

# JOURNAL OF THE HOUSE

Second Regular Session, 101st GENERAL ASSEMBLY

SIXTY-EIGHTH DAY, TUESDAY, MAY 10, 2022

The House met pursuant to adjournment.

Speaker Vescovo in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

*We know that in everything God works for good with those who love him. (Romans 8:28)*

Eternal Spirit of God, the light of the minds that seek You, the life of the spirits that find You, and the love of the souls that serve You, grant us a renewal of heart as we wait upon You in this our morning prayer. By Your power make us ready for the responsibilities of this full day, equal to every experience and adequate to serve the present in this historic chamber.

The halls are full of the rumblings of discontent and disturbances which breed political mistrust. In these hours help us to keep our faith, that strong in You we may face these debates courageously and confidently, ever seeking liberty and justice and peace for all with every vote.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Elyse Luecke and Emmet Jamieson.

The Journal of the sixty-seventh day was approved as printed.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. For all tax years beginning on or after January 1, 2023, a retail dealer that sells a biodiesel blend at a retail service station or a distributor that sells a biodiesel blend directly to the final user located in this state shall be allowed a tax credit to be taken against the retail dealer or distributor's state income tax liability. The amount of the credit shall be equal to:

(1) Two cents per gallon of biodiesel blend of at least five percent but not more than ten percent sold by the retail dealer at a retail service station or by a distributor directly to the final user located in this state during the tax year in which the tax credit is claimed; and

(2) Five cents per gallon of biodiesel blend in excess of ten percent but not more than twenty percent sold by the retail dealer at a retail service station or by a distributor directly to the final user located in this state during the tax year in which the tax credit is claimed.

3. Tax credits authorized under this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall be refundable. The total amount of tax credits authorized under this section for any given fiscal year shall not exceed sixteen million dollars.

4. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned among all eligible retail dealers and distributors claiming a tax credit by April fifteenth, or as directed by section 143.851, of the fiscal year in which the tax credit is claimed.

5. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143, excluding the withholding tax imposed by sections 143.191 to 143.265, after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to administer the provisions of this section.

6. Notwithstanding any other provision of law to contrary, if the tax credit cap in this section is not met, the remaining amount of tax credits available to claim shall be applied to the tax credit in section 135.778 if the tax credit cap in section 135.778 has been met.

7. Notwithstanding the provisions of section 32.057 to the contrary, the department may work with the division of weights and measures within the department of agriculture to validate that the biodiesel blend a retail dealer or distributor claims for the tax credit authorized under this section contains a sufficient percentage of biodiesel fuel.

8. The department shall promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created pursuant to the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

9. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any qualified taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset or to eliminate any responsibility of the department to verify the continued eligibility of qualified individuals receiving tax credits and to enforce other requirements of law that applied before the program was sunset.

135.778. 1. For the purposes of this section, the following terms shall mean:

(1) "Biodiesel fuel", a renewable, biodegradable, mono alkyl ester combustible liquid fuel that is derived from agricultural and other plant oils or animal fats and that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock. A fuel shall be deemed to be biodiesel fuel if the fuel consists of a pure B100 or B99 ratio. Biodiesel produced from palm oil is not biodiesel fuel for the purposes of this section unless the palm oil is contained within waste oil and grease collected within the United States;

(2) "B99", a blend of ninety-nine percent biodiesel fuel that meets the most recent version of the ASTM International D6751 Standard Specification for Biodiesel Fuel Blend Stock with a minimum of one-tenth of one percent and maximum of one percent diesel fuel that meets the most recent version of the ASTM International D975 Standard Specification for Diesel Fuel;

2. For all tax years beginning on or after January 1, 2023, a Missouri biodiesel producer shall be allowed a tax credit to be taken against the producer's state income tax liability. The amount of the tax credit shall be two cents per gallon of biodiesel fuel produced by the Missouri biodiesel producer.

3. Tax credits authorized under this section shall not be transferred, sold, or assigned. If the amount of the tax credit exceeds the taxpayer's state tax liability, the difference shall be refundable. The total amount of tax credits authorized under this section for any given fiscal year shall not exceed four million dollars.

4. In the event the total amount of tax credits claimed under this section exceeds the amount of available tax credits, the tax credits shall be apportioned among all eligible Missouri biodiesel producers claiming the credit by April fifteenth, or as directed by section 143.851, of the fiscal year in which the tax credit is claimed.

5. The tax credit authorized under this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after reduction for all other credits allowed thereon. The department may require any documentation it deems necessary to administer the provisions of this section.

6. Notwithstanding any other provision of law to contrary, if the tax credit cap in this section is not met, the remaining amount of tax credits available to claim shall be applied to the tax credit in section 135.775 if the tax credit cap in section 135.775 has been met.

7. The department shall promulgate rules to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created pursuant to the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2022, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset on December 31, 2028, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset. The termination of the program as described in this subsection shall not be construed to preclude any qualified taxpayer who claims any benefit under any program that is sunset under this subsection from claiming such benefit for all allowable activities related to such claim that were completed before the program was sunset, or to eliminate any responsibility of the department to verify the continued eligibility of qualified individuals receiving tax credits and to enforce other requirements of law that applied before the program was sunset.

135.1610. 1. As used in this section, the following terms mean:

(1) "Eligible expenses", expenses incurred in the construction or development of establishing or improving an urban farm in an urban area. The term "eligible expenses" shall not include any expense for labor or any expense incurred to grow medical marijuana or industrial hemp;

The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability in the tax year for which the credit is claimed, and the taxpayer shall not be allowed to claim a tax credit under this section in excess of five thousand dollars for each urban farm. The total amount of tax credits that may be authorized for all taxpayers for eligible expenses incurred on any given urban farm shall not exceed twenty-five thousand dollars. 4. The total amount of tax credits that may be authorized under this section shall not exceed two hundred thousand dollars in any calendar year.

5. Tax credits issued under the provisions of this section shall not be transferred, sold, or assigned.

**6. **7. The Missouri agriculture and small business development authority may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. **(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset; and**

**(4) Nothing in this subsection shall prevent a taxpayer from claiming a tax credit properly issued before the program was sunset in a tax year after the program is sunset.**

137.1018. 1. The commission shall ascertain the statewide average rate of property taxes levied the preceding year, based upon the total assessed valuation of the railroad and street railway companies and the total property taxes levied upon the railroad and street railway companies. It shall determine total property taxes levied from reports prescribed by the commission from the railroad and street railway companies. Total taxes levied shall not include revenues from the surtax on subclass three real property.

2. The commission shall report its determination of average property tax rate for the preceding year, together with the taxable distributable assessed valuation of each freight line company for the current year to the director no later than October first of each year.

3. Taxes on property of such freight line companies shall be collected at the state level by the director on behalf of the counties and other local public taxing entities and shall be distributed in accordance with sections 137.1021 and 137.1024. The director shall tax such property based upon the distributable assessed valuation attributable to Missouri of each freight line company, using the average tax rate for the preceding year of the railroad and street railway companies certified by the commission. Such tax shall be due and payable on or before December thirty-first of the year levied and, if it becomes delinquent, shall be subject to a penalty equal to that specified in section 140.100.

