**This bill allows Sunday liquor sales to be identical to the rest of the week. It allows on-premise retailers, who are in need of all possible assistance at this time, to have more freedom to sell their products, particularly on Sunday when football and other sporting events can begin early in the day. For off-premise retailers, it harmonizes the hours with the rest of the week and prevents the awkward occasions for consumers and retail staff alike that prevent beer and other alcohol products from being sold as freely as the rest of the week.**
