62 entity to which they would belong.

64 Charter schools operating on August 27, 2012, shall have until August 28, 2015, to meet the
65 requirements of this subsection.

66 2. Proposed charters shall be subject to the following requirements:

67 (1) A charter shall be submitted to the sponsor, and follow the sponsor's policies and
68 procedures for review and granting of a charter approval, and be approved by the state board of
69 education by January thirty-first prior to the school year of the proposed opening date of the
70 charter school;

71 (2) A charter may be approved when the sponsor determines that the requirements of this
72 section are met, determines that the applicant is sufficiently qualified to operate a charter school,
73 and that the proposed charter is consistent with the sponsor's charter sponsorship goals and
74 capacity. The sponsor's decision of approval or denial shall be made within ninety days of the
75 filing of the proposed charter;

76 (3) If the charter is denied, the proposed sponsor shall notify the applicant in writing as
77 to the reasons for its denial and forward a copy to the state board of education within five
78 business days following the denial;

79 (4) If a proposed charter is denied by a sponsor, the proposed charter may be submitted
80 to the state board of education, along with the sponsor's written reasons for its denial. If the state
81 board determines that the applicant meets the requirements of this section, that the applicant is
82 sufficiently qualified to operate the charter school, and that granting a charter to the applicant
83 would be likely to provide educational benefit to the children of the district, the state board may
84 grant a charter and act as sponsor of the charter school. The state board shall review the
85 proposed charter and make a determination of whether to deny or grant the proposed charter
86 within sixty days of receipt of the proposed charter, provided that any charter to be considered
87 by the state board of education under this subdivision shall be submitted no later than March first
88 prior to the school year in which the charter school intends to begin operations. The state board
89 of education shall notify the applicant in writing as the reasons for its denial, if applicable; and

90 (5) The sponsor of a charter school shall give priority to charter school applicants that
91 propose a school oriented to high-risk students and to the reentry of dropouts into the school
92 system. If a sponsor grants three or more charters, at least one-third of the charters granted by
93 the sponsor shall be to schools that actively recruit dropouts or high-risk students as their student
94 body and address the needs of dropouts or high-risk students through their proposed mission,
95 curriculum, teaching methods, and services. For purposes of this subsection, a "high-risk"
96 student is one who is at least one year behind in satisfactory completion of course work or
97 obtaining high school credits for graduation, has dropped out of school, is at risk of dropping out
98 of school, needs drug and alcohol treatment, has severe behavioral problems, has been suspended
99 from school three or more times, has a history of severe truancy, is a pregnant or parenting teen,

100 has been referred for enrollment by the judicial system, is exiting incarceration, is a refugee, is
101 homeless or has been homeless sometime within the preceding six months, has been referred by
102 an area school district for enrollment in an alternative program, or qualifies as high risk under
103 department of elementary and secondary education guidelines. Dropout shall be defined through
104 the guidelines of the school core data report. The provisions of this subsection do not apply to
105 charters sponsored by the state board of education.

106 3. If a charter is approved by a sponsor, the charter application shall be submitted to the
107 state board of education, along with a statement of finding by the sponsor that the application
108 meets the requirements of sections 160.400 to 160.425 and section 167.349 and a monitoring
109 plan under which the charter sponsor shall evaluate the academic performance, including annual
110 performance reports, of students enrolled in the charter school. The state board of education
111 shall approve or deny a charter application within sixty days of receipt of the application. The
112 state board of education may deny a charter on grounds that the application fails to meet the
113 requirements of sections 160.400 to 160.425 and section 167.349 or that a charter sponsor
114 previously failed to meet the statutory responsibilities of a charter sponsor. Any denial of a
115 charter application made by the state board of education shall be in writing and shall identify the
116 specific failures of the application to meet the requirements of sections 160.400 to 160.425 and
117 section 167.349, and the written denial shall be provided within ten business days to the sponsor.

