

# JOURNAL OF THE HOUSE

First Regular Session, 101st GENERAL ASSEMBLY

FORTIETH DAY, TUESDAY, MARCH 23, 2021

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

*The Eternal God is thy refuge, and underneath are the everlasting arms. (Deuteronomy 33:27)*

O Eternal God, our Heavenly Guide, who is the refuge and strength of all who put their trust in You, grant to us a real measure of Your power, as we lift our hearts to You in prayer this morning. You are the Creator of all people and we are Your children. Help us to love You as children ought to love their parents, with purity and humility. Help us to respect one another as we ought to respect one another, in all sincerity and truth. In this free land may we learn to live together in peace and justice.

Bless our state during its bicentennial with your continued presence, and may we be Your servants for peace, for freedom, and for truth for our citizens now and forever.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Jacob Aaron Cochran, Leah Nicole Cochran, and Anna Nadine Cochran.

The Journal of the thirty-ninth day was approved as printed.

3. Four members of the board shall constitute a quorum. No vacancy in the membership of the board shall impair the right of a quorum to exercise all the rights and perform all the duties of the board. No action shall be taken by the board except upon the affirmative vote of a majority of the members present.

4. The board shall meet within the state of Missouri at the time set at a previously scheduled meeting or by the request of any four members of the board. Notice of the meeting shall be delivered to all other trustees in person or by depositing notice in a United States post office in a properly stamped and addressed envelope not less than six days prior to the date fixed for the meeting. 6. No investment transaction authorized by the board shall be handled by any company or firm in which a member of the board has a substantial interest, nor shall any member of the board profit directly or indirectly from any such investment.

7. No trustee or employee of the [savings] program shall receive any gain or profit from any funds or transaction of the [savings] program. Any trustee, employee or agent of the [savings] program accepting any gratuity or compensation for the purpose of influencing such trustee's, employee's or agent's action with respect to the investment or management of the funds of the [savings] program shall thereby forfeit the office and in addition thereto be subject to the penalties prescribed for bribery.

166.420. 1. The board may enter into [savings] program participation agreements with participants on behalf of beneficiaries pursuant to the provisions of sections 166.400 to 166.455, including the following terms and conditions:

(1) A participation agreement shall stipulate the terms and conditions of the [savings] program in which the participant makes contributions;

(2) A participation agreement shall specify the method for calculating the return on the contribution made by the participant;

(3) The execution of a participation agreement by the board shall not guarantee that the beneficiary named in any participation agreement will be admitted to an eligible educational institution, be allowed to continue to attend an eligible educational institution after having been admitted or will graduate from an eligible educational institution;

(4) A participation agreement shall clearly and prominently disclose to participants the risk associated with depositing moneys with the board;

(5) Participation agreements shall be organized and presented in a way and with language that is easily understandable by the general public; and

(6) A participation agreement shall clearly and prominently disclose to participants the existence of any load charge or similar charge assessed against the accounts of the participants for administration or services.

2. The board shall establish the maximum amount ~~[which]~~ **that** may be contributed annually ~~[by a participant]~~ with respect to a beneficiary.

3. The board shall establish a total contribution limit for savings accounts established under the [savings] program with respect to a beneficiary to permit the [savings] program to qualify as a "qualified state tuition program" pursuant to Section 529 of the Internal Revenue Code. No contribution may be made to a savings account for a beneficiary if it would cause the balance of all savings accounts of the beneficiary to exceed the total contribution limit established by the board. The board may establish other requirements that it deems appropriate to provide adequate safeguards to prevent contributions on behalf of a beneficiary from exceeding what is necessary to provide for the qualified education expenses of the beneficiary.

4. The board shall establish the minimum length of time that contributions and earnings must be held by the [savings] program to qualify pursuant to section 166.435. Any contributions or earnings that are withdrawn or distributed from a savings account prior to the expiration of the minimum length of time, as established by the board, shall be subject to a penalty pursuant to section 166.430.

