

# JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

THIRTY-SIXTH DAY, TUESDAY, MARCH 9, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

*Blessed are they who hunger and thirst after righteousness, for they shall be filled. (Matthew 5:6)*

Ancient and Eternal God of us all, amid the never ending maze of daily duties and the fever and fret of our busy times, we would pause for a moment in the secret place of the Most High and abide under the shadow of the Almighty.

In this quiet moment of prayer we would make ourselves receptive to You. Help us to hear Your voice and to be obedient to the call of Your Holy Spirit. May our hunger for truth and our thirst for life find their fulfillment in Your presence. As we go through this beautiful spring day, may we keep our hearts and minds always open to You, who is the source of strength for the faithful.

To You we bring the members of this House and for them we pray. Give them clarity of insight to see what is right, confidence to do what is right and the courage to keep on the right path now and always.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fifth day was approved as printed.

For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;~~

~~[(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:~~

~~————(6)] (4) "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is a blighted area ~~], a conservation area, or an economic development area,~~ and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a study conducted by a third party which includes a detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met;

The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.825. 1. Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project. Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance. After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section

2. For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under subsection 3 of section 99.820, the economic activity taxes and payments in lieu of taxes generated by such plan, project, designation, or amendment shall be restricted to paying only those redevelopment project costs contained in subparagraphs b. and c. of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.

~~[3. 99.843. Notwithstanding the provisions of sections 99.800 to 99.865 to the contrary, no new tax increment financing project shall be authorized in any greenfield area, as such term is defined in section 99.805 ~~[-, that is located within a city not within a county or any county subject to the authority of the East West Gateway Council of Governments. Municipalities not subject to the authority of the East West Gateway Council of Governments may authorize tax increment finance projects in greenfield areas].~~; and
