 17 this section may be reduced over a period of years. Each reduction in the top rate of tax shall be
 18 by one-tenth of a percent and no more than one reduction shall occur in a calendar year. No
 19 more than five reductions shall be made under this subsection. Reductions in the rate of tax shall
 20 take effect on January first of a calendar year and such reduced rates shall continue in effect until
 21 the next reduction occurs.

22 (2) A reduction in the rate of tax shall only occur if the amount of net general revenue
 23 collected in the previous fiscal year exceeds the highest amount of net general revenue collected
 24 in any of the three fiscal years prior to such fiscal year by at least one hundred fifty million
 25 dollars.

26 (3) Any modification of tax rates under this subsection shall only apply to tax years that
 27 begin on or after a modification takes effect.

28 (4) The director of the department of revenue shall, by rule, adjust the tax tables under
 29 subsection 1 of this section to effectuate the provisions of this subsection. The bracket for
 30 income subject to the top rate of tax shall be eliminated once the top rate of tax has been reduced
 31 to five and one-half percent, and the top remaining rate of tax shall apply to all income in excess
 32 of the income in the second highest remaining income bracket.

33 3. (1) In addition to the rate reductions under subsection 2 of this section, beginning
 34 with the 2019 calendar year, the top rate of tax under subsection 1 of this section shall be reduced
 35 by four-tenths of one percent. Such reduction in the rate of tax shall take effect on January first
 36 of the 2019 calendar year.

44 (2) (a) **Beginning with the 2022 calendar year, the top rate of tax under subsection**
 45 **1 of this section may be adjusted annually over a period of two years, according to the**

 49 **one hundred thirty million dollars, that exceeds a two and eight-tenths percent increase**

50 from the total state sales and use tax revenue received from October 1, 2019, to September
51 30, 2020, the top rate of tax under subsection 1 of this section shall be reduced from its
52 2021 rate by two-hundredths of one percent. For the 2022 calendar year, for every
53 eighteen million dollars by which the total state sales and use tax revenue received from

55 equal a two and eight-tenths percent increase from the amount of total state sales and use
56 tax revenue received from October 1, 2019, to September 30, 2020, the top rate of tax under

58 percent.

59 (c) Beginning with the 2023 calendar year, for every additional eighteen million
60 dollars by which half of the total state sales and use tax revenue received from October 1,

62 eight-tenths percent increase from the total state sales and use tax revenue received from
63 October 1, 2019, to September 30, 2020, the top rate of tax under subsection 1 of this
64 section shall be reduced from its 2021 rate by two-hundredths of one percent. Beginning
65 with the 2023 calendar year, for every eighteen million dollars by which half of the total
66 state sales and use tax revenue received from October 1, 2020, to September 30, 2022, less
67 one hundred thirty million dollars, fails to equal a two and eight-tenths percent increase

69 September 30, 2020, the top rate of tax under subsection 1 of this section shall be increased
70 from its 2021 rate by two-hundredths of one percent.

72 effect on January first of the calendar year following the year in which a change in total
73 state sales and use tax revenue triggered an adjustment.

74 (4) The director of the department of revenue shall, by rule, adjust the tax tables
75 under subsection 1 of this section to effectuate the provisions of this subsection.

78 inflation. The director shall publish such brackets annually beginning on or after October 1,
79 2016. Modifications to the brackets shall take effect on January first of each calendar year and

23 e. Conducts any other activities in the state that are significantly associated with the
24 vendor's ability to establish and maintain a market in the state for the sales;

25 (d) The presumption in paragraph (c) **of this subdivision** may be rebutted by
26 demonstrating that the person's activities in the state are not significantly associated with the
27 vendor's ability to establish or maintain a market in this state for the vendor's sales;

28 (e) Notwithstanding paragraph (c) **of this subdivision**, a vendor shall be presumed to

47 **determined under subparagraph b. of this paragraph;**

48 **b. Following the close of each calendar quarter, a vendor shall determine whether**
49 **the vendor met the requirements provided under subparagraph a. of this paragraph**
50 **during the twelve-month period ending on the last day of the preceding calendar quarter.**
51 **If the vendor met such requirements for any such twelve-month period, such vendor shall**
52 **collect and remit applicable use tax in future transactions, in lieu of any obligations to**

54 **transaction, as provided under section 144.635, for a period of no less than twelve months,**
55 **beginning no more than three months following the close of the preceding calendar**
56 **quarter, and such vendor shall continue to collect and remit the use tax for as long as the**

66 e. Any vendor that meets the provisions of subparagraph c. of this paragraph shall
67 not be subject to local use tax imposed by a political subdivision in this state enacted prior
68 to January 1, 2021, except in such political subdivisions in which a majority of voters have
69 approved expanding a use tax that was enacted prior to January 1, 2021; and

70 f. Notwithstanding the provisions of this paragraph, political subdivisions that wish
71 to enact a new local use tax, but do not wish to subject vendors that meet the provisions of
72 subparagraph c. of this paragraph to such local use tax, may enact such local use tax
73 according to the applicable provisions of sections 144.757 to 144.761, or any other
74 applicable local use tax authorization provisions, and may exclude such vendors from such
75 new tax;

