92.720. 1. If any of the lands or town lots contained in the back tax book or list of delinquent lands or lots remain unredeemed on the first day of January, the collector may file suit in the circuit court against such lands or lots to enforce the lien of the state and city as herein provided in sections 92.700 to 92.920.

2. The collector shall note opposite such tract in the back tax book the fact that suit has been commenced.

3. The collector shall compile lists of all state, city, school and other tax bills collectible by him which are delinquent according to his records and he shall assign a serial number to each parcel of real estate in each list and if suit has been filed in the circuit court of the city on any delinquent tax bill included in any list, the collector shall give the court docket number of each suit.

4. The sheriff may appoint the collector and the collector's deputies as deputy sheriffs, and when so appointed they may serve all process in matters pertaining to sections 92.700 to 92.920 with like effect as the sheriff himself might do.

5. No action for recovery of taxes against real estate shall be commenced, had or maintained, unless action therefor shall be commenced within five years after delinquency.

6. For any improved parcel identified by a city operating under sections 92.700 to 92.920 as being vacant, the collector shall, within no more than two years after delinquency, file suit in the circuit court against such lands or lots to enforce the lien of the state and the city as provided in sections 92.700 to 92.920. Failure of the collector to bring suit within the time frame prescribed herein shall not constitute a defense or bar an action for the collection of taxes as otherwise provided by this section.

92.740. 1. A suit for the foreclosure of the tax liens herein provided for shall be instituted by filing in the appropriate office of the circuit clerk and with the land reutilization authority a petition, which petition shall contain a caption, a copy of the list prepared by the collector, and a prayer. Such petition without further allegation shall be deemed to be sufficient.

2. The caption shall be in the following form:

In the Circuit Court of ______ Missouri,

In the Matter of

Foreclosure of Liens for Delinquent Land Taxes

Collector of Revenue of ______, Missouri, Plaintiff

By Action in Rem.

-vs-

-vs-
3. Parcels of Land Encumbered with Delinquent Tax Liens, Defendants

3. The petition shall conclude with a prayer that all tax liens upon such real estate be foreclosed; that the court determine the amounts and priorities of all tax bills, together with interest, penalties, costs, and attorney's fees; that the court order such real estate to be sold by the sheriff at public sale as provided by sections 92.700 to 92.920 and that thereafter a report of such sale be made by the sheriff to the court for further proceedings under the provisions of sections 92.700 to 92.920.

4. The petition when so filed shall have the same force and effect with respect to each parcel of real estate therein described as a separate suit instituted to foreclose the tax lien or liens against any one of said parcels of real estate.

5. For each petition filed, the collector shall make available to the public a list detailing each parcel included in the suit.

92.750. 1. Except as otherwise provided in subsection 4 of this section, any person having any right, title, or interest in, or lien upon, any parcel of real estate described in such petition may redeem such parcel of real estate by paying to the collector all of the sums mentioned therein, including principal, interest, penalties, attorney's fees and costs then due, at any time prior to the time of the foreclosure sale of such real estate by the sheriff.

2. In the event of failure to redeem prior to the time of the foreclosure sale by the sheriff, such person shall be barred and forever foreclosed of all his right, title and interest in and to the parcels of real estate described in such petition.

3. Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in such petition, and the collector shall thereupon note on his records the word "redeemed" and the date of such payment opposite the description of such parcel of real estate.

4. For any improved nonhomestead parcel, any person having any right, title, or interest in, or lien upon, any parcel of real estate described in the petition may redeem such parcel of real estate at any time prior to the time of the foreclosure sale of such real estate by the sheriff by paying to the collector all of the sums due as of the date of redemption mentioned therein, including principal, interest, penalties, attorney's fees, and costs then due including, but not limited to, all debts owed to the city, exclusive of any debts owed to any statutorily created sewer district, that are known to the collector and that may be collected pursuant to section 67.451, such as amounts for water, forestry, nuisance abatement, special tax bills, and vacant building assessments.

