**FISCAL ANALYSIS**

**ASSUMPTION**

**Section 324.009 - Licensing Reciprocity**

Officials from the **Department of Health and Senior Services** state that this legislation revises the professional licensing reciprocity criteria necessary to legally practice an occupation or profession in the state of Missouri. Applicants applying for licensure under the proposed legislation would fall under the same reciprocity process, fee and review as current applicants.

Changing regulations and applicant licensure reviews are within the normal duties for the Division of Regulation and Licensure. Minimal time and expense will be required to conduct the requirements of the proposed legislation. The department anticipates being able to absorb these costs; however, until the FY22 budget is final, the department cannot identify specific funding sources.

**Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

Officials from the **Office of Administration - Administrative Hearing Commission** anticipate that this legislation will not significantly alter its caseload. If similar bills pass, resulting in more cases, there will be a fiscal impact. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

Officials from the **Department of Commerce and Insurance**, the **Department of Natural Resources**, the **Missouri Department of Agriculture**, the **Department of Public Safety - Missouri Highway Patrol** and the **Department of Revenue** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
