

# JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-SEVENTH DAY, MONDAY, MAY 9, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Representative Brad Hudson.

We ask for Your help, God.

Titus 2:11-12 says, "For the grace of God that bringeth salvation hath appeared to all men, Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly, in this present world."

These can be trying times. Please help us to face the trials, temptations, and difficult decisions while recognizing that the greatest of our enemies is not some political rival or some unseen force, but rather our own untempered flesh. In the few remaining days of this regular session, may the long hours and the flurry of activity not cause us to forget the importance of kindness, patience, and grace. Soon this session will be over. Help us to conduct ourselves in a way that, when the time comes that these days are but a memory, it may be said that we did well and were good and faithful servants. In the name of Christ Jesus, I pray, and the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-sixth day was approved as printed.

#### HOUSE RESOLUTION NO. 5637

WHEREAS, under Article III, Section 45 of the Constitution of Missouri, when the number of representatives to which the state is entitled in the House of the Congress of the United States under the census is certified to the governor, the general assembly shall by law divide the state into districts corresponding with the number of representatives to which it is entitled, which districts shall be composed of contiguous territory as compact and as nearly equal in population as may be; and

WHEREAS, due to the unique nature of Congressional apportionment bills, which divide the state into Congressional districts, it is necessary to adopt temporary rules for the consideration of such bills:

NOW THEREFORE BE IT RESOLVED that the Missouri House of Representatives, One Hundred First General Assembly, Second Regular Session, adopt certain temporary rules for the purpose of considering Congressional apportionment bills; and

BE IT FURTHER RESOLVED that this resolution replace House Resolution No. 3286 as adopted on January 10, 2022; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49 or any other rule to the contrary, neither substitute amendments nor amendments to amendments shall be in order for any Congressional apportionment bill other than for technical corrections; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 99, props or visual aids that depict Congressional apportionment maps shall be permitted on the floor of the House while the House is in session and considering any Congressional apportionment bill. All such props or visual aids and the location of their display shall require approval by the Speaker; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(2) or any other rule to the contrary, an amendment identical to one previously decided on a Congressional apportionment bill shall be in order; and

BE IT FURTHER RESOLVED that, notwithstanding House Rule 49(4) or any other rule to the contrary, an amendment that effectually replaces the underlying Congressional apportionment bill or committee substitute shall be in order; and

BE IT FURTHER RESOLVED that any amendments to a Congressional apportionment bill shall comply with all legal requirements for apportionment and a point of order may be raised that an amendment offered would result in an unlawful apportionment; and

BE IT FURTHER RESOLVED that all other Rules of the Missouri House of Representatives, One Hundred First General Assembly, shall apply to the consideration of Congressional apportionment bills as such rules are appropriate and not in conflict with the rules adopted herein.

Representative Windham offered **House Amendment No. 1.**

*House Amendment No. 1*

AMEND House Resolution No. 5637, Page 1, Line 17, by inserting after all of the said line the following:

"BE IT FURTHER RESOLVED that a four-hour time limitation be designated on the total time of floor debate allowed for the purpose of considering any Congressional apportionment bill for perfection. Such time shall be divided equally between, and controlled by, the chair of the special committee on redistricting and the ranking minority member of such committee, or their respective designees. The chair of the special committee on redistricting shall have the right to have the final one minute of designated time. If time has been allocated and unused by either side after any Congressional apportionment bill has been discussed and no member from that side is seeking recognition to further discuss such bill, the Speaker may declare additional time waived and recognize the members of the other side to complete the use of their time. Nothing in this rule shall entitle any member to speak longer than the House Rules otherwise allow; and"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

- (6) If a meeting, or portion of a meeting, is closed pursuant to this provision, the Commission's legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision.
- (7) The Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Commission or order of a court of competent jurisdiction.
- (8) (a) The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

The aggregate annual assessment amount shall be allocated based upon a formula to be determined by the Commission, which shall promulgate a rule binding upon all member states.
- (9) The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any of the member states, except by and with the authority of the member state.
- (10) The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Commission.
6. (1) The members, officers, executive director, employees and representatives of the Commission shall be immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a

reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing in this subdivision shall be construed to protect any person from suit and/or liability for any damage, loss, injury, or liability caused by the intentional or willful or wanton misconduct of that person.