92.760. 1. The collector shall also cause to be prepared and mailed in an envelope with postage prepaid, within thirty days after the filing of such petition, a brief notice of the
filing of the suit, to the persons named in the petition as having an interest in the parcel, according to the records of the assessor, or otherwise known to the collector, the respective parcels of real estate described in the petition. The notices shall be sent to the addresses of such persons upon the records of the assessor most likely to apprise the parties of the proceedings as provided, and in the event that any name or address does not appear on the records of the assessor, with respect to any parcel of real estate, the collector shall so state in an affidavit, giving the serial number of each parcel of real estate affected. Such affidavit shall be filed in the suit with the circuit clerk not later than sixty days after the date of the first publication of the notice of foreclosure. The failure of the collector to mail the notice as provided in this section shall invalidate any proceedings brought pursuant to the provisions of sections 92.700 to 92.920. The failure of the collector to file the affidavit as provided in this section shall not affect the validity of any proceedings brought pursuant to the provisions of sections 92.700 to 92.920.

2. Such notice shall be substantially as follows:

92.765. Affidavits of publication of notice of foreclosure, and of posting, mailing, or
other acts required by the provisions of sections 92.700 to 92.920 shall be filed in the office of
the circuit clerk prior to the trial, and when so filed shall constitute part of the evidentiary
documents in the foreclosure suit. Such affidavits shall be prima facie evidence of the
performance of acts therein described, and may be so used in the trial of the suit, unless
challenged by verified answer duly filed in the suit. The collector shall file with the court
an affidavit of compliance with notice requirements of sections 92.700 to 92.920 prior to
any sheriff's sale. The affidavit shall include the identities of all parties to whom notice
was attempted and by what means. In the case of mailed notice returned undeliverable,
the collector's affidavit shall certify that additional notice was attempted and by what
means. The expense of complying with this section shall be taxed and collected as other costs in the suit.

92.770. 1. The collector may employ such attorneys as he deems necessary to collect such taxes and to prosecute suits for taxes.

2. Such attorneys shall receive as total compensation a sum, not to exceed six percent of the amount of taxes actually collected and paid into the treasury, and an additional sum not to exceed two dollars for each suit filed when publication is not necessary and not to exceed five dollars where publication is necessary, as may be agreed upon in writing and approved by the collector, before such services are rendered.

3. The attorney's fees shall be taxed as costs in the suit and collected as other costs.

92.775. 1. Upon the trial of the cause upon the question of foreclosure, the tax bill shall be prima facie proof that the tax described in the tax bill has been validly assessed at the time indicated by the tax bill and that the tax is unpaid. Any person alleging any jurisdictional defect or invalidity in the tax bill or in the sale thereof must particularly specify in his answer the defect or basis of invalidity, and must, upon trial, affirmatively establish such defense.

2. After the court has first determined the validity of the tax liens of all tax bills affecting parcels of real estate described in the petition, the priorities of the respective tax bills and the amounts due thereon, including principal, interest, penalties, attorney's fees, and costs, the court shall thereupon enter judgment of foreclosure of such liens and fix the time and place of the foreclosure sale. The petition shall be dismissed as to any parcel of real estate redeemed prior to the time fixed for the sheriff's foreclosure sale as provided in sections 92.700 to 92.920. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum sufficient to fully pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and for no more, and such sale is confirmed by the court, then all other proceedings as to such parcels of real estate shall be finally dismissed as to all parties and interests other than tax bill owners or holders; provided, however, that any parties seeking relief other than an interest in or lien upon the real estate may continue with said suit to a final adjudication of such other issues; provided, further, an appeal may be had to any claim attacking the validity of the tax bill or bills or the priorities as to payment of proceeds of foreclosure sale. If the parcel of real estate auctioned off at sheriff's foreclosure sale is sold for a sum greater than the total amount necessary to pay the principal amount of all tax bills included in the judgment, together with interest, penalties, attorney's fees and costs, and such sale is confirmed by the court, and no appeal is taken by any person claiming any right, title or interest in or to or lien upon said parcel of real estate or by any person or taxing authority owning or holding or claiming any right, title or interest in
or to any tax bills within the time fixed by law for the filing of notice of appeal, the court shall
thereupon order the sheriff to make distribution to the owners or holders of the respective tax
bills included in the judgment of the amounts found to be due and in the order of priorities.
Thereafter all proceedings in the suit shall be ordered by the court to be dismissed as to such
persons or taxing authorities owning, holding or claiming any right, title or interest in any
such tax bill or bills so paid, and the case shall proceed as to any parties claiming any right,
title, or interest in or lien upon the parcel of real estate affected by such tax bill or bills as to
their respective claims to such surplus funds then remaining in the hands of the sheriff. The receipt of such surplus funds shall constitute a bar to any claim of right, title, or interest in, or lien upon, said parcel of real estate, by the fund recipient.

