FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Health and Senior Services**, the **Mississippi County Recorder of Deeds Office** and the **Daviess County Recorder of Deeds Office** each assume no fiscal impact to their respective entities from this proposal.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other counties and county recorder of deeds offices were requested to respond to this proposed legislation, but did not. A general listing of political subdivisions included in our database is available upon request.

Oversight notes the legislation does not specifically address if a form will need to be created by the County Recorder of Deeds Office or if software may need to be purchased by the Office. Oversight assumes this proposal is permissive and action would only be taken by the County Recorder of Deeds Office if they have budgeted funds for this purpose and if it would benefit their county. Therefore, Oversight will reflect a \$0 fiscal note assuming any costs involved would be absorbed by the County Recorder of Deeds Office.