(2) For all taxable years beginning on or after January 1, 2009, a freight line company shall, subject to appropriation, be allowed a credit against the tax levied under this section for the applicable tax year. The tax credit amount shall be equal to the amount of eligible expenses incurred during the calendar year immediately preceding the tax year for which the credit under this section is claimed. The amount of the tax credit issued shall not exceed the freight line company's liability for the tax levied under this section for the tax year for which the credit is claimed.

(3) A freight line company may apply for the credit by submitting to the commission an application in the form prescribed by the state tax commission.

(4) Subject to appropriation, the state shall reimburse, on an annual basis, any political subdivision of this state for any decrease in revenue due to the provisions of this subsection.

144.030. 1. There is hereby specifically exempted from the provisions of sections 144.010 to 144.525 and from the computation of the tax levied, assessed or payable pursuant to sections 144.010 to 144.525 such retail sales as may be made in commerce between this state and any other state of the United States, or between this state and

any foreign country, and any retail sale which the state of Missouri is prohibited from taxing pursuant to the Constitution or laws of the United States of America, and such retail sales of tangible personal property which the general assembly of the state of Missouri is prohibited from taxing or further taxing by the constitution of this state.

2. There are also specifically exempted from the provisions of the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.761 and from the computation of the tax levied, assessed or payable pursuant to the local sales tax law as defined in section 32.085, section 238.235, and sections 144.010 to 144.525 and 144.600 to 144.745:

(1) Motor fuel or special fuel subject to an excise tax of this state, unless all or part of such excise tax is refunded pursuant to section 142.824; or upon the sale at retail of fuel to be consumed in manufacturing or creating gas, power, steam, electrical current or in furnishing water to be sold ultimately at retail; or feed for livestock or poultry; or grain to be converted into foodstuffs which are to be sold ultimately in processed form at retail; or seed, limestone or fertilizer which is to be used for seeding, liming or fertilizing crops which when harvested will be sold at retail or will be fed to livestock or poultry to be sold ultimately in processed form at retail; economic poisons registered pursuant to the provisions of the Missouri pesticide registration law, sections 281.220 to 281.310, which are to be used in connection with the growth or production of crops, fruit trees or orchards applied before, during, or after planting, the crop of which when harvested will be sold at retail or will be converted into foodstuffs which are to be sold ultimately in processed form at retail;

(2) Materials, manufactured goods, machinery and parts which when used in manufacturing, processing, compounding, mining, producing or fabricating become a component part or ingredient of the new personal property resulting from such manufacturing, processing, compounding, mining, producing or fabricating and which new personal property is intended to be sold ultimately for final use or consumption; and materials, including without limitation, gases and manufactured goods, including without limitation slagging materials and firebrick, which are ultimately consumed in the manufacturing process by blending, reacting or interacting with or by becoming, in whole or in part, component parts or ingredients of steel products intended to be sold ultimately for final use or consumption;

(3) Materials, replacement parts and equipment purchased for use directly upon, and for the repair and maintenance or manufacture of, motor vehicles, watercraft, railroad rolling stock or aircraft engaged as common carriers of persons or property;

(4) Replacement machinery, equipment, and parts and the materials and supplies solely required for the installation or construction of such replacement machinery, equipment, and parts, used directly in manufacturing, mining, fabricating or producing a product which is intended to be sold ultimately for final use or consumption; and machinery and equipment, and the materials and supplies required solely for the operation, installation or construction of such machinery and equipment, purchased and used to establish new, or to replace or expand existing, material recovery processing plants in this state. For the purposes of this subdivision, a "material recovery processing plant" means a facility that has as its primary purpose the recovery of materials into a usable product or a different form which is used in producing a new product and shall include a facility or equipment which are used exclusively for the collection of recovered materials for delivery to a material recovery processing plant but shall not include motor vehicles used on highways. For purposes of this section, the terms motor vehicle and highway shall have the same meaning pursuant to section 301.010. For the purposes of this subdivision, subdivision (5) of this subsection, and section 144.054, as well as the definition in subdivision (9) of subsection 1 of section 144.010, the term "product" includes telecommunications services and the term "manufacturing" shall include the production, or production and transmission, of telecommunications services. The preceding sentence does not make a substantive change in the law and is intended to clarify that the term "manufacturing" has included and continues to include the production and transmission of "telecommunications services", as enacted in this subdivision and subdivision (5) of this subsection, as well as the definition in subdivision (9) of subsection 1 of section 144.010. The preceding two sentences reaffirm legislative intent consistent with the interpretation of this subdivision and subdivision (5) of this subsection in *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), and accordingly abrogates the Missouri supreme court's interpretation of those exemptions in *IBM Corporation v. Director of Revenue*, 491 S.W.3d 535 (Mo. banc 2016) to the extent inconsistent with this section and *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002) and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005). The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226

(Mo. banc 2005), is hereby affirmed. Material recovery is not the reuse of materials within a manufacturing process or the use of a product previously recovered. The material recovery processing plant shall qualify under the provisions of this section regardless of ownership of the material being recovered;

(5) Machinery and equipment, and parts and the materials and supplies solely required for the installation or construction of such machinery and equipment, purchased and used to establish new or to expand existing manufacturing, mining or fabricating plants in the state if such machinery and equipment is used directly in manufacturing, mining or fabricating a product which is intended to be sold ultimately for final use or consumption. The construction and application of this subdivision as expressed by the Missouri supreme court in *DST Systems, Inc. v. Director of Revenue*, 43 S.W.3d 799 (Mo. banc 2001); *Southwestern Bell Tel. Co. v. Director of Revenue*, 78 S.W.3d 763 (Mo. banc 2002); and *Southwestern Bell Tel. Co. v. Director of Revenue*, 182 S.W.3d 226 (Mo. banc 2005), is hereby affirmed;

There shall be a rebuttable presumption that the raw materials used in the primary manufacture of automobiles contain at least twenty-five percent recovered materials. For purposes of this subdivision, "processing" means any mode of treatment, act or series of acts performed upon materials to transform and reduce them to a different state or thing, including treatment necessary to maintain or preserve such processing by the producer at the production facility;

AMEND House Amendment No. 2 to Senate Bill No. 652, Page 20, Line 6, by inserting after all of said line the following:

"620.2020. 1. The department shall respond to a written request, by or on behalf of a qualified company or qualified military project, for a proposed benefit award under the provisions of this program within five business days of receipt of such request. The department shall respond to a written request, by or on behalf of a qualified

manufacturing company, for a proposed benefit award under the provisions of this program within fifteen business days of receipt of such request. Such response shall contain either a proposal of benefits for the qualified company or qualified military project, or a written response refusing to provide such a proposal and stating the reasons for such refusal. A qualified company or qualified military project that intends to seek benefits under the program shall submit to the department a notice of intent. The department shall respond within thirty days to a notice of intent with an approval or a rejection, provided that the department may withhold approval or provide a contingent approval until it is satisfied that proper documentation of eligibility has been provided. The department shall certify or reject the qualifying company's plan outlined in their notice of intent as satisfying good faith efforts made to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census. Failure to respond on behalf of the department shall result in the notice of intent being deemed approved. A qualified company receiving approval for program benefits may receive additional benefits for subsequent new jobs at the same facility after the full initial project period if the applicable minimum job requirements are met. There shall be no limit on the number of project periods a qualified company may participate in the program, and a qualified company may elect to file a notice of intent to begin a new project period concurrent with an existing project period if the applicable minimum job requirements are achieved, the qualified company provides the department with the required annual reporting, and the qualified company is in compliance with this program and any other state programs in which the qualified company is currently or has previously participated. However, the qualified company shall not receive any further program benefits under the original approval for any new jobs created after the date of the new notice of intent, and any jobs created before the new notice of intent shall not be included as new jobs for purposes of the benefit calculation for the new approval. When a qualified company has filed and received approval of a notice of intent and subsequently files another notice of intent, the department shall apply the definition of project facility under subdivision (24) of section 620.2005 to the new notice of intent as well as all previously approved notices of intent and shall determine the application of the definitions of new job, new payroll, project facility base employment, and project facility base payroll accordingly.

2. Notwithstanding any provision of law to the contrary, the benefits available to the qualified company under any other state programs for which the company is eligible and which utilize withholding tax from the new or retained jobs of the company shall first be credited to the other state program before the withholding retention level applicable under this program will begin to accrue. If any qualified company also participates in a job training program utilizing withholding tax, the company shall retain no withholding tax under this program, but the department shall issue a refundable tax credit for the full amount of benefit allowed under this program. The calendar year annual maximum amount of tax credits which may be issued to a qualifying company that also participates in a job training program shall be increased by an amount equivalent to the withholding tax retained by that company under a jobs training program.

3. A qualified company or qualified military project receiving benefits under this program shall provide an annual report of the number of jobs, along with minority jobs created or retained, and such other information as may be required by the department to document the basis for program benefits available no later than ninety days prior to the end of the qualified company's or industrial development authority's tax year immediately following the tax year for which the benefits provided under the program are attributed. In such annual report, if the average wage is below the applicable percentage of the county average wage, the qualified company or qualified military project has not maintained the employee insurance as required, if the department after a review determines the qualifying company fails to satisfy other aspects of their notice of intent, including failure to make good faith efforts to employ, at a minimum, commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, the following: racial minorities, contractors who are racial minorities, and contractors that, in turn, employ at a minimum racial minorities commensurate with the percentage of minority populations in the state of Missouri, as reported in the previous decennial census, or if the number of jobs is below the number required, the qualified company or qualified military project shall not receive tax credits or retain the withholding tax for the balance of the project period. **If a statewide state of emergency exists for more than sixteen months, a qualified company or industrial development authority shall be entitled to a one-time suspension of program deadlines equal to the number of months such statewide state of emergency existed with any partial month rounded to the next whole month. During such suspension, the qualified company or industrial development authority shall not be entitled to retain any withholding tax as calculated under subdivision (38) of section 620.2005 nor shall it earn any awarded tax credit or receive any tax credit under the program for the suspension period. The suspension period shall run consecutively and be available to a qualified company or industrial development authority that, during the statewide state of emergency, submitted a notice of**

intent that was approved or that was in year one or a subsequent year of benefits under a program agreement with the department. The suspension period that runs consecutively and may be available to a qualified company or industrial development authority as provided in this subsection may apply retroactively. Any qualified company or industrial development authority requesting a suspension pursuant to this subsection shall submit notice to the department on its provided form identifying the requested start and end dates of the suspension, not to exceed the maximum number of months available under this subsection. Such notice shall be submitted to the department not later than the end of the twelfth month following the termination of the statewide state of emergency. No suspension period shall start later than the date on which the statewide state of emergency was terminated. The department and the qualified company or the industrial development authority shall enter into a program agreement or shall amend an existing program agreement, as applicable, stating the deadlines following the suspension period and updating the applicable wage requirements. Failure to timely file the annual report required under this section ~~shall~~ may result in the forfeiture of tax credits attributable to the year for which the reporting was required and a recapture of withholding taxes retained by the qualified company or qualified military project during such year.

4. The department may withhold the approval of any benefits under this program until it is satisfied that proper documentation has been provided, and shall reduce the benefits to reflect any reduction in full-time employees or payroll. Upon approval by the department, the qualified company may begin the retention of the withholding taxes when it reaches the required number of jobs and the average wage meets or exceeds the applicable percentage of county average wage. Tax credits, if any, may be issued upon satisfaction by the department that the qualified company has exceeded the applicable percentage of county average wage and the required number of jobs; provided that, tax credits awarded under subsection 7 of section 620.2010 may be issued following the qualified company's acceptance of the department's proposal and pursuant to the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010.

5. Any qualified company or qualified military project approved for benefits under this program shall provide to the department, upon request, any and all information and records reasonably required to monitor compliance with program requirements. This program shall be considered a business recruitment tax credit under subdivision (4) of subsection 2 of section 135.800, and any qualified company or qualified military project approved for benefits under this program shall be subject to the provisions of sections 135.800 to 135.830.

6. Any taxpayer who is awarded benefits under this program who knowingly hires individuals who are not allowed to work legally in the United States shall immediately forfeit such benefits and shall repay the state an amount equal to any state tax credits already redeemed and any withholding taxes already retained.

7. (1) The maximum amount of tax credits that may be authorized under this program for any fiscal year shall be limited as follows, less the amount of any tax credits previously obligated for that fiscal year under any of the tax credit programs referenced in subsection 14 of this section:

(a) For the fiscal year beginning on July 1, 2013, but ending on or before June 30, 2014, no more than one hundred six million dollars in tax credits may be authorized;

(b) For the fiscal year beginning on July 1, 2014, but ending on or before June 30, 2015, no more than one hundred eleven million dollars in tax credits may be authorized;

(c) For fiscal years beginning on or after July 1, 2015, but ending on or before June 30, 2020, no more than one hundred sixteen million dollars in tax credits may be authorized for each fiscal year; and

(d) For all fiscal years beginning on or after July 1, 2020, no more than one hundred six million dollars in tax credits may be authorized for each fiscal year. The provisions of this paragraph shall not apply to tax credits issued to qualified companies under a notice of intent filed prior to July 1, 2020.

(2) For all fiscal years beginning on or after July 1, 2020, in addition to the amount of tax credits that may be authorized under paragraph (d) of subdivision (1) of this subsection, an additional ten million dollars in tax credits may be authorized for each fiscal year for the purpose of the completion of infrastructure projects directly connected with the creation or retention of jobs under the provisions of sections 620.2000 to 620.2020 and an additional ten million dollars in tax credits may be authorized for each fiscal year for a qualified manufacturing company based on a manufacturing capital investment as set forth in section 620.2010.

