- (c) The sports governing body or other designee does not obtain a sports wagering supplier's license to the extent required by law.
- (4) When evaluating whether official league data is being offered on commercially reasonable terms as provided in subdivision (3) of this subsection, the commission may consider the following and any other factors:
- (a) The availability of a sports governing body's tier two official league data to a sports wagering operator from more than one authorized source;