118 4. A charter school shall, as provided in its charter:

119 (1) Be nonsectarian in its programs, admission policies, employment practices, and all
120 other operations;

121 (2) Comply with laws and regulations of the state, county, or city relating to health,
122 safety, and state minimum educational standards, as specified by the state board of education,
123 including the requirements relating to student discipline under sections 160.261, 167.161,
124 167.164, and 167.171, notification of criminal conduct to law enforcement authorities under
125 sections 167.115 to 167.117, academic assessment under section 160.518, transmittal of school
126 records under section 167.020, the minimum amount of school time required under section
127 171.031, and the employee criminal history background check and the family care safety registry
128 check under section 168.133;

129 (3) Except as provided in sections 160.400 to 160.425 and as specifically provided in
130 other sections, be exempt from all laws and rules relating to schools, governing boards and
131 school districts;

132 (4) Be financially accountable, use practices consistent with the Missouri financial
133 accounting manual, provide for an annual audit by a certified public accountant, publish audit
134 reports and annual financial reports as provided in chapter 165, provided that the annual financial
135 report may be published on the department of elementary and secondary education's internet

136 website in addition to other publishing requirements, and provide liability insurance to indemnify
137 the school, its board, staff and teachers against tort claims. A charter school that receives local
138 educational agency status under subsection 6 of this section shall meet the requirements imposed
139 by the Elementary and Secondary Education Act for audits of such agencies and comply with all
140 federal audit requirements for charters with local educational agency status. For purposes of an
141 audit by petition under section 29.230, a charter school shall be treated as a political subdivision
142 on the same terms and conditions as the school district in which it is located. For the purposes
143 of securing such insurance, a charter school shall be eligible for the Missouri public entity risk
144 management fund pursuant to section 537.700. A charter school that incurs debt shall include
145 a repayment plan in its financial plan;

146 (5) Provide a comprehensive program of instruction for at least one grade or age group
147 from early childhood through grade twelve, as specified in its charter;

148 (6) (a) Design a method to measure pupil progress toward the pupil academic standards
149 adopted by the state board of education pursuant to section 160.514, establish baseline student
150 performance in accordance with the performance contract during the first year of operation,
151 collect student performance data as defined by the annual performance report throughout the
152 duration of the charter to annually monitor student academic performance, and to the extent
153 applicable based upon grade levels offered by the charter school, participate in the statewide
154 system of assessments, comprised of the essential skills tests and the nationally standardized
155 norm-referenced achievement tests, as designated by the state board pursuant to section 160.518,
156 complete and distribute an annual report card as prescribed in section 160.522, which shall also
157 include a statement that background checks have been completed on the charter school's board
158 members, and report to its sponsor, the local school district, and the state board of education as
159 to its teaching methods and any educational innovations and the results thereof. No charter
160 school shall be considered in the Missouri school improvement program review of the district
161 in which it is located for the resource or process standards of the program.

162 (b) For proposed high-risk or alternative charter schools, sponsors shall approve
163 performance measures based on mission, curriculum, teaching methods, and services. Sponsors
164 shall also approve comprehensive academic and behavioral measures to determine whether
165 students are meeting performance standards on a different time frame as specified in that school's
166 charter. Student performance shall be assessed comprehensively to determine whether a
167 high-risk or alternative charter school has documented adequate student progress. Student
168 performance shall be based on sponsor-approved comprehensive measures as well as
169 standardized public school measures. Annual presentation of charter school report card data to
170 the department of elementary and secondary education, the state board, and the public shall
171 include comprehensive measures of student progress.

172 (c) Nothing in this subdivision shall be construed as permitting a charter school to be
173 held to lower performance standards than other public schools within a district; however, the
174 charter of a charter school may permit students to meet performance standards on a different time
175 frame as specified in its charter. The performance standards for alternative and special purpose
176 charter schools that target high-risk students as defined in subdivision (5) of subsection 2 of this
177 section shall be based on measures defined in the school's performance contract with its
178 sponsors;

179 (7) Comply with all applicable federal and state laws and regulations regarding students
180 with disabilities, including sections 162.670 to 162.710, the Individuals with Disabilities
181 Education Act (20 U.S.C. Section 1400) and Section 504 of the Rehabilitation Act of 1973 (29
182 U.S.C. Section 794) or successor legislation;

183 (8) Provide along with any request for review by the state board of education the
184 following:

185 (a) Documentation that the applicant has provided a copy of the application to the school
186 board of the district in which the charter school is to be located, except in those circumstances
187 where the school district is the sponsor of the charter school; and

188 (b) A statement outlining the reasons for approval or denial by the sponsor, specifically
189 addressing the requirements of sections 160.400 to 160.425 and 167.349.

