

JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-SIXTH DAY, FRIDAY, MAY 6, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicky, Chaplain.

God is with you in all that you do. (Genesis 21:22)

Almighty God, our divine teacher, at the beginning of this new day we bow before You, seeking Your blessing upon us and praying that Your wisdom may guide us, Your strength support us, and Your love unite us all day.

In the middle of these hectic hours and multiple interruptions, may Your healing presence restore our souls and lead us in the paths of inner peace and righteousness for Your sake.

Forgive us our impatient impulses, our selfish private goals and our sour dispositions. Strengthen us to make a striking positive contribution today, to think clearly, to speak courageously, to act confidently, to keep our trust in You and our state, and may this trust keep us grounded well in both truth and charity.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Representative Chipman assumed the Chair.

The Journal of the sixty-fifth day was approved as printed.

Such waiver of interest or penalty shall be for that amount attributable to the period of delay and for any time that the penalty or interest is under appeal.

2. Notwithstanding any provision of law to the contrary, the director shall refund to a taxpayer the amount of sales and use tax assessments paid by such taxpayer when it is determined by the administrative hearing commission or a court of law that the negligence of or incorrect information provided by an employee of the department resulted in the taxpayer failing to collect and remit sales and use tax assessments that were required to be collected and for which the department subsequently audited the taxpayer. AMEND Senate Substitute for House Bill No. 2400, Page 1, Section A, Line 3, by inserting after all of said line the following:

"130.029. 1. Nothing herein contained shall be construed to prohibit any corporation organized under any general or special law of this state, or any other state or by an act of the Congress of the United States or any labor organization, cooperative association or mutual association from making any contributions or expenditures, provided:

(1) That the board of directors of any corporation by resolution has authorized contributions or expenditures, or by resolution has authorized a designated officer to make such contributions or expenditures; or

(2) That the members of any labor organization, cooperative association or mutual association have authorized contributions or expenditures by a majority vote of the members present at a duly called meeting of any such labor organization, cooperative association or mutual association or by such vote has authorized a designated officer to make such contributions or expenditures.

2. No provision of this section shall be construed to authorize contributions or expenditures otherwise prohibited by, or to change any necessary percentage of vote otherwise required by, the articles of incorporation or association or bylaws of such labor organization, corporation, cooperative or mutual association.

3. Authority to make contributions or expenditures as authorized by this section shall be adopted by general or specific resolution. This resolution shall state the total amount of contributions or expenditures authorized, the purposes of such contributions or expenditures and the time period within which such authority shall exist.

4. (1) Any limited liability company that is duly registered pursuant to chapter 347 and that has not elected to be classified as a corporation under the federal tax code may make contributions to any committee if the limited liability company has:

(a) Been in existence for at least one year prior to such contribution; and

(b) Electronically filed with the Missouri ethics commission indicating that the limited liability company is a legitimate business with a legitimate business interest and is not created for the sole purpose of making campaign contributions.

The commission shall post all information submitted pursuant to this subdivision on its website on a public page in a searchable format.

143.081. 1. A resident individual, resident estate, and resident trust shall be allowed a credit against the tax otherwise due pursuant to sections 143.005 to 143.998 for the amount of any income tax imposed for the taxable year by another state of the United States (or a political subdivision thereof) or the District of Columbia on income derived from sources therein and which is also subject to tax pursuant to sections 143.005 to 143.998. For purposes of this subsection, the phrase "income tax imposed" shall be that amount of tax before any income tax credit allowed by such other state or the District of Columbia if the other state or the District of Columbia authorizes a reciprocal benefit for residents of this state.

2. The credit provided pursuant to this section shall not exceed an amount which bears the same ratio to the tax otherwise due pursuant to sections 143.005 to 143.998 as the amount of the taxpayer's Missouri adjusted gross income derived from sources in the other taxing jurisdiction bears to the taxpayer's Missouri adjusted gross income derived from all sources. In applying the limitation of the previous sentence to an estate or trust, Missouri taxable income shall be substituted for Missouri adjusted gross income. If the tax of more than one other taxing jurisdiction is imposed on the same item of income, the credit shall not exceed the limitation that would result if the taxes of all the other jurisdictions applicable to the item were deemed to be of a single jurisdiction.

3. (1) For the purposes of this section, in the case of an S corporation, each resident S shareholder shall be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to a state which does not measure the income of shareholders on an S corporation by reference to the income of the S corporation or where a composite return and composite payments are made in such state on behalf of the S shareholders by the S corporation.

