13 376.975, 447.708, 620.495, 620.650, 620.809, 620.1039, 620.1881, and 620.2020, to read as follows:

2 32.115. 1. The department of revenue shall grant a tax credit, to be applied in the
3 following order until used, against:

4 (1) The annual tax on gross premium receipts of insurance companies in chapter 148;

5 (2) The tax on banks determined pursuant to subdivision (2) of subsection 2 of section
6 148.030;

7 (3) The tax on banks determined in subdivision (1) of subsection 2 of section 148.030;

8 (4) The tax on other financial institutions in chapter 148;

9 (5) The corporation franchise tax in chapter 147;

10 (6) The state income tax in chapter 143; and

11 (7) The annual tax on gross receipts of express companies in chapter 153.

12 2. For proposals approved pursuant to section 32.110:

13 (1) The amount of the tax credit shall not exceed fifty percent of the total amount
14 contributed during the [taxable] tax year by the business firm or, in the case of a financial
15 institution, where applicable, during the relevant income period in programs approved pursuant
16 to section 32.110;

17 (2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy
18 percent may be allowed for contributions to programs where activities fall within the scope of
19 special program priorities as defined with the approval of the governor in regulations
20 promulgated by the director of the department of economic development;

21 (3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for
22 contributions to programs located in any community shall be equal to seventy percent of the total
23 amount contributed where such community is a city, town or village which has fifteen thousand
24 or less inhabitants as of the last decennial census and is located in a county which is either
25 located in:

26 (a) An area that is not part of a standard metropolitan statistical area;

27 (b) A standard metropolitan statistical area but such county has only one city, town or
28 village which has more than fifteen thousand inhabitants; or

29 (c) A standard metropolitan statistical area and a substantial number of persons in such
30 county derive their income from agriculture.

31 Such community may also be in an unincorporated area in such county as provided in
32 subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit
33 of the combined federal and state tax savings to the taxpayer exceed the amount contributed by
34 the taxpayer during the tax year;

35 (4) Such tax credit allocation, equal to seventy percent of the total amount contributed,
36 shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000
37 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit
38 allocation is committed, the tax credit allocation for such programs shall then be equal to fifty
39 percent credit of the total amount contributed. Regulations establishing special program
40 priorities are to be promulgated during the first month of each fiscal year and at such times
41 during the year as the public interest dictates. Such credit shall not exceed two hundred and fifty
42 thousand dollars annually except as provided in subdivision (5) of this subsection. No tax credit
43 shall be approved for any bank, bank and trust company, insurance company, trust company,
44 national bank, savings association, or building and loan association for activities that are a part
45 of its normal course of business. Any tax credit not used in the period the contribution was made
46 may be carried over the next five succeeding calendar or fiscal years until the full credit has been
47 claimed. Except as otherwise provided for proposals approved pursuant to section 32.111,
48 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to
49 sections 32.100 to 32.125 exceed thirty-two million dollars in any one fiscal year, of which six
50 million shall be credits allowed pursuant to section 135.460. If six million dollars in credits are
51 not approved, then the remaining credits may be used for programs approved pursuant to sections
52 32.100 to 32.125;

53 (5) The credit may exceed two hundred fifty thousand dollars annually and shall not be
54 limited if community services, crime prevention, education, job training, physical revitalization
55 or economic development, as defined by section 32.105, is rendered in an area defined by federal
56 or state law as an impoverished, economically distressed, or blighted area or as a neighborhood
57 experiencing problems endangering its existence as a viable and stable neighborhood, or if the
58 community services, crime prevention, education, job training, physical revitalization or
59 economic development is limited to impoverished persons.

60 3. For proposals approved pursuant to section 32.111:

61 (1) The amount of the tax credit shall not exceed fifty-five percent of the total amount
62 invested in affordable housing assistance activities or market rate housing in distressed
63 communities as defined in section 135.530 by a business firm. Whenever such investment is
64 made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits
65 may be claimed only where the loan or equity investment is accompanied by a donation which
66 is eligible for federal income tax charitable deduction, and where the total value of the tax credits
67 herein plus the value of the federal income tax charitable deduction is less than or equal to the
68 value of the donation. Any tax credit not used in the period for which the credit was approved
69 may be carried over the next ten succeeding calendar or fiscal years until the full credit has been
70 allowed. If the affordable housing units or market rate housing units in distressed communities

71 for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax
72 credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated
73 basis in proportion to the ratio of the number of square feet devoted to the affordable housing
74 units or market rate housing units in distressed communities, for purposes of determining the
75 amount of the tax credit. The total amount of tax credit granted for programs approved pursuant
76 to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars,
77 to be increased by no more than two million dollars each succeeding fiscal year, until the total
78 tax credits that may be approved reaches ten million dollars in any fiscal year;

79 (2) For any year during the compliance period indicated in the land use restriction
80 agreement, the owner of the affordable housing rental units for which a credit is being claimed
81 shall certify to the commission that all tenants renting claimed units are income eligible for
82 affordable housing units and that the rentals for each claimed unit are in compliance with the
83 provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit
84 the records and accounts of the owner to verify such certification;

85 (3) In the case of owner-occupied affordable housing units, the qualifying owner
86 occupant shall, before the end of the first year in which credits are claimed, certify to the
87 commission that the occupant is income eligible during the preceding two years, and at the time
88 of the initial purchase contract, but not thereafter. The qualifying owner occupant shall further
89 certify to the commission, before the end of the first year in which credits are claimed, that
90 during the compliance period indicated in the land use restriction agreement, the cost of the
91 affordable housing unit to the occupant for the claimed unit can reasonably be projected to be
92 in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant
93 acquiring the affordable housing unit during the compliance period indicated in the land use
94 restriction agreement shall make the same certification;

95 (4) If at any time during the compliance period the commission determines a project for
96 which a proposal has been approved is not in compliance with the applicable provisions of
97 sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one
98 hundred fifty days of notice to the owner either seek injunctive enforcement action against the
99 owner, or seek legal damages against the owner representing the value of the tax credits, or
100 foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and
101 paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax
102 credits allowed herein. The commission shall remit to the director of revenue the portion of the
103 legal damages collected or the sale proceeds representing the value of the tax credits. However,
104 except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for
105 tax credits shall not be revoked.

106 4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall
 107 not exceed fifty-five percent of the total amount contributed to a neighborhood organization by
 108 business firms. Any tax credit not used in the period for which the credit was approved may be
 109 carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed.
 110 The total amount of tax credit granted for programs approved pursuant to section 32.112 shall
 111 not exceed one million dollars for each fiscal year.

112 5. The total amount of tax credits used for market rate housing in distressed communities
 113 pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all
 114 tax credits authorized pursuant to sections 32.111 and 32.112.

115 **6. Under section 23.253 of the Missouri sunset act:**

116 **(1) The provisions of the neighborhood assistance act, under sections 32.100 to**
 117 **32.125, shall automatically sunset on December thirty-first six years after the effective date**
 118 **of this section unless reauthorized by an act of the general assembly;**

119 **(2) If such programs are reauthorized, the programs authorized under the**
 120 **Neighborhood Assistance Act shall automatically sunset on December thirty-first six years**
 121 **after the effective date of the reauthorization of this section;**

122 **(3) The Neighborhood Assistance Act shall terminate on September first of the**
 123 **calendar year immediately following the calendar year in which the programs authorized**
 124 **under the act are sunset; and**

125 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
 126 **before this section is sunset.**

99.1205. 1. This section shall be known and may be cited as the "Distressed Areas Land
 2 Assemblage Tax Credit Act".

3 2. As used in this section, the following terms mean:

4 (1) "Acquisition costs", the purchase price for the eligible parcel, costs of environmental
 5 assessments, closing costs, real estate brokerage fees, reasonable demolition costs of vacant
 6 structures, and reasonable maintenance costs incurred to maintain an acquired eligible parcel for

 15 authority, as a redeveloper or similar designation, under an economic incentive law, to redevelop

16 an urban renewal area or a redevelopment area that includes all of an eligible project area or
17 whose redevelopment plan or redevelopment area, which encompasses all of an eligible project
18 area, has been approved or adopted under an economic incentive law. In addition to being
19 designated the redeveloper, the applicant shall have been designated to receive economic
20 incentives only after the municipal authority has considered the amount of the tax credits in
21 adopting such economic incentives as provided in subsection 8 of this section. The
22 redevelopment agreement shall provide that:

23 a. The funds generated through the use or sale of the tax credits issued under this section
24 shall be used to redevelop the eligible project area;

25 b. No more than seventy-five percent of the urban renewal area identified in the urban
26 renewal plan or the redevelopment area identified in the redevelopment plan may be redeveloped
27 by the applicant; and

42 projects approved or adopted which include the use of economic incentives to redevelop the land.
43 Economic incentive laws include, but are not limited to, the land clearance for redevelopment
44 authority law under sections 99.300 to 99.660, the real property tax increment allocation

52 2007;

53 (d) Which has been acquired without the commencement of any condemnation
54 proceedings with respect to such parcel brought by or on behalf of the applicant. Any parcel
55 acquired by the applicant from a municipal authority shall not constitute an eligible parcel; and

58 parcel have been paid in full;

59 (8) "Eligible project area", an area which shall have satisfied the following requirements:

60 (a) The eligible project area shall consist of at least seventy-five acres and may include
61 parcels within its boundaries that do not constitute an eligible parcel;

62 (b) At least eighty percent of the eligible project area shall be located within a Missouri
63 qualified census tract area, as designated by the United States Department of Housing and Urban
64 Development under 26 U.S.C. Section 42, or within a distressed community as that term is

86 or urban renewal plan pursuant to which the conditions which provided the basis for an eligible

87 project area to be included in a redevelopment plan or urban renewal plan are to be reduced or
88 eliminated by redevelopment or rehabilitation; and

89 (15) "Redevelopment agreement", the redevelopment agreement or similar agreement
90 into which the applicant entered with a municipal authority and which is the agreement for the
91 implementation of the urban renewal plan or redevelopment plan pursuant to which the applicant
92 was appointed or selected as the redeveloper or by which the person or entity was qualified as
93 an applicant under this section; and such appointment or selection shall have been approved by
94 an ordinance of the governing body of the municipality, or municipalities, or in the case of any
95 city not within a county, the board of aldermen, in which the eligible project area is located. The
96 redevelopment agreement shall include a time line for redevelopment of the eligible project area.
97 The redevelopment agreement shall state that the named developer shall be subject to the
98 provisions of chapter 290.

99 3. Any applicant shall be entitled to a tax credit against the taxes imposed under chapters
100 143, 147, and 148, except for sections 143.191 to 143.265, in an amount equal to fifty percent
101 of the acquisition costs, and one hundred percent of the interest costs incurred for a period of five
102 years after the acquisition of an eligible parcel. No tax credits shall be issued under this section
103 until after January 1, 2008.

104 4. If the amount of such tax credit exceeds the total tax liability for the year in which the
105 applicant is entitled to receive a tax credit, the amount that exceeds the state tax liability may be
106 carried forward for credit against the taxes imposed under chapters 143, 147, and 148 for the
107 succeeding six years, or until the full credit is used, whichever occurs first. The applicant shall
108 not be entitled to a tax credit for taxes imposed under sections 143.191 to 143.265. Applicants
109 entitled to receive such tax credits may transfer, sell, or assign the tax credits. Tax credits
110 granted to a partnership, a limited liability company taxed as a partnership, or multiple owners
111 of property shall be passed through to the partners, members, or owners respectively pro rata or
112 pursuant to an executed agreement among the partners, members, or owners documenting an
113 alternate distribution method.

114 5. A purchaser, transferee, or assignee of the tax credits authorized under this section
115 may use acquired tax credits to offset up to one hundred percent of the tax liabilities otherwise
116 imposed under chapters 143, 147, and 148, except for sections 143.191 to 143.265. A seller,
117 transferor, or assignor shall perfect such transfer by notifying the department in writing within
118 thirty calendar days following the effective date of the transfer and shall provide any information
119 as may be required by the department to administer and carry out the provisions of this section.

120 6. To claim tax credits authorized under this section, an applicant shall submit to the
121 department an application for a certificate. An applicant shall identify the boundaries of the
122 eligible project area in the application. The department shall verify that the applicant has

123 submitted a valid application in the form and format required by the department. The department
124 shall verify that the municipal authority held the requisite hearings and gave the requisite notices
125 for such hearings in accordance with the applicable economic incentive act, and municipal
126 ordinances. On an annual basis, an applicant may file for the tax credit for the acquisition costs,
127 and for the tax credit for the interest costs, subject to the limitations of this section. If an
128 applicant applying for the tax credit meets the criteria required under this section, the department
129 shall issue a certificate in the appropriate amount. If an applicant receives a tax credit for
130 maintenance costs as a part of the applicant's acquisition costs, the department shall post on its
131 internet website the amount and type of maintenance costs and a description of the
132 redevelopment project for which the applicant received a tax credit within thirty days after the
133 department issues the certificate to the applicant.

134 7. The total aggregate amount of tax credits authorized under this section shall not
135 exceed ninety-five million dollars. At no time shall the annual amount of the tax credits issued
136 under this section exceed twenty million dollars. If the tax credits that are to be issued under this
137 section exceed, in any year, the twenty million dollar limitation, the department shall either:

138 (1) Issue tax credits to the applicant in the amount of twenty million dollars, if there is
139 only one applicant entitled to receive tax credits in that year; or

140 (2) Issue the tax credits on a pro rata basis to all applicants entitled to receive tax credits
141 in that year. Any amount of tax credits, which an applicant is, or applicants are, entitled to
142 receive on an annual basis and are not issued due to the twenty million dollar limitation, shall
143 be carried forward for the benefit of the applicant or applicants to subsequent years.

144

145 No tax credits provided under this section shall be authorized after August 28, 2013. Any tax
146 credits which have been authorized on or before August 28, 2013, but not issued, may be issued,
147 subject to the limitations provided under this subsection, until all such authorized tax credits
148 have been issued.

149 8. Upon issuance of any tax credits pursuant to this section, the department shall report
150 to the municipal authority the applicant's name and address, the parcel numbers of the eligible
151 parcels for which the tax credits were issued, the itemized acquisition costs and interest costs for
152 which tax credits were issued, and the total value of the tax credits issued. The municipal
153 authority and the state shall not consider the amount of the tax credits as an applicant's cost, but
154 shall include the tax credits in any sources and uses and cost benefit analysis reviewed or created
155 for the purpose of awarding other economic incentives. The amount of the tax credits shall not
156 be considered an applicant's cost in the evaluation of the amount of any award of any other
157 economic incentives, but shall be considered in measuring the reasonableness of the rate of
158 return to the applicant with respect to such award of other economic incentives. The municipal

159 authority shall provide the report to any relevant commission, board, or entity responsible for the
160 evaluation and recommendation or approval of other economic incentives to assist in the
161 redevelopment of the eligible project area. Tax credits authorized under this section shall
162 constitute redevelopment tax credits, as such term is defined under section 135.800, and shall
163 be subject to all provisions applicable to redevelopment tax credits provided under sections
164 135.800 to 135.830.

165 9. The department may promulgate rules to implement the provisions of this section.
166 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
167 authority delegated in this section shall become effective only if it complies with and is subject
168 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
169 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
170 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
171 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
172 or adopted after August 28, 2007, shall be invalid and void.

173 **10. Under section 23.253 of the Missouri sunset act:**

174 **(1) The provisions of the distressed areas land assemblage tax credit act shall**
175 **automatically sunset on December thirty-first six years after the effective date of this**
176 **section unless reauthorized by an act of the general assembly;**

177 **(2) If such program is reauthorized, the program authorized under this section**
178 **shall automatically sunset on December thirty-first six years after the effective date of the**
179 **reauthorization of this section;**

180 **(3) This section shall terminate on September first of the calendar year immediately**
181 **following the calendar year in which the program authorized under this section is sunset;**
182 **and**

183 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
184 **before this section is sunset.**

100.286. 1. Within the discretion of the board, the development and reserve fund, the
2 infrastructure development fund or the export finance fund may be pledged to secure the payment
3 of any bonds or notes issued by the board, or to secure the payment of any loan made by the
4 board or a participating lender which loan:

5 (1) Is requested to finance any project or export trade activity;

6 (2) Is requested by a borrower who is demonstrated to be financially responsible;

7 (3) Can reasonably be expected to provide a benefit to the economy of this state;

8 (4) Is otherwise secured by a mortgage or deed of trust on real or personal property or
9 other security satisfactory to the board; provided that loans to finance export trade activities may

10 be secured by export accounts receivable or inventories of exportable goods satisfactory to the
11 board;

12 (5) Does not exceed five million dollars;

13 (6) Does not have a term longer than five years if such loan is made to finance export
14 trade activities; and

15 (7) Is, when used to finance export trade activities, made to small or medium size
16 businesses or agricultural businesses, as may be defined by the board.

17 2. The board shall prescribe standards for the evaluation of the financial condition,
18 business history, and qualifications of each borrower and the terms and conditions of loans which
19 may be secured, and may require each application to include a financial report and evaluation
20 by an independent certified public accounting firm, in addition to such examination and
21 evaluation as may be conducted by any participating lender.

22 3. Each application for a loan secured by the development and reserve fund, the
23 infrastructure development fund or the export finance fund shall be reviewed in the first instance
24 by any participating lender to whom the application was submitted. If satisfied that the standards
25 prescribed by the board are met and that the loan is otherwise eligible to be secured by the
26 development and reserve fund, the infrastructure development fund or the export finance fund,
27 the participating lender shall certify the same and forward the application for final approval to
28 the board.

29 4. The securing of any loans by the development and reserve fund, the infrastructure
30 development fund or the export finance fund shall be conditioned upon approval of the
31 application by the board, and receipt of an annual reserve participation fee, as prescribed by the
32 board, submitted by or on behalf of the borrower.

33 5. The securing of any loan by the export finance fund for export trade activities shall
34 be conditioned upon the board's compliance with any applicable treaties and international
35 agreements, such as the general agreement on tariffs and trade and the subsidies code, to which
36 the United States is then a party.

37 6. Any taxpayer, including any charitable organization that is exempt from federal
38 income tax and whose Missouri unrelated business taxable income, if any, would be subject to
39 the state income tax imposed under chapter 143, may, subject to the limitations provided under
40 subsection 8 of this section, receive a tax credit against any tax otherwise due under the
41 provisions of chapter 143, excluding withholding tax imposed by sections 143.191 to 143.261,
42 chapter 147, or chapter 148, in the amount of fifty percent of any amount contributed in money
43 or property by the taxpayer to the development and reserve fund, the infrastructure development
44 fund or the export finance fund during the taxpayer's tax year, provided, however, the total tax
45 credits awarded in any calendar year beginning after January 1, 1994, shall not be the greater of

46 ten million dollars or five percent of the average growth in general revenue receipts in the
47 preceding three fiscal years. This limit may be exceeded only upon joint agreement by the
48 commissioner of administration, the director of the department of economic development, and
49 the director of the department of revenue that such action is essential to ensure retention or
50 attraction of investment in Missouri. If the board receives, as a contribution, real property, the
51 contributor at such contributor's own expense shall have two independent appraisals conducted
52 by appraisers certified by the Master Appraisal Institute. Both appraisals shall be submitted to
53 the board, and the tax credit certified by the board to the contributor shall be based upon the
54 value of the lower of the two appraisals. The board shall not certify the tax credit until the
55 property is deeded to the board. Such credit shall not apply to reserve participation fees paid by
56 borrowers under sections 100.250 to 100.297. The portion of earned tax credits which exceeds
57 the taxpayer's tax liability may be carried forward for up to five years.

58 7. Notwithstanding any provision of law to the contrary, any taxpayer may sell, assign,
59 exchange, convey or otherwise transfer tax credits allowed in subsection 6 of this section under
60 the terms and conditions prescribed in subdivisions (1) and (2) of this subsection. Such taxpayer,
61 hereinafter the assignor for the purpose of this subsection, may sell, assign, exchange or
62 otherwise transfer earned tax credits:

63 (1) For no less than seventy-five percent of the par value of such credits; and

64 (2) In an amount not to exceed one hundred percent of annual earned credits.

65

66 The taxpayer acquiring earned credits, hereinafter the assignee for the purpose of this subsection,
67 may use the acquired credits to offset up to one hundred percent of the tax liabilities otherwise
68 imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.261,
69 chapter 147, or chapter 148. Unused credits in the hands of the assignee may be carried forward
70 for up to five years, provided all such credits shall be claimed within ten years following the tax
71 years in which the contribution was made. The assignor shall enter into a written agreement with
72 the assignee establishing the terms and conditions of the agreement and shall perfect such
73 transfer by notifying the board in writing within thirty calendar days following the effective day
74 of the transfer and shall provide any information as may be required by the board to administer
75 and carry out the provisions of this section. Notwithstanding any other provision of law to the
76 contrary, the amount received by the assignor of such tax credit shall be taxable as income of the
77 assignor, and the excess of the par value of such credit over the amount paid by the assignee for
78 such credit shall be taxable as income of the assignee.

79 8. Provisions of subsections 1 to 7 of this section to the contrary notwithstanding, no
80 more than ten million dollars in tax credits provided under this section, may be authorized or
81 approved annually. The limitation on tax credit authorization and approval provided under this

82 subsection may be exceeded only upon mutual agreement, evidenced by a signed and properly
83 notarized letter, by the commissioner of the office of administration, the director of the
84 department of economic development, and the director of the department of revenue that such
85 action is essential to ensure retention or attraction of investment in Missouri provided, however,
86 that in no case shall more than twenty-five million dollars in tax credits be authorized or
87 approved during such year. Taxpayers shall file, with the board, an application for tax credits
88 authorized under this section on a form provided by the board. The provisions of this subsection
89 shall not be construed to limit or in any way impair the ability of the board to authorize tax
90 credits for issuance for projects authorized or approved, by a vote of the board, on or before the
91 thirtieth day following the effective date of this act, or a taxpayer's ability to redeem such tax
92 credits.

