46 and any statewide Missouri law enforcement computer system to determine if the abandoned
47 property has been reported as stolen and shall enter the information pertaining to the towed property
48 into the statewide law enforcement computer system. If the abandoned property is not claimed
49 within ten working days of the towing, the tower who has online access to the department of

1 revenue's records shall make an inquiry to determine the abandoned property owner and lienholder,
2 if any, of record. In the event that the records of the department of revenue fail to disclose the name
3 of the owner or any lienholder of record, the tower shall comply with the requirements of subsection
4 3 of section 304.156. If the tower does not have online access, the law enforcement agency shall
5 submit a crime inquiry and inspection report to the director of revenue. A towing company that
6 does not have online access to the department's records and that is in possession of abandoned
7 property after ten working days shall report such fact to the law enforcement agency with which the
8 crime inquiry and inspection report was filed. The crime inquiry and inspection report shall be
9 designed by the director of revenue and shall include the following:

11 and any lienholders, if known;

22 (9) The name of the towing company, the signature and printed name of the towing operator,
23 and an indicator disclosing whether the tower has online access to the department's records; and

24 (10) Any additional information the director of revenue deems appropriate.

25 7. One copy of the crime inquiry and inspection report shall remain with the agency which
26 authorized the tow. One copy shall be provided to and retained by the storage facility and one copy
27 shall be retained by the towing facility in an accessible format in the business records for a period of
28 three years from the date of the tow or removal.

29 8. The owner of such abandoned property, or the holder of a valid security interest of record,
30 may reclaim it from the towing company upon proof of ownership or valid security interest of
31 record and payment of all reasonable charges for the towing and storage of the abandoned property.

32 9. Any person who removes abandoned property at the direction of a law enforcement
33 officer or an officer of a government agency where that agency's real property is concerned as
34 provided in this section shall have a lien for all reasonable charges for the towing and storage of the
35 abandoned property until possession of the abandoned property is voluntarily relinquished to the
36 owner of the abandoned property or to the holder of a valid security interest of record. Any personal
37 property within the abandoned property need not be released to the owner thereof until the
38 reasonable or agreed charges for such recovery, transportation or safekeeping have been paid or
39 satisfactory arrangements for payment have been made, except that any medication prescribed by a
40 physician shall be released to the owner thereof upon request. The company holding or storing the
41 abandoned property shall either release the personal property to the owner of the abandoned
42 property or allow the owner to inspect the property and provide an itemized receipt for the contents.
43 The company holding or storing the property shall be strictly liable for the condition and safe return
44 of the personal property. Such lien shall be enforced in the manner provided under section 304.156.

45 10. Towing companies shall keep a record for three years on any abandoned property towed
46 and not reclaimed by the owner of the abandoned property. Such record shall contain information
47 regarding the authorization to tow, copies of all correspondence with the department of revenue
48 concerning the abandoned property, including copies of any online records of the towing company
49 accessed and information concerning the final disposition of the possession of the abandoned

1 property.

2 11. If a lienholder repossesses any motor vehicle, trailer, all-terrain vehicle, outboard motor
3 or vessel without the knowledge or cooperation of the owner, then the reposessor shall notify the
4 local law enforcement agency where the repossession occurred within two hours of the repossession
5 and shall further provide the local law enforcement agency with any additional information the
6 agency deems appropriate. The local law enforcement agency shall make an inquiry with the
7 national crime information center and the Missouri statewide law enforcement computer system and
8 shall enter the repossessed vehicle into the statewide law enforcement computer system.

9 12. Notwithstanding the provisions of section 301.227, any towing company who has
10 complied with the notification provisions in section 304.156 including notice that any property
11 remaining unredeemed after thirty days may be sold as scrap property may then dispose of such
12 property as provided in this subsection. Such sale shall only occur if at least thirty days has passed
13 since the date of such notification, the abandoned property remains unredeemed with no satisfactory
14 arrangements made with the towing company for continued storage, and the owner or holder of a
15 security agreement has not requested a hearing as provided in section 304.156. The towing
16 company may dispose of such abandoned property by selling the property on a bill of sale as
17 prescribed by the director of revenue to a scrap metal operator or licensed salvage dealer for
18 destruction purposes only. The towing company shall forward a copy of the bill of sale provided by
19 the scrap metal operator or licensed salvage dealer to the director of revenue within two weeks of
20 the date of such sale. The towing company shall keep a record of each such vehicle sold for
21 destruction for three years that shall be available for inspection by law enforcement and authorized
22 department of revenue officials. The record shall contain the year, make, identification number of
23 the property, date of sale, and name of the purchasing scrap metal operator or licensed salvage
24 dealer and copies of all notifications issued by the towing company as required in this chapter.
25 Scrap metal operators or licensed salvage dealers shall keep a record of the purchase of such
26 property as provided in section 301.227. Scrap metal operators and licensed salvage dealers may
27 obtain a junk certificate as provided in section 301.227 on vehicles purchased on a bill of sale
28 pursuant to this section."; and