**4 2. For the identification of counties and cities, codes corresponding to the rates shall
5 be provided according to Federal Information Processing Standards (FIPS) as developed
6 by the National Institute of Standards and Technology. For the identification of all other
7 jurisdictions, codes corresponding to the rates shall be in a format determined by the
8 director.**

**9 3. The director shall provide and maintain address-based boundary database
10 records for assigning taxing jurisdictions and associated rates. The database records shall
11 meet the requirements developed pursuant to the federal Mobile Telecommunications
12 Sourcing Act, 4 U.S.C. Section 119(a). If a vendor is unable to determine the applicable
13 rate and jurisdiction using an address-based database record after exercising due diligence,
14 the vendor may apply the nine-digit zip code designation applicable to a purchase. If a
15 nine-digit zip code designation is not available for a street address or if a vendor is unable
16 to determine the nine-digit zip code designation applicable to a purchase after exercising
17 due diligence to determine the designation, the vendor may apply the rate for the five-digit
18 zip code area. The lowest combined tax rate imposed in the zip code area shall apply if the
19 area includes more than one tax rate in any level of taxing jurisdiction. For the purposes
20 of this section, there shall be a rebuttable presumption that a vendor has exercised due
21 diligence if the vendor has attempted to determine the tax rate and jurisdiction by utilizing
22 software approved by the director and makes the assignment from the address and zip
23 code information applicable to the purchase. The databases shall be in the same approved
24 format as the database records under this section and meet the requirements developed
25 pursuant to the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a).
26 If the director certifies an address-based database provided by a third party, a vendor may
27 use such database in place of the database provided for in this subsection.**

**28 4. The electronic database provided for in subsections 1, 2, and 3 of this section
29 shall be in downloadable format as determined by the director. The database may be
30 directly provided by the director or provided by a third party as designated by the
31 director. The databases shall be provided at no cost to the user of the database. The**

32 **provisions of subsection 3 of this section shall not apply if the purchased product is**
33 **received by the purchaser at the business location of the vendor.**

34 **5. No vendor shall be liable for reliance upon erroneous data provided by the**
35 **director on tax rates, boundaries, or taxing jurisdiction assignments.**

144.701. 1. The revenue derived from the rate of one cent on the dollar of the tax
2 imposed by sections 144.010 to 144.430 and sections 144.600 to 144.745 which shall be deemed
3 to be local tax revenue, shall be deposited by the state treasurer in a special trust fund, which is
4 hereby created, to be known as the "School District Trust Fund". The money in the fund shall
5 be distributed to the public school districts of the state in the manner provided in sections
6 163.031 and 163.087 and shall be appropriated and used for no other purpose; except that, of all
7 refunds made of taxes collected under the provisions of sections 144.010 to 144.430 and sections
8 144.600 to 144.745, the appropriate percentage of any refund shall be paid from the school
9 district trust fund, and except that, the state may retain a fee as a charge for collecting and
10 disbursing moneys so deposited, and transfers may be made from the fund as provided in section
11 164.013. The state collection fee shall not exceed two and one-half million dollars or one
12 percent of the amount deposited in the fund, whichever is less. The fee shall be negotiated
13 annually through the appropriation process. Any balance remaining in the fund at the end of an
14 appropriation period shall not be transferred to general revenue, and the provisions of section
15 33.080 shall not apply to the fund. Moneys in the trust fund shall be invested by the state
16 treasurer in the same deposits and obligations in which state funds are authorized by law to be
17 invested, except that the deposits and obligations shall mature and become payable in time for
18 distribution of the funds as provided in sections 163.031 and 163.087.

19 **2. The revenue derived under paragraph (g) of subdivision (2) of section 144.605**
20 **shall be exempt from the provisions of this section and shall be deposited into the state**
21 **general revenue fund established under section 33.543.**

19 (2) "Marketplace seller", a seller that makes sales through any electronic
20 marketplace operated by a marketplace facilitator;

21 (3) "Person", any individual, firm, copartnership, joint venture, association, or

40 that are purchased in or delivered into the state, whether by the marketplace facilitator or
41 another person, and regardless of whether the marketplace seller for whom sales are
42 facilitated possesses a retail sales license or would have been required to collect sales or use
43 tax had the sale not been facilitated by the marketplace facilitator. Such retail sales shall
44 include those made directly by the marketplace facilitator and shall also include those
45 retail sales made by marketplace sellers through the marketplace facilitator's marketplace.

48 section shall be construed to limit or prohibit the ability of a marketplace facilitator and
49 a marketplace seller to enter into agreements regarding the fulfillment of the requirements
50 of this chapter.

51 3. Marketplace facilitators that are required to collect sales and use tax under this
52 section shall report and remit the tax separately from any sales and use tax collected by the
53 marketplace facilitator, or by affiliates of the marketplace facilitator, which the
54 marketplace facilitator would have been required to collect and remit under the provisions
55 of this chapter prior to January 1, 2021. Such tax shall be reported and remitted on a
56 marketplace facilitator return to be developed and published by the department.
57 Marketplace facilitators shall maintain records of all sales delivered to a location in the
58 state, including copies of invoices showing the purchaser, address, items purchased,
59 purchase amount, and sales and use tax collected. Such records shall be made available
60 for review and inspection upon request by the department.