93 **9. Under section 23.253 of the Missouri sunset act:**

94 **(1) The provisions authorizing a tax credit under subsection 6 of this section shall**
95 **automatically sunset on December thirty-first three years after the effective date of this**
96 **section unless reauthorized by an act of the general assembly;**

97 **(2) If such credit is reauthorized, the credit authorized under this section shall**
98 **automatically sunset on December thirty-first six years after the effective date of the**
99 **reauthorization of this section;**

100 **(3) The tax credit provisions shall terminate on September first of the calendar year**
101 **immediately following the calendar year in which the credit authorized under this section**
102 **is sunset; and**

103 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
104 **before this section is sunset.**

100.297. 1. The board may authorize a tax credit, as described in this section, to the
2 owner of any revenue bonds or notes issued by the board pursuant to the provisions of sections
3 100.250 to 100.297, for infrastructure facilities as defined in subdivision (9) of section 100.255,
4 if, prior to the issuance of such bonds or notes, the board determines that:

5 (1) The availability of such tax credit is a material inducement to the undertaking of the
6 project in the state of Missouri and to the sale of the bonds or notes;

7 (2) The loan with respect to the project is adequately secured by a first deed of trust or
8 mortgage or comparable lien, or other security satisfactory to the board.

9 2. Upon making the determinations specified in subsection 1 of this section, the board
10 may declare that each owner of an issue of revenue bonds or notes shall be entitled, in lieu of any
11 other deduction with respect to such bonds or notes, to a tax credit against any tax otherwise due
12 by such owner pursuant to the provisions of chapter 143, excluding withholding tax imposed by
13 sections 143.191 to 143.261, chapter 147, or chapter 148, in the amount of one hundred percent

14 of the unpaid principal of and unpaid interest on such bonds or notes held by such owner in the
15 [taxable] tax year of such owner following the calendar year of the default of the loan by the
16 borrower with respect to the project. The occurrence of a default shall be governed by
17 documents authorizing the issuance of the bonds. The tax credit allowed pursuant to this section
18 shall be available to the original owners of the bonds or notes or any subsequent owner or owners
19 thereof. Once an owner is entitled to a claim, any such tax credits shall be transferable as
20 provided in subsection 7 of section 100.286. Notwithstanding any provision of Missouri law to
21 the contrary, any portion of the tax credit to which any owner of a revenue bond or note is
22 entitled pursuant to this section which exceeds the total income tax liability of such owner of a
23 revenue bond or note shall be carried forward and allowed as a credit against any future taxes
24 imposed on such owner within the next ten years pursuant to the provisions of chapter 143,
25 excluding withholding tax imposed by sections 143.191 to 143.261, chapter 147, or chapter 148.
26 The eligibility of the owner of any revenue bond or note issued pursuant to the provisions of
27 sections 100.250 to 100.297 for the tax credit provided by this section shall be expressly stated
28 on the face of each such bond or note. The tax credit allowed pursuant to this section shall also
29 be available to any financial institution or guarantor which executes any credit facility as security
30 for bonds issued pursuant to this section to the same extent as if such financial institution or
31 guarantor was an owner of the bonds or notes, provided however, in such case the tax credits
32 provided by this section shall be available immediately following any default of the loan by the
33 borrower with respect to the project. In addition to reimbursing the financial institution or
34 guarantor for claims relating to unpaid principal and interest, such claim may include payment
35 of any unpaid fees imposed by such financial institution or guarantor for use of the credit facility.

36 3. The aggregate principal amount of revenue bonds or notes outstanding at any time
37 with respect to which the tax credit provided in this section shall be available shall not exceed
38 fifty million dollars.

39 4. Under section 23.253 of the Missouri sunset act:

40 (1) The provisions of the new program authorized under this section shall
41 automatically sunset on December thirty-first six years after the effective date of this
42 section unless reauthorized by an act of the general assembly;

43 (2) If such program is reauthorized, the program authorized under this section
44 shall automatically sunset on December thirty-first six years after the effective date of the
45 reauthorization of this section;

46 (3) This section shall terminate on September first of the calendar year immediately
47 following the calendar year in which the program authorized under this section is sunset;
48 and

49 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
50 **before this section is sunset.**

100.850. 1. The approved company shall remit to the board a job development
2 assessment fee, not to exceed five percent of the gross wages of each eligible employee whose
3 job was created as a result of the economic development project, or not to exceed ten percent if
4 the economic development project is located within a distressed community as defined in section
5 135.530, for the purpose of retiring bonds which fund the economic development project.

6 2. Any approved company remitting an assessment as provided in subsection 1 of this
7 section shall make its payroll books and records available to the board at such reasonable times
8 as the board shall request and shall file with the board documentation respecting the assessment
9 as the board may require.

10 3. Any assessment remitted pursuant to subsection 1 of this section shall cease on the
11 date the bonds are retired.

12 4. Any approved company which has paid an assessment for debt reduction shall be
13 allowed a tax credit equal to the amount of the assessment. The tax credit may be claimed
14 against taxes otherwise imposed by chapters 143 and 148, except withholding taxes imposed
15 under the provisions of sections 143.191 to 143.265, which were incurred during the tax period
16 in which the assessment was made.

17 5. In no event shall the aggregate amount of tax credits authorized by subsection 4 of this
18 section exceed twenty-five million dollars annually. Of such amount, nine hundred fifty
19 thousand dollars shall be reserved for an approved project for a world headquarters of a business
20 whose primary function is tax return preparation that is located in any home rule city with more
21 than four hundred thousand inhabitants and located in more than one county, which amount
22 reserved shall end in the year of the final maturity of the certificates issued for such approved
23 project.

24 6. The director of revenue shall issue a refund to the approved company to the extent that
25 the amount of credits allowed in subsection 4 of this section exceeds the amount of the approved
26 company's income tax.

27 **7. Under section 23.253 of the Missouri sunset act:**

28 **(1) The provisions of the tax credit authorized under subsection 4 of this section**
29 **shall automatically sunset on December thirty-first six years after the effective date of this**
30 **section unless reauthorized by an act of the general assembly;**

31 **(2) If such credit is reauthorized, the credit authorized under subsection 4 of this**
32 **section shall automatically sunset on December thirty-first six years after the effective date**
33 **of the reauthorization of this section;**

34 **(3) The provisions of the tax credit authorized under subsection 4 of this section**
 35 **shall terminate on September first of the calendar year immediately following the calendar**
 36 **year in which the credit authorized under this section is sunset; and**

37 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
 38 **before this section is sunset.**

135.020. 1. A credit for property taxes shall be allowed for the amount provided in
 2 section 135.030. If the amount allowable as a credit exceeds the income tax reduced by other
 3 credits, then the excess shall be considered an overpayment of the income tax.

4 **2. Under section 23.253 of the Missouri sunset act:**

5 **(1) The provisions of the new program authorized under this section shall**
 6 **automatically sunset on December thirty-first six years after the effective date of this**
 7 **section unless reauthorized by an act of the general assembly;**

8 **(2) If such program is reauthorized, the program authorized under this section**
 9 **shall automatically sunset on December thirty-first six years after the effective date of the**
 10 **reauthorization of this section;**

11 **(3) This section shall terminate on September first of the calendar year immediately**
 12 **following the calendar year in which the program authorized under this section is sunset;**
 13 **and**

14 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
 15 **before this section is sunset.**

135.110. 1. Any taxpayer who shall establish a new business facility shall be allowed
 2 a credit, each year for ten years, in an amount determined pursuant to subsection 2 or 3 of this
 3 section, whichever is applicable, against the tax imposed by chapter 143, excluding withholding
 4 tax imposed by sections 143.191 to 143.265, or an insurance company which shall establish a
 5 new business facility by satisfying the requirements in subdivision (9) of section 135.100 shall
 6 be allowed a credit against the tax otherwise imposed by chapter 148, and in the case of an
 7 insurance company exempt from the thirty percent employee requirement of section 135.230,
 8 against any obligation imposed pursuant to section 375.916, except that no taxpayer shall be
 9 entitled to multiple ten-year periods for subsequent expansions at the same facility, except as
 10 otherwise provided in this section. For the purpose of this section, the term "facility" shall mean,
 11 and be limited to, the facility or facilities which are located on the same site in which the new
 12 business facility is located, and in which the business conducted at such facility or facilities is
 13 directly related to the business conducted at the new business facility. Notwithstanding the
 14 provisions of this subsection, a taxpayer may be entitled to an additional ten-year period if a new
 15 business facility is expanded in the eighth, ninth or tenth year of the current ten-year period or
 16 in subsequent years following the expiration of the ten-year period, if the number of new

17 business facility employees attributed to such expansion is at least twenty-five and the amount
18 of new business facility investment attributed to such expansion is at least one million dollars.
19 Credits may not be carried forward but shall be claimed for the [taxable] tax year during which
20 commencement of commercial operations occurs at such new business facility, and for each of
21 the nine succeeding [taxable] tax years. A letter of intent, as provided for in section 135.258,
22 must be filed with the department of economic development no later than fifteen days prior to
23 the commencement of commercial operations at the new business facility. The initial application
24 for claiming tax credits must be made in the taxpayer's tax period immediately following the tax
25 period in which commencement of commercial operations began at the new business facility.
26 This provision shall have effect on all initial applications filed on or after August 28, 1992. No
27 credit shall be allowed pursuant to this section unless the number of new business facility
28 employees engaged or maintained in employment at the new business facility for the [taxable]
29 tax year for which the credit is claimed equals or exceeds two; except that the number of new
30 business facility employees engaged or maintained in employment by a revenue-producing
31 enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to
32 (1) of subdivision (12) of section 135.100 which establishes an office as defined in subdivision
33 (9) of section 135.100 shall equal or exceed twenty-five.

34 2. For tax periods beginning after August 28, 1991, in the case of a taxpayer operating
35 an existing business facility, the credit allowed by subsection 1 of this section shall offset the
36 greater of:

37 (1) Some portion of the income tax otherwise imposed by chapter 143, excluding
38 withholding tax imposed by sections 143.191 to 143.265, or in the case of an insurance company,
39 the tax on the direct premiums, as defined in chapter 148, and in the case of an insurance
40 company exempt from the thirty percent employee requirement of section 135.230, against any
41 obligation imposed pursuant to section 375.916 with respect to such taxpayer's new business
42 facility income for the [taxable] tax year for which such credit is allowed; or

43 (2) Up to fifty percent or, in the case of an economic development project located within
44 a distressed community as defined in section 135.530, seventy-five percent of the business
45 income tax otherwise imposed by chapter 143, excluding withholding tax imposed by sections
46 143.191 to 143.265, or in the case of an insurance company, the tax on the direct premiums, as
47 defined in chapter 148, and in the case of an insurance company exempt from the thirty percent
48 employee requirement of section 135.230, against any obligation imposed pursuant to section
49 375.916 if the business operates no other facilities in Missouri. In the case of an existing
50 business facility operating more than one facility in Missouri, the credit allowed in subsection
51 1 of this section shall offset up to the greater of the portion prescribed in subdivision (1) of this
52 subsection or twenty-five percent or, in the case of an economic development project located

53 within a distressed community as defined in section 135.530, thirty-five percent of the business'
54 tax, except that no taxpayer operating more than one facility in Missouri shall be allowed to
55 offset more than twenty-five percent or, in the case of an economic development project located
56 within a distressed community as defined in section 135.530, thirty-five percent of the taxpayer's
57 business income tax in any tax period under the method prescribed in this subdivision. Such
58 credit shall be an amount equal to the sum of one hundred dollars or, in the case of an economic
59 development project located within a distressed community as defined in section 135.530, one
60 hundred fifty dollars for each new business facility employee plus one hundred dollars or, in the
61 case of an economic development project located within a distressed community as defined in
62 section 135.530, one hundred fifty dollars for each one hundred thousand dollars, or major
63 fraction thereof (which shall be deemed to be fifty-one percent or more) in new business facility
64 investment. For the purpose of this section, tax credits earned by a taxpayer, who establishes a
65 new business facility because it satisfies the requirements of paragraph (c) of subdivision (5) of
66 section 135.100, shall offset the greater of the portion prescribed in subdivision (1) of this
67 subsection or up to fifty percent or, in the case of an economic development project located
68 within a distressed community as defined in section 135.530, seventy-five percent of the
69 business' tax provided the business operates no other facilities in Missouri. In the case of a
70 business operating more than one facility in Missouri, the credit allowed in subsection 1 of this
71 section shall offset up to the greater of the portion prescribed in subdivision (1) of this subsection
72 or twenty-five percent or, in the case of an economic development project located within a
73 distressed community as defined in section 135.530, thirty-five percent of the business' tax,
74 except that no taxpayer operating more than one facility in Missouri shall be allowed to offset
75 more than twenty-five percent or, in the case of an economic development project located within
76 a distressed community as defined in section 135.530, thirty-five percent of the taxpayer's
77 business income tax in any tax period under the method prescribed in this subdivision.

78 3. For tax periods beginning after August 28, 1991, in the case of a taxpayer not
79 operating an existing business facility, the credit allowed by subsection 1 of this section shall
80 offset the greater of:

81 (1) Some portion of the income tax otherwise imposed by chapter 143, excluding
82 withholding tax imposed by sections 143.191 to 143.265, or in the case of an insurance company,
83 the tax on the direct premiums, as defined in chapter 148, and in the case of an insurance
84 company exempt from the thirty percent employee requirement of section 135.230, against any
85 obligation imposed pursuant to section 375.916 with respect to such taxpayer's new business
86 facility income for the ~~taxable~~ tax year for which such credit is allowed; or

87 (2) Up to one hundred percent of the business income tax otherwise imposed by chapter
88 143, excluding withholding tax imposed by sections 143.191 to 143.265, or in the case of an

89 insurance company, the tax on the direct premiums, as defined in chapter 148, and in the case
90 of an insurance company exempt from the thirty percent employee requirement of section
91 135.230, against any obligation imposed pursuant to section 375.916 if the business has no other
92 facilities operating in Missouri. In the case of a taxpayer not operating an existing business and
93 operating more than one facility in Missouri, the credit allowed by subsection 1 of this section
94 shall offset up to the greater of the portion prescribed in subdivision (1) of this subsection or
95 twenty-five percent or, in the case of an economic development project located within a
96 distressed community as defined in section 135.530, thirty-five percent of the business' tax,
97 except that no taxpayer operating more than one facility in Missouri shall be allowed to offset
98 more than twenty-five percent or, in the case of an economic development project located within
99 a distressed community as defined in section 135.530, thirty-five percent of the taxpayer's
100 business income tax in any tax period under the method prescribed in this subdivision. Such
101 credit shall be an amount equal to the sum of seventy-five dollars or, in the case of an economic
102 development project located within a distressed community as defined in section 135.530, one
103 hundred twenty-five dollars for each new business facility employee plus seventy-five dollars
104 or, in the case of an economic development project located within a distressed community as
105 defined in section 135.530, one hundred twenty-five dollars for each one hundred thousand
106 dollars, or major fraction thereof (which shall be deemed to be fifty-one percent or more) in new
107 business facility investment.

108 4. The number of new business facility employees during any **[taxable] tax** year shall be
109 determined by dividing by twelve the sum of the number of individuals employed on the last
110 business day of each month of such **[taxable] tax** year. If the new business facility is in operation
111 for less than the entire **[taxable] tax** year, the number of new business facility employees shall
112 be determined by dividing the sum of the number of individuals employed on the last business
113 day of each full calendar month during the portion of such **[taxable] tax** year during which the
114 new business facility was in operation by the number of full calendar months during such period.
115 For the purpose of computing the credit allowed by this section in the case of a facility which
116 qualifies as a new business facility because it qualifies as a separate facility pursuant to
117 subsection 6 of this section, and, in the case of a new business facility which satisfies the
118 requirements of paragraph (c) of subdivision (5) of section 135.100, or subdivision (11) of
119 section 135.100, the number of new business facility employees at such facility shall be reduced
120 by the average number of individuals employed, computed as provided in this subsection, at the
121 facility during the **[taxable] tax** year immediately preceding the **[taxable] tax** year in which such
122 expansion, acquisition, or replacement occurred and shall further be reduced by the number of
123 individuals employed by the taxpayer or related taxpayer that was subsequently transferred to the
124 new business facility from another Missouri facility and for which credits authorized in this

125 section are not being earned, whether such credits are earned because of an expansion,
126 acquisition, relocation or the establishment of a new facility.

127 5. For the purpose of computing the credit allowed by this section in the case of a facility
128 which qualifies as a new business facility because it qualifies as a separate facility pursuant to
129 subsection 6 of this section, and, in the case of a new business facility which satisfies the
130 requirements of paragraph (c) of subdivision (5) of section 135.100 or subdivision (11) of section
131 135.100, the amount of the taxpayer's new business facility investment in such facility shall be

56 limitation described in this subsection limits the amount of additional certified capital for which
57 earned and vested credits against state premium tax liability are allowed, additional certified
58 capital for which credits are allowed shall be allocated in order of priority based upon the date
59 of filing of information described in subdivision (1) of subsection 5 of section 135.516 with
60 respect to such additional certified capital. The department shall make separate allocations of
61 certified capital for which credits are allowed under the limitations described in this subsection
62 and under the limitations described in subsection 4 of this section. No limitation applicable to
63 any certified capital company with respect to certified capital for which credits are allowed
64 pursuant to subsection 4 of this section shall limit the amount of certified capital for which

 105 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
 106 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
 107 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are

 5 ten-year periods for subsequent expansions at the same facility.

6 2. Notwithstanding any provision of law to the contrary, any taxpayer who establishes
 7 a new business facility in an enhanced enterprise zone and is awarded state tax credits under this
 8 section may not also receive tax credits under sections 135.100 to 135.150, sections 135.200 to
 9 135.286, or section 135.535, and may not simultaneously receive tax credits under sections
 10 620.1875 to 620.1890 at the same facility.

11 3. No credit shall be issued pursuant to this section unless:

12 (1) The number of new business facility employees engaged or maintained in
 13 employment at the new business facility for the [taxable] tax year for which the credit is claimed
 14 equals or exceeds two; and

15 (2) The new business facility investment for the [taxable] tax year for which the credit
 16 is claimed equals or exceeds one hundred thousand dollars.

17 4. The annual amount of credits allowed for an approved enhanced business enterprise
 18 shall be the lesser of:

19 (1) The annual amount authorized by the department for the enhanced business
 20 enterprise, which shall be limited to the projected state economic benefit, as determined by the
 21 department; or

22 (2) The sum calculated based upon the following:

23 (a) A credit of four hundred dollars for each new business facility employee employed
 24 within an enhanced enterprise zone;

25 (b) An additional credit of four hundred dollars for each new business facility employee
 26 who is a resident of an enhanced enterprise zone;

 29 within the county in which the facility is located, as determined by the department; and

30 (d) A credit equal to two percent of new business facility investment within an enhanced
 31 enterprise zone.

32 5. Prior to January 1, 2007, in no event shall the department authorize more than four
33 million dollars annually to be issued for all enhanced business enterprises. After December 31,
34 2006, in no event shall the department authorize more than twenty-four million dollars annually
35 to be issued for all enhanced business enterprises.

36 6. If a facility, which does not constitute a new business facility, is expanded by the
37 taxpayer, the expansion shall be considered eligible for the credit allowed by this section if:

38 (1) The taxpayer's new business facility investment in the expansion during the tax
39 period in which the credits allowed in this section are claimed exceeds one hundred thousand
40 dollars and if the number of new business facility employees engaged or maintained in
41 employment at the expansion facility for the ~~[taxable]~~ **tax** year for which credit is claimed equals
42 or exceeds two, and the total number of employees at the facility after the expansion is at least
43 two greater than the total number of employees before the expansion; and

44 (2) The taxpayer's investment in the expansion and in the original facility prior to
45 expansion shall be determined in the manner provided in subdivision (19) of section 135.950.

46 7. The number of new business facility employees during any ~~[taxable]~~ **tax** year shall be
47 determined by dividing by twelve the sum of the number of individuals employed on the last
48 business day of each month of such ~~[taxable]~~ **tax** year. If the new business facility is in operation
49 for less than the entire ~~[taxable]~~ **tax** year, the number of new business facility employees shall
50 be determined by dividing the sum of the number of individuals employed on the last business
51 day of each full calendar month during the portion of such ~~[taxable]~~ **tax** year during which the
52 new business facility was in operation by the number of full calendar months during such period.
53 For the purpose of computing the credit allowed by this section in the case of a facility which
54 qualifies as a new business facility under subsection 6 of this section, and in the case of a new
55 business facility which satisfies the requirements of paragraph (c) of subdivision (17) of section
56 135.950, or subdivision ~~[(25)]~~ **(27)** of section 135.950, the number of new business facility
57 employees at such facility shall be reduced by the average number of individuals employed,
58 computed as provided in this subsection, at the facility during the ~~[taxable]~~ **tax** year immediately
59 preceding the ~~[taxable]~~ **tax** year in which such expansion, acquisition, or replacement occurred
60 and shall further be reduced by the number of individuals employed by the taxpayer or related
61 taxpayer that was subsequently transferred to the new business facility from another Missouri
62 facility and for which credits authorized in this section are not being earned, whether such credits
63 are earned because of an expansion, acquisition, relocation, or the establishment of a new
64 facility.

