

HB 1514 -- INFLATION ADJUSTED LICENSE FEES

SPONSOR: Messenger

This bill requires the Director of the Department of Revenue to increase specified state license fees related to motor vehicles for inflation based on a formula in the bill. An initial adjustment based on a six-year period will be effective January 1, 2022 with subsequent three-year adjustments. The fee amounts shall be published by October 1 of the requisite year preceding any fee increase.

This bill is the same as HB 406 (2019).
