

HJR 30 -- CONSTITUTIONAL AMENDMENTS

SPONSOR: Lewis (6)

Currently, amendments to the constitution require approval from a simple majority of the votes cast thereon in order to pass. Upon voter approval, this resolution would require amendments to the constitution to require approval from a simple majority of the votes cast thereon, as well as a majority of the votes in a majority of state House of Representatives districts, in order to pass.

Only United States citizens and residents of the state of Missouri will be considered eligible voters.
