FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Health and Senior Services** and the **Department of Commerce and Insurance** each assume no fiscal impact to their respective agencies from this proposal.

In response to a previous version, officials at the **Department of Labor and Industrial Relations** assumed no fiscal impact from this proposal.

In response to a previous version, officials at the **University of Missouri Health Care** assumed no fiscal impact from this proposal.

Oversight notes this proposal permits physician assistants and assistant physicians to serve as staff on ambulances and exempts them from any mileage requirements and requirements to hold an emergency medical technician's license. The proposal also adds physician assistants and assistant physicians to those who may supervise someone with a temporary emergency medical technician license. The Department of Health and Senior Services, the Department of Commerce and Insurance, the Department of Labor and Industrial Relations and the University of Missouri Health Care have each stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other ambulance districts and hospitals were requested to respond to this proposed legislation, but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