65 8. In the case where a new business facility employee who is a resident of an enhanced
66 enterprise zone for less than a twelve-month period is employed for less than a twelve-month
67 period, the credits allowed by paragraph (b) of subdivision (2) of subsection 4 of this section

68 shall be determined by multiplying four hundred dollars by a fraction, the numerator of which
69 is the number of calendar days during the taxpayer's tax year for which such credits are claimed,
70 in which the employee was a resident of an enhanced enterprise zone, and the denominator of
71 which is three hundred sixty-five.

72 9. For the purpose of computing the credit allowed by this section in the case of a facility
73 which qualifies as a new business facility pursuant to subsection 6 of this section, and in the case
74 of a new business facility which satisfies the requirements of paragraph (c) of subdivision (17)
75 of section 135.950 or ~~[subdivision (25) of]~~ **is a replacement business facility, as defined under**
76 section 135.950, the amount of the taxpayer's new business facility investment in such facility
77 shall be reduced by the average amount, computed as provided in subdivision (19) of section
78 135.950 for new business facility investment, of the investment of the taxpayer, or related
79 taxpayer immediately preceding such expansion or replacement or at the time of acquisition.
80 Furthermore, the amount of the taxpayer's new business facility investment shall also be reduced
81 by the amount of investment employed by the taxpayer or related taxpayer which was
82 subsequently transferred to the new business facility from another Missouri facility and for which
83 credits authorized in this section are not being earned, whether such credits are earned because
84 of an expansion, acquisition, relocation, or the establishment of a new facility.

85 10. For a taxpayer with flow-through tax treatment to its members, partners, or
86 shareholders, the credit shall be allowed to members, partners, or shareholders in proportion to
87 their share of ownership on the last day of the taxpayer's tax period.

88 11. Credits may not be carried forward but shall be claimed for the ~~[taxable]~~ **tax** year
89 during which commencement of commercial operations occurs at such new business facility, and
90 for each of the nine succeeding ~~[taxable]~~ **tax** years for which the credit is issued.

91 12. Certificates of tax credit authorized by this section may be transferred, sold, or
92 assigned by filing a notarized endorsement thereof with the department that names the transferee,
93 the amount of tax credit transferred, and the value received for the credit, as well as any other
94 information reasonably requested by the department. The sale price cannot be less than
95 seventy-five percent of the par value of such credits.

96 13. The director of revenue shall issue a refund to the taxpayer to the extent that the
97 amount of credits allowed in this section exceeds the amount of the taxpayer's income tax.

98 14. Prior to the issuance of tax credits, the department shall verify through the
99 department of revenue, or any other state department, that the tax credit applicant does not owe
100 any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent
101 fees or assessments levied by any state department and through the department of commerce and
102 insurance that the applicant does not owe any delinquent insurance taxes. Such delinquency
103 shall not affect the authorization of the application for such tax credits, except that the amount

104 of credits issued shall be reduced by the applicant's tax delinquency. If the department of
105 revenue or the department of commerce and insurance, or any other state department, concludes
106 that a taxpayer is delinquent after June fifteenth but before July first of any year and the
107 application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer
108 to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest,
109 penalties, and additions to tax shall be tolled. After applying all available credits toward a tax
110 delinquency, the administering agency shall notify the appropriate department, and that
111 department shall update the amount of outstanding delinquent tax owed by the applicant. If any
112 credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the
113 remaining credits shall be issued to the applicant, subject to the restrictions of other provisions
114 of law.

115 **15. Under section 23.253 of the Missouri sunset act:**

116 **(1) The provisions of the new program authorized under this section shall**
117 **automatically sunset on December thirty-first six years after the effective date of this**
118 **section unless reauthorized by an act of the general assembly;**

119 **(2) If such program is reauthorized, the program authorized under this section**
120 **shall automatically sunset on December thirty-first six years after the effective date of the**
121 **reauthorization of this section;**

122 **(3) This section shall terminate on September first of the calendar year immediately**
123 **following the calendar year in which the program authorized under this section is sunset;**
124 **and**

125 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
126 **before this section is sunset.**

135.968. 1. A taxpayer who establishes a megaproject, approved by the department,
2 within an enhanced enterprise zone shall, in exchange for the consideration provided by new tax
3 revenues and other economic stimuli that will be generated from the new jobs created by the
4 megaproject, be allowed an income tax credit equal to the percentage of actual new annual
5 payroll of the taxpayer attributable to employees directly related to the manufacturing and
6 assembly process and administration, as provided under subsection 4 of this section. A taxpayer
7 seeking approval of a megaproject shall submit an application to the department. The
8 department shall not approve any megaproject after December 31, 2008. The department shall
9 not approve any credits for megaprojects to be issued prior to January 1, 2013, and in no event
10 shall the department authorize more than forty million dollars to be issued annually for all
11 megaprojects. The total amount of credits issued under this section shall not exceed two hundred
12 forty million dollars.

13 2. In considering applications for approval of megaprojects, the department may approve
14 an application if:

15 (1) The taxpayer's project is financially sound and the taxpayer has adequately
16 demonstrated an ability to successfully undertake and complete the megaproject. This
17 determination shall be supported by a professional third-party market feasibility analysis
18 conducted on behalf of the state by a firm with direct experience with the industry of the
19 proposed megaproject, and by a professional third-party financial analysis of the taxpayer's
20 ability to complete the project;

21 (2) The taxpayer's plan of repayment to the state of the amount of tax credits provided
22 is reasonable and sound;

23 (3) The taxpayer's megaproject will create new jobs that were not jobs previously
24 performed by employees of the taxpayer or a related taxpayer in Missouri;

25 (4) Local taxing entities are providing a significant level of incentives for the
26 megaproject relative to the projected new local tax revenues created by the megaproject;

27 (5) There is at least one other state or foreign country that the taxpayer verifies is being
28 considered for the project, and receiving megaproject tax credits is a major factor in the
29 taxpayer's decision to go forward with the project and not receiving the credit will result in the
30 taxpayer not creating new jobs in Missouri;

31 (6) The megaproject will be located in an enhanced enterprise zone which constitutes
32 an economic or social liability and a detriment to the public health, safety, morals, or welfare in
33 its present condition and use;

34 (7) The completion of the megaproject will serve an essential public municipal purpose
35 by creating a substantial number of new jobs for citizens, increasing their purchasing power,
36 improving their living conditions, and relieving the demand for unemployment and welfare
37 assistance thereby promoting the economic development of the enhanced enterprise zone, the
38 municipality, and the state; and

39 (8) The creation of new jobs will assist the state in providing the services needed to
40 protect the health, safety, and social and economic well-being of the citizens of the state.

41 3. Prior to final approval of an application, a binding contract shall be executed between
42 the taxpayer and the department of economic development which shall include, but not be
43 limited to:

44 (1) A repayment plan providing for cash payment to the state general revenue fund which
45 shall result in a positive internal rate of return to the state and fully comply with the provisions
46 of the World Trade Organization Agreement on Subsidies and Countervailing Measures. The
47 rate of return shall be commercially reasonable and, over the life of the project, exceed one
48 hundred and fifty percent of the state's borrowing costs based on the AAA-rated twenty-year

49 tax-exempt bond rate average over a twenty-year borrowing period. The rate shall be verified
50 by a professional third-party financial analysis;

51 (2) The taxpayer's obligation to construct a facility of at least one million square feet
52 within five years from the date of approval;

53 (3) A requirement that the issuance of tax credits authorized under this section shall
54 cease and the taxpayer shall immediately submit payment, to the state general revenue fund, in
55 an amount equal to all credits previously issued less any amounts previously repaid, increased
56 by an additional amount that shall provide the state a reasonable rate of return, in the event the
57 taxpayer:

58 (a) Fails to construct a facility of at least one million square feet within five years of the
59 date of approval;

60 (b) Fails to make a scheduled payment as required by the repayment plan; or

61 (c) Fails to compensate new jobs at rate equal to or in excess of the county average wage
62 or fails to offer health insurance to all such new jobs and pay at least eighty percent of such
63 premiums; and

64 (4) A requirement that the department shall suspend issuance of tax credits authorized
65 under this section if, at any point, the total amount of tax credits issued less the total amount of
66 repayments received equals one hundred and fifty-five million dollars.

67 4. Upon approval of an application by the department, tax credits shall be issued
68 annually for a period not to exceed eight years from the commencement of commercial
69 operations of the megaproject. The eight-year period for the issuance of megaproject tax credits
70 may extend beyond the expiration of the enhanced enterprise zone. The maximum percentage
71 of the annual payroll of the taxpayer for new jobs located at the megaproject which may be
72 approved or issued by the department for tax credits shall not exceed:

73 (1) Eighty percent for the first three years that tax credits will be issued for the
74 megaproject;

75 (2) Sixty percent for the next two subsequent years;

76 (3) Fifty percent for the next two subsequent years; and

77 (4) Thirty percent for the remaining year.

78

79 In no event shall the department issue more than forty million dollars annually in megaproject
80 tax credits to any taxpayer. In any given year, the amount of tax credits issued shall be the lesser
81 of forty million dollars, the applicable annual payroll percentage, or the amount of tax credits
82 remaining unissued under the two hundred forty million dollar limitation on megaproject tax
83 credit issuance provided under subsection 1 of this section.

84 5. Tax credits issued under this section may be claimed against the tax imposed by
85 chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265. For taxpayers
86 with flow-through tax treatment of its members, partners, or shareholders, the credit shall be
87 allowed to members, partners, or shareholders in proportion to their share of ownership on the
88 last day of the taxpayer's tax period. The director of revenue shall issue a refund to a taxpayer
89 to the extent the amount of credits allowed in this section exceeds the amount of the taxpayer's
90 income tax liability in the year redemption is authorized. An owner of tax credits issued under
91 this section shall not be required to have any Missouri income tax liability in order to redeem
92 such tax credits and receive a refund. The director of revenue shall prepare a form to permit the
93 owner of such tax credits to obtain a refund.

94 6. Certificates of tax credits authorized under this section may be transferred, sold, or
95 assigned by filing a notarized endorsement thereof with the department that names the transferee,
96 the amount of tax credit transferred, and the value received for the credit, as well as any other
97 information reasonably requested by the department. Upon such transfer, sale, or assignment,
98 the transferee shall be the owner of such tax credits entitled to claim the tax credits or any
99 refunds with respect thereto issued to the taxpayer. Tax credits may not be carried forward past
100 the year of issuance. Tax credits authorized by this section may not be pledged or used to secure
101 any bonds or other indebtedness issued by the state or any political subdivision of the state.
102 Once such tax credits have been issued, nothing shall prohibit the owner of the tax credits from
103 pledging the tax credits to any lender or other third party. For all tax years beginning on or after
104 January 1, 2020, no tax credit shall be authorized under this subsection.

105 7. Any taxpayer issued tax credits under this section shall provide an annual report to the
106 department and the house and senate appropriations committees of the number of new jobs
107 located at the megaproject, the new annual payroll of such new jobs, and such other information
108 as may be required by the department to document the basis for benefits under this section. The
109 department may withhold the approval of the annual issuance of any tax credits until it is
110 satisfied that proper documentation has been provided, and shall reduce the tax credits to reflect
111 any reduction in new payroll. If the department determines the average wage is below the county
112 average wage, or the taxpayer has not maintained employee health insurance as required, the
113 taxpayer shall not receive tax credits for that year.

114 8. Notwithstanding any provision of law to the contrary, any taxpayer who is awarded
115 tax credits under this section shall not also receive tax credits under sections 135.100 to 135.150,
116 sections 135.200 to 135.286, section 135.535, or sections 620.1875 to 620.1890.

117 9. Any action brought in any court contesting the approval of a megaproject and the
118 issuance of the tax credits, or any other action undertaken pursuant to this section related to such

119 megaproject, shall be filed within ninety days following approval of the megaproject by the
120 department.

121 10. Records and documents relating to a proposed megaproject shall be deemed closed
122 records until such time as the application has been approved. Provisions of this subsection to
123 the contrary notwithstanding, records containing business plan information which may endanger
124 the competitiveness of the business shall remain closed.

125 11. Notwithstanding any provision of this section to the contrary, no taxpayer who
126 receives megaproject tax credits authorized under this section or any related taxpayer shall
127 employ, prior to January 1, 2022, directly:

128 (1) Any elected public official of this state holding office as of January 1, 2008;

129 (2) Any director, deputy director, division director, or employee directly involved in
130 negotiations between the department of economic development and a taxpayer relative to the
131 megaproject who was employed as of January 1, 2008, by the department.

132 **12. Under section 23.253 of the Missouri sunset act:**

133 **(1) The provisions of the new program authorized under this section shall**
134 **automatically sunset on December thirty-first six years after the effective date of this**
135 **section unless reauthorized by an act of the general assembly;**

5 (2) "Department", the Missouri department of social services;

6 (3) "Eligible donation", donations received from a taxpayer by an agency that are used
7 solely to provide direct care services to children who are residents of this state. Eligible

19 section only for any eligible donation made to facilities or locations of the agency which are
20 licensed and accredited;

21 (5) "Taxpayer", any of the following individuals or entities who make an eligible
22 donation to an agency:

41 this section from claiming in a tax year shall not be refundable, but may be carried forward to
42 any of the taxpayer's four subsequent **[taxable] tax** years.

43 4. To claim the credit authorized in this section, an agency may submit to the department

58 6. Tax credits issued under this section may be assigned, transferred, sold, or otherwise
 59 conveyed, and the new owner of the tax credit shall have the same rights in the credit as the
 60 taxpayer. Whenever a certificate is assigned, transferred, sold, or otherwise conveyed, a
 61 notarized endorsement shall be filed with the department specifying the name and address of the
 62 new owner of the tax credit or the value of the credit.

 64 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
 65 authority delegated in this section shall become effective only if it complies with and is subject
 66 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
 67 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
 68 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
 69 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
 70 or adopted after August 28, 2006, shall be invalid and void.

71 **8. Under section 23.253 of the Missouri sunset act:**

72 (1) **The provisions of the new program authorized under this section shall**
 73 **automatically sunset on December thirty-first six years after the effective date of this**
 74 **section unless reauthorized by an act of the general assembly;**

75 (2) **If such program is reauthorized, the program authorized under this section**
 76 **shall automatically sunset on December thirty-first six years after the effective date of the**
 77 **reauthorization of this section;**

78 (3) **This section shall terminate on September first of the calendar year immediately**
 79 **following the calendar year in which the program authorized under this section is sunset;**
 80 **and**

81 (4) **Nothing in this subsection shall prohibit the redemption of tax credits issued**
 82 **before this section is sunset.**

135.1180. 1. This section shall be known and may be cited as the "Developmental

21 provider which are licensed or accredited;

22 (5) "Taxpayer", any of the following individuals or entities who make an eligible
23 donation to a provider:

36 3. For all [~~taxable~~] **tax** years beginning on or after January 1, 2012, any taxpayer shall
37 be allowed a credit against the taxes otherwise due under chapter 143, 147, or 148 excluding
38 withholding tax imposed by sections 143.191 to 143.265 in an amount equal to fifty percent of
39 the amount of an eligible donation, subject to the restrictions in this section. The amount of the

41 tax year for which the credit is claimed. Any amount of credit that the taxpayer is prohibited by
42 this section from claiming in a tax year shall not be refundable, but may be carried forward to
43 any of the taxpayer's four subsequent [~~taxable~~] **tax** years.

44 4. To claim the credit authorized in this section, a provider may submit to the department
45 an application for the tax credit authorized by this section on behalf of taxpayers. The
46 department shall verify that the provider has submitted the following items accurately and
47 completely:

48 (1) A valid application in the form and format required by the department;

49 (2) A statement attesting to the eligible donation received, which shall include the name
50 and taxpayer identification number of the individual making the eligible donation, the amount
51 of the eligible donation, and the date the eligible donation was received by the provider; and

52 (3) Payment from the provider equal to the value of the tax credit for which application
53 is made.

54

55 If the provider applying for the tax credit meets all criteria required by this subsection, the
56 department shall issue a certificate in the appropriate amount.

57 5. Tax credits issued under this section may be assigned, transferred, sold, or otherwise
58 conveyed, and the new owner of the tax credit shall have the same rights in the credit as the
59 taxpayer. Whenever a certificate is assigned, transferred, sold, or otherwise conveyed, a
60 notarized endorsement shall be filed with the department specifying the name and address of the
61 new owner of the tax credit or the value of the credit.

62 6. The department shall promulgate rules to implement the provisions of this section.
63 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
64 authority delegated in this section shall become effective only if it complies with and is subject
65 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
66 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
67 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
68 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
69 or adopted after August 28, 2012, shall be invalid and void.

70 **7. Under section 23.253 of the Missouri sunset act:**

71 **(1) The provisions of the new program authorized under this section shall**
72 **automatically sunset on December thirty-first six years after the effective date of this**
73 **section unless reauthorized by an act of the general assembly;**

74 **(2) If such program is reauthorized, the program authorized under this section**
75 **shall automatically sunset on December thirty-first six years after the effective date of the**
76 **reauthorization of this section;**

77 **(3) This section shall terminate on September first of the calendar year immediately**
78 **following the calendar year in which the program authorized under this section is sunset;**
79 **and**

80 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
81 **before this section is sunset.**

143.081. 1. A resident individual, resident estate, and resident trust shall be allowed a
2 credit against the tax otherwise due pursuant to sections 143.005 to 143.998 for the amount of
3 any income tax imposed for the [taxable] tax year by another state of the United States (or a
4 political subdivision thereof) or the District of Columbia on income derived from sources therein
5 and which is also subject to tax pursuant to sections 143.005 to 143.998. For purposes of this
6 subsection, the phrase "income tax imposed" shall be that amount of tax before any income tax
7 credit allowed by such other state or the District of Columbia if the other state or the District of
8 Columbia authorizes a reciprocal benefit for residents of this state.

9 2. The credit provided pursuant to this section shall not exceed an amount which bears
10 the same ratio to the tax otherwise due pursuant to sections 143.005 to 143.998 as the amount
11 of the taxpayer's Missouri adjusted gross income derived from sources in the other taxing
12 jurisdiction bears to the taxpayer's Missouri adjusted gross income derived from all sources. In
13 applying the limitation of the previous sentence to an estate or trust, Missouri taxable income
14 shall be substituted for Missouri adjusted gross income. If the tax of more than one other taxing
15 jurisdiction is imposed on the same item of income, the credit shall not exceed the limitation that
16 would result if the taxes of all the other jurisdictions applicable to the item were deemed to be
17 of a single jurisdiction.

18 3. For the purposes of this section, in the case of an S corporation, each resident S
19 shareholder shall be considered to have paid a tax imposed on the shareholder in an amount
20 equal to the shareholder's pro rata share of any net income tax paid by the S corporation to a state
21 which does not measure the income of shareholders on an S corporation by reference to the
22 income of the S corporation or where a composite return and composite payments are made in
23 such state on behalf of the S shareholders by the S corporation.

24 4. For purposes of subsection 3 of this section, in the case of an S corporation that is a
25 bank chartered by a state, the Office of Thrift Supervision, or the comptroller of currency, each

26 Missouri resident S shareholder of such out-of-state bank shall qualify for the shareholder's pro
 27 rata share of any net tax paid, including a bank franchise tax based on the income of the bank,
 28 by such S corporation where bank payment of taxes are made in such state on behalf of the S
 29 shareholders by the S bank to the extent of the tax paid.

30 **5. Under section 23.253 of the Missouri sunset act:**

31 **(1) The provisions of the program authorized under this section shall automatically**
 32 **sunset on December thirty-first six years after the effective date of this section unless**
 33 **reauthorized by an act of the general assembly;**

34 **(2) If such program is reauthorized, the program authorized under this section**
 35 **shall automatically sunset on December thirty-first six years after the effective date of the**
 36 **reauthorization of this section;**

37 **(3) This section shall terminate on September first of the calendar year immediately**
 38 **following the calendar year in which the program authorized under this section is sunset;**
 39 **and**

40 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
 41 **before this section is sunset.**

143.119. 1. A self-employed taxpayer, as such term is used in the federal internal
 2 revenue code, who is otherwise ineligible for the federal income tax health insurance deduction
 3 under Section 162 of the federal internal revenue code shall be entitled to a credit against the tax
 4 otherwise due under this chapter, excluding withholding tax imposed by sections 143.191 to
 5 143.265, in an amount equal to the portion of such taxpayer's federal tax liability incurred due
 6 to such taxpayer's inclusion of such payments in federal adjusted gross income. The tax credits
 7 authorized under this section shall be nontransferable. To the extent tax credit issued under this
 8 section exceeds a taxpayer's state income tax liability, such excess shall be considered an
 9 overpayment of tax and shall be refunded to the taxpayer.

10 2. The director of the department of revenue shall promulgate rules and regulations to
 11 administer the provisions of this section. Any rule or portion of a rule, as that term is defined
 12 in section 536.010, that is created under the authority delegated in this section shall become
 13 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if
 14 applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the
 15 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective
 16 date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of
 17 rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid
 18 and void.