3. Whenever an answer is filed to the petition, as herein provided, a severance of the
action as to all parcels of real estate affected by such answer shall be granted, and the issues
raised by the petition and such answer shall be tried separate and apart from the other issues
in the suit, but the granting of such severance shall not delay the trial or other disposition of
any other issue in the case. A separate appeal may be taken from any other issue in the case.
A separate appeal may be taken from any action of the court affecting any right, title or
interest in or to, or lien upon, such real estate, other than issues of law and fact affecting the
amount or validity of the lien of tax bills, but the proceeding to foreclose the lien of any tax
bills shall not be stayed by such appeal. The trial shall be conducted by the court without the
aid of a jury and the suit shall be in equity. This action shall take precedence over and shall
be triable before any other action in equity affecting the title to such real estate, upon motion
of any interested party.

92.810. 1. After the judgment of foreclosure has been entered, or, after a motion for a
new trial has been overruled, or, if an appeal be taken from such judgment and the judgment
has been affirmed, after the sheriff shall have been notified by any party to the suit that such
judgment has been affirmed on appeal and that the mandate of the appellate court is on file
with the circuit clerk, there shall be a waiting period of six months before any advertisement
of sheriff's sale shall be published.

2. If any such parcel of real estate be not redeemed, or if no written contract providing
for redemption be made within six months after the date of the judgment of foreclosure, if no
motion for rehearing be filed, and, if filed, within six months after such motion may have
been overruled, or, if an appeal be taken from such judgment and the judgment be affirmed,
within six months after the sheriff shall have been notified by any party to the suit that such
judgment has been affirmed on appeal and that the mandate of the appellate court is on file
with the circuit clerk, the sheriff shall, after giving the [notice] notices required by
subsection 3] subsections 4 and 5 of this section, commence to advertise the real estate
described in the judgment and shall fix the date of sale within thirty days after the date of the
first publication of the notice of sheriff's sale as herein provided, and shall at such sale
proceed to sell the real estate.

3. No later than one hundred twenty days prior to the sheriff's sale, the collector
shall obtain a title abstract or report on any unredeemed parcels. Such title abstract or
report shall be obtained from a licensed title company or attorney and subject to a
public and competitive bidding process administered by the collector and conducted
triennially. The title report shall include all conveyances, liens, and charges against the
real estate, and the names and mailing addresses of any interested parties and
lienholders. The charges of said abstract or report shall be taxed as costs and shall be
paid as other costs in the case.

4. No later than twenty days prior to the sheriff's sale, the collector shall send
notice of the sale to the lienholders and interested parties, as disclosed upon the title
abstract or report of the real estate for which tax bills thereon are delinquent. The
notice shall provide the date, time, and place of the sale. The notice shall also state that
the parcel may be redeemed prior to the sale as specified in section 92.750 or by entering
into an agreement with the collector to pay the taxes included in the foreclosure suit
under section 92.740. The notice required by this subsection shall be mailed in an
envelope with postage prepaid. The cost of the mailing and notice as required by this
subsection shall be included as costs in the case.

5. No later than [twenty] forty days prior to the sheriff's sale, the [sheriff] collector
shall send notice of the sale to the [owner or owners,] parties having interest in the parcel
as disclosed upon the records of the assessor, or otherwise known to the collector, of the
real estate for which tax bills thereon are delinquent. [The search of the records of the
assessor must be made not more than forty days prior to the sending of this notice] The notice
shall be sent to the addresses most likely to apprise the parties of the proceedings as
provided. The notice shall provide the date, time and place of the sale. The notice shall also
state that [the property owner] an interested party may avoid the sale by redeeming such
parcel of real estate prior to the sale as specified in section 92.750 or, if applicable, by
entering into an agreement with the collector to pay the taxes included in the foreclosure suit
under section 92.740. The notice required by this subsection shall be mailed in an envelope
with postage prepaid. The cost of [the title search,] mailing and notice as required by this
subsection shall be included as costs [at the sale of the real estate] in the case.

