

HB 483 -- DRIVERS' RIGHTS

SPONSOR: Young

This bill requires the Department of Revenue to publish, prior to January 1, 2022, suggested guidelines for interacting with police officers in the Missouri Driver's Guidebook. The guidelines include information on constitutional rights involving arrest, search and seizure, and immigration status as well as specified recommendations involving the retention of evidence and the ability to file a complaint involving interactions with police officers.

This bill is the same as HB 775 (2017).
