

HB 1995 -- CONTINUING EDUCATION FOR LICENSURE OF CERTAIN
PROFESSIONALS

SPONSOR: Morris (140)

This bill allows a dentist, dental hygienist, physician, or surgeon to receive 10 hours of continuing education for every eight hours of volunteer work performed in a 501(c)(3) charitable organization. A maximum of 24 hours of continuing education credit may be awarded per year using this method.

This bill also allows a physician who is licensed in another state to attend to the sick in Missouri, including in a 501(c)(3) charitable organization without needing a license in Missouri. Currently, the physician must be licensed in a border state.

This bill is similar to HB 687 (2019).