6. No later than twenty days prior to the sheriff's sale, the sheriff shall enter
upon the parcel subject to foreclosure of these tax liens and post a written informational
notice in a conspicuous location, attached to a structure, and intended to be visible by
the nearest public right-of-way. This notice shall describe the property; shall advise that
it is the subject of delinquent land tax collection proceedings brought pursuant to
sections 92.700 to 92.920 and that it may be sold for the payment of delinquent taxes at a
sale to be held at a certain time, date, and place; and shall contain the serial number and
the phone number and address of the collector, as well as a statement of the prohibition
against removal unless the parcel has been redeemed. The notice shall be not less than
eight inches by ten inches and shall be laminated or otherwise sufficiently
weatherproofed to withstand normal exposure to rain, snow, and other conditions.
The sheriff shall document, by time-stamped photograph, compliance with this section,
make said documentation generally available upon request, and provide verification by
affidavit of compliance with this section. The cost of notice as required by this
subsection shall be included as costs in the case.

7. In addition to the other notice requirements of this section, no later than
twenty days prior to the sheriff’s sale, the sheriff shall attempt in-person notice that
shall describe the property; that shall advise that it is the subject of delinquent land tax
collection proceedings brought pursuant to sections 92.700 to 92.920 and that it may be
sold for the payment of delinquent taxes at a sale to be held a certain time, date, and
place; and that shall contain the serial number and phone number and address of the
collector. In-person notice may be provided to any person found at the property. The
sheriff shall note the date and time of attempted notice and the name, description, or
other identifying information regarding the person to whom notice was attempted. The
sheriff shall document compliance with this section, make said documentation generally
available upon request, and provide verification by affidavit of compliance with this
section. The cost of notice as required by this subsection shall be included as costs in the
case.

[4-] 8. Notwithstanding the provisions of this section to the contrary, any residential
property which has not been redeemed by the end of the waiting period required by this
section which has been determined to be of substandard quality or condition under the
standards established by the residential renovation loan commission pursuant to sections
67.970 to 67.983 may, upon the request of the residential renovation loan commission, be
transferred to the residential renovation loan commission for the purpose of renovation of the
property. Any such property transferred pursuant to this subsection shall be renovated and
sold by the residential renovation loan commission in the manner prescribed in sections
67.970 to 67.983. The residential renovation loan commission shall reimburse the land
reutilization authority for all expenses directly incurred in relation to such property under
sections 92.700 to 92.920 prior to the transfer.

92.815. 1. During such waiting period and at any time prior to the time of foreclosure
sale by the sheriff, any interested party may redeem any parcel of real estate as provided by
sections 92.700 to 92.920; except that during such time and at any time prior to the time of
foreclosure sale by the sheriff, the collector shall enter into a written redemption contract with
the owner of any real estate occupied as a homestead and who has not previously defaulted
upon any such written redemption contract, provided that in no instance shall such
installments exceed twelve in number or extend more than twenty-four months next after any
agreement for such installment payments shall have been entered into; provided further, that
upon good cause being shown by the owner of any parcel of real estate occupied as a
homestead, or in the case of improved real estate with a total assessed valuation of not more
than five thousand dollars, owned by an individual, the income from such property being a
major factor in the total income of such individual, or by anyone on his behalf, the court may,
in its discretion, fix the time and terms of payment in such contract to permit all of such
installments to be paid within not longer than forty-eight months after any order or agreement
as to installment payments shall have been made. The collector shall not enter into a
redemption contract with respect to any improved parcel not occupied as a homestead.

2. So long as such installments be paid according to the terms of the contract, the six
months' waiting period shall be extended, but if any installment be not paid when due, the
extension of the waiting period shall be ended and the real estate shall immediately be
advertised for sale or included in the next notice of sheriff's foreclosure sale. Notice shall also
be sent to the redemption contract payer as specified in subsection [3] of section 92.810.

3. On an annual basis, the collector shall make publicly available the number of
parcels under redemption contract under this section.

