**FISCAL NOTE**

L.R. No.: 0888H.01P  
 Bill No.: Perfected HB 151  
 Subject: Education, Elementary and Secondary  
 Type: Original  
 Date: March 10, 2021

Bill Summary: This proposal allows school districts to offer alternative elementary and secondary educational opportunities.

**FISCAL SUMMARY**

<b>ESTIMATED NET EFFECT ON GENERAL REVENUE FUND</b>			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
General Revenue	\$0	(\$60,000) to could exceed (\$180,000)	(\$60,000) to could exceed (\$180,000)
<b>Total Estimated Net Effect on General Revenue</b>	<b>\$0</b>	<b>(\$60,000) to could exceed (\$180,000)</b>	<b>(\$60,000) to could exceed (\$180,000)</b>

Currently there are only two school districts sharing a superintendent (Malta Bend R-V & Hardeman R-X). Therefore, if each receives an additional \$30,000 starting in FY 2022, this would be an additional \$60,000 from the state. Oversight has ranged the fiscal note from this one example to an additional two arrangements.

<b>ESTIMATED NET EFFECT ON OTHER STATE FUNDS</b>			
FUND AFFECTED	FY 2022	FY 2023	FY 2024
<b>Total Estimated Net Effect on <u>Other</u> State Funds</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>

Numbers within parentheses: () indicate costs or losses.

<b>ESTIMATED NET EFFECT ON FEDERAL FUNDS</b>			
<b>FUND AFFECTED</b>	<b>FY 2022</b>	<b>FY 2023</b>	<b>FY 2024</b>
<b>Total Estimated Net Effect on <u>All</u> Federal Funds</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>

<b>ESTIMATED NET EFFECT ON FULL TIME EQUIVALENT (FTE)</b>			
<b>FUND AFFECTED</b>	<b>FY 2022</b>	<b>FY 2023</b>	<b>FY 2024</b>
<b>Total Estimated Net Effect on FTE</b>	<b>0</b>	<b>0</b>	<b>0</b>

- Estimated Net Effect (expenditures or reduced revenues) expected to exceed \$250,000 in any of the three fiscal years after implementation of the act or at full implementation of the act.
- Estimated Net Effect (savings or increased revenues) expected to exceed \$250,000 in any of the three fiscal years after implementation of the act or at full implementation of the act.

<b>ESTIMATED NET EFFECT ON LOCAL FUNDS</b>			
<b>FUND AFFECTED</b>	<b>FY 2022</b>	<b>FY 2023</b>	<b>FY 2024</b>
<b>Local Government</b>	<b>\$0</b>	<b>\$60,000 to could exceed \$180,000</b>	<b>\$60,000 to could exceed \$180,000</b>

## FISCAL ANALYSIS

### ASSUMPTION

**Oversight** was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

#### Section 160.2700 and 160.2705 Adult High Schools - House Amendment 2

**Oversight** does not anticipate a fiscal impact from this provision.

**Oversight** did not receive any responses related to the fiscal impact of this provision. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

#### Section 161.214 School Innovation Waiver - House Amendment 2

In response to a similar proposal, SB 285 (2021), Officials from the **Department of Elementary and Secondary Education, Department of Higher Education and Workforce Development** and the **High Point R-III School District** each assumed the proposal would have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies for this provision.

#### Section 168.205 Sharing Superintendents

In response to a previous version, officials at the **Department of Elementary and Secondary Education (DESE)** stated because DESE is unsure of how many school districts will participate, DESE will provide a range for the estimated impact of \$1,350,000 to \$8,340,000. Shown below are the estimated impacts based on different levels of participation.

- Assuming only districts under 600 ADA participate, it would cost an additional \$8,340,000 (278).
- Assuming only districts under 350 ADA participate, it would cost an additional \$5,910,000 (197).
- Assuming only districts under 200 ADA participate, it would cost an additional \$3,450,000 (115).
- Assuming only districts under 100 ADA participate, it would cost an additional \$1,350,000 (45).

**Oversight** received no responses from school districts estimating the fiscal impact of this proposal, and presents this fiscal note on the best current information available. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

**Oversight** assumes that districts who share superintendents could end up paying less overall for a superintendent, but that superintendent candidates would likely demand more money to perform superintendent duties for more than one district.

**Oversight** assumes the number of school districts that agree to share a superintendent will not reach the levels in DESE's response above. Oversight notes Section 168.205 (allowing the sharing of superintendents by multiple school districts) was enacted in 2014 (SB 701).

According to a DESE report, currently there is only one superintendent that is shared between school districts. The Malta Bend R-V School District and the Hardeman R-X School District have such an agreement (Paul Vaillencourt). Therefore, Oversight assumes, with this proposal, that each of those two school districts will receive an additional \$30,000 in state funding. Therefore, Oversight will present a range of \$60,000 to possibly an additional four new districts (for a total of  $3 \times \$60,000 = \$180,000$ ) making such an arrangement.

#### Section 168.212 Compensation from a District Benefit Plan - House Amendment 3

**Oversight** does not anticipate a fiscal impact from this provision.

**Oversight** did not receive any responses related to the fiscal impact of this provision. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

FISCAL IMPACT – Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

Section 160.2700 to 160.2725 - These sections make changes to adult high school provisions.

Section 161.214 - Under this act, any school intervention team, which shall mean a group of persons representing certain schools as set forth in the act, may submit a state innovation waiver plan to the State Board of Education for certain purposes, including improving student readiness for employment, higher education, vocational training, technical training, or any other form of career and job training, increasing the compensation of teachers, or improving the recruitment, retention, training, preparation, or professional development of teachers.

A school innovation waiver shall mean a waiver granted by the State Board to certain schools, set forth in the act, in which such schools are exempt from a specific requirement imposed by current law, or any regulations promulgated by the State Board or the Department of Elementary and Secondary Education. Any school innovation waiver granted to a school district or group of school districts shall be applicable to every elementary and secondary school within the school district or group of school districts unless the plan specifically provides otherwise.

Any plan for a school innovation waiver shall include certain information, including the specific provision of law for which a waiver is being requested, and an explanation for why such provision of law inhibits the ability of the school or school district to accomplish the goal stated in the plan. The plan shall also demonstrate that the intent of the law can be addressed in a more effective, efficient, or economical manner and that the waiver or modification is necessary to implement the plan.

In evaluating a plan submitted by a school innovation team, the State Board shall consider whether the plan meets certain criteria set forth in the act. The State Board may propose modifications to the plan in cooperation with the school innovation team.

Any waiver granted under this act shall be effective for no longer than three school years, but school innovation waivers may be renewed. No more than one school innovation waiver shall be in effect with respect to any one elementary or secondary school at one time.

The State Board shall not authorize the waiver of any statutory requirements relating to teacher certification, teacher tenure, or any requirement imposed by federal law.

Section 168.205 - Beginning July, 1 2022, this bill allows a school district that enters into an agreement with another district to share a superintendent to receive an additional \$30,000 per year in state aid for up to five years. The bill directs districts to spend the additional compensation and half of the savings from sharing a superintendent on teacher salaries or counseling services.

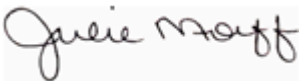

Section 168.212 - The bill prohibits any individual employed by a school board to exercise supervisory duties within the school district, in the course of such individual's employment upon the termination of employment by the school board, perform any duties related to any contract that individual facilitated, negotiated, or approved in the individual's official capacity while employed by the school district.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