(2) **A resident S shareholder shall be eligible for a credit issued pursuant to this section in an amount equal to the shareholder's pro rata share of any income tax imposed pursuant to chapter 143 on income derived from sources in another state of the United States, or a political subdivision thereof, or the District of Columbia, and which is subject to tax pursuant to chapter 143 but is not subject to tax in such other jurisdiction.**

4. For purposes of subsection 3 of this section, in the case of an S corporation that is a bank chartered by a state, the Office of Thrift Supervision, or the comptroller of currency, each Missouri resident S shareholder of such out-of-state bank shall qualify for the shareholder's pro rata share of any net tax paid, including a bank franchise tax based on the income of the bank, by such S corporation where bank payment of taxes are made in such state on behalf of the S shareholders by the S bank to the extent of the tax paid.

(4) **"Member":**

(a) **A shareholder of an S corporation;**

3. (1) **Notwithstanding any provision of law to the contrary, a tax is hereby imposed on each affected business entity that is a partnership and that is doing business in this state. Such affected business entity shall, at the time that the affected business entity's return is due, pay a tax in an amount equal to the sum of the separately and nonseparately computed items, as described in 26 U.S.C. Section 702(a), of the affected business entity, to the extent derived from or connected with sources within this state, as determined pursuant to section 143.455, decreased by the deduction allowed under 26 U.S.C. Section 199A computed as if such deduction was allowed to be taken by the affected business entity for federal tax purposes, and increased or decreased by any modification made pursuant to section 143.471 that relates to an item of the affected business entity's income, gain, loss, or deduction, to the extent derived from or connected with sources within this state, as determined pursuant to section 143.455, with such sum multiplied by the highest rate of tax used to determine a Missouri income tax liability for an individual pursuant to section 143.011. An affected entity paying the tax pursuant to this subsection shall include with the payment of such taxes each report provided to a member pursuant to subsection 7 of this section.**

(2) **If the amount calculated pursuant to subdivision (1) of this section results in a net loss, such net loss may be carried forward to succeeding tax years for which the affected business entity elects to be subject to tax pursuant to subsection 11 of this section until fully used.**

4. (1) **Notwithstanding any provision of law to the contrary, a tax is hereby imposed on each affected business entity that is an S corporation and that is doing business in this state. Such affected business entity shall, at the time that the affected business entity's return is due, pay a tax in an amount equal to the sum of the separately and nonseparately computed items, as described in 26 U.S.C. Section 1366, of the affected business entity, to the extent derived from or connected with sources within this state, as determined pursuant to section 143.455, decreased by the deduction allowed under 26 U.S.C. Section 199A computed as if such deduction was allowed to be taken by the affected business entity for federal tax purposes, and increased**

or decreased by any modification made pursuant to section 143.471 that relates to an item of the affected business entity's income, gain, loss, or deduction, to the extent derived from or connected with sources within this state, as determined pursuant to section 143.455, with such sum multiplied by the highest rate of tax used to determine a Missouri income tax liability for an individual pursuant to section 143.011. An affected entity paying the tax pursuant to this subsection shall include with the payment of such taxes each report provided to a member pursuant to subsection 7 of this section.

(2) If the amount calculated pursuant to subdivision (1) of this section results in a net loss, such net loss may be carried forward to succeeding tax years for which the affected business entity elects to be subject to tax pursuant to subsection 11 of this section until fully used.

5. If an affected business entity is a direct or indirect member of another affected business entity, the member affected business entity shall, when calculating its net income or loss pursuant to subsection 3 or 4 of this section, subtract its distributive share of income or add its distributive share of loss from the affected business entity in which it is a direct or indirect member to the extent that the income or loss was derived from or connected with sources within this state, as determined pursuant to section 143.455.

6. A nonresident individual who is a member shall not be required to file an income tax return pursuant to this chapter for a tax year if, for such tax year, the only source of income derived from or connected with sources within the state for such member, or the member and the member's spouse if a joint federal income tax return is or shall be filed, is from one or more affected business entities and such affected business entity or entities file and pay the tax due under this section.

7. Each partnership and S corporation shall report to each of its members, for each tax year, such member's direct pro rata share of the tax imposed pursuant to this section on such partnership or S corporation if it is an affected business entity and its indirect pro rata share of the tax imposed on any affected business entity in which such affected business entity is a direct or indirect member.

8. (1) Each member that is subject to the tax imposed pursuant to section 143.011 shall be entitled to a credit against the tax imposed pursuant to section 143.011. Such credit shall be in an amount equal to such member's direct and indirect pro rata share of the tax paid pursuant to this section by any affected business entity of which such member is directly or indirectly a member.

(2) If the amount of the credit authorized by this subsection exceeds such member's tax liability for the tax imposed pursuant to section 143.011, the excess amount shall not be refunded but may be carried forward to each succeeding tax year until such credit is fully taken.