(2) The Commission shall defend any member, officer, executive director, employee or representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining his or her own counsel; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

(3) The Commission shall indemnify and hold harmless any member, officer, executive director, employee, or representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

345.215. 1. The Commission shall provide for the development, maintenance, and utilization of a coordinated database and reporting system containing licensure, adverse action, and investigative information on all licensed individuals in member states.

2. Notwithstanding any other provision of state law to the contrary, a member state shall submit a uniform data set to the data system on all individuals to whom this Compact is applicable as required by the rules of the Commission, including:

- (1) Identifying information;
- (2) Licensure data;
- (3) Adverse actions against a license or compact privilege;
- (4) Non-confidential information related to alternative program participation;
- (5) Any denial of application for licensure, and the reason or reasons for denial; and
- (6) Other information that may facilitate the administration of this Compact, as determined by the rules of the Commission.

3. Investigative information pertaining to a licensee in any member state shall only be available to other member states.

4. The Commission shall promptly notify all member states of any adverse action taken against a licensee or an individual applying for a license. Adverse action information pertaining to a licensee in any member state shall be available to any other member state.

5. Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

6. Any information submitted to the data system that is subsequently required to be expunged by the laws of the member state contributing the information shall be removed from the data system.

345.220. 1. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

2. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within 4 years of the date of adoption of the rule, the rule shall have no further force and effect in any member state.

3. Rules or amendments to the rules shall be adopted at a regular or special meeting of the Commission.

4. Prior to promulgation and adoption of a final rule or rules by the Commission, and at least thirty (30) days in advance of the meeting at which the rule shall be considered and voted upon, the Commission shall file a Notice of Proposed Rulemaking:

- (1) On the website of the Commission or other publicly accessible platform; and
- (2) On the website of each member state audiology or speech-language pathology licensing board or other publicly accessible platform or the publication in which each state would otherwise publish proposed rules.

5. The Notice of Proposed Rulemaking shall include:

- (1) The proposed time, date, and location of the meeting in which the rule shall be considered and voted upon;

(2) The text of the proposed rule or amendment and the reason for the proposed rule;  
(3) A request for comments on the proposed rule from any interested person; and  
(4) The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

6. Prior to the adoption of a proposed rule, the Commission shall allow persons to submit written data, facts, opinions and arguments, which shall be made available to the public.

7. The Commission shall grant an opportunity for a public hearing before it adopts a rule or amendment if a hearing is requested by:

- (1) At least twenty-five (25) persons;
- (2) A state or federal governmental subdivision or agency; or
- (3) An association having at least twenty-five (25) members.

8. If a hearing is held on the proposed rule or amendment, the Commission shall publish the place, time, and date of the scheduled public hearing. If the hearing is held via electronic means, the Commission shall publish the mechanism for access to the electronic hearing.

(1) All persons wishing to be heard at the hearing shall notify the executive director of the Commission or other designated member in writing of their desire to appear and testify at the hearing not less than five (5) business days before the scheduled date of the hearing.

(2) Hearings shall be conducted in a manner providing each person who wishes to comment a fair and reasonable opportunity to comment orally or in writing.

(3) All hearings shall be recorded. A copy of the recording shall be made available on request.

(4) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the Commission at hearings required by this section.

9. Following the scheduled hearing date, or by the close of business on the scheduled hearing date if the hearing was not held, the Commission shall consider all written and oral comments received.

10. If no written notice of intent to attend the public hearing by interested parties is received, the Commission may proceed with promulgation of the proposed rule without a public hearing.

11. The Commission shall, by majority vote of all members, take final action on the proposed rule and shall determine the effective date of the rule, if any, based on the rulemaking record and the full text of the rule.

