

HJR 68 -- GENERAL ASSEMBLY TERMS

SPONSOR: Lynch

Upon voter approval, this proposed Constitutional amendment allows an individual to be elected to 16 years of service in the General Assembly with any combination of terms of two or four years allowed between service in the House of Representatives and Senate. Beginning with the general election in 2022, Representatives shall be elected to four year terms of office with even number districts beginning in 2022 and odd number districts beginning in 2024.

This bill is similar to HJR 31 (2019).
