

HB 1994 -- STUDENTS' RIGHT TO KNOW

SPONSOR: Basye

This bill creates the "Students' Right to Know Act".

The bill requires the Department of Elementary and Secondary Education (DESE) to collect specified information including the most in-demand jobs in the state, starting salary, the education level required for such job, information about the cost of colleges and vocational schools in the state, and student loans.

This information shall be collected annually by DESE and shall be distributed to every public high school in the state for distribution to students by October 15 each year.

This bill is effective on January 1, 2021.

This bill is similar to SB 622 (2020).