12. Upon determination that an emergency exists, the Commission may consider and adopt an emergency rule without prior notice, opportunity for comment, or hearing, provided that the usual rulemaking procedures provided in the Compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

- (1) Meet an imminent threat to public health, safety, or welfare;
- (2) Prevent a loss of Commission or member state funds; or
- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.

13. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

345.225. 1. (1) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and non-member states.

(2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

2. (1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

(2) By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a

member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

345.230. 1. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the 10th member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

2. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

3. Any member state may withdraw from this Compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this Compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

5. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

345.235. This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

345.240. 1. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

2. All laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

3. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

4. All agreements between the Commission and the member states are binding in accordance with their terms.

5. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."; and

*House Amendment No. 1*

AMEND House Amendment No. 1 to House Committee Substitute for Senate Substitute for Senate Bill No. 690, Page 1, Line 30, by inserting after all of said line the following:

"Further amend said bill, Page 80, Section 210.921, Line 41, by inserting after all of the said section and line the following:

**"217.940. 1. This act establishes the "Correctional Center Nursery Program". The department of corrections shall, subject to appropriations, establish a correctional center nursery in one or more of the correctional centers for women operated by the department, no later than July 1, 2025. The purpose of the correctional center nursery program is for bonding and unification between the mother and child. The program shall allow eligible inmates and children born from them while in the custody of the department to reside together in the institution for up to eighteen months post-delivery. In establishing this program, neither the inmate's participation in the program nor any provision of sections 217.940 to 217.947 shall affect, modify, or interfere with the inmate's custodial rights to the child nor does it establish legal custody of the child with the department.**

**2. As used in sections 217.940 to 217.947, the following terms shall mean:**

- (1) "Correctional center nursery program", the program authorized by sections 217.940 to 217.947;**
- (2) "Department", the department of corrections;**
- (3) "Public assistance", all forms of assistance, including monetary assistance from any public source paid either to the mother or child or any other person on behalf of the child;**
- (4) "Support", the payment of money, including interest:**
  - (a) For a child or spouse ordered by a court of competent jurisdiction, whether the payment is ordered in an emergency, temporary, permanent, or modified order, the amount of unpaid support shall bear simple interest from the date it accrued, at a rate of ten dollars upon one hundred dollars per annum, and proportionately for a greater or lesser sum, or for a longer or shorter time;**
  - (b) To third parties on behalf of a child or spouse, including, but not limited to, payments to medical, dental or educational providers, payments to insurers for health and hospitalization insurance, payments of residential rent or mortgage payments, payments on an automobile, or payments for day care; or**
  - (c) For a mother, ordered by a court of competent jurisdiction, for the necessary expenses incurred by or for the mother in connection with her confinement or of other expenses in connection with the pregnancy of the mother.**

**217.941. 1. An inmate is eligible to participate in the correctional center nursery program if:**

- (1) She delivers the child while in the custody of the department;**
- (2) She is expected to give birth or gives birth on or after the date the program is implemented;**
- (3) She has a presumptive release date established by the parole board of eighteen months or less from the date she applies to participate in the program;**
- (4) She has not pled guilty to or been convicted of a dangerous felony as defined in section 556.061;**
- (5) She has not pled guilty to or been convicted of any sexual offense contained in chapter 566 where the victim of the crime was a minor;**
- (6) She has not pled guilty to or been convicted of an offense against the family contained in chapter 568, excluding criminal nonsupport; and**
- (7) She and the child meet any other criteria established by the department.**

**2. Placement into the program shall be by internal classification of the department. A sentencing court is without jurisdiction to order a placement of an inmate into the program.**

**3. Program capacity shall be determined by the department.**

**4. Upon first release of the mother and child, the child shall not be eligible to return to the program if the mother is revoked or receives a new assignment to the department of corrections.**

**217.942. 1. To participate in the correctional center nursery program, each eligible inmate selected by the department shall agree in writing to:**