19 **3. Under section 23.253 of the Missouri sunset act:**

20 **(1) The provisions of the new program authorized under this section shall**
21 **automatically sunset on December thirty-first six years after the effective date of this**
22 **section unless reauthorized by an act of the general assembly;**

23 **(2) If such program is reauthorized, the program authorized under this section**
24 **shall automatically sunset on December thirty-first six years after the effective date of the**
25 **reauthorization of this section;**

26 **(3) This section shall terminate on September first of the calendar year immediately**
27 **following the calendar year in which the program authorized under this section is sunset;**
28 **and**

29 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
30 **before this section is sunset.**

143.471. 1. An S corporation, as defined by Section 1361 (a)(1) of the Internal Revenue
2 Code, shall not be subject to the taxes imposed by section 143.071, or other sections imposing
3 income tax on corporations.

4 2. A shareholder of an S corporation shall determine such shareholder's S corporation
5 modification and pro rata share, including its character, by applying the following:

6 (1) Any modification described in sections 143.121 and 143.141 which relates to an item
7 of S corporation income, gain, loss, or deduction shall be made in accordance with the
8 shareholder's pro rata share, for federal income tax purposes, of the item to which the
9 modification relates. Where a shareholder's pro rata share of any such item is not required to be
10 taken into account separately for federal income tax purposes, the shareholder's pro rata share
11 of such item shall be determined in accordance with his pro rata share, for federal income tax
12 purposes, of S corporation taxable income or loss generally;

13 (2) Each item of S corporation income, gain, loss, or deduction shall have the same
14 character for a shareholder pursuant to sections 143.005 to 143.998 as it has for federal income
15 tax purposes. Where an item is not characterized for federal income tax purposes, it shall have
16 the same character for a shareholder as if realized directly from the source from which realized
17 by the S corporation or incurred in the same manner as incurred by the S corporation.

18 3. A nonresident shareholder of an S corporation shall determine such shareholder's
19 Missouri nonresident adjusted gross income and his or her nonresident shareholder modification
20 by applying the provisions of this subsection. Items shall be determined to be from sources
21 within this state pursuant to regulations of the director of revenue in a manner consistent with
22 the division of income provisions of section 143.451, section 143.461, or section 32.200
23 (Multistate Tax Compact). In determining the adjusted gross income of a nonresident
24 shareholder of any S corporation, there shall be included only that part derived from or connected
25 with sources in this state of the shareholder's pro rata share of items of S corporation income,

26 gain, loss or deduction entering into shareholder's federal adjusted gross income, as such part is
27 determined pursuant to regulations prescribed by the director of revenue in accordance with the
28 general rules in section 143.181. Any modification described in subsections 2 and 3 of section
29 143.121 and in section 143.141, which relates to an item of S corporation income, gain, loss, or
30 deduction shall be made in accordance with the shareholder's pro rata share, for federal income
31 tax purposes, of the item to which the modification relates, but limited to the portion of such item
32 derived from or connected with sources in this state.

33 4. Notwithstanding subsection 3 of this section to the contrary, for all tax years
34 beginning on or after January 1, 2020, the items referred to in that subsection shall be determined
35 to be from sources within this state pursuant to regulations of the director of revenue in a manner
36 consistent with the division of income provisions of section 143.455 and section 143.461.

37 5. The director of revenue shall permit S corporations to file composite returns and to
38 make composite payments of tax on behalf of its nonresident shareholders not otherwise required
39 to file a return. If the nonresident shareholder's filing requirements result solely from one or
40 more interests in any other partnerships or subchapter S corporations, that nonresident
41 shareholder may be included in the composite return.

42 6. If an S corporation pays or credits amounts to any of its nonresident individual
43 shareholders as dividends or as their share of the S corporation's undistributed taxable income
44 for the [taxable] tax year, the S corporation shall either timely file with the department of
45 revenue an agreement as provided in subsection 7 of this section or withhold Missouri income
46 tax as provided in subsection 8 of this section. An S corporation that timely files an agreement
47 as provided in subsection 7 of this section with respect to a nonresident shareholder for a
48 [taxable] tax year shall be considered to have timely filed such an agreement for each subsequent
49 [taxable] tax year. An S corporation that does not timely file such an agreement for a [taxable]
50 tax year shall not be precluded from timely filing such an agreement for subsequent [taxable] tax
51 years. An S corporation is not required to deduct and withhold Missouri income tax for a
52 nonresident shareholder if:

53 (1) The nonresident shareholder not otherwise required to file a return agrees to have the
54 Missouri income tax due paid as part of the S corporation's composite return;

55 (2) The nonresident shareholder not otherwise required to file a return had Missouri
56 assignable federal adjusted gross income from the S corporation of less than twelve hundred
57 dollars;

58 (3) The S corporation is liquidated or terminated;

59 (4) Income was generated by a transaction related to termination or liquidation; or

60 (5) No cash or other property was distributed in the current and prior [taxable] tax year.

61 7. The agreement referred to in subdivision (1) of subsection 6 of this section is an
62 agreement of a nonresident shareholder of the S corporation to:

63 (1) File a return in accordance with the provisions of section 143.481 and to make timely
64 payment of all taxes imposed on the shareholder by this state with respect to income of the S
65 corporation; and

66 (2) Be subject to personal jurisdiction in this state for purposes of the collection of
67 income taxes, together with related interest and penalties, imposed on the shareholder by this
68 state with respect to the income of the S corporation.

69

70 The agreement will be considered timely filed for a [taxable] tax year, and for all subsequent

 151 **section shall automatically sunset on December thirty-first six years after the effective date**
 152 **of the reauthorization of this section;**

153 **(3) The provisions of the tax credit shall terminate on September first of the**
 154 **calendar year immediately following the calendar year in which the credit authorized**

 157 **before this section is sunset.**

148.064. 1. Notwithstanding any law to the contrary, this section shall determine the
 2 ordering and limit reductions for certain taxes and tax credits which may be used as credits
 3 against various taxes paid or payable by banking institutions. Except as adjusted in subsections
 4 2, 3 and 6 of this section, such credits shall be applied in the following order until used against:

19 consolidated taxes as provided in chapter 143.

20 3. The taxes referenced in subdivisions (2) and (3) of subsection 1 of this section may
21 be reduced by the tax credits in subsection 5 of this section without regard to any adjustments

41 assembly, there shall also be a reduction in the taxation of banks as follows: in lieu of the loss
42 of the corporation franchise tax credit reduction in subdivision (1) of subsection 2 of section
43 148.030, the bank shall receive a tax credit equal to one and one-half percent of net income as
44 determined in this chapter. This subsection shall take effect at the same time the corporation
45 franchise tax in chapter 147 is repealed.

46 8. An S corporation bank or bank holding company that otherwise qualifies to distribute

 49 reductions or limitations resulting from the transfer through such S corporation, and on the same
 50 terms originally made available to the original taxpayer, subject to any original dollar or
 51 percentage limitations on such credits, and when such S corporation is the original taxpayer,
 52 treating such S corporation as having not elected Subchapter S status.

53 9. Notwithstanding any law to the contrary, in the event the corporation franchise tax in
 54 chapter 147 is repealed by the general assembly, after such repeal all Missouri taxes of any nature
 55 and type imposed directly or used as a tax credit against the bank's taxes shall be passed through
 56 to the S corporation bank or bank holding company shareholder in the form otherwise permitted

10 property and the rehabilitation meets standards consistent with the standards of the Secretary of
11 the United States Department of the Interior for rehabilitation as determined by the state historic
12 preservation officer of the Missouri department of natural resources.

13 2. (1) During the period beginning on January 1, 2010, but ending on or after June 30,
14 2010, the department of economic development shall not approve applications for tax credits
15 under the provisions of subsections 4 and 10 of section 253.559 which, in the aggregate, exceed
16 seventy million dollars, increased by any amount of tax credits for which approval shall be
17 rescinded under the provisions of section 253.559. For each fiscal year beginning on or after July
18 1, 2010, but ending before June 30, 2018, the department of economic development shall not
19 approve applications for tax credits under the provisions of subsections 4 and 10 of section
20 253.559 which, in the aggregate, exceed one hundred forty million dollars, increased by any
21 amount of tax credits for which approval shall be rescinded under the provisions of section
22 253.559. For each fiscal year beginning on or after July 1, 2018, the department of economic
23 development shall not approve applications for tax credits under the provisions of subsections
24 4 and 10 of section 253.559 which, in the aggregate, exceed ninety million dollars, increased by

29 (2) For each fiscal year beginning on or after July 1, 2018, the department shall authorize
30 an amount up to, but not to exceed, an additional thirty million dollars in tax credits issued under
31 subsections 4 and 10 of section 253.559, provided that such tax credits are authorized solely for
32 projects located in a qualified census tract.

33 (3) For each fiscal year beginning on or after July 1, 2018, if the maximum amount of
34 tax credits allowed in any fiscal year as provided under subdivisions (1) and (2) of this

35 subsection is authorized, the maximum amount of tax credits allowed under subdivision (1) of
36 this subsection shall be adjusted by the percentage increase in the Consumer Price Index for All
37 Urban Consumers, or its successor index, as such index is defined and officially reported by the
38 United States Department of Labor, or its successor agency. Only one such adjustment shall be
39 made for each instance in which the provisions of this subdivision apply. The director of the
40 department of economic development shall publish such adjusted amount.

41 3. For all applications for tax credits approved on or after January 1, 2010, no more than
42 two hundred fifty thousand dollars in tax credits may be issued for eligible costs and expenses
43 incurred in the rehabilitation of an eligible property which is a nonincome producing

45 a structure in a certified historic district.

46 4. The limitations on tax credit authorization provided under the provisions of subsection

48 (1) Any application submitted by a taxpayer, which has received approval from the
49 department prior to October 1, 2018; or

59 with such rehabilitation shall exceed fifty percent of the total basis in the property.

60 **5. Under section 23.253 of the Missouri sunset act:**

62 **automatically sunset on December thirty-first six years after the effective date of this**
63 **section unless reauthorized by an act of the general assembly;**

64 **(2) If such program is reauthorized, the program authorized under this section**
65 **shall automatically sunset on December thirty-first six years after the effective date of the**
66 **reauthorization of this section;**

67 **(3) This section shall terminate on September first of the calendar year immediately**
68 **following the calendar year in which the program authorized under this section is sunset;**
69 **and**

70 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
71 **before this section is sunset.**

 320.093. 1. Any person, firm or corporation who purchases a dry fire hydrant, as defined
2 in section 320.273, or provides an acceptable means of water storage for such dry fire hydrant

4 the state of Missouri, shall be eligible for a credit on income taxes otherwise due pursuant to
5 chapter 143, except sections 143.191 to 143.261, as an incentive to implement safe and efficient
6 fire protection controls. The tax credit, not to exceed five thousand dollars, shall be equal to fifty
7 percent of the cost in actual expenditure for any new water storage construction, equipment,
8 development and installation of the dry hydrant, including pipes, valves, hydrants and labor for
9 each such installation of a dry hydrant or new water storage facility. The amount of the tax credit
10 claimed for in-kind contributions shall not exceed twenty-five percent of the total amount of the
11 contribution for which the tax credit is claimed.

12 2. Any amount of credit which exceeds the tax due shall not be refunded but may be
13 carried over to any subsequent ~~[taxable]~~ tax year, not to exceed seven years. The person, firm
14 or corporation may elect to assign to a third party the approved tax credit. The certificate of
15 assignment and other appropriate forms shall be filed with the Missouri department of revenue
16 and the department of economic development.

17 3. The person, firm or corporation shall make application for the credit to the department
18 of economic development after receiving approval of the state fire marshal. The fire marshal
19 shall establish by rule promulgated pursuant to chapter 536 the requirements to be met based on
20 the National Resources Conservation Service's Dry Hydrant Standard. The state fire marshal or
21 designated local representative shall review and authorize the construction and installation of any
22 dry fire hydrant site. Only approved dry fire hydrant sites shall be eligible for tax credits as
23 indicated in this section. Under no circumstance shall such authority deny any entity the ability
24 to provide a dry fire hydrant site when tax credits are not requested.

25 4. The department of public safety shall certify to the department of revenue that the dry
26 hydrant system meets the requirements to obtain a tax credit as specified in subsection 5 of this
27 section.

28 5. In order to qualify for a tax credit under this section, a dry hydrant or new water
29 storage facility shall meet the following minimum requirements:

30 (1) Each body of water or water storage structure shall be able to provide two hundred
31 fifty gallons per minute for a continuous two-hour period during a fifty-year drought or freeze

34 and shall be accessible to fire protection equipment;

35 (3) Dry hydrants shall be located a reasonable distance from other dry or pressurized
36 hydrants; and

37 (4) The site shall provide a measurable economic improvement potential for rural
38 development.

39 6. New credits shall not be awarded under this section after August 28, 2010. The total
40 amount of all tax credits allowed pursuant to this section is five hundred thousand dollars in any
41 one fiscal year as approved by the director of the department of economic development.

42 7. Any rule or portion of a rule, as that term is defined in section 536.010, that is created
43 under the authority delegated in this section shall become effective only if it complies with and
44 is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section
45 and chapter 536 are nonseverable and if any of the powers vested with the general assembly
46 pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule
47 are subsequently held unconstitutional, then the grant of rulemaking authority and any rule
48 proposed or adopted after August 28, 2007, shall be invalid and void.

49 **8. Under section 23.253 of the Missouri sunset act:**

50 **(1) The provisions of the program authorized under this section shall automatically**
51 **sunset on December thirty-first six years after the effective date of this section unless**
52 **reauthorized by an act of the general assembly;**

53 **(2) If such program is reauthorized, the program authorized under this section**
54 **shall automatically sunset on December thirty-first six years after the effective date of the**
55 **reauthorization of this section;**

56 **(3) This section shall terminate on September first of the calendar year immediately**
57 **following the calendar year in which the program authorized under this section is sunset;**
58 **and**

59 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
60 **before this section is sunset.**

348.302. 1. Any person who makes a qualified contribution to a qualified fund shall be
2 entitled to receive a tax credit equal to fifty percent of the amount of the qualified contribution.
3 The tax credit shall be evidenced by a tax credit certificate in accordance with the provisions of
4 sections 348.300 to 348.318 and may be used to satisfy the state tax liability of the owner of such
5 certificate that becomes due in the tax year in which the qualified contribution is made, or in any
6 of the ten tax years thereafter. No person may receive a tax credit pursuant to sections 348.300
7 to 348.318 unless that person presents a tax credit certificate to the department of revenue for
8 payment of such state tax liability.

9 2. The amount of such qualified contributions which can be made is limited so that the
10 aggregate of all tax credits authorized under the provisions of sections 348.300 to 348.318 shall

11 not exceed nine million dollars. All tax credits authorized under the provisions of this section
12 may be transferred, sold, or assigned.

13 **3. Under section 23.253 of the Missouri sunset act:**

14 **(1) The provisions of the new program authorized under this section shall**
15 **automatically sunset on December thirty-first six years after the effective date of this**
16 **section unless reauthorized by an act of the general assembly;**

17 **(2) If such program is reauthorized, the program authorized under this section**
18 **shall automatically sunset on December thirty-first six years after the effective date of the**
19 **reauthorization of this section;**

20 **(3) This section shall terminate on September first of the calendar year immediately**
21 **following the calendar year in which the program authorized under this section is sunset;**
22 **and**

23 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
24 **before this section is sunset.**

348.430. 1. The tax credit created in this section shall be known as the “Agricultural
2 Product Utilization Contributor Tax Credit”.

3 2. As used in this section, the following terms mean:

4 (1) “Authority”, the agriculture and small business development authority as provided
5 in this chapter;

6 (2) “Contributor”, an individual, partnership, corporation, trust, limited liability
7 company, entity or person that contributes cash funds to the authority;

8 (3) “Development facility”, a facility producing either a good derived from an
9 agricultural commodity or using a process to produce a good derived from an agricultural
10 product;

11 (4) “Eligible new generation cooperative”, a nonprofit cooperative association formed
12 pursuant to chapter 274, or incorporated pursuant to chapter 357, for the purpose of operating
13 within this state a development facility or a renewable fuel production facility;

14 (5) “Eligible new generation processing entity”, a partnership, corporation, cooperative,
15 or limited liability company organized or incorporated pursuant to the laws of this state
16 consisting of not less than twelve members, approved by the authority, for the purpose of owning
17 or operating within this state a development facility or a renewable fuel production facility in
18 which producer members:

19 (a) Hold a majority of the governance or voting rights of the entity and any governing
20 committee;

21 (b) Control the hiring and firing of management; and

22 (c) Deliver agricultural commodities or products to the entity for processing, unless
23 processing is required by multiple entities;

24 (6) “Renewable fuel production facility”, a facility producing an energy source which
25 is derived from a renewable, domestically grown, organic compound capable of powering
26 machinery, including an engine or power plant, and any by-product derived from such energy
27 source.

28 3. For all tax years beginning on or after January 1, 1999, a contributor who contributes
29 funds to the authority may receive a credit against the tax or estimated quarterly tax otherwise
30 due pursuant to chapter 143, other than taxes withheld pursuant to sections 143.191 to 143.265,
31 chapter 148 chapter 147, in an amount of up to one hundred percent of such contribution. Tax
32 credits claimed in a [taxable] tax year may be done so on a quarterly basis and applied to the
33 estimated quarterly tax pursuant to this subsection. If a quarterly tax credit claim or series of
34 claims contributes to causing an overpayment of taxes for a [taxable] tax year, such overpayment
35 shall not be refunded but shall be applied to the next [taxable] tax year. The awarding of such
36 credit shall be at the approval of the authority, based on the least amount of credits necessary to
37 provide incentive for the contributions. A contributor that receives tax credits for a contribution
38 to the authority shall receive no other consideration or compensation for such contribution, other
39 than a federal tax deduction, if applicable, and goodwill.

40 4. A contributor shall submit to the authority an application for the tax credit authorized
41 by this section on a form provided by the authority. If the contributor meets all criteria
42 prescribed by this section and the authority, the authority shall issue a tax credit certificate in the
43 appropriate amount. Tax credits issued pursuant to this section may be claimed in the [taxable]
44 tax year in which the contributor contributes funds to the authority. For all fiscal years
45 beginning on or after July 1, 2004, tax credits allowed pursuant to this section may be carried
46 forward to any of the contributor’s four subsequent [taxable] tax years. Tax credits issued
47 pursuant to this section may be assigned, transferred or sold and the new owner of the tax credit
48 shall have the same rights in the credit as the contributor. Whenever a certificate of tax credit
49 is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with
50 the authority specifying the name and address of the new owner of the tax credit or the value of
51 the credit.

52 5. The funds derived from contributions in this section shall be used for financial
53 assistance or technical assistance for the purposes provided in section 348.407 to rural
54 agricultural business concepts as approved by the authority. The authority may provide or
55 facilitate loans, equity investments, or guaranteed loans for rural agricultural business concepts,
56 but limited to two million dollars per project or the net state economic impact, whichever is less.
57 Loans, equity investments or guaranteed loans may only be provided to feasible projects, and for

58 an amount that is the least amount necessary to cause the project to occur, as determined by the
59 authority. The authority may structure the loans, equity investments or guaranteed loans in a way
60 that facilitates the project, but also provides for a compensatory return on investment or loan
61 payment to the authority, based on the risk of the project.

62 6. In any given year, at least ten percent of the funds granted to rural agricultural business
63 concepts shall be awarded to grant requests of twenty-five thousand dollars or less. No single
64 rural agricultural business concept shall receive more than two hundred thousand dollars in grant
65 awards from the authority. Agricultural businesses owned by minority members or women shall
66 be given consideration in the allocation of funds.

67 7. The authority shall, at least annually, submit a report to the Missouri general assembly
68 reviewing the costs and benefits of the program established under this section.

69 **8. Under section 23.253 of the Missouri sunset act:**

70 **(1) The provisions of the new program authorized under this section shall**
71 **automatically sunset on December thirty-first six years after the effective date of this**
72 **section unless reauthorized by an act of the general assembly;**

73 **(2) If such program is reauthorized, the program authorized under this section**
74 **shall automatically sunset on December thirty-first six years after the effective date of the**
75 **reauthorization of this section;**

76 **(3) This section shall terminate on September first of the calendar year immediately**
77 **following the calendar year in which the program authorized under this section is sunset;**
78 **and**

79 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
80 **before this section is sunset.**

348.432. 1. The tax credit created in this section shall be known as the “New Generation
2 Cooperative Incentive Tax Credit”.

3 2. As used in this section, the following terms mean:

4 (1) “Authority”, the agriculture and small business development authority as provided
5 in this chapter;

6 (2) “Development facility”, a facility producing either a good derived from an
7 agricultural commodity or using a process to produce a good derived from an agricultural
8 product;

9 (3) “Eligible new generation cooperative”, a nonprofit cooperative association formed
10 pursuant to chapter 274 or incorporated pursuant to chapter 357 for the purpose of operating
11 within this state a development facility or a renewable fuel production facility and approved by
12 the authority;

13 (4) “Eligible new generation processing entity”, a partnership, corporation, cooperative,
14 or limited liability company organized or incorporated pursuant to the laws of this state
15 consisting of not less than twelve members, approved by the authority, for the purpose of owning
16 or operating within this state a development facility or a renewable fuel production facility in
17 which producer members:

18 (a) Hold a majority of the governance or voting rights of the entity and any governing
19 committee;

20 (b) Control the hiring and firing of management; and

21 (c) Deliver agricultural commodities or products to the entity for processing, unless
22 processing is required by multiple entities;

23 (5) “Employee-qualified capital project”, an eligible new generation cooperative with
24 capital costs greater than fifteen million dollars which will employ at least sixty employees;

25 (6) “Large capital project”, an eligible new generation cooperative with capital costs
26 greater than one million dollars;

27 (7) “Producer member”, a person, partnership, corporation, trust or limited liability
28 company whose main purpose is agricultural production that invests cash funds to an eligible
29 new generation cooperative or eligible new generation processing entity;

30 (8) “Renewable fuel production facility”, a facility producing an energy source which
31 is derived from a renewable, domestically grown, organic compound capable of powering
32 machinery, including an engine or power plant, and any by-product derived from such energy
33 source;

34 (9) “Small capital project”, an eligible new generation cooperative with capital costs of
35 no more than one million dollars.