92.817. 1. The court shall stay the sale of any parcel to be sold under execution
of a tax foreclosure judgment obtained under this chapter, which is the subject of an
action filed under sections 447.620 to 447.640, provided that the party that has brought
such an action has, upon an order of the court, paid into the circuit court the principal
amount of all land taxes then due and owing under the tax foreclosure judgment,
exclusive of penalties and interest, prior to the date of any proposed sale under
execution.

2. Upon the granting by the court of temporary possession of any property
under section 447.632, upon order, the circuit court shall direct payment to the collector
of all principal land taxes theretofore paid to the circuit court. In addition, in any order
granting a final judgment or deed under section 447.625 or 447.640, the court shall also
order the permanent extinguishment of penalties and interest arising from actions to
collect delinquent land taxes due on the parcel against the grantee of said deed, and all
successors in interest; excepting however, any defendant in such action.

3. If an owner of the parcel moves the court for restoration of possession under
section 447.638, the owner shall pay into the circuit court all land tax amounts currently
due and owing on the property, including all statutory penalties, interest, attorney's fees, and court costs retroactive to the date of accrual. Upon an order granting the restoration of possession to an owner under section 447.638, the court shall order that the funds paid to the court under subsection 2 of this section be returned to the payer, and that the funds paid to the court under this subsection be paid out to the collector.

4. If the party that brought the action under sections 447.620 to 447.640 dismisses its action prior to gaining temporary possession of the property, it shall recover any amounts paid into the circuit court prior to that date for principal land taxes.

92.825. 1. The sale shall be conducted, the sheriff's return thereof made, and the sheriff's deed pursuant to the sale executed, all as provided in the case of sales of real estate taken under execution except as otherwise provided in sections 92.700 to 92.920, and provided that such sale need not occur during the term of court or while the court is in session.

2. Such sale shall convey the whole interest of every person having or claiming any right, title or interest in or lien upon such real estate, whether such person has answered or not, subject to rights-of-way thereon of public utilities upon which tax has been otherwise paid, and subject only to the tax lien thereon, if any, of the United States of America.

3. The collector shall advance from current tax collections the sums necessary to pay for the publication of all advertisements required by the provisions of sections 92.700 to 92.920 and shall be allowed credit therefor in his accounts with the taxing authorities on a pro rata basis. He shall give credit in such accounts for all such advances recovered by him. Such expenses of publication shall be apportioned pro rata among and taxed as costs against the respective parcels of real estate described in the judgment; provided, however, that none of the costs herein enumerated, including the costs of publication, shall constitute any lien upon the real estate after such sale.

4. No person shall be eligible to bid at the time of the sheriff's sale unless such person has, no later than ten days before the sale date, demonstrated to the satisfaction of the collector or sheriff that the person is not the owner of any parcel of real estate in the city that is subject to delinquent property taxes, unpaid special tax bills, or vacant building fees. A prospective bidder shall be prohibited from participating in the delinquent land tax sale if he or she has previously bid at a sheriff's sale and failed to pay bid amounts, confirm the sale, or sign a sheriff's deed. The collector or sheriff may require prospective bidders to submit an affidavit attesting to the requirements of this section and is expressly authorized to permanently preclude any prospective bidder from participating in the sale for failure to comply with this section. Notwithstanding the provisions of this section, any taxing authority or land reutilization authority shall be eligible to bid at any sale conducted under this section without making such a
demonstration. The purchaser at a sale conducted by the sheriff shall pay cash immediately at the end of bidding of each parcel on the day of the sale in an amount including all taxes then due and owing, which may be in an amount in excess of or less than the judgment amount, and other costs, exclusive of any amounts for debts owed to any statutorily created sewer district [as otherwise provided by law].

92.835. 1. The title to any real estate which shall vest in the land reutilization authority under the provisions of sections 92.700 to 92.920 shall be held by the land reutilization authority of the city in trust for the tax bill owners and taxing authorities having an interest in any tax liens which were foreclosed, as their interests may appear in the judgment of foreclosure.