- (1) Comply with all department policies, procedures and other requirements related to the corrections nursery program and rules that apply to all incarcerated offenders generally;
  - (2) If eligible, have the child participate in the state children's health insurance program under sections 208.631 to 208.658;
  - (3) Abide by any court decisions regarding the allocation of parental rights and responsibilities with respect to the child; and
  - (4) Specify with whom the child is to be placed in the event the inmate's participation in the program is terminated for a reason other than release from imprisonment.
2. The department shall be required to establish policy for the operation of the program.
- 217.943. An inmate's participation in the correctional center nursery program may be terminated by the department if one of the following occurs:
- (1) The inmate fails to comply with the agreement entered into under section 217.942;
  - (2) The inmate violates an institutional rule that results in alternative housing placement outside of the area designated for the program;
  - (3) The inmate's child becomes seriously ill, cannot receive the necessary medical care, or otherwise cannot safely participate in the program;
  - (4) A court of competent jurisdiction grants custody of the child to a person other than the inmate;

  - (7) The inmate is released from imprisonment.
- 217.944. 1. The division of child support enforcement shall collect support payments made pursuant to the assignment and forward them to the department for deposit into the inmate's inmate banking account.
2. The department may accept monetary and property donations on behalf of the program.
3. All donations accepted by the department for the correctional center nursery program shall be used solely for any expenses relating to the operation and maintenance of the program.
4. No donations of property shall be made on behalf of one particular inmate or child to be used while incarcerated.
5. Financial donations, public assistance, or support for a specific inmate or child shall be made through the inmate banking system.
- 217.945. 1. There is hereby created in the state treasury the "Correctional Center Nursery Program Fund", which shall consist of money collected under this section and section 217.944 as well as any appropriations made by the general assembly. The department shall obtain sufficient resources to initiate and maintain the program and may accept gifts, grants, and donations of any kind. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department for the purposes of operating and maintaining sections 217.940 to 217.947.
2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.
3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.
- 217.946. Notwithstanding any other provision of law to contrary, neither the correctional center nursery program nor the department, with respect to the program, is subject to any regulation, licensing or oversight by the department of health and senior services, department of social services, children's division, juvenile officer of any jurisdiction or the office of childhood unless the department voluntarily agrees to services, regulation, licensing, or oversight from any of the aforementioned entities.
- 217.947. In addition to the general sovereign or governmental tort immunity bestowed upon public entities in section 537.600, the department and its employees shall be immune from any suit or liability brought by or on behalf of children who participated in the correctional center nursery program for any injuries or damages arising from correctional facility conditions. A motor vehicle operated by an employee of the Missouri department of corrections who unintentionally causes injury or death to a child resident of the correctional center nursery shall not be liable."; and"; and

(1) The facility shall allow at least two individuals per resident or patient to be designated as essential caregivers, although the facility may limit the in-person contact to one caregiver at a time. The caregiver shall not be required to have previously served in a caregiver capacity prior to the declared state of emergency;

A facility may request from the department an extension of a suspension for more than seven days; provided, that the department shall not approve an extension period for longer than seven days at a time. A facility shall not suspend in-person caregiver contact for more than fourteen consecutive days in a twelve-month period or for more than forty-five total days in a twelve-month period.

7. The provisions of this section shall not be construed to require an essential caregiver to provide necessary care to a resident or patient and a facility shall not require an essential caregiver to provide necessary care.

8. The provisions of this section shall not apply to those residents or patients whose particular plan of therapeutic care and treatment necessitates restricted or otherwise limited visitation for reasons unrelated to the stated reasons for the declared state emergency.