190 5. (1) Proposed or existing high-risk or alternative charter schools may include
191 alternative arrangements for students to obtain credit for satisfying graduation requirements in
192 the school's charter application and charter. Alternative arrangements may include, but not be
193 limited to, credit for off-campus instruction, embedded credit, work experience through an
194 internship arranged through the school, and independent studies. When the state board of
195 education approves the charter, any such alternative arrangements shall be approved at such time.

196 (2) The department of elementary and secondary education shall conduct a study of any
197 charter school granted alternative arrangements for students to obtain credit under this subsection
198 after three years of operation to assess student performance, graduation rates, educational
199 outcomes, and entry into the workforce or higher education.

200 6. The charter of a charter school may be amended at the request of the governing body
201 of the charter school and on the approval of the sponsor. The sponsor and the governing board
202 and staff of the charter school shall jointly review the school's performance, management and
203 operations during the first year of operation and then every other year after the most recent
204 review or at any point where the operation or management of the charter school is changed or
205 transferred to another entity, either public or private. The governing board of a charter school
206 may amend the charter, if the sponsor approves such amendment, or the sponsor and the
207 governing board may reach an agreement in writing to reflect the charter school's decision to

208 become a local educational agency. In such case the sponsor shall give the department of
209 elementary and secondary education written notice no later than March first of any year, with the
210 agreement to become effective July first. The department may waive the March first notice date
211 in its discretion. The department shall identify and furnish a list of its regulations that pertain
212 to local educational agencies to such schools within thirty days of receiving such notice.

213 7. Sponsors shall annually review the charter school's compliance with statutory
214 standards including:

215 (1) Participation in the statewide system of assessments, as designated by the state board
216 of education under section 160.518;

217 (2) Assurances for the completion and distribution of an annual report card as prescribed
218 in section 160.522;

219 (3) The collection of baseline data during the first three years of operation to determine
220 the longitudinal success of the charter school;

221 (4) A method to measure pupil progress toward the pupil academic standards adopted
222 by the state board of education under section 160.514; and

223 (5) Publication of each charter school's annual performance report.

224 8. (1) (a) A sponsor's policies shall give schools clear, adequate, evidence-based, and
225 timely notice of contract violations or performance deficiencies and mandate intervention based
226 upon findings of the state board of education of the following:

227 a. The charter school provides a high school program which fails to maintain a
228 graduation rate of at least seventy percent in three of the last four school years unless the school
229 has dropout recovery as its mission;

230 b. The charter school's annual performance report results are below the district's annual
231 performance report results based on the performance standards that are applicable to the grade
232 level configuration of both the charter school and the district in which the charter school is
233 located in three of the last four school years; and

234 c. The charter school is identified as a persistently lowest achieving school by the
235 department of elementary and secondary education.

236 (b) A sponsor shall have a policy to revoke a charter during the charter term if there is:

237 a. Clear evidence of underperformance as demonstrated in the charter school's annual
238 performance report in three of the last four school years; or

239 b. A violation of the law or the public trust that imperils students or public funds.

240 (c) A sponsor shall revoke a charter or take other appropriate remedial action, which may
241 include placing the charter school on probationary status for no more than twenty-four months,
242 provided that no more than one designation of probationary status shall be allowed for the
243 duration of the charter contract, at any time if the charter school commits a serious breach of one

244 or more provisions of its charter or on any of the following grounds: failure to meet the
245 performance contract as set forth in its charter, failure to meet generally accepted standards of
246 fiscal management, failure to provide information necessary to confirm compliance with all
247 provisions of the charter and sections 160.400 to 160.425 and 167.349 within forty-five days
248 following receipt of written notice requesting such information, or violation of law.

249 (2) The sponsor may place the charter school on probationary status to allow the
250 implementation of a remedial plan, which may require a change of methodology, a change in
251 leadership, or both, after which, if such plan is unsuccessful, the charter may be revoked.

252 (3) At least sixty days before acting to revoke a charter, the sponsor shall notify the
253 governing board of the charter school of the proposed action in writing. The notice shall state
254 the grounds for the proposed action. The school's governing board may request in writing a
255 hearing before the sponsor within two weeks of receiving the notice.

256 (4) The sponsor of a charter school shall establish procedures to conduct administrative
257 hearings upon determination by the sponsor that grounds exist to revoke a charter. Final
258 decisions of a sponsor from hearings conducted pursuant to this subsection are subject to an
259 appeal to the state board of education, which shall determine whether the charter shall be
260 revoked.