8. For all fiscal years beginning on or after July 1, 2020, the maximum total amount of withholding tax that may be authorized for retention for the creation of new jobs under the provisions of sections 620.2000 to 620.2020 by qualified companies with a project facility base employment of at least fifty shall not exceed seventy-five million dollars for each fiscal year. The provisions of this subsection shall not apply to withholding tax authorized for retention for the creation of new jobs by qualified companies with a project facility base employment of less than fifty.

9. For tax credits for the creation of new jobs under section 620.2010, the department shall allocate the annual tax credits based on the date of the approval, reserving such tax credits based on the department's best estimate of new jobs and new payroll of the project, and any other applicable factors in determining the amount of benefits available to the qualified company or qualified military project under this program; provided that, the department may reserve up to twenty-one and one-half percent of the maximum annual amount of tax credits that may be authorized under subsection 7 of this section for award under subsection 7 of section 620.2010. However, the annual issuance of tax credits shall be subject to annual verification of actual payroll by the department or, for qualified military projects, annual verification of average salary for the jobs directly created by the qualified military project. Any authorization of tax credits shall expire if, within two years from the date of commencement of operations, or approval if applicable, the qualified company has failed to meet the applicable minimum job requirements. The qualified company may retain authorized amounts from the withholding tax under the project once the applicable minimum job requirements have been met for the duration of the project period. No benefits shall be provided under this program until the qualified company or qualified military project meets the applicable minimum new job requirements or, for benefits awarded under subsection 7 of section 620.2010, until the qualified company has satisfied the requirements set forth in the written agreement between the department and the qualified company under subsection 4 of section 620.2010. In the event the qualified company or qualified military project does not meet the applicable minimum new job requirements, the qualified company or qualified military project may submit a new notice of intent or the department may provide a new approval for a new project of the qualified company or qualified military project at the project facility or other facilities.

10. Tax credits provided under this program may be claimed against taxes otherwise imposed by chapters 143 and 148, and may not be carried forward, but shall be claimed within one year of the close of the taxable year for which they were issued. Tax credits provided under this program may be transferred, sold, or assigned by filing a notarized endorsement thereof with the department that names the transferee, the amount of tax credit transferred, and the value received for the credit, as well as any other information reasonably requested by the department. For a qualified company with flow-through tax treatment to its members, partners, or shareholders, the tax credit shall be allowed to members, partners, or shareholders in proportion to their share of ownership on the last day of the qualified company's tax period.

11. Prior to the issuance of tax credits or the qualified company beginning to retain withholding taxes, the department shall verify through the department of revenue and any other applicable state department that the tax credit applicant does not owe any delinquent income, sales, or use tax or interest or penalties on such taxes, or any delinquent fees or assessments levied by any state department and through the department of commerce and insurance that the applicant does not owe any delinquent insurance taxes or other fees. Such delinquency shall not affect the approval, except that any tax credits issued shall be first applied to the delinquency and any amount issued shall be reduced by the applicant's tax delinquency. If the department of revenue, the department of commerce and insurance, or any other state department concludes that a taxpayer is delinquent after June fifteenth but before July first of any year and the application of tax credits to such delinquency causes a tax deficiency on behalf of the taxpayer to arise, then the taxpayer shall be granted thirty days to satisfy the deficiency in which interest, penalties, and additions to tax shall be tolled. After applying all available credits toward a tax delinquency, the administering agency shall notify the appropriate department and that department shall update the amount of outstanding delinquent tax owed by the applicant. If any credits remain after satisfying all insurance, income, sales, and use tax delinquencies, the remaining credits shall be issued to the applicant, subject to the restrictions of other provisions of law.

12. The director of revenue shall issue a refund to the qualified company to the extent that the amount of tax credits allowed under this program exceeds the amount of the qualified company's tax liability under chapter 143 or 148.

13. An employee of a qualified company shall receive full credit for the amount of tax withheld as provided in section 143.211.

14. Notwithstanding any provision of law to the contrary, beginning August 28, 2013, no new benefits shall be authorized for any project that had not received from the department a proposal or approval for such benefits prior to August 28, 2013, under the development tax credit program created under sections 32.100 to 32.125, the rebuilding communities tax credit program created under section 135.535, the enhanced enterprise zone tax credit program created under sections 135.950 to 135.973, and the Missouri quality jobs program created under sections 620.1875 to 620.1890. The provisions of this subsection shall not be construed to limit or impair the ability of any administering agency to authorize or issue benefits for any project that had received an approval or a proposal from the department under any of the programs referenced in this subsection prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits or to retain any withholding tax under an approval issued prior to that

date. The provisions of this subsection shall not be construed to limit or in any way impair the ability of any governing authority to provide any local abatement or designate a new zone under the enhanced enterprise zone program created by sections 135.950 to 135.963. Notwithstanding any provision of law to the contrary, no qualified company that is awarded benefits under this program shall:

- (1) Simultaneously receive benefits under the programs referenced in this subsection at the same capital investment; or
- (2) Receive benefits under the provisions of section 620.1910 for the same jobs.

15. If any provision of sections 620.2000 to 620.2020 or application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or application of these sections which can be given effect without the invalid provisions or application, and to this end, the provisions of sections 620.2000 to 620.2020 are hereby declared severable.

16. By no later than January 1, 2014, and the first day of each calendar quarter thereafter, the department shall present a quarterly report to the general assembly detailing the benefits authorized under this program during the immediately preceding calendar quarter to the extent such information may be disclosed under state and federal law. The report shall include, at a minimum:

- (1) A list of all approved and disapproved applicants for each tax credit;
- (2) A list of the aggregate amount of new or retained jobs that are directly attributable to the tax credits authorized;
- (3) A statement of the aggregate amount of new capital investment directly attributable to the tax credits authorized;
- (4) Documentation of the estimated net state fiscal benefit for each authorized project and, to the extent available, the actual benefit realized upon completion of such project or activity; and
- (5) The department's response time for each request for a proposed benefit award under this program.

17. The department may adopt such rules, statements of policy, procedures, forms, and guidelines as may be necessary to carry out the provisions of sections 620.2000 to 620.2020. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

18. Under section 23.253 of the Missouri sunset act:

- (1) The provisions of the program authorized under sections 620.2000 to 620.2020 shall be reauthorized as of August 28, 2018, and shall expire on August 28, 2030; and
- (2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of sections 620.2000 to 620.2020; and
- (3) Sections 620.2000 to 620.2020 shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under sections 620.2000 to 620.2020 is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

3. (1) There is hereby created in the state treasury the "Major Economic Convention Event in Missouri Fund", which shall consist of moneys appropriated from the general revenue fund as prescribed in subsection 6 of this section and any gifts, contributions, grants, or bequests received from federal, private, or other sources. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. (c) Without the grant, the major convention event would not be reasonably anticipated to occur in Missouri; and

6. (1) Upon verification that the major convention plan complies with the terms of subsection 5 of this section, the director or his or her designee shall issue a certificate of approval to the eligible commission stating the date on which such grant shall be disbursed and the total amount of the grant, which shall be equal to the eligible major convention event costs listed in the approved major convention plan. - (c) If the actual attendance figure is greater than eighty-five percent of the projected total attendance, the commission shall keep the entire grant amount received under this section unless otherwise provided by this section.

