AMEND House Committee Substitute for House Bill No. 11, Page 38, Section 11.765, Line 12, by inserting after the word “allowance,” the following:

“and further provided that reimbursement rates for outpatient services that are paid on a fee schedule that shall not be less than 93.4% of the Medicare outpatient payment rate determined using the St. Louis Medicare wage index, plus adjustments of not less than 40% for federally-designated critical access hospitals, not less than 25% for Medicaid nominal charge providers and not less than 25% for hospitals with Level 1 pediatric trauma centers or designated as a specialty pediatric hospital under 13 CSR 70-15.010;”;

Further amend said bill, said page, said section, Line 18, by deleting “132,216,293” and inserting “136,856,693”;

Further amend said bill by adjusting section and bill totals and intersectional references accordingly.