9. (1) Each member that is subject to the tax imposed pursuant to section 143.011 as a resident or part-year resident of this state shall be entitled to a credit against the tax imposed pursuant to section 143.011 for such member's direct and indirect pro rata share of taxes paid to another state of the United States or to the District of Columbia, on income of any partnership or S corporation of which such person is a member that is derived therefrom, provided the taxes paid to another state of the United States or to the District of Columbia results from a tax that the director of revenue determines is substantially similar to the tax imposed pursuant to this section. Any such credit shall be calculated in a manner to be prescribed by the director of revenue, provided such calculation is consistent with the provisions of this section, and further provided that the limitations provided in subsection 2 of section 143.081 shall apply to the credit authorized by this subsection.

(2) If the amount of the credit authorized by this subsection exceeds such member's tax liability for the tax imposed pursuant to section 143.011, the excess amount shall not be refunded and shall not be carried forward.

10. (1) Each corporation that is subject to the tax imposed pursuant to section 143.071 and that is a member shall be entitled to a credit against the tax imposed pursuant to section 143.071. Such credit shall be in an amount equal to such corporation's direct and indirect pro rata share of the tax paid pursuant to this section by any affected business entity of which such corporation is directly or indirectly a member. Such credit shall be applied after all other credits.

(2) If the amount of the credit authorized by this subsection exceeds such corporation's tax liability for the tax imposed pursuant to section 143.071, the excess amount shall not be refunded but may be carried forward to each succeeding tax year until such credit is fully taken.

11. A partnership or an S corporation may elect to become an affected business entity that is required to pay the tax pursuant to this section in any tax year. A separate election shall be made for each

taxable year. Such election shall be made on such form and in such manner as the director of revenue may prescribe by rule. An election made pursuant to this subsection shall be signed by:

- (1) Each member of the electing entity who is a member at the time the election is filed; or
- (2) Any officer, manager, or member of the electing entity who is authorized to make the election and who attests to having such authorization under penalty of perjury.

12. The provisions of sections 143.425 and 143.601 shall apply to any modifications made to an affected business entity's federal return, and such affected business entity shall pay any resulting underpayment of tax to the extent not already paid pursuant to section 143.425.

13. (1) With respect to an action required or permitted to be taken by an affected business entity pursuant to this section, a proceeding under section 143.631 for reconsideration by the director of revenue, an appeal to the administrative hearing commission, or a review by the judiciary with respect to such action, the affected business entity shall designate an affected business entity representative for the tax year, and such affected business entity representative shall have the sole authority to act on behalf of the affected business entity, and the affected business entity's members shall be bound by those actions.

(2) The department of revenue may establish reasonable qualifications and procedures for designating a person to be the affected business entity representative.

(3) The affected business entity representative shall be considered an authorized representative of the affected business entity and its members under section 32.057 for the purposes of compliance with this section, or participating in a proceeding described in subdivision (1) of this subsection.

14. The provisions of this section shall only apply to tax years ending on or after December 31, 2022.

15. The department of revenue may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

144.010. 1. The following words, terms, and phrases when used in sections 144.010 to 144.525 have the meanings ascribed to them in this section, except when the context indicates a different meaning:

(1) "Admission" includes seats and tables, reserved or otherwise, and other similar accommodations and charges made therefor and amount paid for admission, exclusive of any admission tax imposed by the federal government or by sections 144.010 to 144.525;

(2) "Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either direct or indirect, and the classification of which business is of such character as to be subject to the terms of sections 144.010 to 144.525. A person is "engaging in business" in this state for purposes of sections 144.010 to 144.525 if such person engages in business activities within this state or maintains a place of business in this state under section 144.605. The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. The provisions of this subdivision shall not be construed to make any sale of property which is exempt from sales tax or use tax on June 1, 1977, subject to that tax thereafter;

In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of

possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid. The term gross receipts shall not include usual and customary delivery charges that are stated separately from the sale price;

(5) "Instructional class", includes any class, lesson, or instruction intended or used for teaching;

(6) "Livestock", cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as described in section 277.024, llamas, alpaca, buffalo, bison, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, honey bees, or rabbits raised in confinement for human consumption;

(7) "Motor vehicle leasing company" shall be a company obtaining a permit from the director of revenue to operate as a motor vehicle leasing company. Not all persons renting or leasing trailers or motor vehicles need to obtain such a permit; however, no person failing to obtain such a permit may avail itself of the optional tax provisions of subsection 5 of section 144.070, as hereinafter provided;