(3) The provisions of this subdivision shall not apply where attendance at the convention is adversely affected by a man-made disaster including, but not limited to, an uprising or other civil unrest or where attendance at the convention is adversely affected by a substantial inclement weather-related event.

8. Any amounts that are refunded from a grant under this section shall be returned to the major economic convention event in Missouri fund to be used for future grants.

AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 724, Page 1, Section A, Line 9, by inserting after all of said section and line the following:

**"44.251. 1. This section shall be known and may be cited as the "Protecting Missouri's Small Businesses Act".**

**2. As used in this section, the following terms mean:**

**(1) "Reason outside the business organization's control", any reason for which the governor proclaims a state of emergency as provided in chapter 44. Such reasons include, but are not limited to, communicable disease spread by direct human contact such as person-to-person contact or droplet spread. Such reasons shall not be construed to include violations of sanitation or food safety rules or structural safety rules;**

**(2) "Shutdown order", any order by the state or any agency or political subdivision thereof to close a business organization during a state of emergency declared by the governor that is caused by any reason outside the business organization's control.**

**3. The general assembly hereby finds and declares the following:**

**(1) It is an essential function of state government to protect the public health, welfare, peace, safety, and the economic viability and well-being of Missourians;**

**(2) One method of protecting Missourians is to preserve and promote the economic viability, well-being, and development of businesses in this state;**

**(3) States of emergency may require the state and its political subdivisions to take necessary emergency actions for the protection of Missourians that may adversely affect the economic viability and well-being of Missourians and businesses in the state;**

**(4) Such governmental actions should not be entered into without careful consideration of and appropriate concern for the lasting effects that may cause economic loss to Missourians and businesses in the state;**

**(5) It is the public policy of the state of Missouri that a political subdivision shall give appropriate consideration to the effects of its actions on the economic well-being of Missourians and businesses in the state; and**

**(6) To ensure that a political subdivision gives appropriate consideration to such actions, a political subdivision shall participate in economic losses caused by the political subdivision's actions affecting Missourians and businesses in the state as provided in this section.**

**4. (1) Notwithstanding any other provision of law to the contrary, beginning January 1, 2023, if any political subdivision with jurisdiction over a business implements any shutdown order or orders after the governor declares a state of emergency as provided in this chapter and the business closes solely due to such shutdown order or orders for at least twenty-one consecutive days or at least forty-five cumulative days, the following shall apply:**

**(a) Any fee for a business license imposed by the political subdivision with jurisdiction over the business shall be waived for the business during the period of the shutdown order or orders or six months, whichever is longer. Fees for a business license may be prorated; and**

**(b) The political subdivision with jurisdiction over the business shall reduce the real and personal property tax liability of such business based on the number of days the business was shut down in a given year as follows:**

**a. If the shutdown order or orders end before June first, the appropriate officials responsible for assessing and levying real and personal property taxes and providing statements of taxes due in the political subdivision with jurisdiction over the business shall calculate the tax liability of such business as required by law. After such tax liability is calculated, such officials shall reduce such tax liability as required in this section. Such reduction shall be reflected on the statement of taxes due provided to the taxpayer who is liable**

for the property taxes of the business. Such appropriate officials shall follow all procedures for calculating such taxes and providing such statements provided by law as practicable. A taxpayer receiving a reduced statement of taxes due shall make full payment of such reduced taxes before the delinquency date as provided by law; and

b. If the shutdown order or orders remain in effect on or after June first, the taxpayer who is liable for the property taxes of the business shall make full payment of taxes due before the delinquency date as provided by law. The appropriate officials responsible for assessing and levying real and personal property taxes and providing statements of taxes due in the political subdivision with jurisdiction over the business shall:

(i) Notify such taxpayer, at the same time the taxpayer's statement of taxes due is provided to the taxpayer as required by law, that the taxpayer may apply for a refund of a portion of the property tax liability of such business as provided in this section;

(ii) Provide a method of applying for a refund of such portion of such tax liability, by which the taxpayer shall provide any information required by the appropriate officials to assist in the calculation of such portion. A refund application made as provided in this subparagraph shall be submitted to the appropriate official no later than the January fifteenth immediately following the refund notification;

(iii) Calculate the amount of such allowable portion to be refunded and notify the taxpayer of such amount. All such calculations for all refund applications shall be completed no later than the February fifteenth following the refund notification; and

(iv) Make payments of all refunds to all taxpayers eligible for the refund. All such payments of refunds shall be completed no later than the March fifteenth immediately following the refund notification.

(2) Notwithstanding any other provision of this section to the contrary, a taxpayer whose tax liability is reduced as provided in this subsection and who leases or rents all or a portion of the taxpayer's affected real property to one or more renters or lessors shall distribute such amount by which the tax liability is reduced on a pro rata basis to such renters or lessors who are current on all lease or rental payments owed to the taxpayer whose tax liability is reduced.

5. This section shall not be construed to apply to fees required for a license or certification of an individual to practice a profession.

6. This section shall not be construed as an exemption of property from taxation requiring the state to provide restitution or a replacement of revenues lost to a political subdivision. Any action taken by a political subdivision that results in a recalculation or refund of taxes or revenues lost by the political subdivision, or both, shall be construed as an exercise of the political subdivision's authority to levy and collect local tax revenues as provided by state law."; and

"Page 7, Section 64.231, Line 25, by inserting after said section and line the following:

"67.653. 1. The authority shall have the following powers:

(1) To acquire by gift, bequest, purchase, lease or sublease from public or private sources and to plan, construct, operate and maintain, or to lease or sublease to or from others for construction, operation and maintenance, convention centers, sports stadiums, field houses, indoor and outdoor convention, recreational, and entertainment facilities and centers, playing fields, parking facilities and other suitable concessions, and all things incidental or necessary to a complex suitable for all types of convention, entertainment and meeting activities and for all types of sports and recreation, either professional or amateur, commercial or private, either upon, above or below the ground, except that no such stadium, complex or facility shall be used, in any fashion, for the purpose of horse racing or dog racing, and any stadium, complex or facility newly constructed by the authority shall be suitable for multiple purposes and designed and constructed to meet National Football League franchise standards and shall be located adjacent to an existing convention facility;

(2) To adopt bylaws for the regulation of its affairs and the conduct of its business;

(3) To maintain an office, and to conduct its meetings at such place or places in the city or in the county as it may designate;

(4) To charge and collect fees and rents for use of the facilities owned or operated by it or leased or subleased from or to others and to deposit any funds received under the provisions of sections 67.650 to 67.658 in a savings or checking account in a bank, credit union, or savings and loan association in this state;

(5) To adopt a common seal;

(6) To contract and to be contracted with, including, but without limitation, the authority to enter into contracts with cities, counties and other political subdivisions and public agencies under sections 70.210 to 70.325, and otherwise, and to enter into contracts with other entities, in connection with the acquisition by gift, bequest, purchase, lease or sublease and in connection with the planning, construction, financing, leasing, subleasing, operation and maintenance of any convention or sports facility and for any other lawful purpose, and to sue and to be sued;