36 3. Beginning tax year 1999, and ending December 31, 2002, any producer member who
37 invests cash funds in an eligible new generation cooperative or eligible new generation
38 processing entity may receive a credit against the tax or estimated quarterly tax otherwise due
39 pursuant to chapter 143, other than taxes withheld pursuant to sections 143.191 to 143.265 or
40 chapter 148, chapter 147, in an amount equal to the lesser of fifty percent of such producer
41 member’s investment or fifteen thousand dollars.

42 4. For all tax years beginning on or after January 1, 2003, any producer member who
43 invests cash funds in an eligible new generation cooperative or eligible new generation
44 processing entity may receive a credit against the tax or estimated quarterly tax otherwise due
45 pursuant to chapter 143, other than taxes withheld pursuant to sections 143.191 to 143.265,
46 chapter 147 or chapter 148, in an amount equal to the lesser of fifty percent of such producer
47 member’s investment or fifteen thousand dollars. Tax credits claimed in a [taxable] tax year
48 may be done so on a quarterly basis and applied to the estimated quarterly tax pursuant to

49 subsection 3 of this section. If a quarterly tax credit claim or series of claims contributes to
50 causing an overpayment of taxes for a [taxable] tax year, such overpayment shall not be refunded
51 but shall be applied to the next [taxable] tax year.

52 5. A producer member shall submit to the authority an application for the tax credit
53 authorized by this section on a form provided by the authority. If the producer member meets
54 all criteria prescribed by this section and is approved by the authority, the authority shall issue
55 a tax credit certificate in the appropriate amount. Tax credits issued pursuant to this section may
56 be carried forward to any of the producer member's four subsequent [taxable] tax years
57 regardless of the type of tax liability to which such credits are applied as authorized pursuant to
58 subsection 3 of this section. Tax credits issued pursuant to this section may be assigned,
59 transferred, sold or otherwise conveyed and the new owner of the tax credit shall have the same
60 rights in the credit as the producer member. Whenever a certificate of tax credit is assigned,
61 transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the authority
62 specifying the name and address of the new owner of the tax credit or the value of the credit.

63 6. Ten percent of the tax credits authorized pursuant to this section initially shall be
64 offered in any fiscal year to small capital projects. If any portion of the ten percent of tax credits
65 offered to small capital costs projects is unused in any calendar year, then the unused portion of
66 tax credits may be offered to employee-qualified capital projects and large capital projects. If
67 the authority receives more applications for tax credits for small capital projects than tax credits
68 are authorized therefor, then the authority, by rule, shall determine the method of distribution of
69 tax credits authorized for small capital projects.

70 7. Ninety percent of the tax credits authorized pursuant to this section initially shall be
71 offered in any fiscal year to employee-qualified capital projects and large capital projects. If any
72 portion of the ninety percent of tax credits offered to employee-qualified capital projects and
73 large capital costs projects is unused in any fiscal year, then the unused portion of tax credits may
74 be offered to small capital projects. The maximum tax credit allowed per employee-qualified
75 capital project is three million dollars and the maximum tax credit allowed per large capital
76 project is one million five hundred thousand dollars. If the authority approves the maximum tax
77 credit allowed for any employee-qualified capital project or any large capital project, then the
78 authority, by rule, shall determine the method of distribution of such maximum tax credit. In
79 addition, if the authority receives more tax credit applications for employee-qualified capital
80 projects and large capital projects than the amount of tax credits authorized therefor, then the
81 authority, by rule, shall determine the method of distribution of tax credits authorized for
82 employee-qualified capital projects and large capital projects.

83 8. The authority shall, at least annually, submit a report to the Missouri general assembly
84 reviewing the costs and benefits of the program established under this section.

85 **9. Under section 23.253 of the Missouri sunset act:**

86 **(1) The provisions of the new program authorized under this section shall**
87 **automatically sunset on December thirty-first six years after the effective date of this**
88 **section unless reauthorized by an act of the general assembly;**

89 **(2) If such program is reauthorized, the program authorized under this section**
90 **shall automatically sunset on December thirty-first six years after the effective date of the**
91 **reauthorization of this section;**

92 **(3) This section shall terminate on September first of the calendar year immediately**
93 **following the calendar year in which the program authorized under this section is sunset;**
94 **and**

95 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
96 **before this section is sunset.**

348.505. 1. As used in this section, "state tax liability"[,] **means** any state tax liability
2 incurred by a taxpayer under the provisions of chapters 143, 147, and 148, exclusive of the
3 provisions relating to the withholding of tax as provided for in sections 143.191 to 143.265 and
4 related provisions.

5 2. Any eligible lender under the family farm livestock loan program under section
6 348.500 shall be entitled to receive a tax credit equal to one hundred percent of the amount of
7 interest waived by the lender under section 348.500 on a qualifying loan for the first year of the
8 loan only. The tax credit shall be evidenced by a tax credit certificate issued by the agricultural
9 and small business development authority and may be used to satisfy the state tax liability of the
10 owner of such certificate that becomes due in the tax year in which the interest on a qualified
11 loan is waived by the lender under section 348.500. No lender may receive a tax credit under
12 this section unless such person presents a tax credit certificate to the department of revenue for
13 payment of such state tax liability. The amount of the tax credits that may be issued to all
14 eligible lenders claiming tax credits authorized in this section in a fiscal year shall not exceed
15 three hundred thousand dollars.

16 3. The agricultural and small business development authority shall be responsible for the
17 administration and issuance of the certificate of tax credits authorized by this section. The
18 authority shall issue a certificate of tax credit at the request of any lender. Each request shall
19 include a true copy of the loan documents, the name of the lender who is to receive a certificate
20 of tax credit, the type of state tax liability against which the tax credit is to be used, and the
21 amount of the certificate of tax credit to be issued to the lender based on the interest waived by
22 the lender under section 348.500 on the loan for the first year.

23 4. The Missouri department of revenue shall accept a certificate of tax credit in lieu of
24 other payment in such amount as is equal to the lesser of the amount of the tax or the remaining

25 unused amount of the credit as indicated on the certificate of tax credit, and shall indicate on the
26 certificate of tax credit the amount of tax thereby paid and the date of such payment.

27 5. The following provisions shall apply to tax credits authorized under this section:

28 (1) Tax credits claimed in a ~~taxable~~ tax year may be claimed on a quarterly basis and
29 applied to the estimated quarterly tax of the lender;

30 (2) Any amount of tax credit which exceeds the tax due, including any estimated
31 quarterly taxes paid by the lender under subdivision (1) of this subsection which results in an
32 overpayment of taxes for a ~~taxable~~ tax year, shall not be refunded but may be carried over to
33 any subsequent ~~taxable~~ tax year, not to exceed a total of three years for which a tax credit may
34 be taken for a qualified family farm livestock loan;

35 (3) Notwithstanding any provision of law to the contrary, a lender may assign, transfer
36 or sell tax credits authorized under this section, with the new owner of the tax credit receiving
37 the same rights in the tax credit as the lender. For any tax credits assigned, transferred, sold, or
38 otherwise conveyed, a notarized endorsement shall be filed by the lender with the authority
39 specifying the name and address of the new owner of the tax credit and the value of such tax
40 credit; and

41 (4) Notwithstanding any other provision of this section to the contrary, any commercial
42 bank may use tax credits created under this section as provided in section 148.064 and receive
43 a net tax credit against taxes actually paid in the amount of the first year's interest on loans made
44 under this section. If such first year tax credits reduce taxes due as provided in section 148.064
45 to zero, the remaining tax credits may be carried over as otherwise provided in this section and
46 utilized as provided in section 148.064 in subsequent years.

47 **6. Under section 23.253 of the Missouri sunset act:**

48 (1) **The provisions of the new program authorized under this section shall**
49 **automatically sunset on December thirty-first six years after the effective date of this**
50 **section unless reauthorized by an act of the general assembly;**

51 (2) **If such program is reauthorized, the program authorized under this section**
52 **shall automatically sunset on December thirty-first six years after the effective date of the**
53 **reauthorization of this section;**

54 (3) **This section shall terminate on September first of the calendar year immediately**
55 **following the calendar year in which the program authorized under this section is sunset;**
56 **and**

57 (4) **Nothing in this subsection shall prohibit the redemption of tax credits issued**
58 **before this section is sunset.**

375.774. 1. The association shall issue to each insurer paying an assessment under
2 sections 375.771 to 375.779 a certificate of contribution, in appropriate form and terms as

3 prescribed by the director, for the amount so paid. All outstanding certificates shall be of equal
4 dignity and priority without reference to amounts or dates of issue.

5 2. A certificate of contribution may be shown by the insurer in its financial statements
6 as an admitted asset for such amount and period of time, as follows:

7 (1) One hundred percent for the calendar year of issuance;

8 (2) Sixty-six and two-thirds percent for the first calendar year after the year of issuance;

9 (3) Thirty-three and one-third percent for the second year after the year of issuance which
10 shall be the last year each such certificate shall be carried as an asset.

11 3. The insurer shall be entitled to a credit against the premium tax liability under sections
12 148.310 to 148.461 for contributions paid to the association. This tax credit shall be taken over
13 a period of the three successive tax years beginning after the year of contribution at the rate of
14 thirty-three and one-third percent, per year, of the contribution paid to the association, and such
15 credit shall not be subject to subsection 1 of section 375.916.

16 4. Any sums recovered by the association representing sums which have theretofore been
17 written off by contributing insurers and offset against premium taxes as provided in subsection
18 3 of this section shall be paid by the association to the director of revenue who shall handle such
19 funds in the same manner as provided in section 148.380.

20 5. The association shall be exempt from payment of all fees and all capitation or poll and
21 excise taxes levied by this state or any of its political subdivisions and the real and personal
22 property of the association is hereby declared to be property actually and regularly used
23 exclusively for purposes purely charitable and not held for private or corporate profit within the
24 meaning of subdivision (5) of section 137.100, RSMo 1986.

25 **6. Under section 23.253 of the Missouri sunset act:**

26 **(1) The provisions of the tax credit authorized under subsection 3 of this section**
27 **shall automatically sunset on December thirty-first six years after the effective date of this**
28 **section unless reauthorized by an act of the general assembly;**

29 **(2) If such credit is reauthorized, the credit authorized under this section shall**
30 **automatically sunset on December thirty-first six years after the effective date of the**
31 **reauthorization of this section;**

32 **(3) The provisions of the tax credit shall terminate on September first of the**
33 **calendar year immediately following the calendar year in which the credit authorized**
34 **under this section is sunset; and**

35 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
36 **before this section is sunset.**

376.745. 1. A member insurer may offset against its premium tax liability to this state
2 an assessment described in section 376.738 to the extent of twenty percent of the amount of such

3 assessment for each of the five calendar years following the year in which such assessment was
4 paid. In the event a member insurer should cease doing business, all uncredited assessments may
5 be credited against its premium tax liability for the year it ceases doing business.

6 2. A member insurer exempt from chapter 148 may offset against its sales or use tax
7 liability to this state an assessment described in section 376.738 to the extent of twenty percent
8 of the amount of such assessment for each of the five calendar years following the year in which
9 such assessment was paid. In the event a member insurer should cease doing business, all
10 uncredited assessments may be credited against its sales or use tax liability for the year it ceases
11 doing business.

12 3. Any sums which are acquired by refund, pursuant to the provisions of section 376.738,
13 from the association by member insurers, and which have theretofore been offset against
14 premium taxes as provided in subsection 1 of this section or have theretofore been offset against
15 sales or use taxes as provided in subsection 2 of this section, shall be paid by such insurers to this
16 state in such manner as the tax authorities may require. The association shall notify the director
17 that such refunds have been made.

18 **4. Under section 23.253 of the Missouri sunset act:**

19 **(1) The provisions of the new program authorized under this section shall**
20 **automatically sunset on December thirty-first six years after the effective date of this**
21 **section unless reauthorized by an act of the general assembly;**

27 **and**

28 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
29 **before this section is sunset.**

376.975. 1. Each member's proportion of participation in the pool shall be determined
2 annually by the board based on annual statements and other reports deemed necessary by the
3 board and filed by the member with it. Any deficit incurred by the pool shall be recouped by
4 assessments apportioned as provided in subsections 1, 2, and 3 of section 376.973 by the board
5 among members. The amount of assessments incurred by each member of the pool shall be
6 allowed as an offset against certain taxes, and shall be subject to certain limitations, as follows:
7 Each pool member subject to chapter 148 may deduct from premium taxes payable for any
8 calendar year to the state any and all assessments paid for the same year pursuant to sections
9 376.960 to 376.989.

10 **2.** All assessments, for a fiscal year, shall not exceed the net premium tax due and
11 payable by such member in the previous year. If the assessment exceeds any premium tax due
12 or payable in such year, the excess shall be a credit or offset carried forward against any premium
13 tax due or payable in succeeding years until the excess is exhausted.

14 **3. Under section 23.253 of the Missouri sunset act:**

15 **(1) The provisions of the new program authorized under this section shall**
16 **automatically sunset on December thirty-first six years after the effective date of this**
17 **section unless reauthorized by an act of the general assembly;**

18 **(2) If such program is reauthorized, the program authorized under this section**
19 **shall automatically sunset on December thirty-first six years after the effective date of the**
20 **reauthorization of this section;**

21 **(3) This section shall terminate on September first of the calendar year immediately**
22 **following the calendar year in which the program authorized under this section is sunset;**
23 **and**

24 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
25 **before this section is sunset.**

447.708. 1. For eligible projects, the director of the department of economic
2 development, with notice to the directors of the departments of natural resources and revenue,
3 and subject to the other provisions of sections 447.700 to 447.718, may not create a new
4 enterprise zone but may decide that a prospective operator of a facility being remedied and
5 renovated pursuant to sections 447.700 to 447.718 may receive the tax credits and exemptions
6 pursuant to sections 135.100 to 135.150 and sections 135.200 to 135.257. The tax credits
7 allowed pursuant to this subsection shall be used to offset the tax imposed by chapter 143,
8 excluding withholding tax imposed by sections 143.191 to 143.265, or the tax otherwise imposed
9 by chapter 147, or the tax otherwise imposed by chapter 148. For purposes of this subsection:

10 **(1) For receipt of the ad valorem tax abatement pursuant to section 135.215, the eligible**
11 **project must create at least ten new jobs or retain businesses which supply at least twenty-five**
12 **existing jobs. The city, or county if the eligible project is not located in a city, must provide ad**
13 **valorem tax abatement of at least fifty percent for a period not less than ten years and not more**
14 **than twenty-five years;**

15 **(2) For receipt of the income tax exemption pursuant to section 135.220 and tax credit**
16 **for new or expanded business facilities pursuant to sections 135.100 to 135.150[,] and 135.225,**
17 **the eligible project must create at least ten new jobs or retain businesses which supply at least**
18 **twenty-five existing jobs, or combination thereof. For purposes of sections 447.700 to 447.718,**
19 **the tax credits described in section 135.225 are modified as follows: the tax credit shall be four**
20 **hundred dollars per employee per year, an additional four hundred dollars per year for each**

21 employee exceeding the minimum employment thresholds of ten and twenty-five jobs for new
22 and existing businesses, respectively, an additional four hundred dollars per year for each person
23 who is a person difficult to employ as defined by section 135.240, and investment tax credits at
24 the same amounts and levels as provided in subdivision (4) of subsection 1 of section 135.225;

25 (3) For eligibility to receive the income tax refund pursuant to section 135.245, the
26 eligible project must create at least ten new jobs or retain businesses which supply at least
27 twenty-five existing jobs, or combination thereof, and otherwise comply with the provisions of
28 section 135.245 for application and use of the refund and the eligibility requirements of this
29 section;

30 (4) The eligible project operates in compliance with applicable environmental laws and
31 regulations, including permitting and registration requirements, of this state as well as the federal
32 and local requirements;

33 (5) The eligible project operator shall file such reports as may be required by the director
34 of economic development or the director's designee;

35 (6) The taxpayer may claim the state tax credits authorized by this subsection and the
36 state income exemption for a period not in excess of ten consecutive tax years. For the purpose
37 of this section, "taxpayer" means an individual proprietorship, partnership or corporation
38 described in section 143.441 or 143.471 who operates an eligible project. The director shall
39 determine the number of years the taxpayer may claim the state tax credits and the state income
40 exemption based on the projected net state economic benefits attributed to the eligible project;

41 (7) For the purpose of meeting the new job requirement prescribed in subdivisions (1),
42 (2) and (3) of this subsection, it shall be required that at least ten new jobs be created and
43 maintained during the taxpayer's tax period for which the credits are earned, in the case of an
44 eligible project that does not replace a similar facility in Missouri. "New job" means a person
45 who was not previously employed by the taxpayer or related taxpayer within the twelve-month
46 period immediately preceding the time the person was employed by that taxpayer to work at, or
47 in connection with, the eligible project on a full-time basis. "Full-time basis" means the
48 employee works an average of at least thirty-five hours per week during the taxpayer's tax period
49 for which the tax credits are earned. For the purposes of this section, "related taxpayer" has the
50 same meaning as defined in subdivision (10) of section 135.100;

51 (8) For the purpose of meeting the existing job retention requirement, if the eligible
52 project replaces a similar facility that closed elsewhere in Missouri prior to the end of the
53 taxpayer's tax period in which the tax credits are earned, it shall be required that at least
54 twenty-five existing jobs be retained at, and in connection with the eligible project, on a full-time
55 basis during the taxpayer's tax period for which the credits are earned. "Retained job" means a
56 person who was previously employed by the taxpayer or related taxpayer, at a facility similar to

57 the eligible project that closed elsewhere in Missouri prior to the end of the taxpayer's tax period
58 in which the tax credits are earned, within the tax period immediately preceding the time the
59 person was employed by the taxpayer to work at, or in connection with, the eligible project on
60 a full-time basis. "Full-time basis" means the employee works an average of at least thirty-five
61 hours per week during the taxpayer's tax period for which the tax credits are earned;

62 (9) In the case where an eligible project replaces a similar facility that closed elsewhere
63 in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, the
64 owner and operator of the eligible project shall provide the director with a written statement
65 explaining the reason for discontinuing operations at the closed facility. The statement shall
66 include a comparison of the activities performed at the closed facility prior to the date the facility
67 ceased operating, to the activities performed at the eligible project, and a detailed account
68 describing the need and rationale for relocating to the eligible project. If the director finds the
69 relocation to the eligible project significantly impaired the economic stability of the area in
70 which the closed facility was located, and that such move was detrimental to the overall
71 economic development efforts of the state, the director may deny the taxpayer's request to claim
72 tax benefits;

73 (10) Notwithstanding any provision of law to the contrary, for the purpose of this
74 section, the number of new jobs created and maintained, the number of existing jobs retained,
75 and the value of new qualified investment used at the eligible project during any tax year shall
76 be determined by dividing by twelve, in the case of jobs, the sum of the number of individuals
77 employed at the eligible project, or in the case of new qualified investment, the value of new
78 qualified investment used at the eligible project, on the last business day of each full calendar
79 month of the tax year. If the eligible project is in operation for less than the entire tax year, the
80 number of new jobs created and maintained, the number of existing jobs retained, and the value
81 of new qualified investment created at the eligible project during any tax year shall be
82 determined by dividing the sum of the number of individuals employed at the eligible project,
83 or in the case of new qualified investment, the value of new qualified investment used at the
84 eligible project, on the last business day of each full calendar month during the portion of the tax
85 year during which the eligible project was in operation, by the number of full calendar months
86 during such period;

87 (11) For the purpose of this section, "new qualified investment" means new business
88 facility investment as defined and as determined in subdivision (8) of section 135.100 which is
89 used at and in connection with the eligible project. New qualified investment shall not include
90 small tools, supplies and inventory. "Small tools" means tools that are portable and can be hand
91 held.

92 2. The determination of the director of economic development pursuant to subsection
93 1 of this section shall not affect requirements for the prospective purchaser to obtain the approval
94 of the granting of real property tax abatement by the municipal or county government where the
95 eligible project is located.

96 3. (1) The director of the department of economic development, with the approval of
97 the director of the department of natural resources, may, in addition to the tax credits allowed
98 in subsection 1 of this section, grant a remediation tax credit to the applicant for up to one
99 hundred percent of the costs of materials, supplies, equipment, labor, professional engineering,
100 consulting and architectural fees, permitting fees and expenses, demolition, asbestos abatement,
101 and direct utility charges for performing the voluntary remediation activities for the preexisting
102 hazardous substance contamination and releases, including, but not limited to, the costs of
103 performing operation and maintenance of the remediation equipment at the property beyond the
104 year in which the systems and equipment are built and installed at the eligible project and the
105 costs of performing the voluntary remediation activities over a period not in excess of four tax
106 years following the taxpayer's tax year in which the system and equipment were first put into use
107 at the eligible project, provided the remediation activities are the subject of a plan submitted to,
108 and approved by, the director of natural resources pursuant to sections 260.565 to 260.575. The
109 tax credit may also include up to one hundred percent of the costs of demolition that are not
110 directly part of the remediation activities, provided that the demolition is on the property where
111 the voluntary remediation activities are occurring, the demolition is necessary to accomplish the
112 planned use of the facility where the remediation activities are occurring, and the demolition is
113 part of a redevelopment plan approved by the municipal or county government and the
114 department of economic development. The demolition may occur on an adjacent property if the
115 project is located in a municipality which has a population less than twenty thousand and the
116 above conditions are otherwise met. The adjacent property shall independently qualify as
117 abandoned or underutilized. The amount of the credit available for demolition not associated
118 with remediation cannot exceed the total amount of credits approved for remediation including
119 demolition required for remediation.