(8) "Person" includes any individual, firm, copartnership, joint adventure, association, corporation, municipal or private, and whether organized for profit or not, state, county, political subdivision, state department, commission, board, bureau or agency, except the state transportation department, estate, trust, business trust, receiver or trustee appointed by the state or federal court, syndicate, or any other group or combination acting as a unit, and the plural as well as the singular number;

(9) "Product which is intended to be sold ultimately for final use or consumption" means tangible personal property, or any service that is subject to state or local sales or use taxes, or any tax that is substantially equivalent thereto, in this state or any other state;

(10) "Purchaser" means a person who purchases tangible personal property or to whom are rendered services, receipts from which are taxable under sections 144.010 to 144.525;

(11) "Research or experimentation activities" are the development of an experimental or pilot model, plant process, formula, invention or similar property, and the improvement of existing property of such type. Research or experimentation activities do not include activities such as ordinary testing or inspection of materials or products for quality control, efficiency surveys, advertising promotions or research in connection with literary, historical or similar projects;

(12) "Sale" or "sales" includes installment and credit sales, and the exchange of properties as well as the sale thereof for money, every closed transaction constituting a sale, and means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property for valuable consideration and the rendering, furnishing or selling for a valuable consideration any of the substances, things and services herein designated and defined as taxable under the terms of sections 144.010 to 144.525;

(13) "Sale at retail" means any transfer made by any person engaged in business as defined herein of the ownership of, or title to, tangible personal property to the purchaser, for use or consumption and not for resale in any form as tangible personal property, for a valuable consideration; except that, for the purposes of sections 144.010 to 144.525 and the tax imposed thereby: (i) purchases of tangible personal property made by duly licensed physicians, dentists, optometrists and veterinarians and used in the practice of their professions shall be deemed to be purchases for use or consumption and not for resale; and (ii) the selling of computer printouts, computer output or microfilm or microfiche and computer-assisted photo compositions to a purchaser to enable the purchaser to obtain for his or her own use the desired information contained in such computer printouts, computer output on microfilm or microfiche and computer-assisted photo compositions shall be considered as the sale of a service and not as the sale of tangible personal property. Where necessary to conform to the context of sections 144.010 to 144.525 and the tax imposed thereby, the term sale at retail shall be construed to embrace:

(a) Sales of admission tickets, cash admissions, charges and fees to or in places of amusement, entertainment and recreation, games and athletic events, except amounts paid for any instructional class;

(b) Sales of electricity, electrical current, water and gas, natural or artificial, to domestic, commercial or industrial consumers, **except as provided in subdivision (12) of subsection 1 of section 144.011;**

The provisions of this section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, including the ability to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void.]~~ **Purchases of Missouri qualified research and development equipment are hereby specifically exempted from all state and local sales and use tax including, but not limited to, sales and use tax authorized or imposed under section 32.085 and chapter 144.**

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

AMEND Senate Substitute for House Bill No. 2400, Page 1, Section A, Line 3, by inserting after all of said line the following:

“135.110. 1. Any taxpayer who shall establish a new business facility shall be allowed a credit, each year for ten years, in an amount determined pursuant to subsection 2 or 3 of this section, whichever is applicable, against the tax imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or an insurance company which shall establish a new business facility by satisfying the requirements in subdivision (9) of section 135.100 shall be allowed a credit against the tax otherwise imposed by chapter 148, and in the case of an insurance company exempt from the thirty percent employee requirement of section 135.230, against any obligation imposed pursuant to section 375.916, except that no taxpayer shall be entitled to multiple ten-year periods for subsequent expansions at the same facility, except as otherwise provided in this section. For the purpose of this section, the term "facility" shall mean, and be limited to, the facility or facilities which are located on the same site in which the new business facility is located, and in which the business conducted at such facility or facilities is directly related to the business conducted at the new business facility. Notwithstanding the provisions of this subsection, a taxpayer may be entitled to an additional ten-year period, **and an additional six-year period after the expiration of such additional ten-year period**, if a new business facility is expanded in the eighth, ninth or tenth year of the current ten-year period or in subsequent years following the expiration of the ten-year period, if the number of new business facility employees attributed to such expansion is at least twenty-five and the amount of new business facility investment attributed to such expansion is at least one million dollars. Credits may not be carried forward but shall be claimed for the taxable year during which commencement of commercial operations occurs at such new business facility, and for each of the nine succeeding taxable years. A letter of intent, as provided for in section 135.258, must be filed with the department of economic development no later than fifteen days prior to the commencement of commercial operations at the new business facility. The initial application for claiming tax credits must be made in the taxpayer's tax period immediately following the tax period in which commencement of commercial operations began at the new business facility. This provision shall have effect on all initial applications filed on or after August 28, 1992. No credit shall be allowed pursuant to this section unless the number of new business facility employees engaged or maintained in employment at the new business facility for the taxable year for which the credit is claimed equals or exceeds two; except that the number of new business facility employees engaged or maintained in employment by a revenue-producing enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to (l) of subdivision (12) of section 135.100 which establishes an office as defined in subdivision (9) of section 135.100 shall equal or exceed twenty-five.