(7) To receive for its lawful activities any rentals, contributions or moneys appropriated or otherwise designated for payment to the authority by municipalities, counties, state or other political subdivisions or public agencies or by the federal government or any agency or officer thereof or from any other source;

(8) To disburse funds for its lawful activities and fix salaries and wages of its officers and employees;

(9) To invest any of the authority's funds in such types of investments as shall be determined by a resolution adopted by the commissioners of the authority;

(10) To borrow money for the acquisition, planning, construction, equipping, operation, maintenance, repair, extension and improvement of any facility, or any part or parts thereof, which it has the power to own, lease or operate, and for any other proper corporate purpose, and to issue negotiable notes, bonds, or other instruments in writing as evidence of sums borrowed, as hereinafter provided in this section:

(a) Bonds issued hereunder shall be issued pursuant to a resolution adopted by the commissioners of the authority which shall set out the estimated cost to the authority of the proposed facility or facilities, and shall further set out the amount of bonds to be issued, their purpose or purposes, their date or dates, denomination or denominations, rate or rates of interest, time or times of payment, both of principal and of interest, place or places of payment and all other details in connection therewith. Any such bonds may be subject to such provision for redemption prior to maturity, with or without premium, and at such times and upon such conditions as may be provided by the resolution;

(b) Notwithstanding the provisions of section 108.170, such bonds shall bear interest at such rate or rates determined by the authority and shall mature within a period not exceeding fifty years and may be sold at public or private sale for not less than ninety-five percent of the principal amount thereof. Bonds issued by the authority shall possess all of the qualities of negotiable instruments under the laws of this state;

(c) Such bonds may be payable to bearer, may be registered or coupon bonds and if payable to bearer, may contain such registration provisions as to either principal and interest, or principal only, as may be provided in the resolution authorizing the same, which resolution may also provide for the exchange of registered and coupon bonds. Such bonds and any coupons attached thereto shall be signed in such manner and by such officers of the authority as may be provided for by the resolution authorizing the same. The authority may provide for the replacement of any bond which shall become mutilated, destroyed or lost;

(d) Bonds issued by the authority shall be payable as to principal, interest and redemption premium, if any, out of all or any part of the general funds of the authority, including rents, revenues, receipts and income derived and to be derived for the use of any facility or combination of facilities, or any part or parts thereof, acquired, constructed, improved or extended in whole or in part from the proceeds of such bonds, including but not limited to convention center and stadium rentals, concessions, parking facilities and from funds derived from any other facilities or part or parts thereof, owned or operated by the authority, all or any part of which rents, revenues, receipts and income the authority is authorized to pledge for the payment of said principal, interest, and redemption premium, if any, except that direct appropriations of tax revenues received by the authority pursuant to sections 67.656 and 67.657 or otherwise, other than appropriations for the payment of rent, shall not be pledged for the payment of such bonds. Neither the commissioners of the authority nor any person executing its bonds shall be personally liable on such bonds by reason of the issuance thereof. Bonds issued under the provisions of sections 67.653 to 67.655 shall not constitute a debt, liability, or obligation of this state, or any political subdivision of this state, nor shall any such obligations be a pledge of the faith and credit of this state, but shall be payable solely from the revenues and assets held by the authority. The issuance of bonds under sections 67.653 to 67.655 shall not, directly, indirectly, or contingently, obligate the state of Missouri or any political subdivision thereof, or the authority, to levy any form of taxation therefor or to make any appropriation for their payment. Each obligation or bond issued under sections 67.653 to 67.655 shall contain on the face thereof a statement to the effect that the authority shall not be obligated to pay the same nor the interest on such bond, except from the revenues received by the authority or assets of the authority lawfully pledged therefor, and that neither the faith and credit nor the taxing power of this state or of any political subdivision of this state is pledged to the payment of the principal of or the interest on such obligation or bond. Bonds issued pursuant to this section may be further secured by a mortgage, deed of trust, trust agreement, pledge agreement, assignment or security agreement upon the rents, revenues, receipts and income herein referred to or any part thereof, or upon any leasehold interest or other property owned by the authority, or any part thereof, whether then owned or thereafter acquired, except that direct appropriations of tax revenues received by the authority pursuant to sections 67.656 and 67.657 or otherwise, other than appropriations for the payment of rent, shall not secure such bonds. The proceeds of such bonds shall be disbursed in such manner and under such restrictions as the authority may provide in the resolution authorizing the issuance of such bonds or in any such mortgage, deed of trust, trust agreement, pledge agreement or security agreement;

(e) The authority shall fix and maintain rates and rentals and make and collect charges for the use and services of its interest in the facility or facilities or any part thereof owned or operated by the authority which shall be sufficient to pay the cost of operation and maintenance thereof, to pay the principal of and interest on any such bonds payable from such rates, rentals and charges and to provide funds sufficient to meet all requirements of the resolution by which such bonds have been issued;

(f) The resolution authorizing the issuance of any such bonds may provide for the allocation of rents, revenues, receipts and income derived and to be derived by the authority from the use of any facility or part thereof, and of the proceeds received pursuant to sections 67.656 and 67.657, into such separate accounts as shall be deemed to be advisable to assure the proper operation and maintenance of any facility or part thereof and the prompt payment of any bonds issued to finance all or any part of the costs thereof. Such accounts may include reserve accounts necessary for the proper operation and maintenance of any such facility or any part thereof, and for the payment of any such bonds. Such resolution may include such other covenants and agreements by the authority as in its judgment are advisable or necessary properly to secure the payment of such bonds;

(g) The authority may issue negotiable refunding bonds for the purpose of refunding, extending or unifying the whole or any part of such bonds then outstanding, or any bonds, notes or other obligations issued by any other public agency, public body or political subdivision in connection with any facilities to be acquired, leased or subleased by the authority, which refunding bonds shall not exceed the amount necessary to refund the principal of the outstanding bonds to be refunded and the accrued interest thereon to the date of such refunding, together with any redemption premium, amounts necessary to establish reserve and escrow funds and all costs and expenses incurred in connection with the refunding. The authority may provide for the payment of interest on such refunding bonds at a rate in excess of the bonds to be refunded;

(h) In case any of the commissioners or officers of the authority whose signatures appear on any bonds or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery;

(i) The authority is hereby declared to be performing a public function and bonds of the authority are declared to be issued for an essential public and governmental purpose and, accordingly, interest thereon and income therefrom shall be exempt from income taxation by the state of Missouri;

(11) To condemn any and all rights or property of any kind or character, necessary for the purposes of the authority, in the manner provided in chapter 523, except that no property now or hereafter vested in or held by the state, the county or the city shall be taken by the authority without the authorization or consent of such party; provided however, that the authority shall provide relocation benefits to all individuals and businesses, occupying said property, in the same manner as such relocation benefits are provided pursuant to the federal Relocation Assistance Act;

(12) To perform all other necessary and incidental functions, and to exercise such additional powers as shall be conferred by the general assembly or by act of Congress.

