Dear Friend,

Your state and local governments are here to serve you. However, finding the right person, address, or phone number when you have a problem or need information may be difficult. That is why I have prepared this up-to-date directory especially for residents of our district. It is my hope that this listing of many of our government officials and agencies will prove helpful to you.

In our great America and Missouri, our style of government is unique when compared to other forms of government around the world. Here, the government serves the people; the people do not serve the government. This is why we are right in clinging to our God-given liberties. As President Regan said, "If we lose freedom here, there is no place to escape to. This is the last stand on earth." To that end, when contacting your government you should receive prompt, courteous service. If you do not, or have an unresolved issue, please know you can always contact my office.

It is my great honor to represent you in the House of Representatives. I will continue to do my utmost to be worthy of this sacred trust for which you have given me by advocating for our people and our shared values.

Your State Representative,

A handwritten signature in black ink that reads "Dirk Deaton".

Serve the ones who have served our country...

Every year volunteers provide thousands of hours of service to Missouri's seven veterans homes. Located in Cameron, Cape Girardeau, Mexico, Mount Vernon, St. James, St. Louis, and Warrensburg, these homes provide long-term skilled nursing care to veterans. We may never be able to repay them for their service, but we can show them how much we appreciate all they've done. Try volunteering at a veterans home, a great way to give back to the brave men and women who have served our country.

Visit mvc.dps.mo.gov/homes/volunteer.php
and fill out a volunteer application.
