

HB 383 -- INSURANCE COVERAGE FOR MENTAL HEALTH

SPONSOR: Kidd

This bill requires that any rules must prohibit a health benefit plan from imposing a nonquantitative treatment limitation with respect to mental health condition benefits unless under the terms of the plan, any factors used in applying the nonquantitative treatment limitation to mental health condition benefits are comparable to and are applied no more stringently than the factors used in applying the limitation with respect to medical or surgical benefits as outlined in the bill.

This bill is similar to HB 1528 (2020).