2. The authority shall proceed to carry out its duties, functions and powers in accordance with sections 67.650 to 67.658, and the authority is vested with all necessary and appropriate powers not inconsistent with the constitution or the laws of the United States to effectuate the same, except the power to levy taxes or assessments. In no event shall the state be liable for any deficiency or indebtedness incurred by the authority.

3. The authority shall grant or award at least fifteen percent of all contracts, employment opportunities, professional services and all other special contracts to persons who are members of a racial minority group, as defined in section 37.013.

4. The authority and any city, county, other political subdivision or public agency obtaining funds pursuant to the provisions of this chapter shall be subject to the provisions of sections 34.073 and 34.076.

**5. Notwithstanding any provision of sections 67.650 to 67.658 to the contrary, all funds in the economic development trust fund established under section 67.656 shall be used solely for economic development purposes benefiting the people of St. Louis County and the City of St. Louis.**

**6. Notwithstanding any provision of sections 67.650 to 67.658 to the contrary, all votes of the commission to appropriate, disburse or invest moneys in the economic development trust fund established under section 67.656 shall require a two-thirds majority affirmative vote of all of the commissioners and shall be supported by at least one commissioner from the City of St. Louis and at least one commissioner from St. Louis County.**

**7. The authority shall have the duties, functions and powers under sections 67.650 to 67.658 with respect to the use of moneys in the economic development trust fund established under section 67.656, so long as such moneys are used for economic development purposes benefitting the people of St. Louis County and the City of St. Louis. The authority shall have the additional power to use moneys in the economic development trust fund established under section 67.656 to fulfill the responsibility of St. Louis County or the City of St. Louis to provide matching dollars for state, federal, or other grants that serve economic development purposes.**

67.656. 1. A "Regional Convention and Sports Complex Fund", is hereby created. The regional convention and sports complex fund shall be administered by the authority and used to carry out the provisions of sections 67.650 to 67.658. The provisions of section 33.080 to the contrary notwithstanding, all moneys in the fund created by this section shall not be transferred and placed to the credit of the general revenue fund at the end of each biennium.

2. The regional convention and sports complex fund shall be funded with any rents, fees or charges received by the authority pursuant to any contract, agreement, lease or sublease provided for in subsection 3 of section 67.657. If the amounts received by the authority and deposited in the regional convention and sports complex fund are insufficient to discharge the obligations incurred in connection with the financing of any facility, the user, tenant or lessee that secured a letter of credit, policy of insurance or guaranty securing payment of any bonds or other indebtedness issued by the authority to fund the construction of such facility, shall deposit such shortfall in the regional convention and sports complex fund at such time or times as are necessary to discharge the authority's obligations.

**3. An "Economic Development Trust Fund" is hereby created. After the ambulance district has been declared organized, the declaring county commission, except in counties of the second class having more than one hundred five thousand inhabitants located adjacent to a county of the first class having a charter form of government which has a population of over nine hundred thousand inhabitants, shall divide the district into six election districts as equal in population as possible, and shall by lot number the districts from one to six inclusive. The county commission shall cause an election to be held in the ambulance district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for one director from the ambulance election district in which the voter resides. The directors elected from districts one and four shall serve for a term of one year, the directors elected from districts two and five shall serve for a term of two years, and the directors from districts three and six shall serve for a term of three years; thereafter, the terms of all directors shall be three years. All directors shall serve the term to which they were elected or appointed, and until their successors are elected and qualified, except in cases of resignation or disqualification. The county commission shall reapportion the ambulance districts within sixty days after the population of the county is reported to the governor for each decennial census of the United States. Notwithstanding any other provision of law, if the number of candidates for the office of director is no greater than the number of directors to be elected, no election shall be held, and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they have been elected.

2. In all counties of the second class having more than one hundred five thousand inhabitants located adjacent to a county of the first class having a charter form of government which has a population of over nine hundred thousand inhabitants, the voters shall vote for six directors elected at large from within the district for a term of three years. Those directors holding office in any district in such a county on August 13, 1976, shall continue to hold office until the expiration of their terms, and their successors shall be elected from the district at large for a term of three years. In any district formed in such counties after August 13, 1976, the governing body of the county shall cause an election to be held in that district within ninety days after the order establishing the ambulance district to elect ambulance district directors. Each voter shall vote for six directors. The two candidates receiving the highest number of votes at such election shall be elected for a term of three years, the two candidates receiving the third and fourth highest number of votes shall be elected for a term of two years, the two candidates receiving the fifth and sixth highest number of votes shall be elected for a term of one year; thereafter, the term of all directors shall be three years.

3. A candidate for director of the ambulance district shall, at the time of filing, be a citizen of the United States, a qualified voter of the election district as provided in subsection 1 of this section, a resident of the district for two years next preceding the election, and shall be ~~[at least twenty-four years of age]~~ **twenty-one years of age or older**. In an established district which is located within the jurisdiction of more than one election authority, the candidate shall file his or her declaration of candidacy with the secretary of the board. In all other districts, a candidate shall file a declaration of candidacy with the county clerk of the county in which he or she resides. A candidate shall file a statement under oath that he or she possesses the required qualifications. No candidate's name shall be printed on any official ballot unless the candidate has filed a written declaration of candidacy pursuant to subsection 5 of section 115.127. If the time between the county commission's call for a special election and the date of the election is not sufficient to allow compliance with subsection 5 of section 115.127, the county commission shall, at the time it calls the special election, set the closing date for filing declarations of candidacy.

204.610. 1. There shall be five trustees, appointed or elected as provided for in the circuit court decree or amended decree of incorporation for a reorganized common sewer district, who shall reside within the boundaries of the district. Each trustee shall be a voter of the district and shall have resided in said district for twelve months immediately prior to the trustee's election or appointment. A trustee shall be ~~[at least twenty-five years of age]~~ **twenty-one years of age or older** and shall not be delinquent in the payment of taxes at the time of the trustee's election or appointment. Regardless of whether or not the trustees are elected or appointed, in the event the district extends into any county bordering the county in which the greater portion of the district lies, the presiding commissioner or other chief executive officer of the adjoining county shall be an additional member of the board of trustees, or the governing body of such bordering county may appoint a citizen from such county to serve as an additional member of the board of trustees. Said additional trustee shall meet the qualifications set forth in this section for a trustee.

2. The trustees shall receive no compensation for their services but may be compensated for reasonable expenses normally incurred in the performance of their duties. The board of trustees may employ and fix the compensation of such staff as may be necessary to discharge the business and purposes of the district, including clerks, attorneys, administrative assistants, and any other necessary personnel. The board of trustees may employ and fix the duties and compensation of an administrator for the district. The administrator shall be the chief executive officer of the district subject to the supervision and direction of the board of trustees. The administrator of the district may, with the approval of the board of trustees, retain consulting engineers for the district under such terms and conditions as may be necessary to discharge the business and purposes of the district.

3. Except as provided in subsection 1 of this section, the term of office of a trustee shall be five years. The remaining trustees shall appoint a person qualified under this section to fill any vacancy on the board. The initial trustees appointed by the circuit court shall serve until the first Tuesday after the first Monday in June or until the first Tuesday after the first Monday in April, depending upon the resolution of the trustees. In the event that the trustees are elected, said elections shall be conducted by the appropriate election authority under chapter 115. Otherwise, trustees shall be appointed by the county commission in accordance with the qualifications set forth in subsection 1 of this section.

