I recently attended a School Safety/Gun Violence Forum at Riverview Gardens. This was a meeting about keeping our children safe so they can focus on educational opportunities.

Your ticket to the world...

A library card can be your ticket to a wealth of information. At no cost to you, a public library can provide the opportunity to travel the world, explore the sciences, revisit historical happenings, and gain access to a wealth of books, magazines, and multimedia resources. Your local library may even have free internet access.

This year I was very proud to have two schools from our area visit Jefferson City. On February 13, 2018 the Jennings Hlgh School Robotics Team proudly exhibited their projects in the Rotunda of our Capitol (above). On April 11, 2018 Salem Lutheran School came to Jefferson City. (below)

You can determine the effective date of a bill, usually but not always August 28th, by going to house.mo.gov. The Legislative Library (573-751-4633) can answer questions on bill status and content.
