The bill further limits these entities from preventing a student from participating in intercollegiate athletics if the student earns compensation, or from hiring professional representation as outlined in the bill.

The bill limits student athletes from entering into any contract for compensation that would require the athlete to display a sponsor's apparel, equipment, beverage, or otherwise advertise for the sponsor during official team activities and limits team activities to not exceed 20 hours per week during the season and eight hours per week during the off-season.

This bill has a delayed effective date of January 1, 2023.