(1) Exposure to a contagious disease or other harmful agent that is specified during the state of emergency declared pursuant to chapter 44; or

The department of corrections shall, subject to appropriations, establish a correctional center nursery in one or more of the correctional centers for women operated by the department, no later than July 1, 2025. The purpose of the correctional center nursery program is for bonding and unification between the mother and child. The program shall allow eligible inmates and children born from them while in the custody of the department to reside together in the institution for up to eighteen months post-delivery. In establishing this program, neither the inmate's participation in the program nor any provision of sections 217.940 to 217.947 shall affect, modify, or interfere with the inmate's custodial rights to the child nor does it establish legal custody of the child with the department.**

**2. As used in sections 217.940 to 217.947, the following terms shall mean:**

**(1) "Correctional center nursery program", the program authorized by sections 217.940 to 217.947;**

(c) For a mother, ordered by a court of competent jurisdiction, for the necessary expenses incurred by or for the mother in connection with her confinement or of other expenses in connection with the pregnancy of the mother.

217.941. 1. An inmate is eligible to participate in the correctional center nursery program if:

2. Placement into the program shall be by internal classification of the department. A sentencing court is without jurisdiction to order a placement of an inmate into the program.

3. Program capacity shall be determined by the department.

4. Upon first release of the mother and child, the child shall not be eligible to return to the program if the mother is revoked or receives a new assignment to the department of corrections.

217.942. 1. To participate in the correctional center nursery program, each eligible inmate selected by the department shall agree in writing to:

(1) Comply with all department policies, procedures and other requirements related to the corrections nursery program and rules that apply to all incarcerated offenders generally;

(4) Specify with whom the child is to be placed in the event the inmate's participation in the program is terminated for a reason other than release from imprisonment.

2. The department shall be required to establish policy for the operation of the program.

217.943. An inmate's participation in the correctional center nursery program may be terminated by the department if one of the following occurs:

(2) The inmate violates an institutional rule that results in alternative housing placement outside of the area designated for the program;

(3) The inmate's child becomes seriously ill, cannot receive the necessary medical care, or otherwise cannot safely participate in the program;

(4) A court of competent jurisdiction grants custody of the child to a person other than the inmate;

2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund.

3. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

217.946. Notwithstanding any other provision of law to contrary, neither the correctional center nursery program nor the department, with respect to the program, is subject to any regulation, licensing or oversight by the department of health and senior services, department of social services, children's division, juvenile officer of any jurisdiction or the office of childhood unless the department voluntarily agrees to services, regulation, licensing, or oversight from any of the aforementioned entities.

217.947. The operation of a correctional center nursery program established under sections 217.940 to 217.947 and the presence of children of inmates participating in the correctional center nursery program shall not be considered a dangerous condition that would result in a waiver of sovereign immunity under section 537.600. The sovereign immunity provisions under section 537.600 and any other statute regarding the sovereign immunity of the state or public entities in existence as of August 28, 2022, shall remain in effect and shall be applied in the same manner as such provisions were applied prior to the establishment of the correctional center nursery program under sections 217.940 to 217.947."; and"; and

- (3) Meet a deadline for the promulgation of an administrative rule that is established by federal law or rule.

13. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted rule or amendment for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision shall take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

345.225. 1. (1) Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and non-member states.

(2) The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

2. (1) The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and rules of this Compact.

(2) By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of litigation, including reasonable attorney's fees.

(3) The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

345.230. 1. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the 10th member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the

Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

2. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

3. Any member state may withdraw from this Compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's audiology or speech-language pathology licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

4. Nothing contained in this Compact shall be construed to invalidate or prevent any audiology or speech-language pathology licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this Compact.

5. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

345.235. This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is declared to be contrary to the constitution of any member state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any member state, the Compact shall remain in full force and effect as to the remaining member states and in full force and effect as to the member state affected as to all severable matters.

345.240. 1. Nothing herein prevents the enforcement of any other law of a member state that is not inconsistent with the Compact.

2. All laws in a member state in conflict with the Compact are superseded to the extent of the conflict.

3. All lawful actions of the Commission, including all rules and bylaws promulgated by the Commission, are binding upon the member states.