2. The title to any real estate which shall vest in any purchaser, upon confirmation of such sale by the court, shall be an absolute estate in fee simple, subject to rights-of-way thereon of public utilities on which tax has been otherwise paid, and subject to any tax lien thereon of the United States of America, if any, and all persons, including the state of Missouri, any taxing authority or tax district as defined herein, judgment creditors, lienholders, minors, incapacitated and disabled persons, and nonresidents who may have had any right, title, interest, claim, or equity of redemption in or to, or lien upon, such lands shall be barred and forever foreclosed of all such right, title, interest, claim, lien or equity of redemption, and the court shall order immediate possession of such real estate be given to such purchaser]; provided, however, that such title shall also be subject to the liens of any tax bills which may have attached to such parcel of real estate prior to the time of the filing of the petition affecting such parcel of real estate not then delinquent, or which may have attached after the filing of the petition and prior to sheriff's sale and not included in any answer to such petition, but]. If such parcel of real estate is sold to the land reutilization authority the title thereto shall be free of any [such] liens to the extent of the interest of any taxing authority in such real estate; provided further, that such title shall not be subject to the lien of special tax bills [which has attached to the parcel of real estate prior to January 1, 1972, but the lien of such special tax bills shall attach to the proceeds of the sheriff's sale or to the proceeds of the ultimate sale of such parcel by the land reutilization authority].

92.840. 1. Within six months after the sheriff sells any parcel of real estate, the court shall, upon its own motion or upon motion of any interested party, set the cause down for hearing to confirm or set aside the foreclosure sale of the real estate, even though such parcels are not all of the parcels of real estate described in the notice of sheriff's foreclosure sale. Notice of the hearing shall be sent by any interested party, or the court, moving to confirm the foreclosure sale, to each person who [received] was sent notice of sale as specified in [subsection 3] subsections 4 and 5 of section 92.810 and to any other necessary parties as required by prevailing notions of due process. At the time of such
hearing, the sheriff shall make report of the sale, and the court shall hear evidence of the value
of the property offered on behalf of any interested party to the suit, and shall immediately
determine whether an adequate consideration has been paid for each such parcel. Any parcel
deemed to have been purchased by the land reutilization authority pursuant to section
92.830 shall not require any inquiry as to value. The court's judgment shall include a
specific finding that adequate notice was provided to all necessary parties pursuant to
prevailing notions of due process and sections 92.700 to 92.920, reciting the notice efforts
of the collector, sheriff, and tax sale purchaser. Nothing in this section shall be
interpreted to preclude a successful tax sale purchaser from asserting a claim to quiet
title to the bid upon parcel pursuant to section 527.150.

2. For this purpose, the court shall have power to summon any city official or any
private person to testify as to the reasonable value of the property, and if the court finds that
adequate consideration has been paid, he shall confirm the sale and order the sheriff to issue a
deed with restriction as provided herein to the purchaser subject to the application of an
occupancy permit for all parcels as provided in subsection [§] 7 of this section. If the court
finds that the consideration paid is inadequate, the purchaser may increase his bid to such
amount as the court may deem to be adequate, whereupon the court may confirm the sale. If,
however, the purchaser declines to increase his bid and make such additional payment, then
the sale shall be disapproved, the lien of the judgment continued, and such parcel of real
estate shall be again advertised and offered for sale by the sheriff to the highest bidder at
public auction for cash at any subsequent sheriff's foreclosure sale.

3. If the sale is confirmed, the court shall order the proceeds of the sale applied in the
following order:

(1) To the payment of the costs of the publication of the notice of foreclosure and of
the sheriff's foreclosure sale;

(2) To the payment of all of the collector and sheriff's costs including appraiser's fee
and attorney's fees;

(3) To the payment of all tax bills adjudged to be due in the order of their priority,
including principal, interest and penalties thereon. If, after such payment, there is any sum
remaining of the proceeds of the sheriff's foreclosure sale, the court shall thereupon try and
determine the other issues in the suit in accordance with section 92.775. If any answering
parties have specially appealed as provided in section 92.845, the court shall retain the
custody of such funds pending disposition of such appeal, and upon disposition of such
appeal shall make such distribution. If there are not sufficient proceeds of the sale to pay all
claims in any class described, the court shall order the same to be paid pro rata in accordance
with the priorities.
4. If there are any funds remaining of the proceeds after the sheriff's sale and after the
distribution of such funds as set out in this section and no person entitled to any such funds,
whether or not a party to the suit, shall, within two years after such sale, appear and claim the
funds, [they] ten percent shall be distributed to the St. Louis Affordable Housing Trust
Fund or equivalent of such city operating under sections 92.700 to 92.920 for purposes
that promote the reduction and prevention of vacant properties, blight remediation, and
cleanup and maintenance of vacant property, with the remainder to be distributed to the
appropriate taxing authorities.