2. For tax periods beginning after August 28, 1991, in the case of a taxpayer operating an existing business facility, the credit allowed by subsection 1 of this section shall offset the greater of:

(1) Some portion of the income tax otherwise imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or in the case of an insurance company, the tax on the direct premiums, as defined in chapter 148, and in the case of an insurance company exempt from the thirty percent employee requirement of section 135.230, against any obligation imposed pursuant to section 375.916 with respect to such taxpayer's new business facility income for the taxable year for which such credit is allowed; or

(2) Up to fifty percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, seventy-five percent of the business income tax otherwise imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or in the case of an insurance

company, the tax on the direct premiums, as defined in chapter 148, and in the case of an insurance company exempt from the thirty percent employee requirement of section 135.230, against any obligation imposed pursuant to section 375.916 if the business operates no other facilities in Missouri. In the case of an existing business facility operating more than one facility in Missouri, the credit allowed in subsection 1 of this section shall offset up to the greater of the portion prescribed in subdivision (1) of this subsection or twenty-five percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, thirty-five percent of the business' tax, except that no taxpayer operating more than one facility in Missouri shall be allowed to offset more than twenty-five percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, thirty-five percent of the taxpayer's business income tax in any tax period under the method prescribed in this subdivision. Such credit shall be an amount equal to the sum of one hundred dollars or, in the case of an economic development project located within a distressed community as defined in section 135.530, one hundred fifty dollars for each new business facility employee plus one hundred dollars or, in the case of an economic development project located within a distressed community as defined in section 135.530, one hundred fifty dollars for each one hundred thousand dollars, or major fraction thereof (which shall be deemed to be fifty-one percent or more) in new business facility investment. For the purpose of this section, tax credits earned by a taxpayer, who establishes a new business facility because it satisfies the requirements of paragraph (c) of subdivision (5) of section 135.100, shall offset the greater of the portion prescribed in subdivision (1) of this subsection or up to fifty percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, seventy-five percent of the business' tax provided the business operates no other facilities in Missouri. In the case of a business operating more than one facility in Missouri, the credit allowed in subsection 1 of this section shall offset up to the greater of the portion prescribed in subdivision (1) of this subsection or twenty-five percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, thirty-five percent of the business' tax, except that no taxpayer operating more than one facility in Missouri shall be allowed to offset more than twenty-five percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, thirty-five percent of the taxpayer's business income tax in any tax period under the method prescribed in this subdivision.

3. For tax periods beginning after August 28, 1991, in the case of a taxpayer not operating an existing business facility, the credit allowed by subsection 1 of this section shall offset the greater of:

(1) Some portion of the income tax otherwise imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or in the case of an insurance company, the tax on the direct premiums, as defined in chapter 148, and in the case of an insurance company exempt from the thirty percent employee requirement of section 135.230, against any obligation imposed pursuant to section 375.916 with respect to such taxpayer's new business facility income for the taxable year for which such credit is allowed; or

(2) Up to one hundred percent of the business income tax otherwise imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or in the case of an insurance company, the tax on the direct premiums, as defined in chapter 148, and in the case of an insurance company exempt from the thirty percent employee requirement of section 135.230, against any obligation imposed pursuant to section 375.916 if the business has no other facilities operating in Missouri. In the case of a taxpayer not operating an existing business and operating more than one facility in Missouri, the credit allowed by subsection 1 of this section shall offset up to the greater of the portion prescribed in subdivision (1) of this subsection or twenty-five percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, thirty-five percent of the business' tax, except that no taxpayer operating more than one facility in Missouri shall be allowed to offset more than twenty-five percent or, in the case of an economic development project located within a distressed community as defined in section 135.530, thirty-five percent of the taxpayer's business income tax in any tax period under the method prescribed in this subdivision. Such credit shall be an amount equal to the sum of seventy-five dollars or, in the case of an economic development project located within a distressed community as defined in section 135.530, one hundred twenty-five dollars for each new business facility employee plus seventy-five dollars or, in the case of an economic development project located within a distressed community as defined in section 135.530, one hundred twenty-five dollars for each one hundred thousand dollars, or major fraction thereof (which shall be deemed to be fifty-one percent or more) in new business facility investment.

