21 when the number of votes exceeds the number a voter is lawfully entitled to cast;

22 (9) **Produces the election results from paper ballots that voters have marked by**  
23 **hand or, in the case of voters who are disabled and need assistance, from paper ballots that**  
24 **have been marked by paper ballot marking machines designed to assist voters who are**  
25 **disabled;**

26 (10) Permits each voter, while voting, to clearly see the ballot label; **and**

28 voting system standards developed by the Federal Election Commission or its successor agency.  
29 The provisions of this subdivision shall not be required for any system purchased prior to August  
30 28, 2002.

31 3. **Until January 1, 2024, if any election authority uses direct-record electronic**  
32 **touchscreen vote counting machines, the election authority may continue to use such**  
33 **machines solely for voters who are disabled and desire to use them. When the machines**  
34 **require replacement due to wear and tear, malfunction, or any other reason, they shall be**  
35 **replaced with a paper ballot marking machine designed to assist voters who are disabled.**  
36 **Under no circumstances shall direct-record electronic touchscreen vote counting machines**  
37 **be used after January 1, 2024.**

38 4. The secretary of state shall promulgate rules and regulations to allow the use of a  
39 computerized voting system. The procedures shall provide for the use of a computerized voting  
40 system with the ability to provide a paper audit trail. Notwithstanding any provisions of this  
41 chapter to the contrary, such a system may allow for the storage of processed ballot materials in  
42 an electronic form.

43 [~~4~~] 5. Any rule or portion of a rule, as that term is defined in section 536.010, that is  
44 created under the authority delegated in this section shall become effective only if it complies  
45 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.  
46 This section and chapter 536 are nonseverable and if any of the powers vested with the general  
47 assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and  
48 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and  
49 any rule proposed or adopted after August 28, 2002, shall be invalid and void.

115.237. 1. **Beginning January 1, 2022, the official ballot shall be a paper ballot**  
2 **that is hand-marked by the voter or, in the case of voters who are disabled and need**  
3 **assistance, by a paper ballot marking device designed to assist voters who are disabled as**  
4 **provided in subsection 3 of section 115.225.**

5           **2.** Each ballot printed or designed for use with an electronic voting system for any  
6 election pursuant to this chapter shall contain all questions and the names of all offices and  
7 candidates certified or filed pursuant to this chapter and no other. As far as practicable, all  
8 questions and the names of all offices and candidates for which each voter is entitled to vote shall  
9 be printed on one page except for the ballot for political party committee persons in polling  
10 places not utilizing an electronic voting system which may be printed separately and in  
11 conformity with the requirements contained in this section. As far as practicable, ballots  
12 containing only questions and the names of nonpartisan offices and candidates shall be printed  
13 in accordance with the provisions of this section, except that the ballot information may be listed  
14 in vertical or horizontal rows. The names of candidates for each office shall be listed in the order  
15 in which they are filed.

16           ~~[2-]~~ **3.** In polling places using electronic voting systems, the ballot information may be  
17 arranged in vertical or horizontal rows or on a number of separate pages or screens. In any event,  
18 the name of each candidate, the candidate's party, the office for which he or she is a candidate,  
19 and each question shall be indicated clearly on the ballot.

20           ~~[3-]~~ **4.** Nothing in this subchapter shall be construed as prohibiting the use of a separate  
21 paper ballot for questions or for the presidential preference primary in any polling place using  
22 an electronic voting system.

23           ~~[4-]~~ **5.** Where electronic voting systems are used and when write-in votes are authorized  
24 by law, a write-in ballot, which may be in the form of a separate paper ballot, card, or envelope,  
25 may be provided by the election authority to permit each voter to write in the names of persons  
26 whose names do not appear on the ballot.

27           ~~[5-]~~ **6.** No ballot printed or designed for use with an electronic voting system for any  
28 partisan election held under this chapter shall allow a person to vote a straight political party  
29 ticket. For purposes of this subsection, a "straight political party ticket" means voting for all of  
30 the candidates for elective office who are on the ballot representing a single political party by a  
31 single selection on the ballot.

32           ~~[6-]~~ **7.** The secretary of state shall promulgate rules that specify uniform standards for  
33 ballot layout for each electronic or computerized ballot counting system approved under the  
34 provisions of section 115.225 so that the ballot used with any counting system is, where possible,  
35 consistent with the intent of this section. Nothing in this section shall be construed to require  
36 the format specified in this section if it does not meet the requirements of the ballot counting  
37 system used by the election authority.

38           ~~[7-]~~ **8.** Any rule or portion of a rule, as that term is defined in section 536.010, that is  
39 created under the authority delegated in this section shall become effective only if it complies  
40 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.

41 This section and chapter 536 are nonseverable and if any of the powers vested with the general  
42 assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and  
43 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and  
44 any rule proposed or adopted after August 28, 2002, shall be invalid and void.