120 (2) The amount of remediation tax credits issued shall be limited to the least amount
121 necessary to cause the project to occur, as determined by the director of the department of
122 economic development.

123 (3) The director may, with the approval of the director of natural resources, extend the
124 tax credits allowed for performing voluntary remediation maintenance activities, in increments
125 of three-year periods, not to exceed five consecutive three-year periods. The tax credits allowed
126 in this subsection shall be used to offset the tax imposed by chapter 143, excluding withholding
127 tax imposed by sections 143.191 to 143.265, or the tax otherwise imposed by chapter 147, or the

128 tax otherwise imposed by chapter 148. The remediation tax credit may be taken in the same tax
129 year in which the tax credits are received or may be taken over a period not to exceed twenty
130 years.

131 (4) The project facility shall be projected to create at least ten new jobs or at least
132 twenty-five retained jobs, or a combination thereof, as determined by the department of
133 economic development, to be eligible for tax credits pursuant to this section.

134 (5) No more than seventy-five percent of earned remediation tax credits may be issued
135 when the remediation costs were paid, and the remaining percentage may be issued when the
136 department of natural resources issues a letter of completion letter or covenant not to sue
137 following completion of the voluntary remediation activities. It shall not include any costs
138 associated with ongoing operational environmental compliance of the facility or remediation
139 costs arising out of spills, leaks, or other releases arising out of the ongoing business operations
140 of the facility. In the event the department of natural resources issues a letter of completion for
141 a portion of a property, an impacted media such as soil or groundwater, or for a site or a portion
142 of a site improvement, a prorated amount of the remaining percentage may be released based on
143 the percentage of the total site receiving a letter of completion.

144 4. In the exercise of the sound discretion of the director of the department of economic
145 development or the director's designee, the tax credits and exemptions described in this section
146 may be terminated, suspended or revoked if the eligible project fails to continue to meet the
147 conditions set forth in this section. In making such a determination, the director shall consider
148 the severity of the condition violation, actions taken to correct the violation, the frequency of any
149 condition violations and whether the actions exhibit a pattern of conduct by the eligible facility
150 owner and operator. The director shall also consider changes in general economic conditions and
151 the recommendation of the director of the department of natural resources, or his or her designee,
152 concerning the severity, scope, nature, frequency and extent of any violations of the
153 environmental compliance conditions. The taxpayer or person claiming the tax credits or
154 exemptions may appeal the decision regarding termination, suspension or revocation of any tax
155 credit or exemption in accordance with the procedures outlined in subsections 4 and 5 of section
156 135.250. The director of the department of economic development shall notify the directors of
157 the departments of natural resources and revenue of the termination, suspension or revocation
158 of any tax credits as determined in this section or pursuant to the provisions of section 447.716.

159 5. Notwithstanding any provision of law to the contrary, no taxpayer shall earn the tax
160 credits, exemptions or refund otherwise allowed in subdivisions (2), (3) and (4) of subsection
161 1 of this section and the tax credits otherwise allowed in section 135.110, or the tax credits,
162 exemptions and refund otherwise allowed in sections 135.215, 135.220, 135.225 and 135.245,
163 respectively, for the same facility for the same tax period.

164 6. The total amount of the tax credits allowed in subsection 1 of this section may not
165 exceed the greater of:

166 (1) That portion of the taxpayer's income attributed to the eligible project; or

167 (2) One hundred percent of the total business' income tax if the eligible facility does not
168 replace a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax
169 period in which the tax credits are earned, and further provided the taxpayer does not operate any
170 other facilities besides the eligible project in Missouri; fifty percent of the total business' income
171 tax if the eligible facility replaces a similar facility that closed elsewhere in Missouri prior to the
172 end of the taxpayer's tax period in which the credits are earned, and further provided the taxpayer
173 does not operate any other facilities besides the eligible project in Missouri; or twenty-five
174 percent of the total business income if the taxpayer operates, in addition to the eligible facility,
175 any other facilities in Missouri. In no case shall a taxpayer operating more than one eligible
176 project in Missouri be allowed to offset more than twenty-five percent of the taxpayer's business
177 income in any tax period. That portion of the taxpayer's income attributed to the eligible project
178 as referenced in subdivision (1) of this subsection, for which the credits allowed in sections
179 135.110 and 135.225 and subsection 3 of this section may apply, shall be determined in the same
180 manner as prescribed in subdivision (5) of section 135.100. That portion of the taxpayer's
181 franchise tax attributed to the eligible project for which the remediation tax credit may offset,
182 shall be determined in the same manner as prescribed in paragraph (a) of subdivision (5) of
183 section 135.100.

184 7. Taxpayers claiming the state tax benefits allowed in subdivisions (2) and (3) of
185 subsection 1 of this section shall be required to file all applicable tax credit applications, forms
186 and schedules prescribed by the director during the taxpayer's tax period immediately after the
187 tax period in which the eligible project was first put into use. Otherwise, the taxpayer's right to
188 claim such state tax benefits shall be forfeited. Unused business facility and enterprise zone tax
189 credits shall not be carried forward but shall be initially claimed for the tax period during which
190 the eligible project was first capable of being used, and during any applicable subsequent tax
191 periods.

192 8. Taxpayers claiming the remediation tax credit allowed in subsection 3 of this section
193 shall be required to file all applicable tax credit applications, forms and schedules prescribed by
194 the director during the taxpayer's tax period immediately after the tax period in which the eligible
195 project was first put into use, or during the taxpayer's tax period immediately after the tax period
196 in which the voluntary remediation activities were performed.

197 9. The recipient of remediation tax credits, for the purpose of this subsection referred to
198 as assignor, may assign, sell or transfer, in whole or in part, the remediation tax credit allowed
199 in subsection 3 of this section to any other person, for the purpose of this subsection referred to

200 as assignee. To perfect the transfer, the assignor shall provide written notice to the director of
201 the assignor's intent to transfer the tax credits to the assignee, the date the transfer is effective,
202 the assignee's name, address and the assignee's tax period and the amount of tax credits to be
203 transferred. The number of tax periods during which the assignee may subsequently claim the
204 tax credits shall not exceed twenty tax periods, less the number of tax periods the assignor
205 previously claimed the credits before the transfer occurred.

206 10. In the case where an operator and assignor of an eligible project has been certified
207 to claim state tax benefits allowed in subdivisions (2) and (3) of subsection 1 of this section, and
208 sells or otherwise transfers title of the eligible project to another taxpayer or assignee who
209 continues the same or substantially similar operations at the eligible project, the director shall
210 allow the assignee to claim the credits for a period of time to be determined by the director;
211 except that, the total number of tax periods the tax credits may be earned by the assignor and the
212 assignee shall not exceed ten. To perfect the transfer, the assignor shall provide written notice
213 to the director of the assignor's intent to transfer the tax credits to the assignee, the date the
214 transfer is effective, the assignee's name, address, and the assignee's tax period, and the amount
215 of tax credits to be transferred.

216 11. For the purpose of the state tax benefits described in this section, in the case of a
217 corporation described in section 143.471 or partnership, in computing Missouri's tax liability,
218 such state benefits shall be allowed to the following:

219 (1) The shareholders of the corporation described in section 143.471;

220 (2) The partners of the partnership.

221

222 The credit provided in this subsection shall be apportioned to the entities described in
223 subdivisions (1) and (2) of this subsection in proportion to their share of ownership on the last
224 day of the taxpayer's tax period.

225 12. Notwithstanding any provision of law to the contrary, in any county [~~of the first~~
226 ~~classification~~] that has a charter form of government and that has a population of over nine
227 hundred thousand inhabitants, all demolition costs incurred during the redevelopment of any
228 former automobile manufacturing plant shall be allowable costs eligible for tax credits under
229 sections 447.700 to 447.718 so long as the redevelopment of such former automobile
230 manufacturing plant shall be projected to create at least two hundred fifty new jobs or at least
231 three hundred retained jobs, or a combination thereof, as determined by the department of
232 economic development. The amount of allowable costs eligible for tax credits shall be limited
233 to the least amount necessary to cause the project to occur, as determined by the director of the
234 department of economic development, provided that no tax credit shall be issued under this
235 subsection until July 1, 2017. For purposes of this subsection, "former automobile

236 manufacturing plant" means a redevelopment area that qualifies as an eligible project under
 237 section 447.700, that consists of at least one hundred acres, and that was used primarily for the
 238 manufacture of automobiles but, after 2007, ceased such manufacturing.

239 **13. Under section 23.253 of the Missouri sunset act:**

240 **(1) The provisions of the new program authorized under this section shall**
 241 **automatically sunset on December thirty-first six years after the effective date of this**
 242 **section unless reauthorized by an act of the general assembly;**

243 **(2) If such program is reauthorized, the program authorized under this section**
 244 **shall automatically sunset on December thirty-first six years after the effective date of the**
 245 **reauthorization of this section;**

246 **(3) This section shall terminate on September first of the calendar year immediately**
 247 **following the calendar year in which the program authorized under this section is sunset;**
 248 **and**

249 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
 250 **before this section is sunset.**

620.495. 1. This section shall be known as the "Small Business Incubators Act".

2 2. As used in this section, unless the context clearly indicates otherwise, the following
 3 words and phrases shall mean:

4 (1) "Department", the department of economic development;

5 (2) "Incubator", a program in which small units of space may be leased by a tenant and
 6 in which management maintains or provides access to business development services for use by
 7 tenants or a program without infrastructure in which participants avail themselves of business
 8 development services to assist in the growth of their start-up small businesses;

9 (3) "Local sponsor" or "sponsor", an organization which enters into a written agreement
 10 with the department to establish, operate and administer a small business incubator program or

92 "Missouri Small Business Incubators Fund", which shall consist of all moneys which may be

93 appropriated to it by the general assembly, and also any gifts, contributions, grants or bequests
94 received from federal, private or other sources. Moneys for loans, loan guarantees and grants
95 under the small business incubator program may be obtained from appropriations made by the
96 general assembly from the Missouri small business incubators fund. Any moneys remaining in
97 the Missouri small business incubators fund at the end of any fiscal year shall not lapse to the
98 general revenue fund, as provided in section 33.080, but shall remain in the Missouri small
99 business incubators fund.

100 11. For any [taxable] tax year beginning after December 31, 1989, a taxpayer, including
101 any charitable organization which is exempt from federal income tax and whose Missouri
102 unrelated business taxable income, if any, would be subject to the state income tax imposed
103 under chapter 143, shall be entitled to a tax credit against any tax otherwise due under the
104 provisions of chapter 143, or chapter 147, or chapter 148, excluding withholding tax imposed
105 by sections 143.191 to 143.265, in the amount of fifty percent of any amount contributed by the
106 taxpayer to the Missouri small business incubators fund during the taxpayer's tax year or any
107 contribution by the taxpayer to a local sponsor after the local sponsor's application has been
108 accepted and approved by the department. The tax credit allowed by this subsection shall be
109 claimed by the taxpayer at the time he files his return and shall be applied against the income tax
110 liability imposed by chapter 143, or chapter 147, or chapter 148, after all other credits provided
111 by law have been applied. That portion of earned tax credits which exceeds the taxpayer's tax
112 liability may be carried forward for up to five years. The aggregate of all tax credits authorized
113 under this section shall not exceed five hundred thousand dollars in any [taxable] tax year.

114 12. Notwithstanding any provision of Missouri law to the contrary, any taxpayer may
115 sell, assign, exchange, convey or otherwise transfer tax credits allowed in subsection 11 of this
116 section under the terms and conditions prescribed in subdivisions (1) and (2) of this subsection.
117 Such taxpayer, hereinafter the assignor for the purpose of this subsection, may sell, assign,
118 exchange or otherwise transfer earned tax credits:

- 119 (1) For no less than seventy-five percent of the par value of such credits; and
120 (2) In an amount not to exceed one hundred percent of annual earned credits.

121

122 The taxpayer acquiring earned credits, hereinafter the assignee for the purpose of this subsection,
123 may use the acquired credits to offset up to one hundred percent of the tax liabilities otherwise
124 imposed by chapter 143, or chapter 147, or chapter 148 excluding withholding tax imposed by
125 sections 143.191 to 143.265. Unused credits in the hands of the assignee may be carried forward
126 for up to five years. The assignor shall enter into a written agreement with the assignee
127 establishing the terms and conditions of the agreement and shall perfect such transfer by
128 notifying the department of economic development in writing within thirty calendar days

129 following the effective day of the transfer and shall provide any information as may be required
130 by the department of economic development to administer and carry out the provisions of this
131 section. The director of the department of economic development shall prescribe the method for
132 submitting applications for claiming the tax credit allowed under subsection 11 of this section
133 and shall, if the application is approved, certify to the director of revenue that the taxpayer
134 claiming the credit has satisfied all the requirements specified in this section and is eligible to
135 claim the credit.

136 **13. Under section 23.253 of the Missouri sunset act:**

137 **(1) The provisions of the tax credit authorized under subsection 11 of this section**
138 **shall automatically sunset on December thirty-first six years after the effective date of this**
139 **section unless reauthorized by an act of the general assembly;**

140 **(2) If such credit is reauthorized, the credit authorized under subsection 11 of this**
141 **section shall automatically sunset on December thirty-first six years after the effective date**
142 **of the reauthorization of this section;**

143 **(3) The provisions of the tax credit shall terminate on September first of the**
144 **calendar year immediately following the calendar year in which the credit authorized**
145 **under subsection 11 of this section is sunset; and**

146 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
147 **before this section is sunset.**

620.650. 1. The sole purpose of each qualified fund is to make investments. One
2 hundred percent of investments made from qualified contributions shall be qualified investments.

3 2. Any person who makes a qualified contribution to a qualified fund shall receive a tax
4 credit against the tax otherwise due pursuant to chapter 143, chapter 147, or chapter 148, other
5 than taxes withheld pursuant to sections 143.191 to 143.265, in an amount equal to one hundred
6 percent of such person's qualified contribution.

7 3. Such person shall submit to the department an application for the tax credit on a form
8 provided by the department. The department shall award tax credits in the order the applications
9 are received and based upon the strategy approved by the corporation. Tax credits issued
10 pursuant to this section may be claimed for the tax year in which the qualified contribution is
11 made or in any of the following ten years, and may be assigned, transferred or sold.

12 4. There is hereby imposed on each qualified fund a tax equal to fifteen percent of the
13 qualified fund's uninvested capital at the close of such qualified fund's tax year. For purposes
14 of tax computation, any distribution made by a qualified fund during a tax year is deemed made
15 at the end of such tax year. Each tax year, every qualified fund shall remit the tax imposed by
16 this section to the director of the department of revenue for deposit in the state treasury to the
17 credit of the general revenue fund.

18 **5. Under section 23.253 of the Missouri sunset act:**

19 **(1) The provisions of the tax credit authorized under subsection 2 of this section**
20 **shall automatically sunset on December thirty-first six years after the effective date of this**
21 **section unless reauthorized by an act of the general assembly;**

22 **(2) If such credit is reauthorized, the credit authorized under subsection 2 of this**
23 **section shall automatically sunset on December thirty-first six years after the effective date**
24 **of the reauthorization of this section;**

25 **(3) The provisions of the tax credit shall terminate on September first of the**
26 **calendar year immediately following the calendar year in which the credit authorized**
27 **under subsection 2 of this section is sunset; and**

28 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
29 **before this section is sunset.**

620.809. 1. There is hereby established in the state treasury a fund to be known as the
2 "Missouri One Start Community College New Jobs Training Fund", that shall be administered
3 by the department for the training program. The department of revenue shall credit to the fund,
4 as received, all new jobs credits. For existing Missouri businesses creating new jobs, the training
5 project may include retained jobs. The fund shall also consist of any gifts, contributions, grants,
6 or bequests received from federal, private, or other sources. The general assembly, however,
7 shall not provide for any transfer of general revenue funds into the fund. Moneys in the fund
8 shall be disbursed to the department under regular appropriations by the general assembly. The
9 department shall have the discretion to determine the appropriate amount of funds to allocate per
10 training project. The department shall disburse such appropriated funds in a timely manner into
11 the special funds established by community college districts for training projects, which funds
12 shall be used to pay training project costs. Such disbursements shall be made to the special fund
13 for each training project as provided under subsection 5 of this section. All moneys remaining
14 in the fund at the end of any fiscal year shall not lapse to the general revenue fund, as provided
15 in section 33.080, but shall remain in the fund.

16 2. There is hereby created in the state treasury a fund to be known as the "Missouri One
17 Start Community College Job Retention Training Fund", that shall be administered by the
18 department for the Missouri one start program. The department of revenue shall credit to the
19 fund, as received, all retained jobs credits. For existing Missouri businesses retaining jobs, the
20 training project may include new jobs. The fund shall also consist of any gifts, contributions,
21 grants, or bequests received from federal, private, or other sources. The general assembly,
22 however, shall not provide for any transfer of general revenue funds into the fund. Moneys in
23 the fund shall be disbursed to the department under regular appropriations by the general
24 assembly. The department shall have the discretion to determine the appropriate amount of

25 funds to allocate per training project. The department shall disburse such appropriated funds in
26 a timely manner into the special funds established by community college districts for projects,
27 which funds shall be used to pay training program costs, including the principal, premium, and
28 interest on certificates issued by the district to finance or refinance, in whole or in part, a project.
29 Such disbursements by the department shall be made to the special fund for each project as
30 provided under subsection 5 of this section. All moneys remaining in the fund at the end of any
31 fiscal year shall not lapse to the general revenue fund, as provided in section 33.080, but shall
32 remain in the fund.

33 3. The department of revenue shall develop such forms as are necessary to demonstrate
34 accurately each qualified company's new jobs credit paid into the Missouri one start community
35 college new jobs training fund or retained jobs credit paid into the Missouri one start community
36 college job retention training fund. The new or retained jobs credits shall be accounted as
37 separate from the normal withholding tax paid to the department of revenue by the qualified
38 company. Reimbursements made by all qualified companies to the Missouri one start
39 community college new jobs training fund and the Missouri one start community college job
40 retention training fund shall be no less than all allocations made by the department to all
41 community college districts for all projects. The qualified company shall remit the amount of
42 the new or retained jobs credit, as applicable, to the department of revenue in the same manner
43 as provided in sections 143.191 to 143.265.

44 4. A community college district, with the approval of the department in consultation with
45 the office of administration, may enter into an agreement to establish a training project and
46 provide training project services to a qualified company. As soon as possible after initial contact
47 between a community college district and a potential qualified company regarding the possibility
48 of entering into an agreement, the community college district shall inform the department of the
49 potential training project. The department shall evaluate the proposed training project within the
50 overall job training efforts of the state to ensure that the training project will not duplicate other
51 job training programs. The department shall have fourteen days from receipt of a notice of intent
52 to approve or disapprove a training project. If no response is received by the qualified company
53 within fourteen days, the training project shall be deemed approved. Disapproval of any training
54 project shall be made in writing and state the reasons for such disapproval. If an agreement is
55 entered into, the district and the qualified company shall notify the department of revenue within
56 fifteen calendar days. In addition to any provisions required under subsection 6 of this section
57 for a qualified company applying to receive a new or retained job credit, an agreement may
58 provide, but shall not be limited to:

59 (1) Payment of training project costs, which may be paid from one or a combination of
60 the following sources:

61 (a) Funds appropriated by the general assembly to the Missouri one start community
62 college new jobs training program fund or Missouri one start community college job retention
63 training program fund, as applicable, and disbursed by the department for the purposes consistent
64 with sections 620.800 to 620.809;

65 (b) Funds appropriated by the general assembly from the general revenue fund and
66 disbursed by the department for the purposes consistent with sections 620.800 to 620.809;

67 (c) Tuition, student fees, or special charges fixed by the board of trustees to defray
68 training project costs in whole or in part;

69 (2) Payment of training project costs which shall not be deferred for a period longer than
70 eight years;

71 (3) Costs of on-the-job training for employees which shall include wages or salaries of
72 participating employees. Payments for on-the-job training shall not exceed the average of fifty
73 percent of the total wages paid by the qualified company to each participant during the period
74 of training. Payment for on-the-job training may continue for up to six months from the date the
75 training begins;

76 (4) A provision which fixes the minimum amount of new or retained jobs credits, general
77 revenue fund appropriations, or tuition and fee payments which shall be paid for training project
78 costs; and

79 (5) Any payment required to be made by a qualified company. This payment shall
80 constitute a lien upon the qualified company's business property until paid, shall have equal
81 priority with ordinary taxes and shall not be divested by a judicial sale. Property subject to such
82 lien may be sold for sums due and delinquent at a tax sale, with the same forfeitures, penalties,
83 and consequences as for the nonpayment of ordinary taxes. The purchasers at a tax sale shall
84 obtain the property subject to the remaining payments.

85 5. (1) For projects that are funded exclusively under paragraph (a) of subdivision (1) of
86 subsection 4 of this section, the department shall disburse such funds to the special fund for each
87 training project in the same proportion as the new jobs or retained jobs credits remitted by the
88 qualified company participating in such project bears to the total new jobs or retained jobs credits
89 from withholding remitted by all qualified companies participating in projects during the period
90 for which the disbursement is made.