4. The number of new business facility employees during any taxable year shall be determined by dividing by twelve the sum of the number of individuals employed on the last business day of each month of such taxable year. If the new business facility is in operation for less than the entire taxable year, the number of new business facility employees shall be determined by dividing the sum of the number of individuals employed on the last business day of

each full calendar month during the portion of such taxable year during which the new business facility was in operation by the number of full calendar months during such period. For the purpose of computing the credit allowed by this section in the case of a facility which qualifies as a new business facility because it qualifies as a separate facility pursuant to subsection 6 of this section, and, in the case of a new business facility which satisfies the requirements of paragraph (c) of subdivision (5) of section 135.100, or subdivision (11) of section 135.100, the number of new business facility employees at such facility shall be reduced by the average number of individuals employed, computed as provided in this subsection, at the facility during the taxable year immediately preceding the taxable year in which such expansion, acquisition, or replacement occurred and shall further be reduced by the number of individuals employed by the taxpayer or related taxpayer that was subsequently transferred to the new business facility from another Missouri facility and for which credits authorized in this section are not being earned, whether such credits are earned because of an expansion, acquisition, relocation or the establishment of a new facility.

5. For the purpose of computing the credit allowed by this section in the case of a facility which qualifies as a new business facility because it qualifies as a separate facility pursuant to subsection 6 of this section, and, in the case of a new business facility which satisfies the requirements of paragraph (c) of subdivision (5) of section 135.100 or subdivision (11) of section 135.100, the amount of the taxpayer's new business facility investment in such facility shall be reduced by the average amount, computed as provided in subdivision (8) of section 135.100 for new business facility investment, of the investment of the taxpayer, or related taxpayer immediately preceding such expansion or replacement or at the time of acquisition. Furthermore, the amount of the taxpayer's new business facility investment shall also be reduced by the amount of investment employed by the taxpayer or related taxpayer which was subsequently transferred to the new business facility from another Missouri facility and for which credits authorized in this section are not being earned, whether such credits are earned because of an expansion, acquisition, relocation or the establishment of a new facility.

6. If a facility, which does not constitute a new business facility, is expanded by the taxpayer, the expansion shall be considered a separate facility eligible for the credit allowed by this section if:

(1) The taxpayer's new business facility investment in the expansion during the tax period in which the credits allowed in this section are claimed exceeds one hundred thousand dollars, or, if less, one hundred percent of the investment in the original facility prior to expansion and if the number of new business facility employees engaged or maintained in employment at the expansion facility for the taxable year for which credit is claimed equals or exceeds two, except that the number of new business facility employees engaged or maintained in employment at the expansion facility for the taxable year for which the credit is claimed equals or exceeds twenty-five if an office as defined in subdivision (9) of section 135.100 is established by a revenue-producing enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to (l) of subdivision (12) of section 135.100 and the total number of employees at the facility after the expansion is at least two greater than the total number of employees before the expansion, except that the total number of employees at the facility after the expansion is at least greater than the number of employees before the expansion by twenty-five, if an office as defined in subdivision (9) of section 135.100 is established by a revenue-producing enterprise other than a revenue-producing enterprise defined in paragraphs (a) to (g) and (i) to (l) of subdivision (12) of section 135.100; and

(2) The expansion otherwise constitutes a new business facility. The taxpayer's investment in the expansion and in the original facility prior to expansion shall be determined in the manner provided in subdivision (8) of section 135.100.

7. No credit shall be allowed pursuant to this section to a public utility, as such term is defined in section 386.020. Notwithstanding any provision of this subsection to the contrary, motor carriers, barge lines or railroads engaged in transporting property for hire, or any interexchange telecommunications company or local exchange telecommunications company that establishes a new business facility shall be eligible to qualify for credits allowed in this section.

8. For the purposes of the credit described in this section, in the case of a corporation described in section 143.471 or partnership, in computing Missouri's tax liability, this credit shall be allowed to the following:

(1) The shareholders of the corporation described in section 143.471;

(2) The partners of the partnership. This credit shall be apportioned to the entities described in subdivisions (1) and (2) of this subsection in proportion to their share of ownership on the last day of the taxpayer's tax period.

9. Notwithstanding any provision of law to the contrary, any employee-owned engineering firm classified as SIC 8711, architectural firm as classified SIC 8712, or accounting firm classified SIC 8721 establishing a new business facility because it qualifies as a headquarters as defined in subsection 10 of this section, shall be allowed the credits described in subsection 11 of this section under the same terms and conditions prescribed in sections 135.100 to 135.150; provided:

(1) Such facility maintains an average of at least five hundred new business facility employees as defined in subdivision (6) of section 135.100 during the taxpayer's tax period in which such credits are being claimed; and

(2) Such facility maintains an average of at least twenty million dollars in new business facility investment as defined in subdivision (8) of section 135.100 during the taxpayer's tax period in which such credits are being claimed.

