ASSUMPTION

§210.652 - Electronic data exchange for the Interstate Compact on the Placement of Children

Officials from the **Office of Administration, Information Technology Services Division (OA/ITSD)** state the FACES NIECE Connectivity Project was recently completed and this project added the functionality to connect the Family and Children’s Electronic System (FACES) with the NIECE (National Electronic Interstate Compact Enterprise) Clearinghouse so data may be transmitted back and forth to facilitate faster adoptions across state lines. No additional work would be needed to comply with the requirements of this bill.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect no fiscal impact for OA/ITSD for fiscal note purposes.