261 (5) A termination shall be effective only at the conclusion of the school year, unless the
262 sponsor determines that continued operation of the school presents a clear and immediate threat
263 to the health and safety of the children.

264 (6) A charter sponsor shall make available the school accountability report card
265 information as provided under section 160.522 and the results of the academic monitoring
266 required under subsection 3 of this section.

267 9. (1) A sponsor shall take all reasonable steps necessary to confirm that each charter
268 school sponsored by such sponsor is in material compliance and remains in material compliance
269 with all material provisions of the charter and sections 160.400 to 160.425 and 167.349. Every
270 charter school shall provide all information necessary to confirm ongoing compliance with all
271 provisions of its charter and sections 160.400 to 160.425 and 167.349 in a timely manner to its
272 sponsor.

273 (2) The sponsor's renewal process of the charter school shall be based on the thorough
274 analysis of a comprehensive body of objective evidence and consider if:

275 (a) The charter school has maintained results on its annual performance report that meet
276 or exceed the district in which the charter school is located based on the performance standards
277 that are applicable to the grade-level configuration of both the charter school and the district in
278 which the charter school is located in three of the last four school years;

279 (b) The charter school is organizationally and fiscally viable determining at a minimum
280 that the school does not have:

281 a. A negative balance in its operating funds;

282 b. A combined balance of less than three percent of the amount expended for such funds
283 during the previous fiscal year; or

284 c. Expenditures that exceed receipts for the most recently completed fiscal year;

285 (c) The charter is in compliance with its legally binding performance contract and
286 sections 160.400 to 160.425 and section 167.349; and

287 (d) The charter school has an annual performance report consistent with a classification
288 of accredited for three of the last four years and is fiscally viable as described in paragraph (b)
289 of this subdivision. If such is the case, the charter school may have an expedited renewal process
290 as defined by rule of the department of elementary and secondary education.

291 (3) (a) Beginning August first during the year in which a charter is considered for
292 renewal, a charter school sponsor shall demonstrate to the state board of education that the
293 charter school is in compliance with federal and state law as provided in sections 160.400 to
294 160.425 and section 167.349 and the school's performance contract including but not limited to
295 those requirements specific to academic performance.

296 (b) Along with data reflecting the academic performance standards indicated in
297 paragraph (a) of this subdivision, the sponsor shall submit a revised charter application to the
298 state board of education for review.

299 (c) Using the data requested and the revised charter application under paragraphs (a) and
300 (b) of this subdivision, the state board of education shall determine if compliance with all
301 standards enumerated in this subdivision has been achieved. The state board of education at its
302 next regularly scheduled meeting shall vote on the revised charter application.

303 (d) If a charter school sponsor demonstrates the objectives identified in this subdivision,
304 the state board of education shall renew the school's charter.

305 10. A school district may enter into a lease with a charter school for physical facilities.

306 11. A governing board or a school district employee who has control over personnel
307 actions shall not take unlawful reprisal against another employee at the school district because
308 the employee is directly or indirectly involved in an application to establish a charter school. A
309 governing board or a school district employee shall not take unlawful reprisal against an
310 educational program of the school or the school district because an application to establish a
311 charter school proposes the conversion of all or a portion of the educational program to a charter
312 school. As used in this subsection, "unlawful reprisal" means an action that is taken by a
313 governing board or a school district employee as a direct result of a lawful application to
314 establish a charter school and that is adverse to another employee or an educational program.

315 12. Charter school board members shall be subject to the same liability for acts while
316 in office as if they were regularly and duly elected members of school boards in any other public
317 school district in this state. The governing board of a charter school may participate, to the same
318 extent as a school board, in the Missouri public entity risk management fund in the manner
319 provided under sections 537.700 to 537.756.

320 13. Any entity, either public or private, operating, administering, or otherwise managing
321 a charter school shall be considered a quasi-public governmental body and subject to the
322 provisions of sections 610.010 to 610.035.

323 14. The chief financial officer of a charter school shall maintain:

326 (2) An insurance policy issued by an insurance company licensed to do business in
327 Missouri on all employees in the amount of five hundred thousand dollars or more that provides
328 coverage in the event of employee theft.

329 15. The department of elementary and secondary education shall calculate an annual
330 performance report for each charter school and shall publish it in the same manner as annual
331 performance reports are calculated and published for districts and attendance centers.