5. Any city operating under the provisions of sections 92.700 to 92.920, by
ordinance, may elect to allocate a portion of its share of the proceeds of the sheriff's sale
towards a fund for the purpose of defending against claims challenging the sufficiency of
notice provisions under this section.

6. For the purpose of this section, the term "occupancy permit" shall mean the
certificate of [use and] inspection or occupancy permit for residential or commercial
structures as provided for in the revised municipal code of any city not within a county,
which now has or may hereafter have a population in excess of three hundred thousand
inhabitants.

7. If there is a building or structure on the parcel, the purchaser shall apply for an
occupancy permit from the city or appropriate governmental agency within ten days after the
confirmation hearing. Any purchaser who is a public corporation acting in a governmental
capacity shall not be required to acquire the occupancy permit. When a parcel, acquired at a
sheriff sale, containing a building is sold from a public corporation acting in a governmental
capacity, the subsequent purchaser shall be required to apply for the occupancy permit.
Failure to apply for such occupancy permit within ten days after confirmation shall result in
the sale and confirmation being immediately set aside by the motion of any interested party
and that parcel shall again be advertised and offered for sale by the sheriff to the highest
bidder at public auction for cash at any subsequent sheriff foreclosure sale.

8. The sheriff shall include a deed restriction in the sheriff's deed, issued after
confirmation and after the application of an occupancy permit for any parcel containing a
building or structure. The deed restriction shall state that the purchasers at the sheriff's sale
who had the property confirmed and who applied for an occupancy permit shall obtain an
occupancy permit for the building or structure from the appropriate governmental agency
prior to any subsequent transfer or sale of this property. This deed restriction shall not exist
as a lien against such real estate [while the purchasers hold same in the amount of five
thousand dollars]. The purchasers of the property at the sheriff sale who had the property
confirmed and applied for the occupancy permit shall agree that in the event of their failure to
obtain an occupancy permit prior to any subsequent transfer of the property, they shall pay to
the sheriff the sum of five thousand dollars as fixed, liquidated and ascertained damages without proof of loss or damages. **These damages shall not constitute a lien on property,** and the sheriff shall have the discretionary power to file a lawsuit against such purchaser for collection of these liquidated damages. These liquidated damages shall be distributed on a prorated basis to the appropriate taxing authority after the sheriff deducts all costs, expenses and **attorney's** fees for such lawsuits. The sheriff may employ attorneys as he deems necessary to collect liquidated damages.

9. If any sale is not confirmed within six months after the sale, any set-aside of the sale may, at the discretion of the court or collector, include a penalty of twenty-five percent of the bid amount over and above the opening bid amount, and such penalty shall be directed to the affordable housing trust fund or the equivalent, if any, of a city operating under sections 92.700 to 92.920.

10. Any interested party, other than the sheriff's sale purchaser, who moves the court to set aside a sheriff's sale after the issuance of a sheriff's deed made under the provisions of sections 92.700 to 92.920 shall be required to pay into the court the redemption amount otherwise necessary under section 92.750 prior to the court hearing any such motion to set aside. The court may hear any motion to confirm brought under the terms of this section if the redemption amount is not paid by the interested party moving the court to set aside the sale.

92.852. Any sheriff's deed given pursuant to the municipal land reutilization law shall be subject to a recording fee for the costs of recording the deed that shall be assessed and collected from the purchaser of the property at the same time the proceeds from the sale are collected. All such deeds shall be recorded at the office of the recorder of deeds within two months after the [sheriff's deed is given] **court confirms the sale, if no proceeding to set aside the confirmation judgment is before the court.**

92.855. Each sheriff's deed given pursuant to the provisions of the municipal land reutilization law shall be **presumptive prima facie** evidence that the suit and all proceedings therein and all proceedings prior thereto from and including assessment of the lands affected thereby and all notices required by law were regular and in accordance with all provisions of the law relating thereto. [After two years from the date of the recording of such sheriff's deed, the presumption shall be conclusive, unless at the time that this section takes effect the two-year period since the recording of such sheriff's deed has expired, or less than six months of such period of two years remains unexpired, in which latter case the presumption shall become conclusive six months after September 28, 1971. No suit to set aside or to attack the validity of any such sheriff's deed shall be commenced or maintained unless the suit is filed prior to the time that the presumption becomes conclusive, as aforesaid.]
260.295. No building code adopted by a political subdivision shall prohibit the use of refrigerants that are approved for use under the provisions of 42 U.S.C. Section 7671k or the regulations promulgated thereunder, provided any related equipment is installed in accordance with the provisions of 42 U.S.C. Section 7671k or the regulations promulgated thereunder. Any provision of a building code that violates this section shall be null and void.

