FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Transportation (MoDOT)** assume the proposal will have no fiscal impact on their organization.

Oversight notes that MoDOT has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note for that agency.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, several Recorders of Deeds were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

Oversight assumes the procedures governing the removal and disposal of abandoned aircraft would not be invoked often enough to materially impact the budget of any affected political subdivision.

FISCAL IMPACT - Small Business

Small businesses that own either aircraft or airports could be impacted by this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
