Second Regular Session, 100th GENERAL ASSEMBLY

FIFTY-FIFTH DAY, MONDAY, MAY 4, 2020

The House met pursuant to adjournment.

Speaker Pro Tem Wiemann in the Chair.

Prayer by Representative Ken Wilson.

Heavenly Father, it is our prayer that during these few minutes of prayer that they be filled with meaning, with peace and comfort to each member here this morning. Father, we ask for Your guidance for this day, because we know that we need only to concern ourselves with issues of this day. May your blessings of good health and safety be upon the members of this body. We pray for the family members at home as they continue to maintain a home and life. We pray for understanding and guidance, as we have so many things to do and so little time to do them in. Help us, Father, to make wise choices and proper use of our time. May this brief time of prayer find each member, in their own way, reaching out to You for Your help and guidance in all that we do this day. Hear our prayers this day.

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-second day was approved as printed.

The Journal of the fifty-third day was approved as corrected.

The Journal of the fifty-fourth day was approved as printed by the following vote:

4. Notwithstanding any provision of law to the contrary, in addition to the benefits available pursuant to subsections 2 and 3 of this section, for the duration of the project period, the state tax liability of the qualified company shall not exceed such qualified company's state tax liability for the tax year prior to the tax year in which the qualified company's project period for an eligible project begins. The department of revenue shall promulgate rules and regulations to implement the provisions of this subsection. Any rule or

portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

Such authorizing resolution shall specify the percent of the exemption to be granted, the political subdivisions to which such exemption is to apply, the duration of the exemption to be granted, provided the exemption shall not apply after the end of the project period, and any other terms, conditions or stipulations otherwise required. A copy of the resolution shall be provided to the department within thirty calendar days following adoption of the resolution by the governing authority.

6. A qualified company that intends to seek benefits pursuant to this section shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with a proposal of benefits or a written response refusing to provide such a proposal and stating the reasons for such refusal, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. A qualified company that has been refused a proposal of benefits may resubmit a notice of intent for the eligible project. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved.

7. In evaluating a qualified company's notice of intent pursuant to this section, the department shall consider the following factors:

- (1) The significance of the qualified company's need for program benefits;
- (2) The amount of projected net fiscal benefit to the state of the project and the period in which the state would realize such net fiscal benefit;
- (3) The overall size and quality of the proposed project, including the number of new jobs, new capital investment, proposed wages, growth potential of the qualified company, the potential multiplier effect of the project, and similar factors;
- (4) The financial stability and creditworthiness of the qualified company;
- (5) The level of economic distress in the area;
- (6) An evaluation of the competitiveness of alternative locations for the project facility, as applicable; and
- (7) Any other factor required by the department.

8. Upon approval of a notice of intent and issuance of a proposal of benefits, the department and the qualified company shall enter into a written agreement covering the applicable project period. The agreement shall specify, at a minimum:

- (1) The committed number of new jobs and new capital investment for each year during the project period;
- (2) Clawback provisions, as may be required by the department;

If the department determines the qualifying company fails to satisfy the provisions of the notice of intent, the qualified company shall not receive any benefits for the balance of the project period. Failure to timely file the annual report required pursuant to this subsection shall result in the recapture of withholding taxes retained by the qualified company during such year. Qualified companies approved for benefits pursuant to this section shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements.

**10. Any qualified company that is awarded benefits pursuant to this section that knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state and local taxing jurisdictions, as applicable, an amount equal to any state or local tax benefits awarded pursuant to this section.**

**11. Notwithstanding any provision of law to the contrary, no qualified company shall simultaneously receive benefits pursuant to any other program for the capital investment or new jobs created for which the qualified company is seeking benefits pursuant to this section.**

**12. The department shall adopt rules and regulations to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.**

**13. Under section 23.253 of the Missouri sunset act:**

**(1) The provisions of the new program authorized under this section shall automatically sunset five years after the effective date of this section unless reauthorized by an act of the general assembly;**

**(2) If such program is reauthorized, the program authorized under this section shall automatically sunset ten years after the effective date of the reauthorization of this section;**

**(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and**

**(4) Nothing in this subsection shall prevent a qualified company from receiving benefits awarded pursuant to this section during the project period."; and**

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Reedy offered **House Amendment No. 4.**

*House Amendment No. 4*

AMEND House Bill No. 1710, Page 2, Section 53.010, Line 24, by inserting after all of said section and line the following:

**"137.084. 1. Notwithstanding the provisions of sections 137.075 and 137.080 to the contrary, a building or other structure that is used as commercial property, newly constructed and occupied on any parcel of real property, shall be assessed and taxed on such assessed valuation as of the first day of the month following the date of occupancy for the proportionate part of the remaining year at the tax rates established for that year, in all taxing jurisdictions located in the county adopting this section as provided in subsection 8 of this section. Newly constructed commercial property that has never been occupied shall not be assessed as improved real property until such occupancy or January first of the year following the year in which construction of the improvements is completed. The provisions of this subsection shall apply in any county in which the governing body has previously adopted or hereafter adopts the provisions of this subsection. For purposes of this section, the term "county" shall include any county and any city not within a county.**

**2. The assessor may consider a property commercially occupied upon personal verification or if any two of the following conditions have been met:**

- (1) An occupancy permit has been issued for the property;**
- (2) A deed transferring ownership from one party to another has been filed with the recorder of deeds' office subsequent to the date of the first permanent utility service;**
- (3) A utility company providing service in the county has verified a transfer of service for property from one party to another;**
- (4) The person or persons occupying the newly constructed property have registered a change of address with any local, state, or federal governmental office or agency.**

**3. In implementing the provisions of this section, the assessor may use occupancy permits, building permits, warranty deeds, utility connection documents including telephone connections, or other official documents as may be necessary to discover the existence of newly constructed properties. No utility company shall refuse to provide verification monthly to the assessor of a utility connection to a newly occupied commercial property.**

**4. In the event that the assessment under subsections 1 and 2 of this section is not completed until after the deadline for filing appeals in a given tax year, the owner of the newly constructed property who is aggrieved by the assessment of the property may appeal this assessment the following year to the county board of equalization in accordance with chapter 138 and may pay any taxes under protest in accordance with section 139.031; provided, however, that such payment under protest shall not be required as a condition of appealing to the county board of equalization. The collector shall impound such protested taxes and shall not disburse such taxes until resolution of the appeal.**

5. The increase in assessed valuation resulting from the implementation of the provisions of this section shall be considered new construction and improvements under the provisions of this chapter.

6. In counties that adopt the provisions of subsections 1 to 7 of this section, an amount not to exceed ten percent of all ad valorem property tax collections on newly constructed and occupied commercial property allocable to each taxing authority within counties of the first classification having a population of nine hundred thousand or more, one-tenth of one percent of all ad valorem property tax collections allocable to each taxing authority within all other counties of the first classification and one-fifth of one percent of all ad valorem property tax collections allocable to each taxing authority within counties of the second, third and fourth classifications and any county of the first classification having a population of at least eighty-two thousand inhabitants, but less than eighty-two thousand one hundred inhabitants, in addition to the amount prescribed by section 137.720 shall be deposited into the assessment fund of the county for collection costs.

7. For purposes of calculating the tax due on such newly constructed commercial property, the assessor or the board of equalization shall place the full amount of the assessed valuation on the tax book upon the first day of the month following occupancy. Such assessed valuation shall be taxed for each month of the year following such date at its new assessed valuation, and for each month of the year preceding such date at its previous valuation. The percentage derived from dividing the number of months at which the property is taxed at its new valuation by twelve shall be applied to the total assessed valuation of the new construction and improvements, and such percentage shall be included in the next year's base for the purposes of calculating the next year's tax levy rollback. The untaxed percentage shall be considered as new construction and improvements in the following year and shall be exempt from the rollback provisions.

8. The provisions of subsections 1 to 7 of this section shall be effective in any county in which the governing body of such county elects to adopt a proposal to implement such provisions. Such subsections shall become effective in such county on January first of the year following the election.

9. In any county that adopts the provisions of subsections 1 to 7 of this section prior to June first in any year under subsection 8 of this section, the assessor of such county shall, upon application of the property owner, remove on a pro rata basis from the tax book for the current year any commercial real property improvements destroyed by a natural disaster if such property is unoccupied and uninhabitable due to such destruction. On or after the first day of July, the board of equalization shall perform such duties. Any person claiming such destroyed property shall provide a list of such destroyed property to the county assessor. The assessor shall have available a supply of appropriate forms on which the claim shall be made. The assessor may verify all such destroyed property listed to ensure that the person made a correct statement. Any person who completes such a list and, with intent to defraud, includes property on the list that was not destroyed by a natural disaster shall, in addition to any other penalties provided by law, be assessed double the value of any property fraudulently listed. The list shall be filed by the assessor, after he or she has provided a copy of the list to the county collector and the board of equalization, in the office of the county clerk who, after entering the filing thereof, shall preserve and safely keep them. If the assessor, subsequent to such destruction, considers such property occupied as provided in subsection 2 of this section, the assessor shall consider such property new construction and improvements and shall assess such property accordingly as provided in subsection 1 of this section. For the purposes of this section, the term "natural disaster" means any disaster due to natural causes such as tornado, fire, flood, or earthquake.

