17 or court order. No name change by common usage based on common law shall be permitted.  
18 The application shall also contain such information as the director may require to enable the  
19 director to determine the applicant's qualification for driving a motor vehicle; and shall state  
20 whether or not the applicant has been convicted in this or any other state for violating the laws  
21 of this or any other state or any ordinance of any municipality, relating to driving without a  
22 license, careless driving, or driving while intoxicated, or failing to stop after an accident and  
23 disclosing the applicant's identity, or driving a motor vehicle without the owner's consent. The  
24 application shall contain a certification by the applicant as to the truth of the facts stated therein.  
25 Every person who applies for a license to operate a motor vehicle who is less than twenty-one  
26 years of age shall be provided with educational materials relating to the hazards of driving while  
27 intoxicated, including information on penalties imposed by law for violation of the  
28 intoxication-related offenses of the state. Beginning January 1, 2001, if the applicant is less than  
29 eighteen years of age, the applicant must comply with all requirements for the issuance of an  
30 intermediate driver's license pursuant to section 302.178. For persons mobilized and deployed  
31 with the United States Armed Forces, an application under this subsection shall be considered  
32 satisfactory by the department of revenue if it is signed by a person who holds general power of  
33 attorney executed by the person deployed, provided the applicant meets all other requirements  
34 set by the director. **Beginning January 1, 2022, if the applicant is eighteen years of age or

39 2. An applicant for a license may make a donation of one dollar to promote an organ  
40 donor program. The director of revenue shall collect the donations and deposit all such  
41 donations in the state treasury to the credit of the organ donor program fund established in  
42 sections 194.297 to 194.304. Moneys in the organ donor program fund shall be used solely for  
43 the purposes established in sections 194.297 to 194.304 except that the department of revenue  
44 shall retain no more than one percent for its administrative costs. The donation prescribed in this  
45 subsection is voluntary and may be refused by the applicant for the license at the time of issuance  
46 or renewal of the license. The director shall make available an informational booklet or other  
47 informational sources on the importance of organ and tissue donations to applicants for licensure  
48 as designed by the organ donation advisory committee established in sections 194.297 to  
49 194.304. The director shall inquire of each applicant at the time the licensee presents the  
50 completed application to the director whether the applicant is interested in making the one dollar  
51 donation prescribed in this subsection and whether the applicant is interested in inclusion in the  
52 organ donor registry and shall also specifically inform the licensee of the ability to consent to

53 organ donation by placing a donor symbol sticker authorized and issued by the department of  
54 health and senior services on the back of his or her driver's license or identification card as  
55 prescribed by subdivision (1) of subsection 1 of section 194.225. A symbol may be placed on  
56 the front of the license or identification card indicating the applicant's desire to be listed in the  
57 registry at the applicant's request at the time of his or her application for a driver's license or  
58 identification card, or the applicant may instead request an organ donor sticker from the  
59 department of health and senior services by application on the department of health and senior  
60 services' website. Upon receipt of an organ donor sticker sent by the department of health and  
61 senior services, the applicant shall place the sticker on the back of his or her driver's license or  
62 identification card to indicate that he or she has made an anatomical gift. The director shall  
63 notify the department of health and senior services of information obtained from applicants who  
64 indicate to the director that they are interested in registry participation, and the department of  
65 health and senior services shall enter the complete name, address, date of birth, race, gender and  
66 a unique personal identifier in the registry established in subsection 1 of section 194.304.

67         3. An applicant for a license may make a donation of one dollar to promote a blindness  
68 education, screening and treatment program. The director of revenue shall collect the donations  
69 and deposit all such donations in the state treasury to the credit of the blindness education,  
70 screening and treatment program fund established in section 209.015. Moneys in the blindness  
71 education, screening and treatment program fund shall be used solely for the purposes  
72 established in section 209.015; except that the department of revenue shall retain no more than  
73 one percent for its administrative costs. The donation prescribed in this subsection is voluntary  
74 and may be refused by the applicant for the license at the time of issuance or renewal of the  
75 license. The director shall inquire of each applicant at the time the licensee presents the  
76 completed application to the director whether the applicant is interested in making the one dollar  
77 donation prescribed in this subsection.

78         4. Beginning July 1, 2005, the director shall deny the driving privilege of any person who  
79 commits fraud or deception during the examination process or who makes application for an  
80 instruction permit, driver's license, or nondriver's license which contains or is substantiated with  
81 false or fraudulent information or documentation, or who knowingly conceals a material fact or  
82 otherwise commits a fraud in any such application. The period of denial shall be one year from  
83 the effective date of the denial notice sent by the director. The denial shall become effective ten  
84 days after the date the denial notice is mailed to the person. The notice shall be mailed to the  
85 person at the last known address shown on the person's driving record. The notice shall be  
86 deemed received three days after mailing unless returned by the postal authorities. No such  
87 individual shall reapply for a driver's examination, instruction permit, driver's license, or  
88 nondriver's license until the period of denial is completed. No individual who is denied the

89 driving privilege under this section shall be eligible for a limited driving privilege issued under  
90 section 302.309.

91 5. All appeals of denials under this section shall be made as required by section 302.311.

92 6. The period of limitation for criminal prosecution under this section shall be extended  
93 under subdivision (1) of subsection 3 of section 556.036.

94 7. The director may promulgate rules and regulations necessary to administer and enforce  
95 this section. No rule or portion of a rule promulgated pursuant to the authority of this section

98 proof of Missouri residency for renewal of a noncommercial driver's license, noncommercial  
99 instruction permit, or nondriver's license, an applicant who is sixty-five years and older and who  
100 was previously issued a Missouri noncommercial driver's license, noncommercial instruction  
101 permit, or Missouri nondriver's license is exempt from showing proof of Missouri residency.

102 9. Notwithstanding any provision of this chapter, for the renewal of a noncommercial  
103 driver's license, noncommercial instruction permit, or nondriver's license, a photocopy of an  
104 applicant's United States birth certificate along with another form of identification approved by  
105 the department of revenue, including, but not limited to, United States military identification or  
106 United States military discharge papers, shall constitute sufficient proof of Missouri citizenship.

107 10. Notwithstanding any other provision of this chapter, if an applicant does not meet  
108 the requirements of subsection 8 of this section and does not have the required documents to  
109 prove Missouri residency, United States naturalization, or lawful immigration status, the  
110 department may issue a one-year driver's license renewal. This one-time renewal shall only be  
111 issued to an applicant who previously has held a Missouri noncommercial driver's license,  
112 noncommercial instruction permit, or nondriver's license for a period of fifteen years or more and  
113 who does not have the required documents to prove Missouri residency, United States  
114 naturalization, or lawful immigration status. After the expiration of the one-year period, no  
115 further renewal shall be provided without the applicant producing proof of Missouri residency,  
116 United States naturalization, or lawful immigration status.

7 **2. No application for a license for the operation of a motor vehicle, or an  
8 intermediate license, shall be accepted from any person who has never held a driver's**

23 only if it complies with and is subject to all of the provisions of chapter 536 and, if