4. Notwithstanding any other provision of law, if there is only one candidate for the post of trustee, then no election shall be held, and the candidate shall assume the responsibilities of office at the same time and in the same manner as if elected. If there is no candidate for the post of trustee, then no election shall be held for that post and it shall be considered vacant, to be filled under the provisions of subsection 3 of this section."; and

Further amend said bill, Page 33, Section 233.095, Line 9, by inserting after said section and line the following:

"247.060. 1. The management of the business and affairs of the district is hereby vested in a board of directors, who shall have all the powers conferred upon the district except as herein otherwise provided. It shall be composed of five members, each of whom shall be a voter of the district and shall have resided in said district one whole year immediately prior to his or her election. A member shall be ~~[at least twenty-five years of age]~~ **twenty-one years of age or older** and shall not be delinquent in the payment of taxes at the time of his **or her** election. Except as provided in subsection 2 of this section, the term of office of a member of the board shall be three years. The remaining members of the board shall appoint a qualified person to fill any vacancy on the board. If no qualified person who lives in the subdistrict for which there is a vacancy is willing to serve on the board, the board may appoint an otherwise qualified person who lives in the district but not in the subdistrict in which the vacancy exists to fill such vacancy.

2. After notification by certified mail that he or she has two consecutive unexcused absences, any member of the board failing to attend the meetings of the board for three consecutive regular meetings, unless excused by the board for reasons satisfactory to the board, shall be deemed to have vacated the seat, and the secretary of the board shall certify that fact to the board. The vacancy shall be filled as other vacancies occurring in the board.

3. The initial members of the board shall be appointed by the circuit court and one shall serve until the immediately following first Tuesday after the first Monday in April, two shall serve until the first Tuesday after the first Monday in April on the second year following their appointment and the remaining appointees shall serve until the first Tuesday after the first Monday in April on the third year following their appointment. On the expiration of such terms and on the expiration of any subsequent term, elections shall be held as otherwise provided by law, and such elections shall be held in April pursuant to section 247.180.

4. In 2008, 2009, and 2010, directors elected in such years shall serve from the first Tuesday after the first Monday in June until the first Tuesday in April of the third year following the year of their election. All directors elected thereafter shall serve from the first Tuesday in April until the first Tuesday in April of the third year following the year of their election.

5. Each member of the board may receive an attendance fee not to exceed one hundred dollars for attending each regularly called board meeting, or special meeting, but shall not be paid for attending more than two meetings in any calendar month, except that in a county of the first classification, a member shall not be paid for attending more than four meetings in any calendar month. However, no board member shall be paid more than one attendance fee if such member attends more than one board meeting in a calendar week. In addition, the president of the board of directors may receive fifty dollars for attending each regularly or specially called board meeting, but shall not be paid the additional fee for attending more than two meetings in any calendar month. Each member of the board shall be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district.

6. In no event, however, shall a board member receive any attendance fees or additional compensation authorized in subsection 5 of this section until after such board member has completed a minimum of six hours training regarding the responsibilities of the board and its members concerning the basics of water treatment and distribution, budgeting and rates, water utility planning, the funding of capital improvements, the understanding of water utility financial statements, the Missouri sunshine law, and this chapter.

7. The circuit court of the county having jurisdiction over the district shall have jurisdiction over the members of the board of directors to suspend any member from exercising his or her office, whensoever it appears that he or she has abused his or her trust or become disqualified; to remove any member upon proof or conviction of gross misconduct or disqualification for his or her office; or to restrain and prevent any alienation of property of the district by members, in cases where it is threatened, or there is good reason to apprehend that it is intended to be made in fraud of the rights and interests of the district.

8. The jurisdiction conferred by this section shall be exercised as in ordinary cases upon petition, filed by or at the instance of any member of the board, or at the instance of any ten voters residing in the district who join in the petition, verified by the affidavit of at least one of them. The petition shall be heard in a summary manner after ten days' notice in writing to the member or officer complained of. An appeal shall lie from the judgment of the circuit court as in other causes, and shall be speedily determined; but an appeal does not operate under any condition as a supersedeas of a judgment of suspension or removal from office.

249.140. 1. Any candidate for the office of trustee in the district shall be an American citizen [~~over the age of twenty-five years~~] **twenty-one years of age or older** and shall have been a resident within the county within which the district is situated for more than four whole years next before the date of the election at which he **or she** is a candidate and shall be a voter of the district. Any person desiring to become a candidate for the office of trustee at the election held on the original incorporation of the district, as provided in section 249.070, shall file with the county commission or with the election commissioners a statement, under oath, that he **or she** possesses the qualifications required by sections 249.010 to 249.420 for trustee and shall pay a filing fee of five dollars, whereupon his **or her** name shall be placed on the ballot as candidate for trustee. Any person desiring to become a candidate for the office of trustee in any subsequent election shall file such statement, under oath, with and pay such filing fee to the secretary of the board of trustees, whereupon his **or her** name shall be placed on the ballot as candidate for the office of trustee.

2. At such initial election the candidate who receives the highest number of votes shall be elected for a six-year term as trustee; the candidate who receives the second highest number of votes shall be elected for a four-year term as trustee; the candidate who receives the third highest number of votes shall be elected for a two-year term as trustee.

3. After his **or her** election each trustee shall take and subscribe [~~his~~] **an** oath or affirmation before the clerk of the circuit court to the effect that he **or she** is qualified to act as trustee under the provisions of sections 249.010 to 249.420 and that he **or she** will perform his **or her** duties as such trustee to the best of his **or her** ability and impartially in the interest of the whole district.

321.130. A person, to be qualified to serve as a director, shall be a resident and voter of the district for at least one year before the election or appointment and [~~be over the age of twenty-four years~~] **shall be twenty-one years of age or older**. In the event the person is no longer a resident of the district, the person's office shall be vacated, and the vacancy shall be filled as provided in section 321.200. Nominations and declarations of candidacy shall be filed at the headquarters of the fire protection district by paying a filing fee equal to the amount of a candidate for county office as set forth under section 115.357, and filing a statement under oath that such person possesses the required qualifications. Thereafter, such candidate shall have the candidate's name placed on the ballot as a candidate for director."; and

Further amend said bill, Page 35, Section 473.742, Line 84, by inserting after said section and line the following:

"483.010. No person shall be appointed or elected clerk of any court, unless he [~~be~~] **or she is** a citizen of the United States, [~~above the age of twenty-one years~~] **twenty-one years of age or older**, and shall have resided within the state one whole year, and within the geographical area over which the court has jurisdiction or, in the case of circuit clerks, within the county from which elected, three months before the appointment or election; and every clerk shall, after his **or her** appointment or election, reside in the geographical area over which the court he **or she** serves has jurisdiction or, in the case of circuit clerks, in the county for which he **or she** is clerk."; and"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