10. Any political subdivision may recover the loss of revenue caused by subsection 9 of this section by adjusting the rate of taxation, to the extent previously authorized by the voters of such political subdivision, for the tax year immediately following the year of such destruction in an amount not to exceed the loss of revenue caused by this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Eggleston, **HB 1710, as amended**, was ordered perfected and printed.

On motion of Representative Bondon, the title of **HCS SCS SB 599** was agreed to.

Representative Pike offered **House Amendment No. 1**.

*House Amendment No. 1*

AMEND House Committee Substitute for Senate Committee Substitute for Senate Bill No. 599, Page 7, Section 30.758, Line 54, by inserting after all of said line the following:

"70.705. 1. The "Members Deposit Fund" is hereby created. It shall be the fund in which shall be accumulated the contributions made by members to the system, and from which shall be made transfers and refunds of members' contributions as provided in sections 70.600 to 70.755.

2. Except as provided otherwise in this section, the contributions of a member to the system shall be four percent of his compensations after the date he has completed sufficient employment for six months of credited service. Such contributions shall be made notwithstanding that the minimum salary or wages provided by law for any member shall thereby be changed. Each member shall be deemed to consent and agree to the deductions made and provided for herein. Payment of a member's compensation less such deductions shall be a full and complete discharge and acquittance of all claims and demands whatsoever for services rendered by him to a political subdivision, except as to benefits provided by this system.

3. The officer or officers responsible for making up the payrolls for each political subdivision shall cause the contributions provided for in this section to be deducted from the compensation of each member in the employ of the political subdivision, on each and every payroll, for each and every payroll period after the date he has

completed sufficient employment for six months of credited service to the date his membership terminates. When deducted, each of these amounts shall be paid by the political subdivision to the system; the payments shall be made in the manner and shall be accompanied by such supporting data as the board shall from time to time prescribe. When paid to the system, each of the amounts shall be credited to the members deposit fund account of the member from whose compensations the contributions were deducted.

4. In addition to the contributions deducted from the compensations of a member, as heretofore provided, a member shall deposit in the members deposit fund, by a single contribution or by an increased rate of contributions, as approved by the board, the amount or amounts he may have withdrawn therefrom and not repaid thereto, together with regular interest from the date of withdrawal to the date of repayment. In no case shall a member be given credit for service rendered prior to the date he withdrew his accumulated contributions until he returns to the members deposit fund all amounts due the fund by him.

5. Upon the retirement of a member, or upon his death if an allowance becomes payable on account of his death, his accumulated contributions shall be transferred to the benefit reserve fund.

6. Each political subdivision, by majority vote of its governing body, may elect with respect to its members **an alternate contribution amount of two percent or six percent of compensation or to eliminate future member contributions otherwise provided for in this section. Should a political subdivision elect one benefit program for members whose political subdivision employment is concurrently covered by federal Social Security and a different benefit program for members whose political subdivision employment is not concurrently covered by federal Social Security, as provided in section 70.655, the political subdivision may also, by majority vote of its governing body, make one election concerning member contributions provided for in this section for members whose political subdivision employment is concurrently covered by federal Social Security and one election concerning member contributions provided for in this section for members whose political subdivision employment is not concurrently covered by federal Social Security.** The clerk or secretary of the political subdivision shall certify the election concerning member contributions to the board within ten days after such vote. The effective date of the political subdivision's member contribution election is the first day of the calendar month specified by such governing body, or the first day of the calendar month next following receipt by the board of the certification of such election, or the effective date of the political subdivision's becoming an employer, whichever is the latest. Such election concerning member contributions may be changed from time to time by such vote, but not more often than once in two years. Except as provided in section 70.707, if such election is to eliminate member contributions, then such election shall apply only to future member compensations and shall not change the status of any member contributions made before such election. If the effect of such election is to require member contributions, then such election shall apply only to future member compensations and shall not change any member contribution requirements existing before such election. Should an employer change its member contribution requirements as provided in this section, the employer contribution requirements shall be correspondingly changed effective the same date as the member contribution change. The limitation on increases in an employer's contribution provided by subsection 6 of section 70.730 shall not apply to any contribution increase resulting from an employer electing to eliminate member contributions."; and

WHEREAS, Executive Order 20-04 was issued on March 18, 2020, ordering the temporary suspension of certain statutory and regulatory provisions related to telemedicine, motor carriers, and teaching certifications, and vested state agencies and executive boards and commissions with authority to waive or suspend statutory or regulatory requirements, subject to my approval, where strict compliance would hinder the State's response to COVID-19, and to ease licensing requirements to eliminate barriers to the provision of health care services and other professions; and