10. For the purpose of the credits allowed in subsection 9 of this section:

(1) "Employee-owned" means the business employees own directly or indirectly, including through an employee stock ownership plan or trust at least:

(a) Seventy-five percent of the total business stock, if the taxpayer is a corporation described in section 143.441; or

(b) One hundred percent of the interest in the business if the taxpayer is a corporation described in section 143.471, a partnership, or a limited liability company; and

(2) "Headquarters" means:

(a) The administrative management of at least three integrated facilities operated by the taxpayer or related taxpayer; and

(b) The taxpayer's business has been headquartered in this state for more than fifty years.

11. The tax credits allowed in subsection 9 of this section shall be the greater of:

(1) Four hundred dollars for each new business facility employee as computed in subsection 4 of this section and four percent of new business facility investment as computed in subsection 5 of this section; or

(2) Five hundred dollars for each new business facility employee as computed in subsection 4 of this section, and five hundred dollars of each one hundred thousand dollars of new business facility investment as computed in subsection 5 of this section.

12. For the purpose of the credit described in subsection 9 of this section, in the case of a small corporation described in section 143.471, or a partnership, or a limited liability company, the credits allowed in subsection 9 of this section shall be apportioned in proportion to the share of ownership of each shareholder, partner or stockholder on the last day of the taxpayer's tax period for which such credits are being claimed.

13. For the purpose of the credit described in subsection 9 of this section, tax credits earned, to the extent such credits exceed the taxpayer's Missouri tax on taxable business income, shall constitute an overpayment of taxes and in such case, be refunded to the taxpayer provided such refunds are used by the taxpayer to purchase specified facility items. For the purpose of the refund as authorized in this subsection, "specified facility items" means equipment, computers, computer software, copiers, tenant finishing, furniture and fixtures installed and in use at the new business facility during the taxpayer's taxable year. The taxpayer shall perfect such refund by attesting in writing to the director, subject to the penalties of perjury, the requirements prescribed in this subsection have been met and submitting any other information the director may require.

14. Notwithstanding any provision of law to the contrary, any taxpayer may sell, assign, exchange, convey or otherwise transfer tax credits allowed in subsection 9 of this section under the terms and conditions prescribed in subdivisions (1) and (2) of this subsection. Such taxpayer, referred to as the assignor for the purpose of this subsection, may sell, assign, exchange or otherwise transfer earned tax credits:

(1) For no less than seventy-five percent of the par value of such credits; and

(2) In an amount not to exceed one hundred percent of such earned credits. (6) To assess any appropriate administrative penalty against a licensee, including, but not limited to, suspension, revocation, and penalties of an amount as determined by the commission up to three times the highest daily amount of gross receipts derived from wagering on the gambling games, whether unauthorized or authorized, conducted during the previous twelve months as well as confiscation and forfeiture of all gambling game equipment used in the conduct of unauthorized gambling games. Forfeitures pursuant to this section shall be enforced as provided in sections 513.600 to 513.645;

(7) To require a licensee, an employee of a licensee or holder of an occupational license to remove a person violating a provision of sections 313.800 to 313.850 or the commission rules, orders, or final orders, or other person deemed to be undesirable from the excursion gambling boat or adjacent facilities;

(8) To require the removal from the premises of a licensee, an employee of a licensee, or a holder of an occupational license for a violation of sections 313.800 to 313.850 or a commission rule or engaging in a fraudulent practice;

(9) To require all licensees to file all financial reports required by rules and regulations of the commission;

(10) To issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of books, records, and other pertinent documents, and to administer oaths and affirmations to the witnesses, when, in the judgment of the commission, it is necessary to enforce sections 313.800 to 313.850 or the commission rules;

(14) To require excursion gambling boat licensees to develop a system, approved by the commission, that allows patrons the option to prohibit the excursion gambling boat licensee from using identifying information for marketing purposes. The provisions of this subdivision shall apply only to patrons giving identifying information for the first time. Such system shall be submitted to the commission by October 1, 2000, and approved by the commission by January 1, 2001. The excursion gambling boat licensee shall use identifying information obtained

from patrons who have elected to have marketing blocked under the provisions of this section only for the purposes of enforcing the requirements contained in sections 313.800 to 313.850. This section shall not prohibit the commission from accessing identifying information for the purposes of enforcing section 313.004 and sections 313.800 to 313.850;