91 (2) Subject to appropriation, for projects that are funded through a combination of funds
92 under paragraphs (a) and (b) of subdivision (1) of subsection 4 of this section, the department
93 shall disburse funds appropriated under paragraph (b) of subdivision (1) of subsection 4 of this
94 section to the special fund for each training project upon commencement of the project. The
95 department shall disburse funds appropriated under paragraph (a) of subdivision (1) of
96 subsection 4 of this section to the special fund for each training project in the same proportion

97 as the new jobs or retained jobs credits remitted by the qualified company participating in such
98 project bears to the total new jobs or retained jobs credits from withholding remitted by all
99 qualified companies participating in projects during the period for which the disbursement is
100 made, reduced by the amount of funds appropriated under paragraph (b) of subdivision (1) of
101 subsection 4 of this section.

102 6. Any qualified company that submits a notice of intent for retained job credits shall
103 enter into an agreement, providing that the qualified company has:

104 (1) Maintained at least one hundred full-time employees per year at the project facility
105 for the calendar year preceding the year in which the application is made; and

106 (2) Made or agrees to make a new capital investment of greater than five times the
107 amount of any award under this training program at the project facility over a period of two
108 consecutive years, as certified by the qualified company and:

109 (a) Has made substantial investment in new technology requiring the upgrading of
110 employee skills; or

111 (b) Is located in a border county of the state and represents a potential risk of relocation
112 from the state; or

113 (c) Has been determined to represent a substantial risk of relocation from the state by the
114 director of the department of economic development.

115 7. If an agreement provides that all or part of the training program costs are to be met by
116 receipt of new or retained jobs credit, such new or retained jobs credit from withholding shall
117 be determined and paid as follows:

118 (1) New or retained jobs credit shall be based upon the wages paid to the employees in
119 the new or retained jobs;

120 (2) A portion of the total payments made by the qualified companies under sections
121 143.191 to 143.265 shall be designated as the new or retained jobs credit from withholding.
122 Such portion shall be an amount equal to two and one-half percent of the gross wages paid by
123 the qualified company for each of the first one hundred jobs included in the project and one and
124 one-half percent of the gross wages paid by the qualified company for each of the remaining jobs
125 included in the project. If business or employment conditions cause the amount of the new or
126 retained jobs credit from withholding to be less than the amount projected in the agreement for
127 any time period, then other withholding tax paid by the qualified company under sections
128 143.191 to 143.265 shall be credited to the applicable fund by the amount of such difference.
129 The qualified company shall remit the amount of the new or retained jobs credit to the
130 department of revenue in the manner prescribed in sections 143.191 to 143.265. When all
131 training program costs have been paid, the new or retained jobs credits shall cease;

132 (3) The community college district participating in a project shall establish a special fund
133 for and in the name of the training project. All funds appropriated by the general assembly from
134 the funds established under subsections 1 and 2 of this section and disbursed by the department
135 for the training project and other amounts received by the district for training project costs as
136 required by the agreement shall be deposited in the special fund. Amounts held in the special
137 fund shall be used and disbursed by the district only to pay training project costs for such training
138 project. The special fund may be divided into such accounts and subaccounts as shall be
139 provided in the agreement, and amounts held therein may be invested in the same manner as the
140 district's other funds;

141 (4) Any disbursement for training project costs received from the department under
142 sections 620.800 to 620.809 and deposited into the training project's special fund may be
143 irrevocably pledged by a community college district for the payment of the principal, premium,
144 and interest on the certificate issued by a community college district to finance or refinance, in
145 whole or in part, such training project;

146 (5) The qualified company shall certify to the department of revenue that the new or
147 retained jobs credit is in accordance with an agreement and shall provide other information the
148 department of revenue may require;

149 (6) An employee participating in a training project shall receive full credit under section
150 143.211 for the amount designated as a new or retained jobs credit;

151 (7) If an agreement provides that all or part of training program costs are to be met by
152 receipt of new or retained jobs credit, the provisions of this subsection shall also apply to any
153 successor to the original qualified company until the principal and interest on the certificates
154 have been paid.

155 8. To provide funds for the present payment of the training project costs of new or
156 retained jobs training project through the training program, a community college district may
157 borrow money and issue and sell certificates payable from a sufficient portion of the future
158 receipts of payments authorized by the agreement including disbursements from the Missouri one
159 start community college new jobs training fund or the Missouri one start community college job
160 retention training fund, to the special fund established by the community college district for each
161 project. The total amount of outstanding certificates sold by all community college districts shall
162 not exceed the total amount authorized under law as of January 1, 2013, unless an increased
163 amount is authorized in writing by a majority of members of the committee. The certificates
164 shall be marketed through financial institutions authorized to do business in Missouri. The
165 receipts shall be pledged to the payment of principal of and interest on the certificates.
166 Certificates may be sold at public sale or at private sale at par, premium, or discount of not less
167 than ninety-five percent of the par value thereof, at the discretion of the board of trustees, and

168 may bear interest at such rate or rates as the board of trustees shall determine, notwithstanding
169 the provisions of section 108.170 to the contrary. However, the provisions of chapter 176 shall
170 not apply to the issuance of such certificates. Certificates may be issued with respect to a single
171 project or multiple projects and may contain terms or conditions as the board of trustees may
172 provide by resolution authorizing the issuance of the certificates.

173 9. Certificates issued to refund other certificates may be sold at public sale or at private
174 sale as provided in this section, with the proceeds from the sale to be used for the payment of the
175 certificates being refunded. The refunding certificates may be exchanged in payment and
176 discharge of the certificates being refunded, in installments at different times or an entire issue
177 or series at one time. Refunding certificates may be sold or exchanged at any time on, before,
178 or after the maturity of the outstanding certificates to be refunded. They may be issued for the
179 purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a rate
180 of interest that is higher, lower, or equivalent to that of the certificates being renewed or
181 refunded.

182 10. Before certificates are issued, the board of trustees shall publish once a notice of its
183 intention to issue the certificates, stating the amount, the purpose, and the project or projects for
184 which the certificates are to be issued. A person with standing may, within fifteen days after the
185 publication of the notice, by action in the circuit court of a county in the district, appeal the
186 decision of the board of trustees to issue the certificates. The action of the board of trustees in
187 determining to issue the certificates shall be final and conclusive unless the circuit court finds
188 that the board of trustees has exceeded its legal authority. An action shall not be brought which
189 questions the legality of the certificates, the power of the board of trustees to issue the
190 certificates, the effectiveness of any proceedings relating to the authorization of the project, or
191 the authorization and issuance of the certificates from and after fifteen days from the publication
192 of the notice of intention to issue.

193 11. The board of trustees shall make a finding based on information supplied by the
194 qualified company that revenues provided in the agreement are sufficient to secure the faithful
195 performance of obligations in the agreement.

196 12. Certificates issued under this section shall not be deemed to be an indebtedness of
197 the state, the community college district, or any other political subdivision of the state, and the
198 principal and interest on any certificates shall be payable only from the sources provided in
199 subdivision (1) of subsection 4 of this section which are pledged in the agreement.

200 13. Pursuant to section 23.253 of the Missouri sunset act:

201 (1) The program authorized under sections 620.800 to 620.809 shall be reauthorized as
202 of August 28, [2018] **2020**, and shall expire on August 28, [2030] **2026**; and

203 (2) If such program is reauthorized, the program authorized under sections 620.800 to
204 620.809 shall automatically sunset [~~twelve~~] **six** years after the effective date of the
205 reauthorization of sections 620.800 to 620.809; and

206 (3) Sections 620.800 to 620.809 shall terminate on September first of the calendar year
207 immediately following the calendar year in which a program authorized under sections 620.800
208 to 620.809 is sunset.

209 14. Any agreement or obligation entered into by the department that was made under the
210 provisions of sections 620.800 to 620.809 prior to August 28, 2019, shall remain in effect
211 according to the provisions of such agreement or obligation.

620.1039. 1. As used in this section, the term "taxpayer" means an individual, a
2 partnership, or any charitable organization which is exempt from federal income tax and whose
3 Missouri unrelated business taxable income, if any, would be subject to the state income tax
4 imposed under chapter 143, or a corporation as described in section 143.441 or 143.471, or
5 section 148.370, and the term "qualified research expenses" has the same meaning as prescribed
6 in 26 U.S.C. 41.

7 2. For tax years beginning on or after January 1, 2001, the director of the department of
8 economic development may authorize a taxpayer to receive a tax credit against the tax otherwise
9 due pursuant to chapter 143, or chapter 148, other than the taxes withheld pursuant to sections
10 143.191 to 143.265, in an amount up to six and one-half percent of the excess of the taxpayer's
11 qualified research expenses, as certified by the director of the department of economic
12 development, within this state during the [~~taxable~~] **tax** year over the average of the taxpayer's
13 qualified research expenses within this state over the immediately preceding three [~~taxable~~] **tax**
14 years; except that, no tax credit shall be allowed on that portion of the taxpayer's qualified
15 research expenses incurred within this state during the [~~taxable~~] **tax** year in which the credit is
16 being claimed, to the extent such expenses exceed two hundred percent of the taxpayer's average
17 qualified research expenses incurred during the immediately preceding three [~~taxable~~] **tax** years.

18 3. The director of economic development shall prescribe the manner in which the tax
19 credit may be applied for. The tax credit authorized by this section may be claimed by the
20 taxpayer to offset the tax liability imposed by chapter 143 or chapter 148 that becomes due in
21 the tax year during which such qualified research expenses were incurred. Where the amount
22 of the credit exceeds the tax liability, the difference between the credit and the tax liability may
23 only be carried forward for the next five succeeding [~~taxable~~] **tax** years or until the full credit has
24 been claimed, whichever first occurs. The application for tax credits authorized by the director
25 pursuant to subsection 2 of this section shall be made no later than the end of the taxpayer's tax
26 period immediately following the tax period for which the credits are being claimed.

27 4. Certificates of tax credit issued pursuant to this section may be transferred, sold or
28 assigned by filing a notarized endorsement thereof with the department which names the
29 transferee and the amount of tax credit transferred. The director of economic development may
30 allow a taxpayer to transfer, sell or assign up to forty percent of the amount of the certificates of
31 tax credit issued to and not claimed by such taxpayer pursuant to this section during any tax year
32 commencing on or after January 1, 1996, and ending not later than December 31, 1999. Such
33 taxpayer shall file, by December 31, 2001, an application with the department which names the
34 transferee, the amount of tax credit desired to be transferred, and a certification that the funds
35 received by the applicant as a result of the transfer, sale or assignment of the tax credit shall be
36 expended within three years at the state university for the sole purpose of conducting research
37 activities agreed upon by the department, the taxpayer and the state university. Failure to expend
38 such funds in the manner prescribed pursuant to this section shall cause the applicant to be
39 subject to the provisions of section 620.017.

40 5. No rule or portion of a rule promulgated under the authority of this section shall
41 become effective unless it has been promulgated pursuant to the provisions of chapter 536. All
42 rulemaking authority delegated prior to June 27, 1997, is of no force and effect and repealed;
43 however, nothing in this section shall be interpreted to repeal or affect the validity of any rule
44 filed or adopted prior to June 27, 1997, if such rule complied with the provisions of chapter 536.
45 The provisions of this section and chapter 536 are nonseverable and if any of the powers vested
46 with the general assembly pursuant to chapter 536, including the ability to review, to delay the
47 effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held
48 unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and
49 contained in the order of rulemaking shall be invalid and void.

50 6. The aggregate of all tax credits authorized pursuant to this section shall not exceed
51 nine million seven hundred thousand dollars in any year.

52 7. For all tax years beginning on or after January 1, 2005, no tax credits shall be
53 approved, awarded, or issued to any person or entity claiming any tax credit under this section.

54 **8. Under section 23.253 of the Missouri sunset act:**

55 **(1) The provisions of the tax credit program authorized under this section shall**
56 **automatically sunset on December thirty-first six years after the effective date of this**
57 **section unless reauthorized by an act of the general assembly;**

58 **(2) If such program is reauthorized, the program authorized under this section**
59 **shall automatically sunset on December thirty-first six years after the effective date of the**
60 **reauthorization of this section;**

61 **(3) This section shall terminate on September first of the calendar year immediately**
62 **following the calendar year in which the program authorized under this section is sunset;**
63 **and**

64 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
65 **before this section is sunset.**

620.1881. 1. The department of economic development shall respond within thirty days
2 to a company who provides a notice of intent with either an approval or a rejection of the notice
3 of intent. The department shall give preference to qualified companies and projects targeted at
4 an area of the state which has recently been classified as a disaster area by the federal
5 government. Failure to respond on behalf of the department of economic development shall
6 result in the notice of intent being deemed an approval for the purposes of this section. A
7 qualified company who is provided an approval for a project shall be allowed a benefit as
8 provided in this program in the amount and duration provided in this section. A qualified
9 company may receive additional periods for subsequent new jobs at the same facility after the
10 full initial period if the minimum thresholds are met as set forth in sections 620.1875 to
11 620.1890. There is no limit on the number of periods a qualified company may participate in the
12 program, as long as the minimum thresholds are achieved and the qualified company provides
13 the department with the required reporting and is in proper compliance for this program or other
14 state programs. A qualified company may elect to file a notice of intent to start a new project
15 period concurrent with an existing project period if the minimum thresholds are achieved and
16 the qualified company provides the department with the required reporting and is in proper
17 compliance for this program and other state programs; however, the qualified company may not
18 receive any further benefit under the original approval for jobs created after the date of the new
19 notice of intent, and any jobs created before the new notice of intent may not be included as new
20 jobs for the purpose of benefit calculation in relation to the new approval. When a qualified
21 company has filed and received approval of a notice of intent and subsequently files another
22 notice of intent, the department shall apply the definition of project facility under subdivision
23 (19) of section 620.1878 to the new notice of intent as well as all previously approved notices
24 of intent and shall determine the application of the definitions of new job, new payroll, project
25 facility base employment, and project facility base payroll accordingly.

26 2. Notwithstanding any provision of law to the contrary, any qualified company that is
27 awarded benefits under this program may not simultaneously receive tax credits or exemptions
28 under sections 135.100 to 135.150, sections 135.200 to 135.286, section 135.535, or sections
29 135.900 to 135.906 at the same project facility. The benefits available to the company under any
30 other state programs for which the company is eligible and which utilize withholding tax from
31 the new jobs of the company must first be credited to the other state program before the

32 withholding retention level applicable under the Missouri quality jobs act will begin to accrue.
33 These other state programs include, but are not limited to, the Missouri works jobs training
34 program under sections 620.800 to 620.809, the real property tax increment allocation
35 redevelopment act, sections 99.800 to 99.865, or the Missouri downtown and rural economic
36 stimulus act under sections 99.915 to 99.980. If any qualified company also participates in the
37 Missouri works jobs training program in sections 620.800 to 620.809, the company shall retain
38 no withholding tax, but the department shall issue a refundable tax credit for the full amount of
39 benefit allowed under this ~~[subdivision]~~ **subsection**. The calendar year annual maximum amount
40 of tax credits which may be issued to a qualifying company that also participates in the new job
41 training program shall be increased by an amount equivalent to the withholding tax retained by
42 that company under the new jobs training program. However, if the combined benefits of the
43 quality jobs program and the new jobs training program exceed the projected state benefit of the
44 project, as determined by the department of economic development through a cost-benefit
45 analysis, the increase in the maximum tax credits shall be limited to the amount that would not
46 cause the combined benefits to exceed the projected state benefit. Any taxpayer who is awarded
47 benefits under this program who knowingly hires individuals who are not allowed to work
48 legally in the United States shall immediately forfeit such benefits and shall repay the state an
49 amount equal to any state tax credits already redeemed and any withholding taxes already
50 retained.

51 3. The types of projects and the amount of benefits to be provided are:

52 (1) Small and expanding business projects: in exchange for the consideration provided
53 by the new tax revenues and other economic stimuli that will be generated by the new jobs
54 created by the program, a qualified company may retain an amount equal to the withholding tax
55 as calculated under subdivision(33) of section 620.1878 from the new jobs that would otherwise
56 be withheld and remitted by the qualified company under the provisions of sections 143.191 to
57 143.265 for a period of three years from the date the required number of new jobs were created
58 if the average wage of the new payroll equals or exceeds the county average wage or for a period
59 of five years from the date the required number of new jobs were created if the average wage of
60 the new payroll equals or exceeds one hundred twenty percent of the county average wage;

61 (2) Technology business projects: in exchange for the consideration provided by the new
62 tax revenues and other economic stimuli that will be generated by the new jobs created by the
63 program, a qualified company may retain an amount equal to a maximum of five percent of new
64 payroll for a period of five years from the date the required number of jobs were created from
65 the withholding tax of the new jobs that would otherwise be withheld and remitted by the
66 qualified company under the provisions of sections 143.191 to 143.265 if the average wage of
67 the new payroll equals or exceeds the county average wage. An additional one-half percent of

68 new payroll may be added to the five percent maximum if the average wage of the new payroll
69 in any year exceeds one hundred twenty percent of the county average wage in the county in
70 which the project facility is located, plus an additional one-half percent of new payroll may be
71 added if the average wage of the new payroll in any year exceeds one hundred forty percent of
72 the average wage in the county in which the project facility is located. The department shall
73 issue a refundable tax credit for any difference between the amount of benefit allowed under this
74 subdivision and the amount of withholding tax retained by the company, in the event the
75 withholding tax is not sufficient to provide the entire amount of benefit due to the qualified
76 company under this subdivision;

77 (3) High impact projects: in exchange for the consideration provided by the new tax
78 revenues and other economic stimuli that will be generated by the new jobs created by the
79 program, a qualified company may retain an amount from the withholding tax of the new jobs
80 that would otherwise be withheld and remitted by the qualified company under the provisions
81 of sections 143.191 to 143.265, equal to three percent of new payroll for a period of five years
82 from the date the required number of jobs were created if the average wage of the new payroll
83 equals or exceeds the county average wage of the county in which the project facility is located.
84 For high-impact projects in a facility located within two adjacent counties, the new payroll shall
85 equal or exceed the higher county average wage of the adjacent counties. The percentage of
86 payroll allowed under this subdivision shall be three and one-half percent of new payroll if the
87 average wage of the new payroll in any year exceeds one hundred twenty percent of the county
88 average wage in the county in which the project facility is located. The percentage of payroll
89 allowed under this subdivision shall be four percent of new payroll if the average wage of the
90 new payroll in any year exceeds one hundred forty percent of the county average wage in the
91 county in which the project facility is located. An additional one percent of new payroll may be
92 added to these percentages if local incentives equal between ten percent and twenty-four percent
93 of the new direct local revenue; an additional two percent of new payroll is added to these
94 percentages if the local incentives equal between twenty-five percent and forty-nine percent of
95 the new direct local revenue; or an additional three percent of payroll is added to these
96 percentages if the local incentives equal fifty percent or more of the new direct local revenue.
97 The department shall issue a refundable tax credit for any difference between the amount of
98 benefit allowed under this subdivision and the amount of withholding tax retained by the
99 company, in the event the withholding tax is not sufficient to provide the entire amount of benefit
100 due to the qualified company under this subdivision;

101 (4) Job retention projects: a qualified company may receive a tax credit for the retention
102 of jobs in this state, provided the qualified company and the project meets all of the following
103 conditions:

104 (a) For each of the twenty-four months preceding the year in which application for the
105 program is made the qualified company must have maintained at least one thousand full-time
106 employees at the employer's site in the state at which the jobs are based, and the average wage
107 of such employees must meet or exceed the county average wage;

108 (b) The qualified company retained at the project facility the level of full-time employees
109 that existed in the ~~taxable~~ tax year immediately preceding the year in which application for the
110 program is made;

111 (c) The qualified company is considered to have a significant statewide effect on the
112 economy, and has been determined to represent a substantial risk of relocation from the state by
113 the quality jobs advisory task force established in section 620.1887; provided, however, until
114 such time as the initial at-large members of the quality jobs advisory task force are appointed,
115 this determination shall be made by the director of the department of economic development;

116 (d) The qualified company in the project facility will cause to be invested a minimum
117 of seventy million dollars in new investment prior to the end of two years or will cause to be
118 invested a minimum of thirty million dollars in new investment prior to the end of two years and
119 maintain an annual payroll of at least seventy million dollars during each of the years for which
120 a credit is claimed; and

121 (e) The local taxing entities shall provide local incentives of at least fifty percent of the
122 new direct local revenues created by the project over a ten-year period.

