**FISCAL ANALYSIS**

**ASSUMPTION**

Officials from the **Office of the Secretary of State** assume the proposal will have no fiscal impact on their organization.

Officials from the **Jackson County Election Board, Kansas City Election Board, St. Louis County Board of Elections, and Platte County Board of Elections** each assume the proposal will have no fiscal impact on their organization.

**Oversight** notes that the proposal changes the filing fee from \$200 to \$500 for candidates for statewide office or United States senator; from \$100 to \$300 for candidates for representative in Congress, circuit judge, or state senator; and from \$50 to \$150 for candidates for state representative. The proposal also changes the filing fee from \$1000 to \$5000 for candidates for president to be on the presidential primary ballot. All filing fees that are collected are retained by the respective political parties. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local election authorities were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
