Please consider this bill and see that it becomes law. Limiting our law enforcement officers' ability to pursue criminal suspects severely hampers the effect of the laws those officers have sworn to uphold. In these times of growing lawlessness we need to strengthen and expand our LEO's options available to enforce law. It is time to add common sense to the list of tools we use in managing the great state of Missouri and this bill is part of the "common sense". Thank you for your time.