(15) To determine which of the authorized gambling games will be permitted on any licensed excursion gambling boat;

(16) The commission shall base its decision to license excursion gambling boats on any of the following criteria: the docking location or the excursion cruise could cause danger to the boat's passengers, violate federal law or the law of another state, or cause disruption of interstate commerce or possible interference with railway or barge transportation. The commission shall consider economic feasibility or impact that would benefit land-based development and permanent job creation. The commission shall not discriminate among applicants for excursion gambling boats that are similarly situated with respect to the criteria set forth in this section;

(17) The commission shall render a finding **or findings** concerning the transition from a boat, barge, or floating facility to a nonfloating facility within thirty days after a hearing on any request from an applicant or **existing** licensee. This provision shall be administered in accordance with all federal and state employment laws, including Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991. At license renewal, the licensee will report on the effectiveness of the plan. The commission shall include the licensee's reported information in its annual report to the joint committee on gaming and wagering;

3. (1) There is hereby created in the state treasury the "Major Economic Convention Event in Missouri Fund", which shall consist of moneys appropriated from the general revenue fund as prescribed in subsection 6 of this section and any gifts, contributions, grants, or bequests received from federal, private, or other sources. 4. For major convention plans which have complied with subsection 5 of this section, in addition to funds otherwise made available under Missouri law, a grant shall be paid from the fund by the department of economic development to the eligible commission at the requested date. Any transfer of a grant from the fund to the treasurer or other designated financial officer of an eligible commission with an approved major convention plan shall be deposited in a separate, segregated account of such commission. The eligible commission shall agree to hold such funds until the major convention event has occurred and not disburse the funds until such time as the report in subsection 7 has been submitted.

5. (c) Without the grant, the major convention event would not be reasonably anticipated to occur in Missouri; and

(d) The positive net fiscal impact to general revenue of the state through any and all taxes attributable to the major convention event exceeds the amount of the major convention grant.

In reviewing such evidence, the director shall take into account any expenditures by an attendee for sleeping rooms paid by guests of the hotels and motels typically constitutes less than fifty percent of the expenditures by such attendees at a major convention event.

6. (1) Upon verification that the major convention plan complies with the terms of subsection 5 of this section, the director or his or her designee shall issue a certificate of approval to the eligible commission stating the date on which such grant shall be disbursed and the total amount of the grant, which shall be equal to the eligible major convention event costs listed in the approved major convention plan. The amount of any grant shall not exceed more than fifty percent of the cost of hosting the major convention event, positive net fiscal impact to general revenue, or one million dollars, whichever is less.

(2) All approved grants scheduled for disbursement each year shall be disbursed from the general revenue fund subject to appropriation by the general assembly. Any such appropriation shall not exceed three million dollars in any year.

(3) Upon such annual appropriation and transfer into the fund from the general revenue fund, the director shall disburse all grants pursuant to certificates of approval.

7. (1) Within one hundred eighty days of the conclusion of any major convention event for which a grant was disbursed under this section, the eligible commission that received such grant shall provide a written report to the director detailing the final amount of eligible major convention event costs incurred and actual attendance figures which certify compliance with this section. If the final amount of total eligible major convention event costs is less than the amount of the grant disbursed to the eligible commission under an approved major convention plan, such commission shall refund to the state treasurer the excess greater than fifty percent of the actual cost for deposit into the fund.

(2) An eligible commission shall refund the following amounts to the state treasurer based on the actual attendance figures in relation to the projected total attendance for the event as provided in the major convention plan:

(a) If the actual attendance figure is less than twenty-five percent of the projected total attendance, the commission shall refund an amount equal to the full amount of the grant;

(b) If the actual attendance figure is equal to or less than eighty-five percent and greater than or equal to twenty-five percent of the projected total attendance, the commission shall keep a portion of the grant received under this section equal to the proportion of the actual attendance figure to the projected attendance figure rounded to the nearest dollar and refund the remaining amount;

(c) If the actual attendance figure is greater than eighty-five percent of the projected total attendance, the commission shall keep the entire grant amount received under this section unless otherwise provided by this section.

(3) The provisions of this subdivision shall not apply where attendance at the convention is adversely affected by a man-made disaster including, but not limited to, an uprising or other civil unrest or where attendance at the convention is adversely affected by a substantial inclement weather-related event.

8. Any amounts that are refunded from a grant under this section shall be returned to the major economic convention event in Missouri fund to be used for future grants.

9. In accordance with the provisions of sections 23.250 to 23.298 and unless otherwise authorized pursuant to section 23.253:

(1) The program authorized under the provisions of this section shall automatically sunset six years after August 28, ~~2016~~ 2022; and