166.425. All money paid by a participant in connection with participation agreements shall be deposited as received and shall be promptly invested by the board. Contributions and earnings thereon accumulated on behalf of participants in the [savings] program may be used, as provided in the participation agreement, for qualified education expenses. Such contributions and earnings shall not be considered income for purposes of determining a participant's eligibility for financial assistance under any state student aid program.

166.435. 1. Notwithstanding any law to the contrary, the assets of the [savings] program held by the board, the assets of any deposit program authorized in section 166.500, and the assets of any qualified tuition [savings] program established pursuant to Section 529 of the Internal Revenue Code and any income therefrom shall be exempt from all taxation by the state or any of its political subdivisions. Income earned or received from the [savings] program, deposit, or other qualified tuition [savings] programs established under Section 529 of the Internal Revenue Code, or refunds of qualified education expenses received by a beneficiary from an eligible educational institution in connection with withdrawal from enrollment at such institution which are contributed within sixty days of withdrawal to a qualified tuition [savings] program of which such individual is a beneficiary shall not be subject to state income tax imposed pursuant to chapter 143 and shall be eligible for any benefits provided in accordance with Section 529 of the Internal Revenue Code. Annual contributions made to the [savings] program held by the board, the deposit program, and any qualified tuition [savings] program established under Section 529 of the Internal Revenue Code up to and including eight thousand dollars per [participating] taxpayer, and up to sixteen thousand dollars for married individuals filing a joint tax return, shall be subtracted in determining Missouri adjusted gross income pursuant to section 143.121.

2. If any deductible contributions to or earnings from any such program referred to in this section are distributed and not used to pay qualified education expenses, not transferred as allowed by 26 U.S.C. Section 529(c)(3)(C)(i), as amended, and any Internal Revenue Service regulations or guidance issued in relation thereto, or are not held for the minimum length of time established by the appropriate Missouri board, then the amount so distributed shall be included in the Missouri adjusted gross income of the participant, or, if the participant is not living, the beneficiary.

3. The provisions of this section shall apply to tax years beginning on or after January 1, 2008, and the provisions of this section with regard to sections 166.500 to 166.529 shall apply to tax years beginning on or after January 1, 2004.

166.440. The assets of the [savings] program shall at all times be preserved, invested and expended only for the purposes set forth in this section and in accordance with the participation agreements, and no property rights therein shall exist in favor of the state.

166.456. All personally identifiable information concerning participants and beneficiaries of accounts established within the Missouri education [savings] program pursuant to sections 166.400 to 166.456 shall be confidential, and any disclosure of such information shall be restricted to purposes directly connected with the administration of the program.

"160.545. 1. There is hereby established within the department of elementary and secondary education the "A+ Schools Program" to be administered by the commissioner of education. The program shall consist of grant awards made to public secondary schools that demonstrate a commitment to ensure that:

- (1) All students be graduated from school;
- (2) All students complete a selection of high school studies that is challenging and for which there are identified learning expectations; and
- (3) All students:
  - (a) Earn credits toward any type of college degree while in high school; or
  - (b) Proceed from high school graduation to a college or postsecondary vocational or technical school or high-wage job with work place skill development opportunities.

2. The state board of education shall promulgate rules and regulations for the approval of grants made under the program to schools that:

(1) Establish measurable districtwide performance standards for the goals of the program outlined in subsection 1 of this section; and

(2) Specify the knowledge, skills and competencies, in measurable terms, that students must demonstrate to successfully complete any individual course offered by the school, and any course of studies ~~[which]~~ that will qualify a student for graduation from the school; and

(3) Do not offer a general track of courses that, upon completion, can lead to a high school diploma; and

(4) Require rigorous coursework with standards of competency in basic academic subjects for students pursuing vocational and technical education as prescribed by rule and regulation of the state board of education; and

(5) Have a partnership plan developed in cooperation and with the advice of local business persons, labor leaders, parents, and representatives of college and postsecondary vocational and technical school representatives, with the plan then approved by the local board of education. The plan shall specify a mechanism to receive information on an annual basis from those who developed the plan in addition to senior citizens, community leaders, and teachers to update the plan in order to best meet the goals of the program as provided in subsection 1 of this section. Further, the plan shall detail the procedures used in the school to identify students that may drop out of school and the intervention services to be used to meet the needs of such students. The plan shall outline counseling and mentoring services provided to students who will enter the work force upon graduation from high school, address apprenticeship and intern programs, and shall contain procedures for the recruitment of volunteers from the community of the school to serve in schools receiving program grants.

