive axles, measured to the nearest foot, except where
5 indicated otherwise

10 Notwithstanding the above table, two consecutive sets of tandem
 11 axles may carry a gross load of thirty-four thousand pounds each
 12 if the overall distance between the first and last axles of such
 13 consecutive sets of tandem axles is thirty-six feet or more.

14 4. Whenever the state highways and transportation
 15 commission finds that any state highway bridge in the state is in
 16 such a condition that use of such bridge by vehicles of the
 17 weights specified in subsection 3 of this section will endanger
 18 the bridge, or the users of the bridge, the commission may
 19 establish maximum weight limits and speed limits for vehicles
 20 using such bridge. The governing body of any city or county may
 21 grant authority by act or ordinance to the commission to enact
 22 the limitations established in this section on those roadways
 23 within the purview of such city or county. Notice of the weight
 24 limits and speed limits established by the commission shall be
 25 given by posting signs at a conspicuous place at each end of any
 26 such bridge.

27 5. Nothing in this section shall be construed as permitting

1 lawful axle loads, tandem axle loads or gross loads in excess of
2 those permitted under the provisions of P.L. 97-424 codified in
3 Title 23 of the United States Code (23 U.S.C. Section 101, et
4 al.), as amended.

5 6. Notwithstanding the weight limitations contained in this
6 section, any vehicle or combination of vehicles operating on
7 highways other than the interstate highway system may exceed
8 single axle, tandem axle and gross weight limitations in an
9 amount not to exceed two thousand pounds. However, total gross
10 weight shall not exceed eighty thousand pounds, except as
11 provided in subsections 9, 10, 12, and 13 of this section.

12 7. Notwithstanding any provision of this section to the
13 contrary, the commission shall issue a single-use special permit,
14 or upon request of the owner of the truck or equipment shall
15 issue an annual permit, for the transporting of any crane or
16 concrete pump truck or well-drillers' equipment. The commission
17 shall set fees for the issuance of permits and parameters for the
18 transport of cranes pursuant to this subsection. Notwithstanding
19 the provisions of section 301.133, cranes, concrete pump trucks,
20 or well-drillers' equipment may be operated on state-maintained
21 roads and highways at any time on any day.

22 8. Notwithstanding the provision of this section to the
23 contrary, the maximum gross vehicle limit and axle weight limit
24 for any vehicle or combination of vehicles equipped with an idle
25 reduction technology may be increased by a quantity necessary to
26 compensate for the additional weight of the idle reduction system
27 as provided for in 23 U.S.C. Section 127, as amended. In no case

1 shall the additional weight increase allowed by this subsection
2 be greater than five hundred fifty pounds. Upon request by an
3 appropriate law enforcement officer, the vehicle operator shall
4 provide proof that the idle reduction technology is fully
5 functional at all times and that the gross weight increase is not
6 used for any purpose other than for the use of idle reduction
7 technology.

8 9. Notwithstanding any provision of this section or any
9 other law to the contrary, the total gross weight of any vehicle
10 or combination of vehicles hauling milk, from a farm to a
11 processing facility or livestock may be as much as, but shall not
12 exceed, eighty-five thousand five hundred pounds while operating
13 on highways other than the interstate highway system. The
14 provisions of this subsection shall not apply to vehicles
15 operated and operating on the Dwight D. Eisenhower System of
16 Interstate and Defense Highways.

17 10. Notwithstanding any provision of this section or any
18 other law to the contrary, any vehicle or combination of vehicles
19 hauling grain or grain coproducts during times of harvest may be
20 as much as, but not exceeding, ten percent over the maximum
21 weight limitation allowable under subsection 3 of this section
22 while operating on highways other than the interstate highway
23 system. The provisions of this subsection shall not apply to
24 vehicles operated and operating on the Dwight D. Eisenhower
25 System of Interstate and Defense Highways.

26 11. Notwithstanding any provision of this section or any
27 other law to the contrary, the commission shall issue emergency

1 utility response permits for the transporting of utility wires or
2 cables, poles, and equipment needed for repair work immediately
3 following a disaster where utility service has been disrupted.
4 Under exigent circumstances, verbal approval of such operation
5 may be made either by the department of transportation motor
6 carrier compliance supervisor or other designated motor carrier
7 services representative. Utility vehicles and equipment used to
8 assist utility companies granted special permits under this
9 subsection may be operated and transported on state-maintained
10 roads and highways at any time on any day. The commission shall
11 promulgate all necessary rules and regulations for the
12 administration of this section. Any rule or portion of a rule,
13 as that term is defined in section 536.010, that is created under
14 the authority delegated in this section shall become effective
15 only if it complies with and is subject to all of the provisions
16 of chapter 536 and, if applicable, section 536.028. This section
17 and chapter 536 are nonseverable and if any of the powers vested
18 with the general assembly pursuant to chapter 536 to review, to
19 delay the effective date, or to disapprove and annul a rule are
20 subsequently held unconstitutional, then the grant of rulemaking