123

124 The quality jobs advisory task force may recommend to the department of economic
125 development that appropriate penalties be applied to the company for violating the agreement.
126 The amount of the job retention credit granted may be equal to up to fifty percent of the amount
127 of withholding tax generated by the full-time jobs at the project facility for a period of five years.
128 The calendar year annual maximum amount of tax credit that may be issued to any qualified
129 company for a job retention project or combination of job retention projects shall be seven
130 hundred fifty thousand dollars per year, but the maximum amount may be increased up to one
131 million dollars if such action is proposed by the department and approved by the quality jobs
132 advisory task force established in section 620.1887; provided, however, until such time as the
133 initial at-large members of the quality jobs advisory task force are appointed, this determination
134 shall be made by the director of the department of economic development. In considering such
135 a request, the task force shall rely on economic modeling and other information supplied by the
136 department when requesting the increased limit on behalf of the job retention project. In no
137 event shall the total amount of all tax credits issued for the entire job retention program under
138 this subdivision exceed three million dollars annually. Notwithstanding the above, no tax credits
139 shall be issued for job retention projects approved by the department after August 30, 2013;

140 (5) Small business job retention and flood survivor relief: a qualified company may
141 receive a tax credit under sections 620.1875 to 620.1890 for the retention of jobs and flood
142 survivor relief in this state for each job retained over a three-year period, provided that:

143 (a) The qualified company did not receive any state or federal benefits, incentives, or tax
144 relief or abatement in locating its facility in a flood plain;

145 (b) The qualified company and related companies have fewer than one hundred
146 employees at the time application for the program is made;

147 (c) The average wage of the qualified company's and related companies' employees must
148 meet or exceed the county average wage;

149 (d) All of the qualified company's and related companies' facilities are located in this
150 state;

151 (e) The facilities at the primary business site in this state have been directly damaged by
152 floodwater rising above the level of a five hundred year flood at least two years, but fewer than
153 eight years, prior to the time application is made;

154 (f) The qualified company made significant efforts to protect the facilities prior to any
155 impending danger from rising floodwaters;

156 (g) For each year it receives tax credits under sections 620.1875 to 620.1890, the
157 qualified company and related companies retained, at the company's facilities in this state, at
158 least the level of full-time, year-round employees that existed in the [taxable] tax year
159 immediately preceding the year in which application for the program is made; and

160 (h) In the years it receives tax credits under sections 620.1875 to 620.1890, the company
161 cumulatively invests at least two million dollars in capital improvements in facilities and
162 equipment located at such facilities that are not located within a five hundred year flood plain
163 as designated by the Federal Emergency Management Agency, and amended from time to time.
164 The amount of the small business job retention and flood survivor relief credit granted may be
165 equal to up to one hundred percent of the amount of withholding tax generated by the full-time
166 jobs at the project facility for a period of three years. The calendar year annual maximum
167 amount of tax credit that may be issued to any qualified company for a small business job
168 retention and survivor relief project shall be two hundred fifty thousand dollars per year, but the
169 maximum amount may be increased up to five hundred thousand dollars if such action is
170 proposed by the department and approved by the quality jobs advisory task force established in
171 section 620.1887. In considering such a request, the task force shall rely on economic modeling
172 and other information supplied by the department when requesting an increase in the limit on
173 behalf of the small business job retention and flood survivor relief project. In no event shall the
174 total amount of all tax credits issued for the entire small business job retention and flood survivor
175 relief program under this subdivision exceed five hundred thousand dollars annually.

176 Notwithstanding the provisions of this subdivision to the contrary, no tax credits shall be issued
177 for small business job retention and flood survivor relief projects approved by the department
178 after August 30, 2010.

179 4. The qualified company shall provide an annual report of the number of jobs and such
180 other information as may be required by the department to document the basis for the benefits
181 of this program. The department may withhold the approval of any benefits until it is satisfied
182 that proper documentation has been provided, and shall reduce the benefits to reflect any
183 reduction in full-time employees or new payroll. Upon approval by the department, the qualified
184 company may begin the retention of the withholding taxes when it reaches the minimum number
185 of new jobs and the average wage exceeds the county average wage. Tax credits, if any, may be
186 issued upon satisfaction by the department that the qualified company has exceeded the county
187 average wage and the minimum number of new jobs. In such annual report, if the average wage
188 is below the county average wage, the qualified company has not maintained the employee
189 insurance as required, or if the number of new jobs is below the minimum, the qualified
190 company shall not receive tax credits or retain the withholding tax for the balance of the benefit
191 period. In the case of a qualified company that initially filed a notice of intent and received an
192 approval from the department for high-impact benefits and the minimum number of new jobs
193 in an annual report is below the minimum for high-impact projects, the company shall not
194 receive tax credits for the balance of the benefit period but may continue to retain the
195 withholding taxes if it otherwise meets the requirements of a small and expanding business under
196 this program.

197 5. The maximum calendar year annual tax credits issued for the entire program shall not
198 exceed eighty million dollars. Notwithstanding any provision of law to the contrary, the
199 maximum annual tax credits authorized under section 135.535 are hereby reduced from ten
200 million dollars to eight million dollars, with the balance of two million dollars transferred to this
201 program. There shall be no limit on the amount of withholding taxes that may be retained by
202 approved companies under this program.

203 6. The department shall allocate the annual tax credits based on the date of the approval,
204 reserving such tax credits based on the department's best estimate of new jobs and new payroll
205 of the project, and the other factors in the determination of benefits of this program. However,
206 the annual issuance of tax credits is subject to the annual verification of the actual new payroll.
207 The allocation of tax credits for the period assigned to a project shall expire if, within two years
208 from the date of commencement of operations, or approval if applicable, the minimum
209 thresholds have not been achieved. The qualified company may retain authorized amounts from
210 the withholding tax under this section once the minimum new jobs thresholds are met for the
211 duration of the project period. No benefits shall be provided under this program until the

212 qualified company meets the minimum new jobs thresholds. In the event the qualified company
213 does not meet the minimum new job threshold, the qualified company may submit a new notice
214 of intent or the department may provide a new approval for a new project of the qualified
215 company at the project facility or other facilities.

216 7. For a qualified company with flow-through tax treatment to its members, partners, or
217 shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion
218 to their share of ownership on the last day of the qualified company's tax period.

219 8. Tax credits may be claimed against taxes otherwise imposed by chapters 143 and 148,
220 and may not be carried forward but shall be claimed within one year of the close of the [taxable]
221 tax year for which they were issued, except as provided under subdivision (4) of subsection 3
222 of this section.

223 9. Tax credits authorized by this section may be transferred, sold, or assigned by filing
224 a notarized endorsement thereof with the department that names the transferee, the amount of
225 tax credit transferred, and the value received for the credit, as well as any other information
226 reasonably requested by the department.

227 10. Prior to the issuance of tax credits, the department shall verify through the
228 department of revenue, or any other state department, that the tax credit applicant does not owe
229 any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent
230 fees or assessments levied by any state department and through the department of commerce and
231 insurance that the applicant does not owe any delinquent insurance taxes. Such delinquency
232 shall not affect the authorization of the application for such tax credits, except that at issuance
233 credits shall be first applied to the delinquency and any amount issued shall be reduced by the
234 applicant's tax delinquency. If the department of revenue or the department of commerce and
235 insurance, or any other state department, concludes that a taxpayer is delinquent after June
236 fifteenth but before July first of any year and the application of tax credits to such delinquency
237 causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty
238 days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled.
239 After applying all available credits toward a tax delinquency, the administering agency shall
240 notify the appropriate department and that department shall update the amount of outstanding
241 delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income,
242 sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject
243 to the restrictions of other provisions of law.

244 11. Except as provided under subdivision (4) of subsection 3 of this section, the director
245 of revenue shall issue a refund to the qualified company to the extent that the amount of credits
246 allowed in this section exceeds the amount of the qualified company's income tax.

247 12. An employee of a qualified company will receive full credit for the amount of tax
 248 withheld as provided in section 143.211.

249 13. If any provision of sections 620.1875 to 620.1890 or application thereof to any
 250 person or circumstance is held invalid, the invalidity shall not affect other provisions or
 251 application of these sections which can be given effect without the invalid provisions or
 252 application, and to this end, the provisions of sections 620.1875 to 620.1890 are hereby declared
 253 severable.

254 **14. Under section 23.253 of the Missouri sunset act:**

255 **(1) The provisions of the tax credits authorized under this section shall**
 256 **automatically sunset on December thirty-first six years after the effective date of this**
 257 **section unless reauthorized by an act of the general assembly;**

258 **(2) If such credit is reauthorized, the program authorized under this section shall**
 259 **automatically sunset on December thirty-first six years after the effective date of the**
 260 **reauthorization of this section;**

261 **(3) The provisions of the tax credit shall terminate on September first of the**
 262 **calendar year immediately following the calendar year in which the credit authorized**
 263 **under this section is sunset; and**

264 **(4) Nothing in this subsection shall prohibit the redemption of tax credits issued**
 265 **before this section is sunset.**

620.2020. 1. The department shall respond to a written request, by or on behalf of a
 2 qualified company or qualified military project, for a proposed benefit award under the
 3 provisions of this program within five business days of receipt of such request. The department
 4 shall respond to a written request, by or on behalf of a qualified manufacturing company, for a
 5 proposed benefit award under the provisions of this program within fifteen business days of
 6 receipt of such request. Such response shall contain either a proposal of benefits for the qualified
 7 company or qualified military project, or a written response refusing to provide such a proposal
 8 and stating the reasons for such refusal. A qualified company or qualified military project that
 9 intends to seek benefits under the program shall submit to the department a notice of intent. The
 10 department shall respond within thirty days to a notice of intent with an approval or a rejection,
 11 provided that the department may withhold approval or provide a contingent approval until it is
 12 satisfied that proper documentation of eligibility has been provided. The department shall certify
 13 or reject the qualifying company's plan outlined in their notice of intent as satisfying good faith
 14 efforts made to employ, at a minimum, commensurate with the percentage of minority
 15 populations in the state of Missouri, as reported in the previous decennial census, the following:
 16 racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at
 17 a minimum racial minorities commensurate with the percentage of minority populations in the

18 state of Missouri, as reported in the previous decennial census. Failure to respond on behalf of
19 the department shall result in the notice of intent being deemed approved. A qualified company
20 receiving approval for program benefits may receive additional benefits for subsequent new jobs
21 at the same facility after the full initial project period if the applicable minimum job requirements
22 are met. There shall be no limit on the number of project periods a qualified company may
23 participate in the program, and a qualified company may elect to file a notice of intent to begin
24 a new project period concurrent with an existing project period if the applicable minimum job
25 requirements are achieved, the qualified company provides the department with the required
26 annual reporting, and the qualified company is in compliance with this program and any other
27 state programs in which the qualified company is currently or has previously participated.
28 However, the qualified company shall not receive any further program benefits under the original
29 approval for any new jobs created after the date of the new notice of intent, and any jobs created
30 before the new notice of intent shall not be included as new jobs for purposes of the benefit
31 calculation for the new approval. When a qualified company has filed and received approval of
32 a notice of intent and subsequently files another notice of intent, the department shall apply the
33 definition of project facility under subdivision (24) of section 620.2005 to the new notice of
34 intent as well as all previously approved notices of intent and shall determine the application of
35 the definitions of new job, new payroll, project facility base employment, and project facility
36 base payroll accordingly.

37 2. Notwithstanding any provision of law to the contrary, the benefits available to the
38 qualified company under any other state programs for which the company is eligible and which
39 utilize withholding tax from the new or retained jobs of the company shall first be credited to the
40 other state program before the withholding retention level applicable under this program will
41 begin to accrue. If any qualified company also participates in a job training program utilizing
42 withholding tax, the company shall retain no withholding tax under this program, but the
43 department shall issue a refundable tax credit for the full amount of benefit allowed under this
44 program. The calendar year annual maximum amount of tax credits which may be issued to a
45 qualifying company that also participates in a job training program shall be increased by an
46 amount equivalent to the withholding tax retained by that company under a jobs training
47 program.

48 3. A qualified company or qualified military project receiving benefits under this
49 program shall provide an annual report of the number of jobs, along with minority jobs created
50 or retained, and such other information as may be required by the department to document the
51 basis for program benefits available no later than ninety days prior to the end of the qualified
52 company's or industrial development authority's tax year immediately following the tax year for
53 which the benefits provided under the program are attributed. In such annual report, if the

54 average wage is below the applicable percentage of the county average wage, the qualified
55 company or qualified military project has not maintained the employee insurance as required,
56 if the department after a review determines the qualifying company fails to satisfy other aspects
57 of their notice of intent, including failure to make good faith efforts to employ, at a minimum,
58 commensurate with the percentage of minority populations in the state of Missouri, as reported
59 in the previous decennial census, the following: racial minorities, contractors who are racial
60 minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate
61 with the percentage of minority populations in the state of Missouri, as reported in the previous
62 decennial census, or if the number of jobs is below the number required, the qualified company
63 or qualified military project shall not receive tax credits or retain the withholding tax for the
64 balance of the project period. Failure to timely file the annual report required under this section
65 shall result in the forfeiture of tax credits attributable to the year for which the reporting was
66 required and a recapture of withholding taxes retained by the qualified company or qualified
67 military project during such year.

68 4. The department may withhold the approval of any benefits under this program until
69 it is satisfied that proper documentation has been provided, and shall reduce the benefits to
70 reflect any reduction in full-time employees or payroll. Upon approval by the department, the
71 qualified company may begin the retention of the withholding taxes when it reaches the required
72 number of jobs and the average wage meets or exceeds the applicable percentage of county
73 average wage. Tax credits, if any, may be issued upon satisfaction by the department that the
74 qualified company has exceeded the applicable percentage of county average wage and the
75 required number of jobs; provided that, tax credits awarded under subsection 7 of section
76 620.2010 may be issued following the qualified company's acceptance of the department's
77 proposal and pursuant to the requirements set forth in the written agreement between the
78 department and the qualified company under subsection 4 of section 620.2010.

79 5. Any qualified company or qualified military project approved for benefits under this
80 program shall provide to the department, upon request, any and all information and records
81 reasonably required to monitor compliance with program requirements. This program shall be
82 considered a business recruitment tax credit under subdivision (4) of subsection 2 of section
83 135.800, and any qualified company or qualified military project approved for benefits under this
84 program shall be subject to the provisions of sections 135.800 to 135.830.

85 6. Any taxpayer who is awarded benefits under this program who knowingly hires
86 individuals who are not allowed to work legally in the United States shall immediately forfeit
87 such benefits and shall repay the state an amount equal to any state tax credits already redeemed
88 and any withholding taxes already retained.

89 7. (1) The maximum amount of tax credits that may be authorized under this program
90 for any fiscal year shall be limited as follows, less the amount of any tax credits previously
91 obligated for that fiscal year under any of the tax credit programs referenced in subsection 14 of
92 this section:

93 (a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014,
94 no more than one hundred six million dollars in tax credits may be authorized;

95 (b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015,
96 no more than one hundred eleven million dollars in tax credits may be authorized;

97 (c) For fiscal years beginning on or after July 1, 2015, but ending on or before June 30,
98 2020, no more than one hundred sixteen million dollars in tax credits may be authorized for each
99 fiscal year; and

100 (d) For all fiscal years beginning on or after July 1, 2020, no more than one hundred six
101 million dollars in tax credits may be authorized for each fiscal year. The provisions of this
102 paragraph shall not apply to tax credits issued to qualified companies under a notice of intent
103 filed prior to July 1, 2020.

104 (2) For all fiscal years beginning on or after July 1, 2020, in addition to the amount of
105 tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an
106 additional ten million dollars in tax credits may be authorized for each fiscal year for the purpose
107 of the completion of infrastructure projects directly connected with the creation or retention of
108 jobs under the provisions of sections 620.2000 to 620.2020 and an additional ten million dollars
109 in tax credits may be authorized for each fiscal year for a qualified manufacturing company based
110 on a manufacturing capital investment as set forth in section 620.2010.

111 8. For all fiscal years beginning on or after July 1, 2020, the maximum total amount of
112 withholding tax that may be authorized for retention for the creation of new jobs under the
113 provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base
114 employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year.
115 The provisions of this subsection shall not apply to withholding tax authorized for retention for
116 the creation of new jobs by qualified companies with a project facility base employment of less
117 than fifty.

118 9. For tax credits for the creation of new jobs under section 620.2010, the department
119 shall allocate the annual tax credits based on the date of the approval, reserving such tax credits
120 based on the department's best estimate of new jobs and new payroll of the project, and any other
121 applicable factors in determining the amount of benefits available to the qualified company or
122 qualified military project under this program; provided that, the department may reserve up to
123 twenty-one and one-half percent of the maximum annual amount of tax credits that may be
124 authorized under subsection 7 of this section for award under subsection 7 of section 620.2010.

125 However, the annual issuance of tax credits shall be subject to annual verification of actual
126 payroll by the department or, for qualified military projects, annual verification of average salary
127 for the jobs directly created by the qualified military project. Any authorization of tax credits
128 shall expire if, within two years from the date of commencement of operations, or approval if
129 applicable, the qualified company has failed to meet the applicable minimum job requirements.
130 The qualified company may retain authorized amounts from the withholding tax under the
131 project once the applicable minimum job requirements have been met for the duration of the
132 project period. No benefits shall be provided under this program until the qualified company or
133 qualified military project meets the applicable minimum new job requirements or, for benefits
134 awarded under subsection 7 of section 620.2010, until the qualified company has satisfied the
135 requirements set forth in the written agreement between the department and the qualified
136 company under subsection 4 of section 620.2010. In the event the qualified company or
137 qualified military project does not meet the applicable minimum new job requirements, the
138 qualified company or qualified military project may submit a new notice of intent or the
139 department may provide a new approval for a new project of the qualified company or qualified
140 military project at the project facility or other facilities.

141 10. Tax credits provided under this program may be claimed against taxes otherwise
142 imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within
143 one year of the close of the [taxable] tax year for which they were issued. Tax credits provided
144 under this program may be transferred, sold, or assigned by filing a notarized endorsement
145 thereof with the department that names the transferee, the amount of tax credit transferred, and
146 the value received for the credit, as well as any other information reasonably requested by the
147 department. For a qualified company with flow-through tax treatment to its members, partners,
148 or shareholders, the tax credit shall be allowed to members, partners, or shareholders in
149 proportion to their share of ownership on the last day of the qualified company's tax period.

150 11. Prior to the issuance of tax credits or the qualified company beginning to retain
151 withholding taxes, the department shall verify through the department of revenue and any other
152 applicable state department that the tax credit applicant does not owe any delinquent income,
153 sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments
154 levied by any state department and through the department of commerce and insurance that the
155 applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not
156 affect the approval, except that any tax credits issued shall be first applied to the delinquency and
157 any amount issued shall be reduced by the applicant's tax delinquency. If the department of
158 revenue, the department of commerce and insurance, or any other state department concludes that
159 a taxpayer is delinquent after June fifteenth but before July first of any year and the application
160 of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then

161 the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and
162 additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the
163 administering agency shall notify the appropriate department and that department shall update
164 the amount of outstanding delinquent tax owed by the applicant. If any credits remain after
165 satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be
166 issued to the applicant, subject to the restrictions of other provisions of law.

167 12. The director of revenue shall issue a refund to the qualified company to the extent
168 that the amount of tax credits allowed under this program exceeds the amount of the qualified
169 company's tax liability under chapter 143 or 148.

170 13. An employee of a qualified company shall receive full credit for the amount of tax
171 withheld as provided in section 143.211.

172 14. Notwithstanding any provision of law to the contrary, beginning August 28, 2013,
173 no new benefits shall be authorized for any project that had not received from the department a
174 proposal or approval for such benefits prior to August 28, 2013, under the development tax credit
175 program created under sections 32.100 to 32.125, the rebuilding communities tax credit program
176 created under section 135.535, the enhanced enterprise zone tax credit program created under
177 sections 135.950 to 135.973, and the Missouri quality jobs program created under sections
178 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair
179 the ability of any administering agency to authorize or issue benefits for any project that had
180 received an approval or a proposal from the department under any of the programs referenced
181 in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax
182 credits or to retain any withholding tax under an approval issued prior to that date. The
183 provisions of this subsection shall not be construed to limit or in any way impair the ability of
184 any governing authority to provide any local abatement or designate a new zone under the
185 enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any
186 provision of law to the contrary, no qualified company that is awarded benefits under this
187 program shall:

188 (1) Simultaneously receive benefits under the programs referenced in this subsection at
189 the same capital investment; or

190 (2) Receive benefits under the provisions of section 620.1910 for the same jobs.

191 15. If any provision of sections 620.2000 to 620.2020 or application thereof to any
192 person or circumstance is held invalid, the invalidity shall not affect other provisions or
193 application of these sections which can be given effect without the invalid provisions or
194 application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared
195 severable.

196 16. By no later than January 1, 2014, and the first day of each calendar quarter thereafter,
197 the department shall present a quarterly report to the general assembly detailing the benefits
198 authorized under this program during the immediately preceding calendar quarter to the extent
199 such information may be disclosed under state and federal law. The report shall include, at a
200 minimum:

201 (1) A list of all approved and disapproved applicants for each tax credit;

202 (2) A list of the aggregate amount of new or retained jobs that are directly attributable
203 to the tax credits authorized;

204 (3) A statement of the aggregate amount of new capital investment directly attributable
205 to the tax credits authorized;

206 (4) Documentation of the estimated net state fiscal benefit for each authorized project
207 and, to the extent available, the actual benefit realized upon completion of such project or
208 activity; and

209 (5) The department's response time for each request for a proposed benefit award under
210 this program.

211 17. The department may adopt such rules, statements of policy, procedures, forms, and
212 guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020.
213 Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the
214 authority delegated in this section shall become effective only if it complies with and is subject
215 to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
216 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant
217 to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are
218 subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed
219 or adopted after August 28, 2013, shall be invalid and void.

220 18. Under section 23.253 of the Missouri sunset act:

221 (1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall
222 be reauthorized as of August 28, [2018] **2020**, and shall expire on August 28, [2030] **2026**; and

223 (2) If such program is reauthorized, the program authorized under this section shall
224 automatically sunset [~~twelve~~] **six** years after the effective date of the reauthorization of sections
225 620.2000 to 620.2020; and

226 (3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar
227 year immediately following the calendar year in which the program authorized under sections
228 620.2000 to 620.2020 is sunset.