3. Any nonpublic school in this state may apply to the state board of education for certification that it meets the requirements of this section subject to the same criteria as public high schools. Every nonpublic school that applies and has met the requirements of this section shall have its students eligible for reimbursement of postsecondary education under subsection 8 of this section on an equal basis to students who graduate from public schools that meet the requirements of this section. Any nonpublic school that applies shall not be eligible for any grants under this section. Students of certified nonpublic schools shall be eligible for reimbursement of postsecondary education under subsection 8 of this section so long as they meet the other requirements of such subsection. For purposes of subdivision (5) of subsection 2 of this section, the nonpublic school shall be included in the partnership plan developed by the public school district in which the nonpublic school is located. For purposes of subdivision (1) of subsection 2 of this section, the nonpublic school shall establish measurable performance standards for the goals of the program for every school and grade level over which the nonpublic school maintains control.

4. A school district may participate in the program irrespective of its accreditation classification by the state board of education, provided it meets all other requirements.

5. By rule and regulation, the state board of education may determine a local school district variable fund match requirement in order for a school or schools in the district to receive a grant under the program. However, no school in any district shall receive a grant under the program unless the district designates a salaried employee to serve as the program coordinator, with the district assuming a minimum of one-half the cost of the salary and other benefits provided to the coordinator. Further, no school in any district shall receive a grant under the program unless the district makes available facilities and services for adult literacy training as specified by rule of the state board of education.

6. For any school that meets the requirements for the approval of the grants authorized by this section and specified in subsection 2 of this section for three successive school years, by August first following the third such school year, the commissioner of education shall present a plan to the superintendent of the school district in which such school is located for the waiver of rules and regulations to promote flexibility in the operations of the school and to enhance and encourage efficiency in the delivery of instructional services in the school. The provisions of other law to the contrary notwithstanding, the plan presented to the superintendent shall provide a summary waiver, with no conditions, for the pupil testing requirements pursuant to section 160.257 in the school. Further, the provisions of other law to the contrary notwithstanding, the plan shall detail a means for the waiver of requirements otherwise imposed on the school related to the authority of the state board of education to classify school districts pursuant to subdivision (9) of section 161.092 and such other rules and regulations as determined by the commissioner of education, except such waivers shall be confined to the school and not other schools in the school district unless such other schools meet the requirements of this subsection. However, any waiver provided to any school as outlined in this subsection shall be void on June thirtieth of any school year in which the school fails to meet the requirements for the approval of the grants authorized by this section as specified in subsection 2 of this section.

7. For any school year, grants authorized by subsections 1, 2, and 5 of this section shall be funded with the amount appropriated for this program, less those funds necessary to reimburse eligible students pursuant to subsection 8 or 9 of this section.

8. The department of higher education and workforce development shall, by rule, establish a procedure for the reimbursement of the cost of tuition, books and fees to any public community college or vocational or technical school or within the limits established in subsection 11 of this section for any two-year private vocational or technical school for any student:

(2) Who has made a good faith effort to first secure all available federal sources of funding that could be applied to the reimbursement described in this subsection; and

(3) Who has earned a minimal grade average while in high school or through the semester immediately before taking the course for which reimbursement is sought as determined by rule of the department of higher education and workforce development, and other requirements for the reimbursement authorized by this subsection as determined by rule and regulation of the department. **When determining whether a student has earned a minimal grade average in the 2019-20 or 2020-21 school years for purposes of this subdivision, the department shall apply the student's highest available high school grade average so that the student is not adversely affected by any negative change in the student's academic performance directly caused by the coronavirus named SARS-CoV-2, the international outbreak of respiratory disease named "coronavirus disease 2019" and abbreviated as "COVID-19", or any changes in methods of instruction implemented by the student's school district because of COVID-19. Any rule establishing a requirement that a student obtain a certain algebra end-of-course examination score or other applicable standardized test score, as determined by the department, shall not apply to a high school senior graduating in the 2020-21 school year; and**

(4) Who is a citizen or permanent resident of the United States.