4. All agreements between the Commission and the member states are binding in accordance with their terms.

5. In the event any provision of the Compact exceeds the constitutional limits imposed on the legislature of any member state, the provision shall be ineffective to the extent of the conflict with the constitutional provision in question in that member state."; and

"332.325 1. The Missouri dental board may collaborate with the department of health and senior services and the office of dental health within the department of health and senior services to approve pilot projects designed to examine new methods of extending care to underserved populations. Such pilot projects may employ techniques or approaches to care that may necessitate a waiver of the requirements of this chapter and regulations promulgated thereunder, provided that:

- (1) The project plan has a clearly stated objective of serving a specific underserved population that warrants, in the opinion of a majority of the board, granting approval for a pilot project;
- (2) The pilot project has a finite start date and termination date;
- (3) The pilot project clearly defines the new techniques or approaches the project intends to examine to determine whether such techniques or approaches improve access to or quality of care;
- (4) The project plan identifies specific and limited locations and populations to participate in the pilot project;
- (5) The project plan clearly establishes minimum guidelines and standards for the pilot project including, but not limited to, provisions for protecting the safety of participating patients;
- (6) The project plan clearly defines the measurement criteria the pilot project will use to evaluate the outcomes of the project on access to and quality of care; and
- (7) The project plan identifies reporting intervals to communicate interim and final outcomes to the board.

2. The board may promulgate rules and regulations to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

3. The provisions of this section shall expire on August 28, 2026. The board shall provide a final report on approved pilot projects and related data or findings to the general assembly on or before December 31, 2025. 4. Notwithstanding any other provision of law to the contrary, beginning January 1, 2023, voters may declare political party affiliation during the voter check-in process at any election. Appropriate software shall be provided at voter check-in for political party affiliation so as to minimize later data entry for election authorities. If the election authority does not use electronic poll books, then a signed, written notice in substantially the same manner as a change of address application is filed under section 115.165 is adequate. The election authority shall process this initial political party registration through its normal means of administration.

*Senate Amendment No. 10*

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1878, Pages 26-28, Section 115.237, Line, by striking all of said section and inserting in lieu thereof the following:

“115.237. 1. Each ballot printed or designed for use with an electronic voting system for any election pursuant to this chapter shall contain all questions and the names of all offices and candidates certified or filed pursuant to this chapter and no other. **Beginning January 1, 2023, the official ballot shall be a paper ballot that is hand-marked by the voter or by the voter's designee as permitted in section 115.445, unless such voter chooses to use a ballot marking device as provided in section 115.225.** As far as practicable, all questions and the names of all offices and candidates for which each voter is entitled to vote shall be printed on one page except for the ballot for political party committee persons in polling places not utilizing an electronic voting system which may be printed separately and in conformity with the requirements contained in this section. As far as practicable, ballots containing only questions and the names of nonpartisan offices and candidates shall be printed in accordance with the provisions of this section, except that the ballot information may be listed in vertical or horizontal rows. The names of candidates for each office shall be listed in the order in which they are filed.

2. In polling places using electronic voting systems, the ballot information may be arranged in vertical or horizontal rows or on a number of separate pages or screens. In any event, the name of each candidate, the candidate's party, the office for which he or she is a candidate, and each question shall be indicated clearly on the ballot.

3. Nothing in this subchapter shall be construed as prohibiting the use of a separate paper ballot for questions or for the presidential preference primary in any polling place using an electronic voting system.

4. Where electronic voting systems are used and when write-in votes are authorized by law, a write-in ballot, which may be in the form of a separate paper ballot, card, or envelope, may be provided by the election authority to permit each voter to write in the names of persons whose names do not appear on the ballot.

5. No ballot printed or designed for use with an electronic voting system for any partisan election held under this chapter shall allow a person to vote a straight political party ticket. For purposes of this subsection, a "straight political party ticket" means voting for all of the candidates for elective office who are on the ballot representing a single political party by a single selection on the ballot.

6. The secretary of state shall promulgate rules that specify uniform standards for ballot layout for each electronic or computerized ballot counting system approved under the provisions of section 115.225 so that the ballot used with any counting system is, where possible, consistent with the intent of this section. Nothing in this section shall be construed to require the format specified in this section if it does not meet the requirements of the ballot counting system used by the election authority.

7. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.