332 ~~[16. The joint committee on education shall create a committee to investigate facility
333 access and affordability for charter schools. The committee shall be comprised of equal numbers
334 of the charter school sector and the public school sector and shall report its findings to the
335 general assembly by December 31, 2016.]~~

34 ~~method to be determined by the division, owed under the hand-up program; and~~
- 35 ~~_____ (d) Participating recipients who fail to pay the premium owed shall be~~
36 ~~removed permanently from the program after sixty days of nonpayment;~~
- 37 ~~_____ (2) Subject to the receipt of federal waivers if necessary, participating~~
38 ~~recipients shall be eligible to receive child care service benefits at income levels~~
39 ~~all the way up to the level at which a person's premium equals the value of the~~
40 ~~child care service benefits received by the recipient;~~

85 ~~general revenue fund. Child care benefits provided under the hand-up program~~
86 ~~shall continue to be paid for as under the existing state child care assistance~~
87 ~~program.~~

88 ~~5. After the first year of the program, or sooner if feasible, the cost of~~

90 ~~premiums collected exceeding the cost of administering the program shall, if~~
91 ~~required by federal law, be shared with the federal government and the state~~
92 ~~general revenue fund in the same proportion that the federal government shares~~
93 ~~in the cost of funding the child care assistance program with the state.~~

- 36 ~~————— 2. Nothing in subsection 1 of this section shall be construed to authorize~~
37 ~~the department to obligate moneys in the fund for payment of costs that are not~~

39 ~~dry-cleaning facility. Moneys from the fund shall not be used:~~
- 40 ~~————— (1) For corrective action at sites that are contaminated by solvents~~
41 ~~normally used in dry-cleaning operations where the contamination did not result~~
42 ~~from the operation of a dry-cleaning facility;~~
- 43 ~~————— (2) For corrective action at sites, other than dry-cleaning facilities, that~~

- 46 ~~————— (3) To pay any fine or penalty brought against a dry-cleaning facility~~
47 ~~operator under state or federal law;~~

54 ~~the director pursuant to sections 260.900 to 260.960, or any other applicable~~
55 ~~federal or state environmental statutes, rules or regulations; or~~
- 56 ~~————— (6) For corrective action at sites with abandoned dry-cleaning facilities~~
57 ~~that have been taken out of operation prior to July 1, 2009, and not documented~~
58 ~~by or reported to the department by July 1, 2009. Any person reporting such a~~
59 ~~site to the department shall include any available evidence that the site once~~
60 ~~contained a dry-cleaning facility.~~
- 61 ~~————— 3. Nothing in sections 260.900 to 260.960 shall be construed to restrict~~
62 ~~the department from temporarily postponing completion of corrective action for~~
63 ~~which moneys from the fund are being expended whenever such postponement~~
64 ~~is deemed necessary in order to protect public health and the environment.~~
- 65 ~~————— 4. At any multisource site, the department shall utilize the moneys in the~~
66 ~~fund to pay for the proportionate share of the liability for corrective action costs~~

67 which is attributable to a release from one or more dry-cleaning facilities and for
68 that proportionate share of the liability only.

69 ~~5. At any multisource site, the director is authorized to make a~~
70 ~~determination of the relative liability of the fund for costs of corrective action,~~
71 ~~expressed as a percentage of the total cost of corrective action at a site, whether~~
72 ~~known or unknown. The director shall issue an order establishing such~~
73 ~~percentage of liability. Such order shall be binding and shall control the~~
74 ~~obligation of the fund until or unless amended by the director. In the event of an~~
75 ~~appeal from such order, such percentage of liability shall be controlling for costs~~
76 ~~incurred during the pendency of the appeal.~~

77 ~~6. Any authorized officer, employee or agent of the department, or any~~
78 ~~person under order or contract with the department, may enter onto any property~~
79 ~~or premises, at reasonable times and with reasonable advance notice to the~~
80 ~~operator, to take corrective action where the director determines that such action~~
81 ~~is necessary to protect the public health or environment. If consent is not granted~~
82 ~~by the operator regarding any request made by any officer, employee or agent of~~
83 ~~the department, or any person under order or contract with the department, under~~
84 ~~the provisions of this section, the director may issue an order directing~~
85 ~~compliance with the request. The order may be issued after such notice and~~
86 ~~opportunity for consultation as is reasonably appropriate under the circumstances.~~