61 4. Marketplace facilitators who properly collect and remit to the department in a
62 timely manner sales and use tax on sales in accordance with the provisions of this section
63 by or on behalf of marketplace sellers shall be eligible for any discount provided under this
64 chapter.

65 5. A marketplace facilitator shall provide the purchaser with a statement or invoice
66 showing that the sales or use tax was collected and shall be remitted on the purchaser's
67 behalf.

68 6. Any purchaser, marketplace facilitator, or marketplace seller who remits sales
69 or use tax under this section shall be entitled to refunds or credits to the same extent and
70 in the same manner provided for in section 144.190 for taxes collected and remitted under
71 this section. Nothing in this section shall relieve a purchaser of the obligation to remit sales
72 or use tax for any retail sale taxable under this chapter for which a marketplace facilitator
73 or marketplace seller does not collect and remit the sales or use tax.

74 7. Except as provided under subsections 8 and 9 of this section, marketplace
75 facilitators shall be subject to the penalty provisions, procedures, and reporting
76 requirements provided under the provisions of this chapter.

77 8. An audit performed by the department under this chapter shall only be
78 performed on a marketplace facilitator for sales made by marketplace sellers but
79 facilitated by the marketplace facilitator. The department shall not audit a marketplace
80 seller for sales facilitated by a marketplace facilitator except to the extent a marketplace
81 facilitator seeks relief from liability under the provisions of paragraph (a) of subdivision
82 (1) of subsection 9 of this section.

83 **9. (1) A marketplace facilitator shall be relieved from liability under this section**
84 **for the failure to collect and remit the correct amount of sales or use tax on retail sales**
85 **facilitated for marketplace sellers under the following circumstances:**

86 **(a) To the extent that the marketplace facilitator demonstrates to the satisfaction**
87 **of the department that the error was due to insufficient or incorrect information given to**
88 **the marketplace facilitator by the marketplace seller; provided, however, that a**
89 **marketplace facilitator shall not be relieved of liability under this paragraph if the**
90 **marketplace facilitator and the marketplace seller are affiliated; or**

91 **(b) To the extent that the marketplace facilitator demonstrates to the satisfaction**
92 **of the department that:**

93 **a. The marketplace facilitator is not the seller and that the marketplace facilitator**
94 **and marketplace seller are not affiliated;**

95 **b. The retail sale was facilitated for a marketplace seller through a marketplace**
96 **operated by the marketplace facilitator; and**

97 **c. The failure to collect and remit the correct amount of sales or use tax was due to**
98 **an error other than an error in sourcing the sale under the provisions of this chapter.**

99 **(2) The relief from liability provided under subdivision (1) of this subsection shall**
100 **not exceed the following percentage of the total sales and use tax due on retail sales**
101 **facilitated by a marketplace facilitator for marketplace sellers and sourced to this state**
102 **during a calendar year, which such retail sales shall not include retail sales made directly**
103 **by the marketplace facilitator or affiliates of the marketplace facilitator:**

104 **(a) For retail sales made or facilitated during the 2021 calendar year, four percent;**

105 **(b) For retail sales made or facilitated during the 2022 calendar year, two percent;**

106 **(c) For retail sales made or facilitated during the 2023 calendar year, one percent;**

107 **and**

108 **(d) For retail sales made or facilitated on or after January 1, 2024, zero percent.**

109 **(3) To the extent that a marketplace facilitator is relieved of liability for the**
110 **collection of sales and use tax under this subsection, the marketplace seller for whom the**
111 **marketplace facilitator has made or facilitated the sale shall also be relieved of liability**
112 **under this subsection.**

113 **(4) The department shall determine the manner in which a marketplace facilitator**
114 **or marketplace seller shall apply for and claim the relief from liability provided for under**
115 **this subsection.**

116 **10. The department may grant a waiver from the requirements of this section if a**
117 **marketplace facilitator demonstrates to the satisfaction of the department that all of its**
118 **marketplace sellers are already registered under the provisions of this chapter to collect**

119 **and remit sales and use tax. If such waiver is granted, the sales or use tax due shall be**
 120 **collected and remitted by the marketplace seller. The department shall develop guidelines**
 121 **by rule that establish the criteria for obtaining a waiver, the process and procedure for a**
 122 **marketplace facilitator or marketplace seller to apply for a waiver, and the process for**
 123 **providing notice to an affected marketplace facilitator and marketplace seller of a waiver**
 124 **obtained under the provisions of this subsection. Any rule or portion of a rule, as that term**
 125 **is defined in section 536.010, that is created under the authority delegated in this section**
 126 **shall become effective only if it complies with and is subject to all of the provisions of**
 127 **chapter 536 and, if applicable, section 536.028. This section and chapter 536 are**
 128 **nonseverable, and if any of the powers vested with the general assembly pursuant to**
 129 **chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are**
 130 **subsequently held unconstitutional, then the grant of rulemaking authority and any rule**
 131 **proposed or adopted after August 28, 2020, shall be invalid and void.**