442.130. 1. All deeds or other conveyances of lands, or of any estate or interest therein, shall be subscribed by the party granting the same, or by his lawful agent, and shall be acknowledged or proved and certified in the manner herein prescribed.

2. All written instruments conveying real estate or any interest in real estate shall state whether any natural person acting as grantors, mortgagors, or other parties executing the instrument are married or unmarried.

442.403. 1. Any restrictive covenant recitals on property, real or personal, found in any deeds, plats, restrictions, covenants, or other conveyances of any type or nature, filed for record at any time in the office of the recorder of deeds in any county that relate to the race, color, religion, or national origin of any person shall be void and unenforceable, and shall be ignored, as if the same never existed.

2. Any person or legal entity with an interest in real property or any agent of such person or entity, shall not incur any liability by reason of the mere existence of a restrictive covenant described in subsection 1 of this section in any document filed for record before May 3, 1948, in any recorder of deeds' office.

3. No deed recorded on or after August 28, 2022, shall contain a reference to the specific portion of a restrictive covenant purporting to restrict the ownership or use of the property as prohibited under subsection 1 of this section. A recorder of deeds may refuse to accept any deed submitted for recording that references the specific portion of any such restrictive covenant. The person who prepares or submits a deed for recording has the responsibility of ensuring that the specific portion of such a restrictive covenant is not specifically referenced in the deed prior to such deed being submitted for recording. A deed may include a general provision that states that such deed is subject to any and all covenants and restrictions of record; however, such provision shall not apply to the specific portion of a restrictive covenant purporting to restrict the ownership or use of the property as prohibited under subsection 1 of this section. Any deed that is recorded after August 27, 2022, that mistakenly contains such a restrictive covenant shall nevertheless constitute a valid transfer of real property.

4. Any restrictive covenant prohibited under subsection 1 of this section may be released by the owner of real property subject to such covenant by recording a certificate of release of prohibited covenants. The real property owner may record a
certificate either prior to recording of a deed conveying real property to a purchaser or when such real property owner discovers that such prohibited covenant exists and chooses to affirmatively release the same. A certificate may be prepared without assistance of an attorney but shall conform substantially to the following certificate of release of prohibited covenants form:

2. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting the display of political signs.

(2) A homeowners' association has the authority to adopt reasonable rules, subject to any applicable statutes or ordinances, regarding the time, size, place, number, and manner of display of political signs.

(3) A homeowners' association may remove a political sign without liability if such sign is placed within the common ground, threatens the public health or safety, violates an applicable statute or ordinance, is accompanied by sound or music, or if any other materials are attached to the political sign. Subject to the foregoing, a homeowners' association shall not remove a political sign from the property of a homeowner or impose any fine or penalty upon the homeowner unless it has given such homeowner three days after providing written notice to the homeowner, which notice shall specifically identify the rule and the nature of the violation.

3. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall limit or prohibit, or have the effect of limiting or prohibiting, the installation of solar panels or solar collectors on the rooftop of any property or structure.

(2) A homeowners' association may adopt reasonable rules, subject to any applicable statutes or ordinances, regarding the placement of solar panels or solar collectors to the extent that those rules do not prevent the installation of the device, impair the functioning of the device, restrict the use of the device, or adversely affect the cost or efficiency of the device.

(3) The provisions of this subsection shall apply only with regard to rooftops that are owned, controlled, and maintained by the owner of the individual property or structure.

4. (1) No deed restrictions, covenants, or similar binding agreements running with the land shall prohibit or have the effect of prohibiting the display of sale signs on the property of a homeowner or property owner including, but not limited to, any yard on the property, or nearby street corners.