87 ~~7. Notwithstanding any other provision of sections 260.900 to 260.960,~~
88 ~~in the discretion of the director, an operator may be responsible for up to one~~
89 ~~hundred percent of the costs of corrective action attributable to such operator if~~
90 ~~the director finds, after notice and an opportunity for a hearing in accordance with~~
91 ~~chapter 536 that:~~

92 ~~(1) Requiring the operator to bear such responsibility will not prejudice~~
93 ~~another owner, operator or person who is eligible, pursuant to the provisions of~~
94 ~~sections 260.900 to 260.960, to have corrective action costs paid by the fund; and~~

95 ~~(2) The operator:~~

96 ~~(a) Caused a release in excess of a reportable quantity by willful or~~
97 ~~wanton actions and such release was caused by operating practices in violation~~
98 ~~of existing laws and regulations at the time of the release; or~~

99 ~~(b) Is in arrears for moneys owed pursuant to sections 260.900 to~~
100 ~~260.960, after notice and an opportunity to correct the arrearage; or~~

101 ~~(c) Materially obstructs the efforts of the department to carry out its~~
102 ~~obligations pursuant to sections 260.900 to 260.960; except that, the exercise of~~

104 ~~(d) Caused or allowed a release in excess of a reportable quantity because~~
105 ~~of a willful material violation of sections 260.900 to 260.960 or the rules and~~
106 ~~regulations adopted by the commission pursuant to sections 260.900 to 260.960.~~

107 ~~8. For purposes of subsection 7 of this section, unless a transfer is made~~
108 ~~to take advantage of the provisions of subsection 7 of this section, purchasers of~~
109 ~~stock or other indicia of ownership and other successors in interest shall not be~~

110 ~~considered to be the same owner or operator as the seller or transferor of such~~
111 ~~stock or indicia of ownership even though there may be no change in the legal~~
112 ~~identity of the owner or operator. To the extent that an owner or operator is~~
113 ~~responsible for corrective action costs pursuant to subsection 7 of this section,~~
114 ~~such owner or operator shall not be entitled to the exemption provided in~~
115 ~~subsection 5 of section 260.930.~~

116 ~~9. The fund shall not be liable for the payment of costs in excess of one~~
117 ~~million dollars at any one contaminated dry-cleaning site. Additionally, the fund~~
118 ~~shall not be liable for the payment of costs for any one site in excess of~~
119 ~~twenty-five percent of the total moneys in the fund during any fiscal year. For~~
120 ~~purposes of this subsection, "contaminated dry-cleaning site" means the areal~~
121 ~~extent of soil or ground water contaminated with dry-cleaning solvents.~~

122 ~~10. The owner or operator of an active dry-cleaning facility shall be liable~~
123 ~~for the first twenty-five thousand dollars of corrective action costs incurred~~
124 ~~because of a release from an active dry-cleaning facility. The owner of an~~
125 ~~abandoned dry-cleaning facility shall be liable for the first twenty-five thousand~~
126 ~~dollars of corrective action costs incurred because of a release from an abandoned~~
127 ~~dry-cleaning facility. Nothing in this subsection shall be construed to prohibit the~~
128 ~~department from taking corrective action because the department cannot obtain~~
129 ~~the deductible.]~~

2 ~~[260.930. 1. Neither the state of Missouri, the fund, the commission, the~~

5 ~~taken pursuant to sections 260.900 to 260.960.~~

6 ~~2. Nothing in sections 260.900 to 260.960 shall establish or create any~~

8 ~~department or the state of Missouri, or agents or employees thereof, to pay any~~
9 ~~corrective action costs from any source other than the fund or to take corrective~~
10 ~~action if the moneys in the fund are insufficient to do so.~~

15 ~~abrogate or limit any liability of any person in any way responsible for any~~
16 ~~release from a dry-cleaning facility or any damages for personal injury or~~
17 ~~property damages caused by such a release.~~

18 ~~4. Moneys in the fund shall not be used for compensating third parties for~~

21 ~~director.~~

22 ~~5. To the extent that an operator, owner or other person is eligible~~
~~pursuant to the provisions of sections 260.900 to 260.960 to have corrective~~

30 ~~solvents from a dry-cleaning facility. The provisions of this subsection shall~~
31 ~~apply to any dry-cleaning facility or dry-cleaning facility site which has been~~
32 ~~included in a corrective action plan approved by the director. The director shall~~
33 ~~only approve a corrective action plan after making a determination that a~~
34 ~~sufficient balance in the fund exists to implement the plan. No administrative or~~