9. 10. The commissioner of education shall develop a procedure for evaluating the effectiveness of the program described in this section. Such evaluation shall be conducted annually with the results of the evaluation provided to the governor, speaker of the house, and president pro tempore of the senate.

11. For a two-year private vocational or technical school to obtain reimbursements under subsection 8 or 9 of this section, the following requirements shall be satisfied:

(1) Such two-year private vocational or technical school shall be a member of the North Central Association and be accredited by the Higher Learning Commission as of July 1, 2008, and maintain such accreditation;

### MESSAGES FROM THE GOVERNOR

The following executive order was received from His Excellency, Governor Michael L. Parson.

**EXECUTIVE ORDER  
21-06**

WHEREAS, businesses are vital to communities, by providing jobs, services, and a stable tax base to fund critical public functions; and

WHEREAS, recent polls and data prove that businesses have experienced significant financial losses as a result of the COVID-19 pandemic, with disproportionate impacts to small businesses and minority-owned businesses, including those owned by women; and

WHEREAS, the State of Missouri has worked diligently since the beginning of the pandemic to allow businesses to remain open to the extent possible, to waive nearly 600 statutory and regulatory requirements in order to provide more flexibility while simultaneously safeguarding Missourians, to secure over \$11 billion in Small Business Administration low-interest loans for small businesses, and to coordinate comprehensive statewide testing, vaccination efforts, and personal protective equipment delivery; and

WHEREAS, Missouri's economy continues to show strong signs of recovery, with approximately 70 percent of jobs lost to COVID-19 being recovered, putting Missouri among the top tier of states for total economic recovery; and

WHEREAS, the State of Missouri must continue to prioritize economic recovery and support for small businesses for the benefit of all Missourians, especially those businesses that were forced to close due to no fault of their own; and

WHEREAS, Missourians and Missouri businesses are strong, resilient, and ready to get back to work; and

WHEREAS, the Hispanic Business, Trade and Culture Commission was created by Executive Order 05-43 in November 2005 and has been inactive since 2008.

NOW, THEREFORE I, MICHAEL PARSON, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and laws of the State of Missouri, do hereby create and establish the Show Me Strong Recovery Task Force and rescind Executive Order 05-43.

The purpose of the Show Me Strong Recovery Task Force shall be to study and develop recommendations on ways to support small businesses, including minority-owned businesses, throughout the state. The Task Force shall also consider ways to better engage minority-owned businesses through existing economic development tools. The Task Force shall submit a report of its findings and recommendations to the Governor by December 31, 2021.

Task Force membership shall consist of the following members, to be appointed by the Governor:

1. One member of the restaurant or hospitality industry;
2. Three members of organizations that represent minority business owners;
3. A designee from the Missouri Department of Economic Development;
4. A designee from the Missouri Office of Equal Opportunity within the Missouri Department of Administration;
5. A designee from the Missouri Department of Labor and Industrial Relations;
6. A designee from the Missouri Department of Higher Education and Workforce Development;
7. The Missouri Chamber of Commerce and Industry and the Associated Industries of Missouri shall submit a list of three individuals each for the Governor to consider for membership on the Task Force. Individuals should represent geographical, ethnic, and gender diversity from across the state. The recommendations shall be submitted to the Office of the Governor within 30 days of this order; and
8. Such other members as the Governor may appoint.

The Governor shall designate a chair and co-chair of the Task Force.

The Department of Economic Development shall provide staff support for the Task Force.

Members of the Task Force shall not receive compensation for their duties as members of the Task Force, but may be reimbursed for necessary expenses associated with performing their duties, subject to the availability of funds.

The Task Force shall dissolve and this order will terminate as of December 31, 2021 unless reauthorized by subsequent Executive Order.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 22nd day of March, 2021.
